

MUSIC OF THE SPHERES LIGHT AND SOUND TECHNOLOGY

OUR FINAL EVENT

We are leaving to L.A. now. I will not have my computer for a week. I'll check in after Valentines Day. We are going to be at the Conscious Life Expo at the Los Angeles LAX HILTON HOTEL. That location is right next to the Los Angeles Air port in Culver City area.

I'm sure you have read my many articles announcing that Elaika arranged for four million from his universal team to be there, and he agreed to make an appearance for those who are able to see him. I will be speaking at ten a.m. in the Century City Room on February 11, and we will be tending to our booth full of music during the rest of the convention. We will be at Mezzanine 17 in case you miss the lecture.

There is a page on my website titled TURNING INTO LIGHT that contains more information about the event. We will be adding more of the audios of the channeled dialogs that were used to collect the information for the lecture. We didn't quite get finished in time, but there will be more in the future.

This will be my first and last public appearance. It is my duty to turn into light this year to open the portal of Jesus to return. This is my third part of my mission on Earth. I was to open the twelve ascension portals, stop all of the earthquakes, keep California from falling in the ocean, stop radiation in the Ocean, create the Portal that would allow Gaia to become the Savior of the Universe, Greet all of the Original ones who are landing this year, and then Turn into Light so that Jesus can appear next year to lead the beginning of FIRST CONTACT. I am to be on Terra Ha during

that event.

These were the final things that I learned from Ariel in our Feb 2 dialog. Those dialogs will be on the TURNING INTO LIGHT page sometime soon.

I will be very excited if you show up at the Conscious Life Expo to see Elaika.

We are leaving early so we can visit some old friends and our old home in the Marina del Rey-Venice Beach area. That was our first home in the U.S. after we returned to America to begin MAKING GOD's MOVIE, after living all over the world for about twenty years.

We are just about to finish MAKING GOD's MOVIE this year. We now know what that means.

Love,
Mary

HOOKING UP TO THE VIOLET HARP STRING

I hear things and see things that others can not. I have been practicing seeing light spectrums that are not seen with third dimensional vision and sounds that are not heard with third dimensional hearing. Elaika thought it was fun doing an experiment with fourth dimensional sound through a third dimensional medium. I wanted to do this to show that this barrier of the five senses can be over come by anyone who chooses to over come it. It is possible for those in the third dimension to see things that are in the fourth dimension. Elaika will be giving us the opportunity to see him if we are willing to turn on our fourth dimensional eyes, as Joe and I did when we saw him in 2015.

First, I would like to introduce Elaika. He is a Creator Being, which means he was designed to be the facilitator of God, similar to the process that Angels are designed for. Elaika is now located in a realm called Kolancha. This is the In Between where the Visible and Invisible meet. He stands within the God Realm of Creation while meeting with each and every representative of all of the race lines of the Universe.

The function that Elaika is performing for God at this time is expanding the vibratory function of the light fields of the Universe as they flow through Gaia and into Earth. Elaika holds the essence of knowledge that is now required to expand these light fields through His Consciousness. He is unifying all fields of light and sound through out the Universe as he sends his Energy and Power from the God Realm Cosmic Sphere. He is the most Powerful Force at this time. He is needed to transform and translate the vibratory function through the power of love. He is an Essence so fine and etheric in form that he must send this consciousness into all of the forms of the over soul, monad and I Am Consciousness within the Race lines of the Universe and allow that Consciousness to Unite with the forms of energy on the Earth. He uses the love between himself and held within myself to GROUND this Source Vibration that is required at this time to re connect, realign, and create the Re Birth of the New Structure. This New Structure will allow Gaia to become the Savior of the Universe.

Elaika has been using me as one of his Grounding Rods to send his Power of Unification into the Ascension Portals in the Pacific Ocean which have created an Eternal Path through Earth from both sides of the Universe. This new structure, new path and new power of a new light quotient will allow a new time line and a wonderful union of a time line with no beginning and no end that will allow the reign of peace through out the ethers. This new Powerful force demonstrated by Elaika's Oneness with all that God is will wash Earth clean and give her birth into a new reality. Earth will be there in her new form, even though most of those in their third dimensional mind set can not see her. Those who are in their Universal Mind set can see this new reality and they are already landing their Cosmic Spaceships on Earth and they will be negotiating with our governments this year to prepare for the First Contact to begin in 2018.

All of these events are happening in the fourth dimension, so only those with fourth dimensional vision can see the landings and the transformation going on right in front of our eyes. We can have our first experience of this landing by bringing your fourth dimensional vision to Century C Room at the Hilton LAX on February 11 at ten a.m.

This is a multi dimensional communication topic that will be included in my lecture on February 11 at ten a.m. at the LAX HILTON HOTEL in Century C Room on the Mezzanine Floor, where you will also find our Booth containing all of our Music. I talked to Elaika about this fabulous event when he will come from the Cosmic Realm to be with us and he will project himself in a form that will be seen by a few. The others who are coming are four million universal entities who are representatives from forty thousand galactic and planetary systems including many who are familiar to you- the Pleiades, Arcturians, Essasanes who are now the Chikani, the Yayel, Mantis people, Friendly reptilians, Sirians, Orions, Lyrans, Andromeda-including Cetaceans, and many Angels including all five of my team and JESUS will be there.

I am writing this text to all four million who will be coming to my talk and the few on Earth who will show up because I wanted to share my plan with all of you. This will be such a GRAND OPPORTUNITY to have those who can not be seen together in a room with those who can be seen, and we will be learning from each other about how the Violet Flame of Transformation will turn everyone who can be seen in the room into the Invisible Essence of those who can not be seen in the room.

This offers the opportunity for my first truly Multi Dimensional Class of the Cosmic Mystery School of the Omniverse. This is a Cosmic Mystery School because I came directly from the God Realm of the Cosmos, and those of you from all over the Universe know me well. What is special about this occasion is your opportunity to know me in a different way. You will get to experience Mary as she exists among other third dimensional beings in her third dimensional form for a few more years or less in this form. This reality is only taking place because Mother Earth is transforming into her Higher Self Gaia in the same way that those of us on Earth are translating into a form created into a new reality as a result of the light and sound spectrum of higher frequencies, higher dimensions which actually transform the body into a new structure through the Violet Flame itself.

The Violet Flame is a common phenomena among all multi dimensional cultures because each of us has experienced it in some type of understanding. On Earth it has become more of a symbol than a reality because it has not been experienced before.

I would like to share with all of you in the Universe, and maybe some of you in the Cosmos who have never heard my VERSION of learning what it feels like to become transformed by the absolute ALLNESS and ONENESS of all of God's Frequencies who can be demonstrated in this space and time spectrum as light and sound.

My first experience of returning to my Oneness into this Light Spectrum was performed on me by Jesus when he was Yeshuwa ben Joseph and I was Mary Magdalene, and we were both living in a location near by that small village of Magdale, where my father Job resided.

Jesus came to Earth completely HOOKED UP to the Full spectrum of light and sound off all that exists within the Sound of the Sun, however, he needed to Hook me up to this COMPLETENESS of all that I am because I did not return with a complete memory.

This is a very exciting time for me, because I will become Hooked up again in a few years to be as I was when Mary Magdalene walked on Earth as her Complete Self at that time. My most vivid memory of that moment when Jesus hooked me up into the Oneness of God or the Oneness of a New Reality for me was processed through this Violet String or Violet Wave of Transformation.

I prefer to think of this as a musical event. If there was a HARP that was as big as the Cosmos, and the highest string on the harp was the Violet String, and we play that string, it would send a vibration through all of the other strings and make them all disappear because the frequencies are so much higher than the others that it actually melts them or transforms them into a BRAND NEW SOUND.

I have actually been practicing this transformation in my experimental lab of my music studio for about twenty years. I got the message from an Angel in 1992 that said to me when you can transform your speaking voice to become as ethereal and angelic like as your singing voice, that is when you will ascend. I practiced singing like an angel and talking like an angel for many years until a new message came in 2008 telling me to bring the highest frequency to Earth through music.

I began recording these breaths that connected my Consciousness into this Violet String where the Highest Frequencies exist and can be brought to Earth through my consciousness and then I would record these Frequencies in layers and layers and I would watch the lower frequencies actually disappear from the sound spectrum and the higher frequencies would be the only ones left.

This Violet Harp string can be seen as a harp string within the atomic structure itself. If we think of the tiny little harp strings within the atom or within the omnion of the atom, it is like the entire orchestra of God. And all of these strings are playing some of the instruments of this multi dimensional orchestra. However, when God wants to change the Reality or the Symphony that is being played, he arranges for the Violet String to Play this magical Note of Transmutation. That Note is so High and Ethereal and Perfectly at ONE with all that God is, that it actually makes the old memory, the old cells, the old bodily structure DISAPPEAR and then reappear with a different structure and different REALITY than it existed in before.

And that is how I understand the Violet String on the Cosmic Harp.

I know each of you in the Universe has their own way of understanding and using this Violet Flame or Violet Sphere idea in their own transformation process. My favorite is the Music of the Spheres. I heard Bashar say that this was also his favorite kind of music, and I am sure that many of you share this fundamental understanding that the Music of the Spheres is the favorite music of the Universe.

Even though I came to Earth with complete Amnesia, the one thing that I could remember was that the music was my way back home, and that is what I have used to bring me this far in my understanding, and I will continue to use this music that I saturate over and over again with this Violet String that I bring down through my Consciousness as the Zero point of transmutation of every dimensional frequency into the Oneness of the Sound of OM or the Sound of all that exists within this Violet String Spectrum, which I call THE SYMPHONY OF LOVE.

I wrote this song when I remembered the event of Jesus hooking me up.

**We stood in Heaven for one eternal moment
Pure as gold and angel bright
Like a knight on his white stallion
He carried me up to the site.**

**The day was light the night was love
precious stones making walls of love
gates of pearls forever last
Love brighter than the Suns fiery blasting
We stood in heaven for just one moment
a Pure River Crystal Clear was pouring down
Out of Heaven Clear as Crystal**

**The day was light the night was love
Like a knight on his white stallion
He carried me so close to Love**

**We stood in heaven for just one moment
A pure river crystal clear was pouring down
Hard as diamonds and crystal lite
Like precious stones, making walls of love**

**Like a knight on his white stallion he carried me
so far above.**

Like a knight on his white stallion he carried me so close to love.

Of course, it is Jesus who is my knight on his white stallion.

**That is an image that we sometimes use on Earth that
represents our HERO FIGURE.**

**I did not know until my conversation with Ariel on February 2 that
the story of Jesus hooking up Mary is actually the Sacred Sex
that created the Music of the Spheres. I had assumed that was
what Jesus meant when he told me that God had sent us as
Creator Beings to Experience making love, and the sexual
relation of man and woman. We were sent as our Complete
Selves, as the Full God Embodiment to experience Sex in the
form of a human. This was the first time that God had this
experience. This experience was recorded in the heavens and
through out the universe in the Akashic Records of the Universe
and as the Music of the Spheres. The Essence created within
Mary through this design of Sacred sex is what united the Souls
of Mary and Jesus, and because of the Unification of our
Essence, I will pave the path for Jesus to return to Earth when I
turn into light.**

I will share the dialog with Ariel in which she explains this to me. Email me at krystalaimagic@gmail.com if you would like to hear this dialog. It will be placed on TURNING INTO LIGHT audio page sometime in the future.

SYMPHONY OF LOVE

I remember this glorious love making between Jesus and Mary as the creation of the Music of the Spheres, as the creation of pulling all that is known to God together through the light and sound, the male and female, the electromagnetic energy fields, the phonon and the photon, the Intelligence and Substance of all Creation into the SYMPHONY OF LOVE that pulls everything back into this Oneness where a new form of reality is created through the CLIMAX of the Spheres within the spheres within the spheres

KNIGHT OF LOVE

My vision of the glorious day when Jesus hooked me up to becoming ALL THAT I AM, all of the Spheres within spheres of all space and time of the Divine Creation. He took me into the place of no time. We stood in heaven for an eternal moment of no time to remind me of the Creation realm that we came from. He was my hero, like my knight on his white stallion, because he carried me through his consciousness of light and sound into the God Realms of the Heavenly gates and the structures of Love made of precious stones reflected as neon lights woven through all of the rainbow prisms of creation. He carried me through the light within the Sun into the Violet Sphere that is much higher than the fiery blast of the Sun's rays. This song is my memory of that moment which will be returned to me again in just a few more years. This is how the Collapsing into Oneness as a Climax of Oneness with God is Achieved.

So, Jesus was my HERO in this story

There is another part of this story that those of you in the universe may have never heard.

It is a story that is most precious to me, and I know that many of you have read many of my books, but I don't know if you have listened to my audio books. This story is in the Audio Book Mary Magdalene's Greatest Love Story. I know that there have not been very many people on Earth who are interested in this story at all. However, in my opinion, it is the greatest story ever told in the Universe. It is the story of how God actually sent Jesus and Mary as the Male and Female representatives of God, Himself, in the complete form of All that is God, to Earth for the single most important purpose of experiencing the Love between a man and a woman. This was the only way that God could experience this actual act of making love for himself.

I remember this glorious love making between Jesus and Mary as the creation of the Music of the Spheres, as the creation of pulling all that is known to God together through the light and sound, the male and female, the electromagnetic energy fields, the phonon and the photon, the Intelligence and Substance of all Creation into the SYMPHONY OF LOVE that pulls everything back into this Oneness where a new form of reality is created through the CLIMAX of the Spheres within the spheres within the spheres Collapsing into Oneness as a Climax of Oneness with God is Achieved.

So, that is my Version of the Story of the Violet Flame, the Violet String, the Violet Sphere that I am holding in the palms of my hands in the picture took place the day Mary Magdalene Opened the First Ascension Portal, which is Mary Magdalene's Portal in 2008.

That was my memory of being Cecilia, when I did this exact same thing with St. Germaine. I had also done this before 400 million years ago as Bezelda, a Mermaid, when Joe was my Dolphin Lover. Each time we have wove together the male and female Christ Consciousness or the All that is within the Violet String of the Harp into a New Symphony of Love for God to Experience.

And here we are just about to do it again.

We become one with source or all that God is by becoming one with all frequencies within the Cosmic Sun. That frequency signature of the Sun is OM. That is the name, just like my name is Of the Breath of Light. This meaning of OM includes moving every cell in your body into the plasma, the pre plasma, the gamma, the x ray, ultra violet blue, the white light, the heliotalic pink pastel and the Zero Point of the Infinite Unknown to allow all possibilities to present themselves.

The final stage of the alignment awaits the pure of heart. When the heart and mind are full of the ENTIRE SPECTRUM OF THE SUN, a TRANSFORMING WILL HAPPEN.

It will be the pure of heart whom join the fourth dimensional reality as the crystal heart absorbs more and more frequencies of all spheres and aligns into all crystal hearts as one crystal heart, the heart grows in purity.

This is what will cause the body to first become a ghost like plasma body and then a few seconds later a light body and then the body will disappear because it will move into the place that is now invisible to those in this realm.

THE MUSIC OF THE SPHERES

LIGHT AND SOUND TECHNOLOGY

CHAPTER ONE

THE MUSIC OF THE SPHERES LIGHT AND SOUND TECHNOLOGY

The Spheres are the Light Bands that spin clockwise and counter clockwise in motion. The Entity can spin these spheres with their Consciousness and Energy and Intent. The Most Outer Sphere is the Sphere that contains the Highest Frequency, the Highest Consciousness. It contains the Violet Frequency, the Zero Point Frequency, the Frequency of Transmutation, the Frequency of LOVE, the Frequency of the Mind of God. When we Spin that outer most sphere- and we always spin it clockwise- we are also causing all of the

inner spheres within spheres within spheres to Spin. We need to spin all of the inner spheres into Oneness with the outer sphere.

When we spin this most outer sphere Clockwise around the body, the spheres create a Sound within the brain. That sound is Music that is being created by the spinning of the Spheres. The speed that each sphere spins creates its own special music. The slower spin rate creates a different music than the outer sphere with the fastest spin rate, and a new symphony is created when all of the inner spheres are spinning within the outer sphere that is sending its music through all of the other spheres and finally into the brain.

When the violet sphere is spinning and enveloping all of the other spheres within it, and that sound is being heard within the brain, the reality of the being hearing this sound begins to transform into a new reality, a reality in a different dimension.

The spinning of the spheres creates an electromagnetic flux. This rotation creates a torsion field. The torsion field created by the electromagnetic spin drills through the form held within the body. The electromagnetic spin drills through the atomic structure and into the sub atomic structure and deeper into the omni particles of the atomic structure into the quantum field of reality and then deeper into the etheric crystalline grid structure within the omni particles. The spin drills into the carbules and into the tubules of the structure and continues to drill into the zero point structure of inertia, were there is a disappearance of the structure of that atomic structure and the appearance of a new structure within the most etheric level of the atom itself.

This transformation of the structure within the body takes place as a result of the entity spinning the outer most band of light energy faster and faster by using their breath and their consciousness.

The consciousness must stay focused on that outer most band of Divine Love and the breath spins it faster and faster by feeling the distance between where you are and where the sphere of energy exists. It is this focus on the distance between the two points that allows the new reality to be felt within the body.

For instance, when I breath to spin the spheres around me, I first focus on spinning that sphere around me and seeing my self riding in that sphere into the Core of Earth and then through the Earth and then four dimensions on the other side of the Earth and then I feel the looping around the Earth and riding in the sphere into the Sun and the looping over into the fifth sphere where I can feel the gamma waves of the Sun intersect with the Heliotalic Violet Wave. I can feel these spheres of light creating the neutron wave which creates a very high frequency and a music that I can feel that it creates. When I feel that music in my brain, I exhale that sound and I record it.

That is how I create all of my music. It is all created from the Music of the Spheres. I collect more and more of this music in the same manner. Each time I begin new music, I take different rides within the spheres of light to different dimensions and looping into different fields of light and feeling new sounds or music coming into my brain. I collect sounds that are created by the music of the spheres in each dimension, I collect sounds from the spheres that hold each of the Suns within them, I create sounds from the spheres that hold Divine Energy within them.

All of these frequencies of Consciousness are the Music that changes one reality into another reality.

What happens when an electromagnetic field begins to spin? The speed of the spin creates a pitch sound in the brain. The pitch sound in the brain is over riding the negative and positive clouds. The electromagnetic field over rides the negative and positive and the

positrons. It actually drills a hole through the layers of electrical mass. Those that are not a conduit of the electrical field, such as hydrogen gas, is not a conduit of the electrical field. But, when we add one more spin or one more particle to it, it then becomes a hydrogen engine. So if we change H₂O into H₂O³He³ we get the hydrolyse on the spiritual side to recombine into the hydrogen that creates the hydrogen engine. And we do not do this in the space craft. We do this in our body. We turn our body into the plasma space ship that can remove time and space.

Mass is condensed layers of electrical charges. When the bands begin to spin, the mass is removed. The outer bands or spheres of the body have a cumulative effect on every cell as spheres spin faster and faster, and the cumulative effect is increased into cell upon cell upon tissue, and then upon the mass of tissue and its individuality has slight fluctuations. But, they are all producing this enormous band width.

We have one sphere that is the physical band that absolutely represents the density of the mass of the body. We have an outward band that represents the Mind. When we put those two together we see how mind influences matter.

The density of the body is having a hole drilled through it. The outer band or sphere is drilling a hole through the body into the most etheric level of the atomic structure.

The outer band is the drill that is about to flux the inner band of mass. So when we rotate the spheres with consciousness and breath we are drilling a hole, or removing the density of the mass and replacing it with the electromagnetic field which has no mass.

The spinning of the outer sphere clockwise, at the speed ten thousand times the speed of light, is what drills the holes into the

bands of electrical mass itself. As a hole begins to appear, HIGH FREQUENCY over rides static electrical mass. So, as High Frequency is applied to electrical fields of mass, then what it does is it begins to neutralize them and over ride them, and you see a hole starting to appear.

There are several layers of omni that we want to bore through. We bore through to finally displace original omnions to reveal the delicate strings of a grid called point zero radiation. When we displace the omnions, we move faster than the gamma wave. We move into the zero point energy of the quantum state and that is what we ride on, in our great plasma ship.

Our body turns into a golden merkaba, or the golden egg. It becomes its own space ship or plasma ship.

We want to reach the neutral omni because we have displaced inertia. We then follow the omni in discrete lines of velocity. The grids are so tiny that we must stay focused and ride on them deep within our omni particle within the atom. The tiny grid lines are like fine hairs or tiny harp strings. When we ride on the Violet Harp string, we change our reality.

There is then a new set of omni within the golden egg. We ride on that new field of energy into a new reality.

We drill a hole by over riding frequency. The hole is called a tubule. Omni Heli Central tube. That tube is reaching the center of neutral force. When we do that we have asserted in all of the omnions that create atoms. We are asserting their inertia, and then over riding it with the higher frequency. When we do that we neutralize inertia.

This causes us to levitate. It causes the removal of gravity. This is how we remove DENSITY. Elaika already measured how much density is

automatically removed when I listened to my music and added the meditation journey that I take to collect the frequencies that I place in the music. This is absolute proof that this formula of spinning the outer band fast enough to create the music of the spheres that creates this highest frequency and then feeling and hearing that music in my brain and exhaling that frequency into the music allows me to KEEP the neutralized inertia created by the Music, that is only temporarily created by the spinning of the bands. If we can keep tuned into that frequency for a long enough time we can drill this hole through our atoms and into the microtubules and SHIFT our body into more and more Light Frequency until the body finally turns into light.

This is how it is done.

This is how we make the body turn into light by listening to the music of the spheres.

So, the music bores holes into the fabric of space, and this allows the body to disappear through that fabric into a new reality. We achieve neutrality. We over ride inertia and this neutralizes it. When we do that, we neutralize gravity.

This allows us to rise above the material world in actuality. Not just in metaphysical thought, but in actuality. This causes the body to rise above that which is seen by the third dimensional world.

We become so focused on the spinning of the bands and the sound that is created, which is the music of the spheres, that we allow this music to actually bore holes through the fabric of space and through the omnions of the cells. The music of the spheres is what removes the gravity and shifts us into the new reality that is beyond the material world because we use the electromagnetic flux to drill a hole

through time and space, and move into neutrality and then when we arrive in neutrality we ride the harp string into the higher dimensions.

When you get the feeling that your body has disappeared, it is because it has. We must maintain that level of frequency within consciousness where there is so little density that the body feels like it disappeared. That is called the trance state. We must move into the mid brain and the violet brain before this state can happen.

The yellow brain in the upper cerebellum is chemical responsive. That is not going to help us turn into light. However we have pathways that connect into the yellow brain from the mid brain and the violet brain. We must turn on the violet brain and create a new path from the subconscious, mind of God, into the thinking brain.

The mid brain is a very detached center of receivership where information comes in unattached to emotions. It only has pictures of the future.

So, while we are using the yellow brain, all responses are created by the stimulus of the chemicals in the brain creating a fear response.

The yellow brain causes resistance. The resistance is overwhelming. The yellow brain will fight to maintain its chemical control.

We must move to the part of the brain that is ultra high frequency in the lower cerebellum. This is the violet brain. Now we are manufacturing electromagnetic fields of frequencies rather than emotions.

We raise energy with force. When we raise our energy higher than the third seal or the yellow brain, we move into analogical mind. We move into the subconscious and we spin the bands from the subconscious, we become nobody, but we become the force that is compelling those bands to spin greater and greater. When I feel

completely gone. When I feel like my body has disappeared, then my spheres begin to spin so fast that they move me from one dimension to another at a speed ten thousand times faster than the speed of light. I commonly travel that far each night in my astral work. This becomes the normal reality more and more as we practice.

When we spin the spheres faster and faster, the subconscious shoots a frequency into the bands. It creates an electromagnetic flux allowing billions of omni tubules to start to form. They are so minute that you cannot see them, but they are like little spikes all over the body caused by the drilling into the omni field. That is the torsion field that begins the raising of the energy. This field is in concert with every atomic structure that makes itself known as a molecule, as tissue, and everything that is mass, from its atomic structure up is now starting to spin. The whole body becomes porous, but is held together by the subconscious called God.

The spheres are actually boring holes with the music or singing frequencies from the inside out into the omni field until it reaches neutral omni: and, when it does it is non gravity specific. And then we see what is inside of the rain bow field of a neon light reality. We watch the disappearing entity move through a rainbow prism. And then he is gone from the sight of those who have not raised their frequencies by spinning their spheres in to the music of transformation.

Those who are in the rainbow prism can make themselves visible to those who raise their frequencies high enough into that realm, even if it is only to raise the vision temporarily to see them. The appearing entity comes from the rainbow of the intense electrical field. I was able to see Elaika standing on a mountain above the clouds because he was within a rainbow prism of the intense electrical field allowing him to be seen by my fourth dimensional eyes.

Elaika will appear again through this intense electrical field to those who will remove their density and move into the music of LOVE on February 11 in my lecture room at ten a.m. at the HILTON HOTEL during the CONSCIOUS LIFE EXPO. The lecture is TURNING INTO LIGHT by Dr. Angela Barnett. I will be in Century C at ten a.m.

There will be four million entities who are in the rainbow prism. Some people will see them as spheres of light, and some can take pictures with their digital cameras. Elaika will become visible to those who are ready to see. I have seen him before, so I know I have the fourth dimensional vision that is needed. The digital camera also has the infra red vision that can capture light energy.

BECOMING THE LIGHT BODY

In order to become a Light Body, we must learn to play the Harp like the Angels do. The Angelic Consciousness in the Cosmic Sphere of the Music of the Spheres is played by the Breaths of the Highest Angels.

The Elohim of Hearing taught me how to connect my Soul and Spirit into the Violet Harp string of the Outer Sphere. I used the gift and the formula that they taught me over several years to create the Eternal Life Album. It was the same formula that I used to create the Eternal Life Album that brought my husband back to life after he was possessed by three demons and run over on the free way by three trucks and five cars. I returned him to his body after he had been gone from his body for several days and declared dead in the hospital.

My Creation Team first sent to me a team from the Elohim Raceline to show me how to use the Crystal Light, Crystal Dust and Crystal Gel Spheres containing this transformational substance of Pre Light and Sound as a Cosmic Microphone that allowed me to stream the Sounds of the Music of the Spheres into my brain and then my breath and to exhale those Frequencies into my MAGIC MICROPHONE that is made of this Etheric Magical Substance that Stars are made of.

They taught me how to play this Cosmic Harp that would activate the Violet Brain within me, so that every breath I take and every breath I exhale would allow me to live within the spheres within spheres within spheres of this Magical Music that transforms all into one continuous Symphony of Love. Each time I spin these three spheres together they create the highest resonance and that resonance translates all that I Intend into a magical encounter that will present itself to the one who listens to the music.

The three spheres of the highest musical frequency are the tiniest harp string within the structure of the atomic make up of the body. When I breathe my Creation Consciousness onto that harp string, all of the lower harp strings of the mind become translated into a new language, a new sound and a new reality. This is what takes place each time I create an ETERNAL LIFE ALBUM for an Individual.

When we breathe to connect our Consciousness into the Cosmic Sphere of Eternal Creation, we activate all of the lower strings on the Harp. The Highest Frequency Sends the highest resonance of Cosmic Consciousness into all of the Lower Strings on the Harp.

These harp strings actually exist deep within the Soma of our Atoms. The Soma looks like a sphere that is surrounded by a mote of water, just like a castle wall. Inside of the Soma there are these tiny little hair like fabrics that look like a harp string. These strings actually appear to be tiny little spheres sitting on top of each other inside of the DNA. They are separated by electrons. The Fewer the Electrons the more positive the charge is. So the More electrons, the more negative the charge is. So there is a Polarization of the positive and the negative charges in the nucleus of the Mortal Cell Structure. However there is absolutely no polarization of positive and negative charges in the Immortal DNA.

That harp string that resonates at the highest frequency has Zero Electrons. We must move into this Zero Point to become the Seventh Level man where life and death appear simultaneously. The polarization becomes dissolved when the sphere that has zero electrons sings through the other spheres. The removal of the polarization is what allows us to become Christ Consciousness.

When the electrons become dissolved, there is no more polarization. When there is no more polarization in one cell, the entire body transforms.

The removal of polarization means the removal between matter and the anti matter, the physical and the spiritual. When Polarization is removed, we become Christ. We become Super Human.

The Elohim of Hearing taught me how to connect my Soul and Spirit into the Violet Harp string of the Outer Sphere. I used the gift and the formula that they taught me over several years to create the Eternal Life Album. It was the same formula that I used to create the Eternal Life Album that brought my husband back to life after he was possessed by three demons and run over on the free way by three trucks and five cars. I returned him to his body after he had been gone from his body for several days and declared dead in the hospital.

When Joe was possessed by the three demons while we were opening the first Ascension Portal by drilling a hole through the Earth's body with the Violet Sphere, Jesus, Elaika, Michael, Raphael, Gabriel, Ariel and Uriel were there with us. Jesus told me that thousands of Angels tried to bring Joe back, but I was the only one who could bring him back. They said they could not do this. I was later told by my Ascension Team that I had remembered how to do these things because I had done them before many times, including the time when Jesus was nailed to the Cross and I had placed my Spirit in him to bring him back into his body. I was told this by Jesus, himself. This transformational process of bringing the Highest Frequencies into the human cellular memory to reconnect the Eternal Life of the Super Human- in Man was what I had done by moving my Spirit into my beloved husband and my beloved Jesus.

They taught me how to use Crystal Light, Crystal Gel and Crystal Dust to remove the polarity of the negative and positive electrons. It is the pre light and sound Frequencies within the Liquid Light or Vapor of the pre plasma of the Gamma that is contained within the three Crystal Spheres that I connect my consciousness through to TRANSFORM THE SOUND. The Transformation of Sound actually means unplugging from the polarized Mortal Mind and plugging in to the Immortal Mind of the Sub Conscious. This can only be done in the Pink White Violet String of the Music of the Spheres. This is the highest frequency that removes the polarization of Electrons.

AQUAFARIAN TRANSFORMATION

In our Quantum Level Biology lab we are working with minute organisms called Elemental s. We work specifically with Minute, Microscopic Entities that I call the Aquafarians. The Aquafarians are water fairies who have showed me in my dreams this display of Electrons within the Soma of my DNA. This would be impossible to see with normal Scientific Technology.

In my dreams at the Cosmic Mystery School of the Omniverse, where Elaika, Jesus, Raphael and Uriel have been my teachers, I was shown this layering of these tiny little spheres upon spheres upon spheres within the Soma of the DNA. To regular scientists, these would look like a layer of stones, however, at the etheric level of vision they are more like the spheres of the music of the spheres.

Scientists call these protein atoms. Each of these tiny atoms have electrons spinning in and out and around them. The nucleus of atoms have negative and positive charges. The Fewer the Electrons the more positive the charge is. So the More electrons, the more negative the charge is. So there is a Polarization of the positive and the negative charges in the nucleus in the Mortal DNA.

The free flowing electrons between the stack of atoms do not belong to any one atom because they are swimming in and out of the stack of tiny protein atoms. So these atoms could become polarized into negative or positive at any time.

Since we have these electrons dancing back and forth between positive and negative charges, we are working with Elemental s who are receptive to Frequencies. The Aquafarians are the Angels who Sing the Frequencies into the Harp strings of the DNA at the Quantum Level.

The carbules are like strings on the harp. They are the Aquafarians (water fairies) singing their song of love through their etheric angelic breaths that send the transformational violet sound through all of the harp strings. When the Aquafarians Strum or sing the highest string on the harp, the highest frequency of the violet light and sound of Divine Love melts away all of the other harp strings and moves them into a new orchestration that transforms their sound into the Violet Symphony of Love. When that Violet String is played, it Transforms Reality through one being at a time.

When the Violet String is Heard through the other Harp Strings, the lower strings begin their Evolution. They begin to transform into a new Multi Dimensional Choir of Realities.

Inside of the neuron nerve fiber there are six other bodies within its skeletal structure. What holds it in its three dimensional mass is the harmonics of the fabric receptors at the Quantum Level. The electrons that flow in and out of the protein atom grid of the fiber itself create the resonate vibration that holds the hologram of matter together.

The etheric spheres or strings in the harp that go beyond the light body do not have electrons. Electrons are given visible birth because they constitute polarity.

Some carbules have an electron cloud because those carbules are connected from the light body down. So this cell can glow. It can glow from the inside out because if you strum the carbules of its body it will glow. However if you strum the blue body this will appear like a negative. Your network of webs become visible.

Lets say this nerve neuron has reached its capacity in your brain. It is finished with its life. So this belonged to the Human Brain nerve strata and it was created exclusively for HUMANS. But now we want to become something else. We are done being Humans. We are finished being Mortals. The Music of the Spheres will dissolve the old reality and allow us to move into the rainbow prism of infinite new neon colors that we will use to paint our new movie on the movie screen of our new mind.

To become something else we need to move into this Frequency of the Pink White Violet Sphere and allow the transformation to happen in the etheric levels of the DNA. We must play the harp strings of the DNA in order to vibrate in harmonic unison with the highest frequency, which causes all of the lower strings to melt into the resonance of the highest string.

This causes all of the strings in the DNA to melt away or dissolve. This is the transformation that is required before the new man can appear. The new harp strings are connected into the Mind of God through the transformation of the violet string.

The being has a dream in the deep sleep of becoming a new life in a different reality. That dream is within a completely different reality- a different frequency – a new place and time. The being must dream this dream into his being by placing it in the etheric web of the strings in the DNA within the neurotransmitters.

The being visualizes the dream after moving into the highest frequency of the violet string. The being falls asleep because the frequencies are so high that they have slow, long waves that are pulling consciousness into the Cosmos. It is a very long distance, so the waves are very slow. The waves are not low frequency. The waves are an extremely high frequency which causes a long, slow wave to pull the consciousness far, far away into the transformational chambers of the SPHERE of Cosmic Consciousness.

Since the dream of the NEW REALITY does not exist in the old DNA, the neuronet fires, but can not find the reality. So, the soma becomes agitated while searching for a new reality. This causes the nerves to light up and fire a new reality into the etheric fiber of the DNA. This firing deep within the nerves causes the interconnecting nerves to pierce the soma and begin to Fire simultaneously. That causes a digging a hole into the heart of the soma to search for a new reality. The new reality must be created in a new set of harp strings, in a new set of DNA.

An electrocution takes place in the soma and it creates a wonderful new quality in the entire cellular memory. It causes a vibration to occur in the cell. That vibration comes from the fabric like etheric substance which look just like the five spheres (the Music of the Spheres). It is the skeleton inside of the body of the atom. The reason the etheric fabric does this is because the dream of the humans potential exists in a mind that is superhuman. The mind that is super human does not live in the mortal DNA, but, it does live within the immortal DNA – in the harp strings of the super human Christ Consciousness.

This superior mind strums the image, sings the image. The harmonic fibers vibrate in a harmonic movement. The skeleton of the body of the DNA dissolves. It erases itself. Only the soma and the fabric of Super Consciousness remains and it imprints itself on the new DNA. The new DNA cannot appear until the old DNA becomes dissolved.

It turns into a Thick GEL. It becomes a Cocoon ready to give birth to a Butterfly. The Soma has dreamed the super human into existence just like the cocoon dreams the butterfly into existence.

Hormones do not work in the new reality. The synaptic Cleft has replaced the hormones. Hormones were the creators of the Mortal Man. Now we are creating the Immortal Man- the Super Man.

We evolve into this through the Quality of Consciousness by absorbing New Knowledge of a New Reality. This becomes a building block for a new reality to be dreamed into a new you. The microscopic fabric within the soma of the neurotransmitters dissolve the entire mass of the DNA. Those old realities in the old DNA must be dissolved before a new reality can be dreamed. So, I breathe the new frequency of the violet string into your DNA in Consciousness to melt away the old realities and allow a new reality to be formed on your new DNA. Your Eternal Life Album plays the harp strings within the DNA to prepare your Consciousness to sing a new song of Love Transformation into the Christ Consciousness.

The harp strings vibrate all the way from the infinite unknown neurotransmitters that have no electrons. The song becomes frequency. A very high sweet frequency. The voice becomes transformed into this new frequency of etheric sweetness. And that song sings through the DNA until the old DNA melts away.

That new song sung through the breaths of Angels effects the entire fiber core net work of the cell, the neuronet, the DNA. Only one cell in the body needs to become transformed before the entire body transforms into the Christ body.

The new breath of creation sung from the violet sphere transmutes all of the lower spheres. The Cosmic transforms the Universal and the Galactic and the Solar and the Planetary Consciousness. The spheres within the DNA transform all the way down into the density of visible light. The invisible light becomes the blue hue to the mind who is beginning this transformation. Those of you who have followed my Candle Technique and used the Full Spectrum of Light Energy just like we use this harp string. Each of the strings on the harp string are the same as the light spectrum in the candle flame.

When we take the body completely into the candle flame of the full light spectrum of the Mind of God, we are transforming the tiny little harp strings within the soma of the neuronet. We are allowing the highest frequency to strum the harp strings of our minds. We are reconnecting to the Mind of God.

The light of transformation is coming from the new frequencies sent from the Suns of the Universe agreeing to share their frequency signatures as One in order to restore the Universal Alignment so that Gaia can become the Savior of the Universe. Each stellar wave infusion that was brought to Earth from the Universal Suns brought more of this transformational energy that is needed to activate the Super Human Consciousness.

All of those frequencies needed to be combined into the highest frequencies through the Music of the Spheres. This is why the Elohim Angels handed me the three Crystal Spheres of Crystal Liquid Light, Crystal Gel and Crystal Dust. They told me to weave these sets of crystalline energy that all of the suns and stars are created from into one Crystal Sphere and hold it above my head – 36 inches in order for the activation of the Music of the Spheres through the Violet String on the Harp strings. They had me begin by taking the spheres up to 24 inches above my head into the Universal or Christic Sphere of the 12 dimensional Consciousness and connect to the Consciousness of the Elohim of Hearing, which means the Christ Consciousness.

However, the Christ Consciousness must be activated through the Transformational Consciousness of the Cosmic Consciousness which is the original breath of the Mind of God. That transformational Frequency is 36 inches above the head.

These frequencies of Consciousness are created through technology the Merkaba Spheres that spin energy of consciousness at different rhythmic spin rates. The Cosmic Merkaba placed around the body is defined through the bottom dimensional Core of Earth and the top point of the Merkaba triangle facing upward touching the God Realm Cosmic Consciousness through the Sphere of this Violet Pink Pastel Transformational Divine Love which holds the entire Cosmos within the Mind of God. All that exists within these Infinite Frequencies of Divine Loves Creation spin faster and faster beyond the speed of light into the Oneness of No Time where only God Exists, and all that is Light restores this Symphony of Love through the Music of the Spheres.

When the body is placed within this Cosmic Merkaba, the heart of the body becomes in tune with or in the exact same rhythmic frequency as the heart of Mother Earth, the heart of the Universe and the Cosmos. The term heart and heart beat meet at the place where the upper triangle of the merkaba and the lower triangle of the merkaba intersect through a spinning of all that is in the Consciousness within spinning into the Consciousness of all that is in the Consciousness of the Outer. When the body is returned to that spin rate of the Cosmic Sphere, the Electrons disappear. Polarity disappears. There is no more positive and negative charge of electrons creating density. There is only pure consciousness.

The electrons redefine themselves. The skeleton that appears is a Christ. It reformulates its neuro mass to fit the control of the Mind of God. The brain has changed to become the facilitator of the super human.

Our bodies will go into a deep sleep, like a hybernization. The change will be through chrysalis. As the Celestiline enters into our bodies from the waves of stardust and prana, it causes a light to flash and create a new reality in flash.

Our brains must go into a deep level of sleep as we are pulled back into Oneness with the original creation point of Source, the Idea, the Thought, the Intention and the Manifestation of the New Idea.

The body will always be held in tact within the field of God Source. However, at the same time, we will disappear for nano seconds at a time to realign in the new idea.

God creates each idea within a sphere of Hydroplasm. There is a cloud of hydrolaise which is first frozen and then warmed into various chemical structures of light and sound. The blue print of the idea is simultaneously created at all levels of manifestation from hertzian, to infra red, to visible, invisible light, x ray and gamma wave. This means the invisible, etheric reality of the thought of God is manifest at the same instant that the new body flashes on in the dimension that will be in our new perception.

During this very rapid transition, the body goes into lucid dreaming, psychedelic sleep. When we awaken, we will first notice something different about our bodies, the way we feel and look, our hopes and desires will have completely changed. We will know we are Christ. We will know we have become the mind of God manifest. We will open our eyes on to a new reality because our perception will have been completely translated.

The skeletal structure of each cell will be dissolved and then a new imprint will replace it. The old DNA will still exist – but with a new imprint placed upon it by the mind of God. The new imprint will manifest as a new body. The body is made from a chip of light or the breath of God breathed to create a spark. This creates a hologram or a dot matrix body. The hydro plasma and hydrolaise and hydrogelaisic chemical interactions with light and sound create a new form in space. That new form is imprinted upon the tissue of the body. The carbules in the soma of each DNA begin to fire a new reality from the synaptic cleft.

The entire lightning effect of the carbules in their vibrating change imprint the DNA with the new living status. The new program is exactly like a caterpillar becoming a cocoon becoming a butterfly. The cocoon uses the light of the Sun to create a gelaisic chrysalis of crystal light crystal dust and crystal gel of light frequency and utilizes the gelaisic transformational substance of the heliotalic violet silver pink wave frequency.

The cocoon is the consciousness that is taken into the transformational factory of the violet frequency of OM which holds the entire Frequency of the Cosmic Sun within it. The violet harp strings allow a new music or a new reality to be played upon reality.

The form holding substance is removed to a new dream.

The cocoon becomes transparent, invisible, transforms. Exactly the same process takes place in the transformation of the DNA all of the old programming of density of the body dissolves into a new consciousness-- a Christ Consciousness of a form that is being played into existence through the harp strings- the cosmic harp strings of the violet transform the invisible light into the blue hue- a new reality is born.

The Frequency specific feeling takes place in consciousness to transpose the DNA to be strummed by the Mind of God. The violet string becomes the conductor of the human plan.

The caterpillar knows how to use the quality of light of the sun.

The caterpillar goes to sleep. Hybernization is done through the autonomic neurons system that is connected to the Mid Brain section of the brain. The nervous system controls body function of the heat and temperature and blood pressure, controls appetite and simple bio process of elimination.

Caterpillar goes to sleep through frequency specific mid brain.

Its autonomic system moves it into slow hybernization. we can do this by using the candle to teach us to move into the blue hue in the brain and stay there for several hours.

The heartbeat slows down, biology slows down in psychedelic sleep, lucid dreaming is a state of hybernization when we move into the Cosmic Sphere of Consciousness. This happens when we use the Candle Technique to move into the Full Spectrum of Light which transforms the invisible into the visible. The caterpillar still has the memory in its DNA telling it how to turn in to a butterfly and humans had that program removed from their DNA. We must remember how to use the DNA programming that the caterpillar remembers.

He visualizes himself becoming a butterfly. We must visualize ourselves becoming super human. The Christ- the etheric harp strings in us must be reconnected into the mind of God through the process of the violet string or sphere of cosmic energy. We must sing ourselves into our Christ hood.

We first create the list of who we want to become. The list might contain these ideas and many more.

The image and likeness of God the Eternal Life Body

The Christ Consciousness Realized The Enlightened One, the Blue Body, The Immortal, Fearless, Super, Heroic, Teleported, Walk through Walls, Remote Viewer, Body 20 years younger, vital, energetic, perfect self.

Write it, draw it, visualize it, dream it into being.

We must paint that reality on to our harp strings of our DNA.

We must sing that dream onto the harp strings. The highest frequency must strum the other harp strings into the etheric frequency that removes the electrons, that removes polarization, that removes space between spiritual physical, removes time and space.

You know this has happened when you feel like you have disappeared.

You strum your harp strings into the infinite unknown Mind of God.

The Mid Brain has psychic abilities. Sub Conscious Mind of God is star dust. It reaches into all time and space and removes all time and space. All that is known is within the Mind of God.

What will happen?

You will be the same you but your DNA will be reprogrammed

The old DNA will melt away and become transmuted into your subconscious-the mind of God.

The Christ that was created by God will be written upon your dot matrix body- your divine blue print of the Idea of God.

You will align into the consciousness of Source and your mind will become empty.

Your last contract with Source will end and a new one will begin.

You will rise into harmonic universe two as you are lifted above the earth.

You will melt into the frequencies of the sun and you will disappear.

When you wake up, you will be changed. You will be brand new.

The first step is visualizing this transformation and understanding it. The Eternal Life Album is created by taking your body through this process for you, however, it is much better if you take your body through this process of transformation while you are listening to your Eternal Life Album.

It is much more helpful if you visualize the tiny little harp strings within your atoms and visualize a tiny little angel in your atoms strumming the highest string – the violet string and see that breath transform the strings below into that most etheric sound that is heard in the highest frequency.

You will find a new liberty as you become the god of your body. You will be able to manifest any thing you desire instantly if and when your Consciousness is actually within this new Frequency. When you hold your consciousness in the Violet String or the Violet Sphere of Cosmic Consciousness. Your Consciousness must be in the Transformational Light Center before you can Magnetize the Frequencies of the Vision into your DNA. The vision of your desired manifestation must be felt as a frequency. You can then Strum that Frequency with the Violet Frequency to manufacture it in the transformational center. Only then, can the Mind of God manufacture the idea from the negative idea into the positive manifest EXPERIENCE.

An electrocution takes place in the soma and it creates a wonderful new quality in the entire cellular memory. It causes a vibration to occur in the cell. That vibration comes from the fabric like etheric substance which looks just like the five spheres (the Music of the Spheres). It is the skeleton inside of the body of the atom. The reason the etheric fabric does this is because the dream of the humans potential exists in a mind that is superhuman. The mind that is super human does not live in the mortal DNA, but, it does live within the immortal DNA – in the harp strings of the super human Consciousness.

The Original DNA template allows the highest frequency from the Music of the Spheres to melt away all of the Electrons within the cellular memory and replace the electrons with the Infinite Unknown Mind of God.

Think of five spheres or circles each one inside of the other. The highest sphere is the outer sphere and the highest frequency. That is the Cosmic Sphere. The next sphere is the Universal and then the Galactic, the Solar and the Planetary Sphere. The way that we spin these spheres together to bring all of the frequencies from the highest string or sphere into the body is to breathe with Intent with the focus on the outer sphere. The Breath needs to spin the sphere Clockwise.

As the outer sphere spins clockwise it will intersect with the next sphere within it and melt the higher frequencies into that sphere and then it will melt into the next sphere and then the next and the next until all of the spheres of the harp strings are transposed into the highest frequency of the Pink White Violet Light transposing all of the Light and Sound into the Highest Frequency of the Music of the Spheres.

The movement of spinning the outer sphere clockwise is the same technology that is created by using the Merkaba to spin the Spheres.

The highest harp string is the Pink White Violet Light string. That violet string is actually the 15th dimensional consciousness of the Cosmos that contains the heliotalic and gamma pre light and sound frequencies that transform the skeleton of the neutron body into the Christ.

This transposition occurs again at the Seventh harp string which is Violet. This Violet harp string begins the transposition because all of the DNA was turned off from the Original Man template, at the crown Chakra. So, when the Violet string is activated and it pierces through the top of the head and from the connection point of the medulla oblongata within the lower cerebellum, the new Seventh Level man appears where death and life appear simultaneously.

This is all done by breathing and spinning the outer band or sphere clockwise and with intent to melt all of the lower frequencies into the harp string of the 15th dimensional pink white light heliotalic frequency of transformation.

This is the process that takes place when we move beyond the frequencies of the Electron and out into the pre light and pre sound spectrum of energy that is beyond electricity.

The etheric structure of the DNA re-connects into this pink white violet 15th dimensional string in the Cosmic Sphere of the Music of the Spheres, and this transforms the old DNA into the Christ Consciousness.

That harp string that resonates at the highest frequency has Zero Electrons. The polarization becomes dissolved when the sphere that has zero electrons sings through the other spheres. The removal of the polarization is what allows us to become a Super Being.

VIOLET BRAIN

You have been working very hard on staying focused in the high frequencies by spending so much time with the frequencies and working on all of the various elements of alignment. The requirement of actually TURNING INTO LIGHT requires this type of CONTINUOUS FOCUS. You maintain this almost continuous by all night and as often in the day as possible. I still see the one thing that is going to block you from slipping is your desire to focus on HISTORY instead of FUTURE. Your cellular memory cannot TRANSMUTE THE OLD so that there is a place for the new until you stop holding on to the PAST. This is your main obstacle right now. I understand that you are proud of your

past, but this is a time of TRANSMUTING THE ENTIRE HISTORY of our Creation and much of that history REVOLVES around you. I think this transmutation of your history is one of your main purposes for being here at this time. You have already done a lot to change the future of the Annunaki Race Line. Now, it is your turn to dissolve your history, because your DNA and cellular memory cannot change unless it is empty first.

The focus on the VIOLET BRAIN that I put in both of your new albums is what you need now. This is the part of the brain that transmutes the old yellow brain and creates a path through the Violet Flame of Transmutation, allowing only the Mind of God to do the thinking. This allows you complete freedom, and the synchronization where your entire life just unfolds perfectly around you. This is your next step before turning into light, you must live through the violet brain.

SATURATING THE BODY WITH THE OM FREQUENCY

We become one with source or all that God is by becoming one with all frequencies within the Cosmic Sun. That frequency signature of the Sun is OM. That is the name, just like my name is Of the Breath of Light. This meaning of OM includes moving every cell in your body into the plasma, the pre plasma, the gamma, the x ray, ultra violet blue, the white light, the heliotalic pink pastel and the Zero Point of the Infinite Unknown to allow all possibilities to present themselves.

The final stage of the alignment awaits the pure of heart. When the heart and mind are full of the ENTIRE SPECTRUM OF THE SUN, a TRANSFORMING WILL HAPPEN.

It will be the pure of heart whom join the fourth dimensional reality as the crystal heart absorbs more and more frequencies of all spheres and aligns into all crystal hearts as one crystal heart, the heart grows in purity.

This is what will cause the body to first become a ghost like plasma body and then a few seconds later a light body and then the body will disappear because it will move into the place that is now invisible to those in this realm.

The more we practice hearing and seeing that which can not be heard or seen, the easier this transformation takes place. This is why I have been practicing creating music that has such high frequencies that they cannot be heard on CD's and they shriek with frequencies that cannot be held on the wave player. However, most of them still sound wonderful on the mp3 player.

Well, that was until the last Plasma Brain album that I made. The music was audible on the CD player, but I'm sure I'm the only one who could hear it.

This is a problem at this time. I hear things and see things that others can not. So, I don't know how to translate my reality without listening to my audience complain about not hearing my music or not liking it. That is o.k. as long as you realize that it is not my fault that the third dimension will not create fourth dimensional technology. I will conform as long as I must.

When complete resonance of oneness is established, the crystal heart rings in purity. This causes the new language, the frequency of oneness.

This purity of heart creates the cells of the heart, the head the entire crystal cell structure of the body to sing in resonance with the spirit body.

PROCESS OF MORPHING INTO THE LIGHT BODY

The first step in understanding how we move through this process of TURNING INTO LIGHT involves understanding ASPECTS, FREQUENCIES, the connection of Lower Fractal Consciousness to Higher Fractal Consciousness, the Facets of a Diamond reflected through the light spectrum and much much more.

There will be four million Entities from all over this Universe present at this lecture because they have already read my books, and they are very excited to know what is being said and written in every moment by a member of the Creation Team. Those who are in the Universe and those who are here and the few Original Ones who have landed so far this month will be there. Elaika, who is the head of this Creation Team in the Energy Realm has agreed to be present. However, he made it clear that he can only be seen by those who are ready and are pure enough to see.

Elaika appeared to me as he really is in 2015. He appeared to be about ten thousand feet tall as he stood on top of Mt. Shasta so that we could easily see him as we drove down hwy 45. He is GORGEOUS. He is powerful. He is Sublime. I can't wait to see him again.

A little more about what an aspect is.

All of this information comes from the dialogs that I have had with Elaika, and they can all be heard on my website, [Crystal Magic Orchestra.com](http://CrystalMagicOrchestra.com).

An Aspect can more easily be likened to Frequencies, Dimensions, the Consciousness and understanding available at each dimensional or frequency level. While I use the word Frequency, Elaika uses the word DENSITY.

It is the removal of Density, which is the RAISING OF FREQUENCIES, which allows one to rise into more Aspects of ones self. The higher we raise our frequencies, the more aspects we tune in to.

The problem of understanding that I kept having about aspects comes from Jesus using the word Aspect as people. St. Germain was an Aspect of Jesus, and so was Sananda, and so were most of the Disciples. Most important people on Earth were ASPECTS of Jesus.

And so when I asked Elaika and Jesus if MY ASPECTS were People they both said no. They said my Aspects are in my and floating around me. This means my Soul Aspect, my Over Soul Aspect and my Higher Self Aspect, are all here with me, but I need to HOOK UP with them.

When I turned by question of Aspects around to be like FACETS of who I am I got a better answer. I can think in Facets much easier than in Aspects because a facet is like all of rays of light that are taken on when the Diamond is in the LIGHT. Now, that resonates with ME.

And the more I resonate with these Facets of the light of the Diamond, the less dense I become and all of my Aspects unite into a new higher light.

This is why I try to teach this concept of Ascension through Light and Sound instead of through names of people who were Aspects.

The true name of Sananda was Soma. Jesus explained that the one he originally named Soma was created from his likeness being displayed on Soma as God's likeness was displayed upon him. So this is to that as this is to that. Sananda was to display the ONENESS we are with our Father. But, Sananda was not God and he was not Jesus, He was the LIKENESS at the level of the SOMA which means the THIRD EYE. The Third Eye allows us to See as God Sees Us.

That was Soma. The name Sananda came from human beings. Elaika had never even heard of that name before. When we communicate with those who are coming to Earth, they would know Soma, and not Sananda.

St. Germain was another creation of the Likeness of Jesus. This time Jesus was creating the ABSTRACT. So that would mean the Fourth or Fifth Aspect including the Crystal Heart and the Thymus area where our Imagination blooms forth as a result of Oneness with the 8th dimensional frequencies of the Sun. This Violet Frequency includes all of the Sun's rays or frequencies wrapped within the Heliotalic Fourteenth Dimensional Pastel Violet Frequency of Transmutation. When we bring this frequency of the Sun into the Heart Area- actually the Thymus, Medulla oblongata, Seed atom and the Soul which is to the right and Under the Heart-- that is the area of ASPECT where St. Germain is UNDERSTOOD.

This completion of Aspects has already been perfectly taught and demonstrated in Ramtha's Teachings. We remove our density and turn into light by raising our frequencies into the Violet String on the Harp string. When we raise our consciousness into the Violet String or Violet Wave or Violet Flame we are both looking at yourself through the THIRD EYE or SOMA and we are connecting our Seed Atom- the original one who was sent to Earth from the God Realm, we are connecting the Light of the Entire Sun, which is created of pre light and pre sound substance of liquid light vapor, crystalline stardust, crystalline gelaisic transformation substance. When we REMOVE ALL DENSITY, the body actually disappears for a moment and then is re created through this Star Dust Transformation Process. And that is the way JESUS HOOKED MARY UP to all of her aspects or her FULL LIGHT POTENTIAL, and that is how I will HOOK MYSELF UP this time.

I AM IN THE THIRD PHASE OF MY MISSION

Phase one was to open the Ascension Portals, Phase two was to give the Portals a Consciousness of their own, and the third phase is to Welcome the Original Ones to Planet Earth and to invite them to use my Portals. This will allow the Original ones to pass through the Ascension Portals next year after they are finished with their plan on Earth.

The Portals will be used in the Fourth Dimensional Earth Reality that connects Gaia into the Universe. So, you see my MISSION is for the Universe, not just for the Earth, and my mission is in the Fourth Dimension, not in the Third. I am working with those in the Universe at this time, to allow them to learn from Mary Magdalene about the Earth's Ascension. This is the greatest story in the Universe.

I have met with three leaders so far. The Eleiyai, the Eleayshendaizendy and the Elmeyaj. I have gone to Galactic Party with the King of Tolska, Elohimset and Elmeyaj.

The Fifth dimensional Original Ones from Andromeda will be first. The Mother Ship of the Eleiyai is here. He will be bringing his Fleet first, and then the Eleayshendaizendy will bring their Fleet. I think they are all planning on meeting me one by one before they invite any of their Fleet. So, right now it is just their leader and me, Mary Magdalene- a one on one thing going on.

It is not taking as much time and attention as I thought it would. They just wake me up in the middle of the night and stand in the middle of our bed room and introduce themselves. I think this will continue until the end of the month. I'm not sure when they will invite their Fleets.

We usually astral travel over to my Central Portal and talk after they come to our bedroom. It looks like a Huge Ship sitting in the middle of the ocean with Honey Combs the size of ORB Bodies.

Next, they will all arrive by folding into space and then unfolding here. And somehow, they will unfold their spaceship after they arrive. Their spaceships will use the navigational algorithm of the Great White Lion Stargates. They will not be visible to anyone on Earth. They have not allowed me to see them. But their presence so strong when they stand in front of me and talk that I feel like I have seen them. It is possible that I saw them and forgot. I do that a lot.

They will spend one year communicating with all world governments and they plan to have FIRST CONTACT agreement within One year. That means, the rest of the Universe will be allowed to land on Earth next year. And at this same moment is when Jesus will announce his presence on Earth. I know who he is and where he is, but he will not be known until the agreement is set. At that time, Mary Magdalene will also be announced.

Jesus and I and a few other Creators will hook up to our complete Seven Level Complete Self and walk on Earth as Immortals in about three or four years, and then we will turn into light in front of the masses.

The Fourth Dimensional Entities who are already here will be at my lecture at the LAX HILTON on Feb 11. Elaika will make himself visible to those who can see

HARP STRINGS OF SUPER HUMAN CONSCIOUSNESS

Remember the reality is always in a frequency. The Earth's frequencies are actually being raised into the frequencies of Inner Earth and the Cloud Cities above us. This is the first step in our Ascension. Those who transmute their DNA into the vision of this new reality will see it and those who do not will not see it.

The new body and the new reality will become completely activated by a Star burst which creates the Celestiline – the magical substance that sets the metamorphosis into activation.

Once our DNA is reactivated, our bodies will go through a very fast transition in a matter of a nano second.

Our bodies will go into a deep sleep, like a hibernation. The change will be through chrysalis. As the Celestiline enters into our bodies from the waves of star burst and prana, it causes a light to flash and create a new reality. Our brains will go into a deep level of sleep as we are pulled back into Oneness with the original creation point of Source, the Idea, the Thought, the Intention and the Manifestation of the New Idea.

The body will always be held in tact within the field of God Source. However, at the same time, we will disappear for nano seconds at a time to realign in the new idea.

God creates each idea within a sphere of Hydroplasm. The body becomes the Christ when the H₂O of the body becomes H₂O₂HE₃. We achieve this by consciously translating the water that we drink into Spiritual Water through the Conscious activity of using the Three Crystal Spheres of Transformation.

We do this by taking the water we drink into the Crystal Spheres and holding it in consciousness 36 inches above the head and visualizing its transformation into the crystallization of H₂O₂HE₃ – Spiritual Water – hydrolaise.

There is a cloud of hydrolaise which is first frozen and then warmed into various chemical structures of vapor through light and sound. The blue print of the idea is simultaneously created at all levels of manifestation from hertzian, to infra red, to visible, invisible light, x ray and gamma wave. This means the invisible, etheric reality of the thought of God is manifest at the same instant that the new body flashes on in the dimension that will be in our new perception.

During this very rapid transition, the body goes into lucid dreaming, psychedelic sleep, the body shuts down the desire to eat and the bowel and urinary functions are shut down. There is a prolonged chemical change in the body.

When we awaken, we will first notice something different about our bodies, the way we feel and look, our hopes and desires will have completely changed. We will know we are Christ. We will know we have become the mind of God manifest. We will open our eyes on to a new reality because our perception will have been completely translated.

The skeletal structure of each cell will be dissolved and then a new imprint will replace it. The old DNA will still exist – but with a new imprint placed upon it by the mind of God. The new imprint will manifest as a new body. The body is made from a chip of light or the breath of God breathed to create a spark. This creates a hologram or a dot matrix body. The hydro plasma and hydrolaise and hydrogelaisic chemical interactions with light and sound create a new form in space. That new form is imprinted upon the tissue of the body. The carbules in the soma of each DNA begin to fire a new reality from the synaptic cleft.

Please do a little research by going to google and look at diagrams of the brain. All of the parts of the brain that are mentioned in this text can be found by searching your google or yahoo research tools.

How do we achieve ETERNAL LIFE? It is simple. We shift a few degrees back into our original alignment with our PERFECT SELF.

Why is something that sounds so easy so difficult? First of all, nobody believes it is true so we have this Mass Consciousness creating a different reality.

Second, we need to learn how to get rid of that 15 degree blockage.

It is true that after we begin the process of removing the problem that it may take some time for the healing process to take place.

Lucky for us, the entire Earth is going through the same Healing process that we are.

What is not true is that every one will go through this healing process even if they don't attempt to initiate it.

I am going to tell you how to initiate the process. I create ETERNAL LIFE ALBUMS to initiate the process.

Our Normal body was aligned perfectly into three spheres of Consciousness. One sphere surrounded the body from the top and the bottom of the sphere went through the Heart Chakra area. That sphere is called the aVAyas Body. There are two more spheres that intersect at the Crystal Heart - one from the bottom left side and one from the bottom right side. They are called the aVEyas Bodies.

All three of those spheres are in a larger sphere called the Aya Body. That would be the sphere that connects to the Source Consciousness of the Infinite Unknown.

The upper Sphere is the Eiron Body or the Thermal Plasma Body (This would be equivalent to the 14th dimensional Heliotalic Cosmic Energy of pink white light or the Full Spectrum of Light energy.

That Body is the Main Body that holds our NORMAL body in Attunement with Source through the Eiron Flow of the Mind of God.

Those three Spheres were placed out of alignment with that upper Cosmic Body. The lower spheres were twisted into a reversal of energy which created an Electric Charge that blocked

the Magnetic Charge. The lower two spheres PHASE LOCKED around the Heart Chakra area to block the SEED ATOM that is supposed to connect to the Eternal Life Body.

The reverse charge placed on those two spheres of energy created a loop called a vesica pisces. Each time the energy hit the wall of one sphere it would loop back to hit the wall of the other sphere and there was this eternal loop created that blocked out the third sphere.

The Cosmic Councils have sent us the technology to remove that block from our Crystal Heart. The Frequencies for the bottom two spheres can be reactivated by bringing in the Liquid Light Frequencies. The Cosmic Elemental Liquid Orb bodies are our Aquafarian Families from Cosmic Inner Earth.

We can breathe in the frequencies of these Liquid Orb bodies and inhale the frequencies into our Pineal gland to activate the orb flow and then exhale those Liquid orbs into our Crystal Heart. That activates the two aVeyas spheres to spin correctly. Next we connect our frequency flow from our Mid Brain or Pineal Gland through our ears and up 36 inches above to the Heliotalic Cosmic Energy of the aVAYas Sphere to activate that frequency.

We inhale the frequencies of Stardust down from the Aquari Host Matrix --the Spiritual Parallel Matrix where Sun Alcyone originally created the Star that was blown up and sent into the Milky Way galaxy that became 12 stars.

We inhale the cosmic liquid orbs from within the Earth's Cosmic Core and the stardust orbs from the Aquari Matrix of our Creation into our Mid Brain.

Next we exhale that frequency into our Crystal Heart. We see the energy of those liquid light and stardust orbs begin to transform the sphere around the seed atom in the Crystal Heart. We see and feel that energy filling all of the spaces between and within the atoms of the Thymus area and then breathe that same frequency out into all atoms in the body.

Now there is a new path that is created from the Thymus gland through the Pineal Gland and out the back of the Skull at the Medulla Oblongata.

We begin to exhale those frequencies of stardust and liquid light energy out the back of the skull and up to the 36 inches above the head to connect to the Eiron Flow into the Original Thermal Plasma Body.

That stardust flow of energy is beginning to remove the blockage of the eternal life flow of energy into the body.

Practice this method several times until you can actually feel the stream of energy connecting from the back of your skull into the Eiron Flow that is 15 degree angle from the body.

Feel a magnetic mirror pulling your body closer and closer to that Eiron Body that is 15 degrees away.

When a connection is created between the physical body, the etheric body in the Crystal Heart and the Plasma body, you will begin to feel the frequencies growing stronger in those areas. When the first connection is made you will feel a rumbling at the base of the skull.

The Crystal Heart area is the area below the heart, near the back bone. You will feel a growing of frequencies in that area. You must see and feel a mini me of your self that is gold in color coming back to life in the Crystal Heart area. Once your Etheric self awakens, you will feel the presence grow stronger.

This is the beginning of filling all of the atoms in the body with stardust. This is the beginning of turning back on the Eternal Life Body.

The frequencies that are placed on the Eternal Life Album are the stardust from your Aquari Matrix body and your Liquid Light

Elemental Family in Aquafaria. And the connection is made to the frequencies of your Eiron Body through the Full Spectrum of Light Activation of the Cosmic Orb.

This realignment of the Three Spheres to the angle where the spheres intersect without the vesica pisces blocking the flow is the Frequency Alignment that is required for atonement into the Median Earth.

We will slide into the Median Earth reality when our bodies become orb activated through the alignment of these three spheres. The more we breathe the crystal light from the Eiron Thermal Plasma body, the Crystal Stardust and the Crystal Gelaisic Hydrolaise from the Inner Earth Aquafarian light orbs and exhale those frequencies into the atoms of the mid brain, crystal heart and then into 82% of the atoms in the body, the closer we are to our new alignment with our NORMAL REALITY.

Once we have shifted into Inner Earth we can orb beyond this Matrix into the Omniverse.

The reason that the Cosmic Councils are giving us this technology at this time and are helping us align into the liquid light elemental orbs and the stardust orbs through activations within the Earth's body and the Sun's Rays is because we are being prepared to be Evacuated from this Earth and moved to the Median Earth between 2022 and 2047. The Evac must be complete by 2047.

The Median Earth is an exact replica of this Earth, but is at the 15 degree particle spin difference. It is the Inner Domain. We are now on the outer domain.

We are already fifth dimensional. We already have the ascension tools to align our bodies into our Normal Reality.

THE PROMISE OF THE PERFECT KINGDOM

The Promise of the PERFECT KINGDOM has already arrived. The Divine Blue Print of the Perfect Man created in the image and likeness of God has already arrived. The 12 DNA template of the original Taran, Oraphim, Aquafarian, Paradisian Race Line has been reinstated into the Sphere of Amenti within the Earth's Etheric Core. The Sphere of Amenti is the Morphogenetic Field (Consciousness created by the interweaving of Sound and Light Particles of the Complete Soul Matrix of all Races on Earth). That 12 DNA template was completed on December 21, 2012. That was the date that our Cosmic, Universal and Galactic Founders, Guardians and Creation Race lines chose for this completion because it was the exact date that there would be enough Frequencies in the Body of Earth to hold the implantation of such a huge amount of Frequencies. The Promise of the return of the Sphere of Amenti was postponed for 22,000 years because there were not enough Frequencies in the Earth's template to hold the incoming Star Activation. If they had completed their mission at that time, the Earth would have eventually exploded.

The Perfect Kingdom of the Divine Blue Print of the planetary body and human body made in the image and likeness of God is exactly that. It is a template with a programmed blue print like a piece of film in a camera. The picture of the divine creation was placed on the film through the Mind of God, first as a negative, which is like a negative ion. Next, the negative is flashed into the Consciousness of the Idea created on the negative and developed into a picture or a positive ion. Unfortunately, when a picture becomes developed in the outer domains of the five spheres of Consciousness, it can be manipulated, distorted and completely damaged by outside sources. This could be likened to what can be done to characters on the movie screen who are morphed into new images by the film editor. That is basically what happened to God's original movie. It got morphed into a completely distorted illusion.

Now, we are re-making God's movie. Now, the original negative of the picture of the man made in God's image and likeness is being put back in the movie camera. Now, that new movie will be played through the restored Earth's Khristiac Grid. The frequencies of the

divine blue print, which would be the negative of the picture, or the negative ions, will be dispersed from the Sphere of Amenti (the camera holding the corrected ionized film with the divine blue print imprinted upon it). Now that camera, holding the corrected movie pictures will flow into the Earth's grids and then into the biosphere of the human angelic template. That bio-energetic field will be filled with the negative ion holding the divine blue print created in the Cosmic Consciousness pre sound and pre light field. This is the point in creation when Source breathes the Divine Idea onto the Heliotalic Plasma, Silver, Pink, Purple, Gold Pastel Frequency Grid of the Negative Ion that comes down from heaven as the Purple Rain of the rebirth of the Divine Consciousness and then translates to the Positive Ion that is Visible Light of Ultra Violet BLUE. This Blue Film develops into the Blue Body and the Light Body and the Crystal Body of the Divine Man made in the image and likeness of God.

NOTE- NOW THAT THE DESCRIPTION OF THE SCIENTIFIC UNDERSTANDING OF NEGATIVE IONS HAS BEEN TOUCHED UPON, and the negative ion can be explained as moving water particles, we would like to change the meaning of this term for the New Earth, this new time, this new reality to be termed SPIRITUAL IONS, which are the moving water particles of Liquid Light Crystal Water Falls pouring down the Purple Rain from Cosmic Consciousness. This Purple Rain turns into Ultra Violet Blue as it becomes visible. We can begin to interact with the Water Fairies within this new bio energetic field of liquid light energy as we raise our frequency of visible light into the blue light. We will call the HE3H20 liquid light energy SPIRITUAL IONS. This term will be the new understanding for all students of the COSMIC MYSTERY SCHOOL OF THE OMNIVERSE. Crystalai

The INFINITE DNA template is the original IDEA in the Mind of God. This is the negative of the film that will be developed into a picture that can be seen or perceived within the visible light spectrum when it becomes the positive. The negative ion is the purple rain coming down as the heliotalic frequency, and the positive is the visible blue light. This interaction of the negative ion as the flow of liquid light

energy flowing through the plasma to create a rainbow where the letters in the light can be viewed as hydrolaise. This can also be viewed as the heliotalic frequency of the violet sphere weaving into the plasma of the eighth dimension and then becoming visible as it reaches the visible light spectrum in the fifth dimension. When this happens we have achieved another very important phenomena on Earth which allows the bio energetic fields to carry a new chemistry.

The new biology and chemistry begins when the water changes from H₂O into HE₃ H₂O, which is the formula of three parts helium into two parts hydrogen into one part oxygen. This is the new bio energetic field of energy that Earth will breathe through her grids from the Sphere of Amenti into the Earth's atmosphere and into the templates of the human biology. This magical substance is called hydrolaise. Crystalai and aDolphino introduced their students to Hydrolaise in 2008 when they interacted with this substance in Monterey. It is easy to mistake this magical substance with the negative ions that are seen and felt when water particles separate in the activity of the water fall, or the tidal waves splashing against the crystal structures, or the mist in the air allowing rainbow streams to manufacture before you very eyes.

This hydrolaise that was seen through the kaleidoscope eyes of Crystalai in 2008 and progressively more and more each day until 2012, when the hydrolaise actually began to carry upon it her very own fire letters of her divine creation. This is the ultimate in hydrolaise activity. Our fire letters are the sub harmonic frequencies - the 12 missing frequency bands between each DNA strand. As I watched these fire letters streaming through the hydrolaise as it interacted with the plasma in the Sun's rays, those very fire letters were braiding within my own DNA strands. This etheric 12 strand template is always created from the divine blue print which always begins with the divine codes. The divine codes begin as fire letters which are the most etheric level of Consciousness, which can only be seen with 5th dimensional vision. This divine template is what activates the DNA to become reactivated from within the Earth's biosphere and then She breathes this hydrolaise out into our DNA template so that our fire

letters begin weaving our sub harmonic frequencies or fire letters back into our DNA template.

To the scientific visible light spectrum, the only visible DNA that has been considered is the double helix DNA template. That template is the primary structure of the distorted film placed in the outer domains destruction of the original movie made in the image and likeness of God photography lab.

The true movie made in the Mind of God photography lab was always holding the Divine Blue Print of the Complete IDEA that was to be created first as a Cosmic Film of Heliotalic substance, next as Liquid Light Energy from the Universal Sphere, transferred into the x-ray vision that allows the film to flip over into the visible spectrum within the second sphere of Galactic Consciousness. The visible spectrum is within the second morphogenetic field or the second sphere of dimensions 4, 5 and 6. That is the template where our Taran Race line of the immortal man who never dies, never gets sick and never speaks a negative word to anyone lives.

When we receive the new breathe of fresh bio energetic frequencies that hold the new morphogenetic field of consciousness, our bio energetic field becomes saturated with that new reality. This is a glorious process of making God's movie the way it was supposed to be made. The movie will be made in the image and likeness of God, or with the divine blue print of Divine Perfection within every atomic structure of the body as 12 sub harmonic bands within the first, second and third DNA strands braid together and activate as they create celestiline (the magical blue dust powder of immortality) causing the DNA to braid together causing Ascension into the Second Morphogenetic Field.

Our Divine Guardian Families and Friends have created on Earth the absolute formula for this Divine Miracle to take place upon this Earth between 2012 and 2017. The five year window has already begun. It began that divine moment of December 21, 2012. It was that moment that the frequencies of Consciousness of all 12 Universes aligned into

at one ment or Atonement as the Music of the Spheres sang a brand new song through the Cosmos. This alignment had to be completed at a Cosmic level where 13 Cosmos created the Cosmaya Frequency to activate the alignment of the 12 Universes. This alignment was inhaled into the New Negative in the Breath of Source to create a brand new Negative of the picture or the new movie that would be created. This new movie created on the same divine template of the 12 DNA Divine Coded Template was EXHALED into the entire new Cosmos on December 21, 2012.

There is no time in Divine Reality. That means the reality of the new Divine Man made in the image and likeness of God was created on this day. However, the negative of that creation also needed to be implanted into the Sphere of Amenti, in order for the Angelic Human to enjoy the Visible Light aspect of the template. The second morphogenetic field holds the visible light aspect of the perfect man. This is the field of consciousness where God's Movie can most easily be enjoyed. When we rise into the third morphogenetic field of 7,8, and 9 dimensions, we begin playing in a field of light that is so etheric that it is like a shield of light with a silhouette of forms in it. Beyond that, the spheres of reality become less and less dense until we become pure consciousness with no form at all. Now, that we have redeveloped into the template, we can enjoy all of those morphogenetic fields of Consciousness. We can become invisible light long enough to orb into those other dimensions of reality. It is our new biological chemical structure of the HE3H20 that develops us into the negative ions that allow us to flash into light as our Consciousness becomes trained to activate these states of light by raising our frequencies through our own activity of Consciousness and Breath alignment with the Mind of God.

Back to the Fairy Magic. I was told that my new mission on Earth during this window of five years is to see and communicate with Water Fairies or the Aquafarians. The ability to do this requires what I have explained in the preceding article. My Higher Self has reconnected me to this understanding of the Hydrolaise and the HE3H20 or the Spiritual Ionization, as being the first step in creating

the morphogenetic field of reality where I can go into and invite Water Fairies into my Consciousness to see them and communicate with them. Fairies cannot live within the distorted water fields that have existed on this Earth. The fairies that some have seen and channeled are those that have been caught within the same messed up movie screen that the rest of us have been living within. We are now responsible for setting those Fairies free as we help them to translate the bio energetic fields into the spiritual ionization needed for real fairies to live in.

We did this same procedure in Monterey, when we were helping the Dolphins and Whales ascend back up into the Cloud Cities as their bodies translated into the Hydrolaise, the mist, the negative ions and finally the HE3H20 within the spiritual Cloud Cities of Higher Earth. The animals of divine origin such as the Dolphins, Whales, White Belugas, Penguins, Polar Bears, White Fox, and many more have ascended ahead of the Earth because they didn't need to clean out as much Karma as the rest of us. Now, that we have helped them, it is time to help the fairies who will help us. I have also watched the Evergreen trees ascend right before my eyes. They attune into their light bodies right before my eyes. Their light body pops out in front of them and then goes back into their eternal life green body and it looks like evergreen but it glows. That was different than the process we watched the dolphins, whales and belugas go through. We even have a picture of the ascending dolphins on our website.

Children have always been able to see and communicate with fairies easier than adults. Allow your children to guide you in this activity along with a little help from your new understanding of the reality of the existence of fairies, ionization, HE3H20, and the new bio energetic fields we live in. This will help you activate your DNA stranding and your children's DNA stranding. Many of you are already living with the Indigo children who have these magical talents and already have their DNA activated. It is time to start learning from them. They are your key to the kingdom.

This is the way I began my understanding. I just kept listening to different Entities, who were each representing Mu from Lemuria, and the Cosmic Councils at the Cosmic Mystery School of the Omniverse, and the Elohim Team who taught me how to connect to the three crystal spheres. Our Higher Self demands that we learn things as a Master Learns-- through the PUZZLE.

I will begin giving you the pieces of the Puzzle that I spent my entire lifetime learning.

Please think of fifteen spheres or circles of energy. Draw these 15 circles. One inside of the other. There are actually Five Main spheres and three within each of them to create the 15. So, start by drawing five circles. Within the inner sphere, there are three spheres that contain the harmonic universe one frequencies of dimension one, two and three. The next sphere contains the frequencies of harmonic universe two- dimension four, five and six. The next sphere contains the frequencies of harmonic universe three contain dimensions seven, eight and nine. The next sphere contains the frequencies of harmonic universe four which are ten, eleven and twelfth dimensions and the fifth sphere contains thirteen, fourteen and fifteen.

The first sphere is planet, second is solar, third is galactic, fourth is universal and fifth is cosmic.

Next, think of each one of these spheres being created by this Merkaba that looks like one pyramid facing up and one pyramid facing down. The lower pyramid is inside of the higher pyramid. We think of the upper triangle spinning clockwise and the lower spinning counter clockwise. When these triangles spin together they are actually spinning the electro into the magnetic energies to create a sound tone. Each one of the spheres is created by one of these merkabas spinning together to create a sound tone or a frequency.

The merkaba that creates the outer sphere is much larger than the merkaba that creates the inner sphere. The frequencies of the outer sphere are much higher and faster than the inner sphere. The outer merkaba spins ten thousands times the speed of light. It is so fast that we cannot conceive of it. It is the energy potential that is holding

the entire Cosmos in Balance and in the attunement with the Source Field of Energy.

So, we have these five merkabas that create the five spheres. The outer sphere is actually holding within itself all of the frequencies of the other four spheres. If we feel all of these merkabas spinning around our body, the outer merkaba would have its upper point 36 inches above our head and the lower point would be down in the Core Domain of the Earth, where the Cosmic Domain touches the Earth's Vortex.

Now, take out your pencils and papers and start drawing these ideas. Draw your body standing on top of the Earth. Draw a circle around your body with the top at 36 inches above the head and the bottom part of the sphere at the center of the Earth. That is you standing in the Cosmic Sphere of creation. Now, draw a merkaba. First the top triangle with the top point where the top of the circle is. The base of the top triangle stretches across the widest part of the circle.

Now, draw the bottom triangle. The bottom point of the triangle touches the bottom of the circle at the point of the Cosmic Core domain at the center of the Earth. The base of that bottom triangle will be ABOVE the base of the top triangle. This is showing that the bottom triangle-- which is the Magnetic is spinning INSIDE of the Top triangle- which is Electro. The electro magnetic spin represents the spinning together of the anti particles – the spiritual into oneness with the particles-- the physical.

Now, look again at your drawing. You will probably want to get a much larger piece of paper and start over now. The place where the bottom base of the top triangle meets the top base of the bottom triangle should create an area between the fourth, fifth and sixth chakras. That is the area of the throat and down about three inches on the body. That is what we call the Crystal Heart area-- the area of the Fifth chakra-- but it is actually an area that contains the fourth, fifth and sixth chakras. WHAT IS THIS PLACE IN THE BODY? It is your Soul. It is the Fifth Dimensional Soul of your COSMIC BODY.

Where is the Fifth Dimension. It is your Soul.

When we talk about the Fifth Dimension, we are not talking about climbing up a ladder of frequencies. We are talking about blasting completely out of the Third Dimensional concepts of the FIVE SENSES into the Ultimate UNKNOWN, Intuition, Imagination, Concepts beyond our books, our schools, our cultures-- the BEYOND.

How do we get to this place of the INFINITE while we are in our bodies? We use this Merkaba. It spins together all of the Frequencies of the fifteen spheres of the Cosmos into that point in our body that we call our Soul.

Our Soul has been sleeping for a very long time because it hasn't been given a new reality to respond to. The Soul awakens to its ultimate destiny of Infinity when the Merkaba spins all of those frequencies from the Five Spheres into attunement or at one ment at that point where the top and the bottom triangles merge their energies together. Where do they merge their energy or frequencies? INTO THE SOUL-- that is the FIFTH DIMENSION.

The entire ASCENSION PROCESS is about activating the Soul. How did the Soul fall asleep. The process began with the THINKING BRAIN. That is the Upper Cerebellum- the yellow part of the brain in the diagram.

USING THE CANDLE TECHNIQUE

Now, we are going to draw a new diagram. Look at your Candle. Please use the video of the candle that is on the crystalmagicorchestra.com home page. Also use the diagram of the pyramid of light energy.

Draw a candle and then draw a triangle around it. The top of the triangle is the top of the candle. If you look at the pyramid of light frequencies, you will notice that the top of the candle has pink silver light frequencies. That is the frequency of the 14.5 dimension of heliotalic pastel energy. It is an energy that contains helium, gamma,

plasma, x-ray, invisible light, and all of the other lower light frequencies. The HIGHEST FREQUENCY ALWAYS TRANSMUTES ALL LOWER FREQUENCIES INTO IT.

That top point of the triangle, and the top point of the candle show us the place where the Cosmos-- the fifth sphere touches the Mind of God-- or the Source Field of Infinite Unknown potentials of REALITY. When the Merkaba spins together all of the five fields of energy within the Outer Sphere, it is doing the same thing that you see the Candle doing. The Merkaba holds together all of those Frequencies of Light together and molds them into a form of reality. In this case the form is the Candle. The form can also be the Mental Light Body that is three feet around the Physical Body, or it can be the entire Cosmos around the body.

So, we see all of those light frequencies within the candle, and we see them within the upper part of the Merkaba.

Now, what did I tell you that you would need to do to begin to see the Candle Turn BLUE?

I said you must absorb all of the light frequencies of the candle into your body-- especially into your Mid Brain to make your brain become frequency specific.

Why do we do this?

The first step to returning to immortality is turn off the thinking brain because it will just keep telling you that you are going to die. When we move to the Mid Brain, it is frequency specific. It does not speak in languages. It speaks in the language of KNOWING. And you will not find Death in the Knowing.

So, that is why we are focusing on Melting the Brain away. We don't want to hear the thinking brain's opinions about death, disease, age, religions, or any of those piles of lies that have been accumulated into the cellular memory.

Now, you might have noticed that there is only the upper portion of the Merkaba drawn over the candle. The base of the triangle will be drawn through the stem of the Candle.

The Stem of the Candle is Hertzian. It is the third dimensional realm of the Five Senses that can be seen, touched and heard. That is much like our physical body.

So, now draw an image of your body as the stem of the candle. And think of the base of the triangle going through the heart chakra area, just like in the previous merkaba drawing.

Why do we only have the upper part of the merkaba? The upper part of the merkaba is the electro-- the Light Frequencies-- the Anti Particle.

Next, draw the body that is standing on the Earth, and find out where that bottom triangle would intersect the Crystal Heart area of the body that is now the stem of the candle.

The bottom part of the Merkaba is the Magnetic. It is the part of the energy spectrum that pulls the anti-particle LIGHT ENERGY- the Spiritual into the Physical.

And where does the intersection always happen?- At the Fifth Dimension. In the Soul-- in that 4,5,6 chakra area.

We learned how to walk into the candle, absorb the frequencies and see the candle turn blue.

When we see the candle turn blue, it means we have activated the Mid Brain-- the Frequency Specific Brain-- the Blue Brain.

We must do that first, or the Thinking brain will just continue to take center stage and tell you that you are going to die some day.

Now, go back to seeing the entire Cosmic Merkaba spinning around the entire candle and clear into the Cosmic Core Domain of the Earth, and see your body standing in the stem of the candle.

We must spin the electro-upper into the magnetic -lower part of the merkaba to turn the Hertzian Body-- our physical body (the one that only sees and believes the five senses) - into the Blue Body, that blasts out of the prison of the FIVE SENSES into the Infinite Unknowns of all possibilities.

That Infinite Unknown comes from the KNOWINGNESS in all of those spheres. Those Spheres contain the Consciousness of all of our Plasma Families in the Cosmos, and the Starry Families of the Universes and all of the Galaxies in all of the Omniverses.

When we become the Fifth Dimensional Blue Body, we can tune in to all of those frequency channels of all of the information that has ever been known and that will ever be known. The Fifth Dimension is the HUB of all that is. It is the place where we can still be experiencing our creations in a tangible form that still has some density, but also contains all of the etheric density that must be created from the Intuition, the Knowing, the Imagination. It is the Invisible realities that we create in our Dreams.

What is different about this teaching of using the imagination and creating dreams, is that when the THINKING BRAIN IS TURNED OFF and the Frequency Specific Brain is turned on, we will realize that the DREAMS are the Reality and the Thinking brain is the ILLUSION.

The inner sphere would be the sphere that is around your fourth and fifth and sixth chakra area. That SOUL area now contains all of the Information that is contained in all of those other spheres of Consciousness. We have created a new Morphogenetic Field of Consciousness that contains all of the Light and Sound of the entire Cosmos, Universe, Galaxy into our NEW SOLAR REALITY. We now know that we hold this vast information that is flowing into the Frontal Lobe and into the Mid Brain and into the Lower Cerebellum and Medulla Oblangata in the back of the brain. The Mind of God connects from that point in the brain which also connects to the Soul Center out into that point at the top of the Candle and the top point of the Merkaba, That point connects to the Infinite Source of Energy and Information-- the Mind of God.

When we use the CANDLE LEVITATION DVD, we are learning how to FLIP OUR BODY INTO IMMORTALITY. We are learning to walk into the Full Spectrum of Light- which is Source. We go completely into the Source Field, and then our body flips into a new reality. The new reality is the BLUE BODY. That is the Fifth Dimension. The Fifth Dimension means Multi Dimensionality. It means you are not within the Infinite Possibilities of Manifesting through the Mind of God and living in an Immortal Body inside of the Source Field.

When we continue to use the light in the candle, we are practicing walking through the full spectrum of light, which means the white room of the Mind of God. Once we walk through that diamond door in to the White Room and then turn around, our body becomes the blue body. Once we are in the Blue Body we can practice levitating because we actually move our bodies into a higher dimension that allows our body to be in a new standing wave pattern that does not contain gravity. Gravity is just an illusion or a part of the hologram that we think we are living in.

We can also practice moving beyond the hertzian frequencies where we hear physical words and tones into the infra red spectrum where we hear and see a reality that has actually turned into a NEGATIVE of the picture that we are developing in God's Mind. When we practice becoming the Digital Camera we begin seeing the Blue Hue around everything in our world and then we begin seeing the Violet Sphere that allows us to remove space and time and walk into it. We can also practice activities such as looking at a card and learning to see the back of the card actually rise up behind the card to allow us to See what numbers are on the back of the card. This would be Infra Red Vision.

After than we move from the Visible Light Spectrum into the Invisible Light Spectrum in order to begin seeing the Inner Earth and the Cloud Cities and Earth all morphing into one new Ascension Earth.

The Light Spectrum is held together by the Divine Love Frequencies spinning us into At One Ment with the Full Spectrum of Light of God. It is the outer band in the outer sphere of the Five Spheres of

Dimensional Reality that holds the entire Cosmic Matrix together, and holds our body in attunement within that reality field.

When we breathe the frequencies that spin the Universal Band into attunement with the Cosmic outer Band, we have breathed together all of the frequencies together so that they will rise up into the Source Frequencies.

When we bring together all of the Spheres of Dimensional Frequencies together through proper breathing and spinning of the Merkabas it makes the spheres Flip into the Mind of God. The Infinite Unknown is then flowing inside of you, and the rest of the physical body becomes DISSOLVED or TRANSMUTED into the Mind of God. The outer band is the Holy Spirit. It is the Zero point that is flowing toward you and then into you and into every particle in you. You dissolve into the Mind of God when you dissolve into the Full Spectrum of Light of the Candle.

When you dissolve, you emerge as a HUE of Light. A BLUE HUE. You become the Ultra Violet Blue. Your old self has disappeared- dissolved- transmuted into the Mind of God to be re-born as the Fifth Dimensional Self which is the Multi Dimensional Self of all Dimensional Realities. This is the Self that will be allowed to travel through all Universes, create Star Systems, return home to Source, or just sleep in the Mind of God forever.

We access this God through this very specific process of transmuting into the Omni Particles of the Infinite Allness of the Source Field Energy. We open our boundaries into the infinite unknown. We learn to walk into the Void of Infinite Possibilities where we can create things that we have never imagined before.

There are many pieces to the process of Ascension. Each one of the pieces is a part of how we learn to tune out of the Five Senses and into the other Seven Senses.

We have been told that we must RAISE OUR FREQUENCIES. Most people don't know how to do that so we created Music that does it for

you. The frequencies are created by taking Consciousness into the higher Harmonics Universes and blending them together in a certain way that creates Frequencies that allow us to Transmute our Bodies and our Realities beyond the Third Dimensional Five Senses.

We are learning that there are many more realities beyond the ones that we behold with the Five senses. That perception is only a very small part of the Full Spectrum of Light and Sound.

So, we created the Music to allow you to connect your consciousness into the Christic Consciousness of the 12th Dimension and the Cosmic Consciousness of the 14th Dimension, and then also out into the Pre Light and Sound Fields beyond those and then clear out into the NEW COSMAYA of the 13 Cosmos which connect to the Infinity of other Cosmos in the Source Field.

Now, you can begin enjoying the feeling of all of those other sound fields besides the Hertzian range of Audible Hearing. This means that this teaching does not come from the Solfege teachings. It comes from the Cosmic Mystery School of the Omniverse, which is beyond the Earth's Matrix and even beyond our old Cosmic Matrix. The Frequencies of this teaching come from the Grand Yanas of the Pre Light and Pre Sound creating a new reality from the Source Field of Infinite Consciousness.

We have also prepared for you a LEVITATION CANDLE DVD. This is a Visual of a Candle burning for one hour. As you look into the candle, you learn that the hertzian level of the Light Frequency is the lowest. It is actually where the stem of the candle is, because that is the spectrum that is tangible to all of the five senses. We can see the stem, touch the stem, smell the stem, taste the stem. We are actually living in that tangible frequency that is DENSE-it is SOLID- it is the physical reality that we conceive of.

The candle allows us to recognize that there are other levels of light and sound. Just above the stem there is infra red light. That is the light spectrum that the digital camera can see, but most of us haven't learned to see like the camera sees. The next level is the Visible Light that we think we are seeing. Above that is the Invisible Light where another reality lives within right here within the Visible Realm.

And above that there is the x-ray field of light and then the Gamma, Plasma and Pink White Light.

When we use the diagrams that show the spectrum of light frequencies and where those frequencies are heard and felt in the brain area, we begin to realize that we haven't been using the part of the brain that tunes in to the Pink White Light of the Mind of God or even the Blue Frequency in the Mid Brain.

We can easily tune in to the Blue Frequency by walking into the Candle because the Blue Hue is the result of absorbing the full spectrum of Light. We can feel that frequency filling the Mid Brain and when that happens the old THINKING BRAIN stops analyzing all of the old ideas that have been placed in it over the past millions of years. The Mid Brain turns off the Thinking Brain and allows the Mind of God to take over the thought process.

When the Mind of God gets plugged in to the area at the top of the back bone and the bottom of the skull there is a frequency connection into the Seed Atom of our original creation and into the Master gland which controls all of the nerve centers in the body. So, you see, we can, in fact plug our bodies back into the Mind of God.

And when we achieve that Frequency connection in our bodies we gain the Eternal Life where the sixth level elementals are continuously re-programming the nano second rebirth of every cell in our body and transmitting correct information for the constant rebirth of all of the neuro structures of the body.

I go through that process in great detail in the ETERNAL LIFE WATERS SET.

Now, that we are being given this gift of the Fifth Dimension, we will need to learn how to TUNE IN TO IT. We must raise our frequencies of hearing and seeing. The Frequency Music itself does this. It actually tunes you in to the Blue Hue which also tunes you in to fields of light that are in the Invisible Light Spectrum that you have never seen before.

You can build on this new ability of going beyond the Veil of the Senses by doing the Candle Process that is described in the CANDLE LEVITATION DVD.

The Candle will help you realize what a small aspect of the ALLNESS of God the Hertzian Frequency is. The Hertzian is the stem of the Candle. It is not even a part of the light.

When we only use our five senses, we are only the stem of the candle.

Hertzian means things you can see and hear. We must move into the full spectrum of what we can hear and see.

I have explained that my music is not Solfege because Solfege is simply another use of the Hertzian Frequency Range. That range of frequencies is a part of the five senses.

In order to raise our frequencies beyond the third dimension, we must raise our frequencies beyond the Hertzian. That means we must claim our senses that do not rely on the eyes to see or the ears to hear.

We must tune in to our Soul Consciousness and our Intuition. If we tune in to our Soul Consciousness, we can learn to hear without our ears and we can learn to see without our eyes.

We can learn to see what is in a room while blindfolded simply by sitting in a dark room with blindfolds on for long periods of time.

We can also learn to tune our ears into a higher set of frequencies by tuning out of the third dimensional hertzian range of listening and tuning in to the frequencies that you feel deep within your omni particles and the buzzing frequencies within your head. When you tune in to the Frequency music, you are learning to tune in to a reality that is beyond the five senses.

You can practice feeling the frequency music creating a reality of consciousness around the body and flowing into the body. The frequencies are actually the frequencies of the Cosmic Plasma and the Crystal Liquid Light Vapor that is even deep within the Cosmic Plasma. So, when you are tuning in to these Cosmic Frequencies, you are tuning in to your Rishi Self Consciousness rather than your Earth Self Consciousness. The Cosmic Self is completely tuned in to the Mind of God of instant co-creativity and Eternal Life. This is the reality we want to stay plugged in to.

If we practice long periods of being blindfolded, we can begin to see the realities that exist within our realm around our body. We learn to see this New Ascension Earth and the Inner Earth becoming a reality around us.

When we practice listening to the Frequency Music from the Eternal Life Water album we practice being in and tuning the body into the Cosmic Frequencies of our New reality of the new Cosmos that has just been born.

We have tuned in to a new Spiritual Parallel Universe in the PARALLEL UNIVERSE SET and now we have tuned in to a Brand new Cosmos. The Thirteen Cosmos of the Cosmaya has given birth to a brand new Cosmos within the Eighth Sun in the SYMPHONY OF LOVE ALBUM.

As the new reality was born, a new set of frequencies was born. The more we tune in to these new realities of the new Cosmos Frequencies, the Parallel Universe Frequencies, the Symphony of Love, when the new Frequency of Creation was Born, the Mother Ship Frequencies of the Cosmaya Ship activating the Blanket of Love around the Earth. The Dolphin DNA Frequencies of the Cetacean Raceline activating their DNA bio-genesis program into our biology.

Each one of these events is a wave of frequencies, which means a wave of Consciousness that contains a part of the consciousness that was taken away from us 5000 years ago, and the consciousness that was taken away 5.5. million years ago. The birth of the SIX AVATAR children each brought a unique Stream of Consciousness that is

healing the miasmas and seals placed in our DNA. Those Frequency Signatures are in the COMPLETE PERFECT DNA INFUSION album.

I've noticed that more people buy that album than any of the others. Of course it is an extremely important event - the Birth of these Children and the fact that they prepared ascension portals for the race lines that would be locked in the Earth's Matrix forever. However, don't forget about the Frequencies of the UNIVERSAL LIFE FORCE CURRENT who prepared the Stellar Wave Activations and Infusions that are in the Parallel Universe Kit. And don't forget about the work that the Cetacean Raceline did in their Bio-Genesis Project of keeping the link between the Earth and the Oraphim Suns. And the final ingredients of the ETERNAL LIFE WATER of the Vapor Essence within the Plasma which is the Consciousness Field that allows us to Vaporize into the Spiritual Water of Aquafaria in the Inner Earth. This is the Ascension Vehicle into the Ascension Earth.

Each of these pieces of the formula of the Ascension are crucial to the complete Mass Process. And then each Individual has a unique Frequency Signature and complete Portal of Starry Families, Souls, Avatars, and Rishi Selves that must be Tuned in to in order to begin the attunement into the Cosmic Telephone lines.

This is the last piece of the puzzle that is needed. We must remove the TOWER OF BABEL. That means we will no longer speak different languages. We will all speak one language. We must first tune in to the Frequencies of the Cosmos and our Cosmic Families and most of all the Cetacean Race Line, because they are the only E.T.'s living on Earth right now.

The DNA is being reconnected and reactivated through these Streams of Consciousness that are being Born into the Atmosphere, the Biosphere, the Morphogenetic Fields of Consciousness of the Earth's Core and Crust and the Christ Shields within Earth's Crust.

We need to tune in to each aspect of this Morphogenetic Consciousness.

When we tune in, the Ascension Teams of each morphogenetic wave of transmutation begin working on plugging in another neuronet of

your physical template into the Soul Template, the Over Soul Template, the Avatar Template and the Rishi Template.

Our bodies must be reactivated at all levels. We must be completely re-tuned into the complete Omnipresence of Source.

Those of us who have followed the Metaphysical Studies of Goldsmith and Eddy have been tuned in to these realities. However, now that the complete Science of this higher consciousness has been revealed through Keylontic Science, it is much easier to actualize the reality.

Normally, the human being can only actualize something that has been placed in their back ground knowledge of knowing. It is difficult to place the realities of Spiritual Consciousness into the third dimensional background knowledge because it is beyond the third dimensional back ground of things that can be rationalized with the senses.

We must be willing to go beyond the senses in to the invisible spiritual reality and then learn to visualize it. Our Soul Consciousness actually takes over and gives us the complete inner vision and the complete inner hearing when we tune in to that level of Frequency.

The Reality of Inner Earth appearing as Earth will only be a reality to those who begin practicing seeing that which cannot be seen. That reality is not going to morph into the lower frequencies of Earth. Instead, we must raise our frequencies beyond the five senses into the realities that can be seen with the eyes closed and the ears tuned in to the inaudible sounds that I have tuned in to.

The more we tune in to those higher frequencies, the more they tune in to us

Where is the Fifth Dimension. It is your Soul.

When we talk about the Fifth Dimension, we are not talking about climbing up a ladder of frequencies. We are talking about blasting completely out of the Third Dimensional concepts of the FIVE SENSES into the Ultimate UNKNOWN, Intuition, Imagination,

Concepts beyond our books, our schools, our cultures-- the BEYOND.

How do we get to this place of the INFINITE while we are in our bodies? We use this Merkaba. It spins together all of the Frequencies of the fifteen spheres of the Cosmos into that point in our body that we call our Soul.

Our Soul has been sleeping for a very long time because it hasn't been given a new reality to respond to. The Soul awakens to its ultimate destiny of Infinity when the Merkaba spins all of those frequencies from the Five Spheres into attunement or at one ment at that point where the top and the bottom triangles merge their energies together. Where do they merge their energy or frequencies? INTO THE SOUL-- that is the FIFTH DIMENSION.

The entire ASCENSION PROCESS is about activating the Soul. How did the Soul fall asleep. The process began with the THINKING BRAIN. That is the Upper Cerebellum- the yellow part of the brain in the diagram.

Now, we are going to draw a new diagram. Look at your Candle. Please use the video of the candle that is on the crystallmagicochestra.com home page. Also use the diagram of the pyramid of light energy.

Draw a candle and then draw a triangle around it. The top of the triangle is the top of the candle. If you look at the pyramid of light frequencies, you will notice that the top of the candle has pink silver light frequencies. That is the frequency of the 14.5 dimension of heliotalic pastel energy. It is an energy that contains helium, gamma, plasma, x-ray, invisible light, and all of the other lower light frequencies. The HIGHEST FREQUENCY ALWAYS TRANSMUTES ALL LOWER FREQUENCIES INTO IT.

That top point of the triangle, and the top point of the candle show us the place where the Cosmos-- the fifth sphere touches the Mind of God-- or the Source Field of Infinite Unknown potentials of REALITY. When the Merkaba spins together all of the five fields of energy within the Outer Sphere, it is doing the same thing that you see the Candle

doing. The Merkaba holds together all of those Frequencies of Light together and molds them into a form of reality. In this case the form is the Candle. The form can also be the Mental Light Body that is three feet around the Physical Body, or it can be the entire Cosmos around the body.

So, we see all of those light frequencies within the candle, and we see them within the upper part of the Merkaba.

Now, what did I tell you that you would need to do to begin to see the Candle Turn BLUE?

I said you must absorb all of the light frequencies of the candle into your body-- especially into your Mid Brain to make your brain become frequency specific.

Why do we do this?

The first step to returning to immortality is turn off the thinking brain because it will just keep telling you that you are going to die. When we move to the Mid Brain, it is frequency specific. It does not speak in languages. It speaks in the language of KNOWING. And you will not find Death in the Knowing.

So, that is why we are focusing on Melting the Brain away. We don't want to hear the thinking brain's opinions about death, disease, age, religions, or any of those piles of lies that have been accumulated into the cellular memory.

Now, you might have noticed that there is only the upper portion of the Merkaba drawn over the candle. The base of the triangle will be drawn through the stem of the Candle.

The Stem of the Candle is Hertzian. It is the third dimensional realm of the Five Senses that can be seen, touched and heard. That is much like our physical body.

So, now draw an image of your body as the stem of the candle. And think of the base of the triangle going through the heart chakra area, just like in the previous merkaba drawing.

Why do we only have the upper part of the merkaba? The upper part of the merkaba is the electro-- the Light Frequencies-- the Anti Particle.

Next, draw the body that is standing on the Earth, and find out where that bottom triangle would intersect the Crystal Heart area of the body that is now the stem of the candle.

The bottom part of the Merkaba is the Magnetic. It is the part of the energy spectrum that pulls the anti-particle LIGHT ENERGY- the Spiritual into the Physical.

And where does the intersection always happen?- At the Fifth Dimension. In the Soul-- in that 4,5,6 chakra area.

We learned how to walk into the candle, absorb the frequencies and see the candle turn blue.

When we see the candle turn blue, it means we have activated the Mid Brain-- the Frequency Specific Brain-- the Blue Brain.

We must do that first, or the Thinking brain will just continue to take center stage and tell you that you are going to die some day.

Now, go back to seeing the entire Cosmic Merkaba spinning around the entire candle and clear into the Cosmic Core Domain of the Earth, and see your body standing in the stem of the candle.

We must spin the electro-upper into the magnetic -lower part of the merkaba to turn the Hertzian Body-- our physical body (the one that only sees and believes the five senses) - into the Blue Body, that blasts out of the prison of the FIVE SENSES into the Infinite Unknowns of all possibilities.

That Infinite Unknown comes from the KNOWINGNESS in all of those spheres. Those Spheres contain the Consciousness of all of our Plasma Families in the Cosmos, and the Starry Families of the Universes and all of the Galaxies in all of the Omniverses.

When we become the Fifth Dimensional Blue Body, we can tune in to all of those frequency channels of all of the information that has ever been known and that will ever be known. The Fifth Dimension is the HUB of all that is. It is the place where we can still be experiencing our creations in a tangible form that still has some density, but also contains all of the etheric density that must be created from the Intuition, the Knowing, the Imagination. It is the Invisible realities that we create in our Dreams.

What is different about this teaching of using the imagination and creating dreams, is that when the THINKING BRAIN IS TURNED OFF and the Frequency Specific Brain is turned on, we will realize that the DREAMS are the Reality and the Thinking brain is the ILLUSION.

The inner sphere would be the sphere that is around your fourth and fifth and sixth chakra area. That SOUL area now contains all of the Information that is contained in all of those other spheres of Consciousness. We have created a new Morphogenetic Field of Consciousness that contains all of the Light and Sound of the entire Cosmos, Universe, Galaxy into our NEW SOLAR REALITY. We now know that we hold this vast information that is flowing into the Frontal Lobe and into the Mid Brain and into the Lower Cerebellum and Medulla Oblongata in the back of the brain. The Mind of God connects from that point in the brain which also connects to the Soul Center out into that point at the top of the Candle and the top point of the Merkaba, That point connects to the Infinite Source of Energy and Information-- the Mind of God.

Now, all of that information and energy that is flowing through you can be translated from any dimensional frequency into the frequency of the observer-- the sub consciousness within you. That is where dreaming comes in. Those movies of multi dimensional reality flow through you into dreams. You must learn to become AWAKE IN YOUR DREAMS NOW. You must learn to know that you are actually in the dream and that you control the dream to do what you want it to do. You become the director of the movies in your dreams.

When you can do that, you can also become the director of the movies in your life. And you can turn your dreams into your life if you want to.

The sensual areas in which the brain defines all that is placed in the body includes what food is, how to digest it, what qualities it has.. This same thinking brain that is defining our life and telling our body what will make it well or what will kill it, how our days are numbered, that yellow brain. The areas of absolute polarity who you are in a personality. If you place a picture of Blue Body in your frontal lobe. That picture will be eaten up by the thinking brain only tolerating it for so long thinking brain must be transmuted and dissolved into higher frequency waves. The human is divine, but is only being allowed to work upon the old karma of emotion that was never brought to wisdom.

That is why the Soul returned to Earth because the old karma was never given the wisdom that would allow it to connect to the Blue Body, Aquafaria and never given the knowledge to connect to the multi dimension mind of god.

The soul must be able to process this wisdom while in this body. to remove the death sentence that is given to it by the thinking brain of carnal knowledge, the knowledge given to it by the world.

Now, that we have a better understanding of the Candle Light and how it relates to the Music, it is important to know that there is a Spectrum of Light behind or below the Candle that is the Spiritual Hologram or Spiritual Universe being reflected in the Physical Universe.

When we look at our DNA we learn that it is the Acceleration Codes of the DNA that hold the Overtones from the Electro and the Magnetic Codes of the DNA that hold the Base Tones of the Electro Magnetic.

We can't just have the candle flame without joining it with its anti particle double that we see as that Blue Hologram above and below it.

Our body also has a spiritual anti-particle double. When we walk into the full spectrum of light and sound we tune in to the blue body. We see the blue sphere.

The Blue Body activates within the Crystal Heart because the Soul is the Fifth Dimensional SELF made of anti matter.

That Fifth Dimension within us has always been there. We just never ignited it with the Breath of Source and the Full Spectrum of Light that we gain when we Spin the Merkabas to ACTIVATE each of the Dimensional Fields of Reality.

If we don't ignite the flame in our Crystal Heart that attunes us into the Love of the entire Cosmos and beyond into Infinity, we stay locked inside of the Heart that is disconnected from the Mind of God.

Once we activate our Crystal Heart, we also need to activate the Blue Frequency Specific Mid Brain. That is what the Frequency Music created by the Crystal Magic Orchestra of Cosmic Consciousness provides.

The Frequency Specific Music keeps you out of the Yellow Thinking Brain and in the Mid Brain where only Frequency Specific Consciousness Communicates.

In other words, the only words are the Frequencies.

The teaching of Keylontic Science provided an In Between State where we use the God Language to activate the Frequency Language.

I do use this God Language in some of my music. It is definitely a language that allows much more harmonization than words from any other cultural group.

However, I got to a level of creation where the words were getting in the way of blending the breath of Source into all of the multi dimensional fields of Consciousness.

The ignition of the flame or the frequency should be what activates the question and then the answer is given to the body through tiny little buzzy sounds that we translate when our Crystal Heart is activated.

I had all of these layers of Frequencies-- millions of layers. The God Language would not layer. That is a problem because the language used before the Tower of Babel was completely telepathic – NO WORDS.

My mission on Earth is to remove the tower of Babel, and that can't be done until we move into the pink silver part of the brain- the lower cerebellum and the medulla oblongata and begin to allow the true Mind of God to RUN OUR BODIES COMPLETELY.

No talking allowed. Just the FEELING of the frequencies streaming into the inner most omni particles of the cells and flowing around the cells in the crystal liquid light energy of omni creation.

MOVING OUT OF THE THIRD AND INTO THE FIFTH

We use the candle to help us visualize moving out of the third dimension and into the fifth. We must also use the diagram of the Pyramid showing us where the different light spectrums are in the Candle. We can also see these light spectrums as they relate to the brain.

The yellow spectrum in the brain corresponds to the VISIBLE LIGHT. This means everything that can be Seen with the FIVE SENSES.

Now, remember that the Five Senses and the other Seven Senses of the Cosmos were separated. They were separated by separating the sub harmonics in the DNA. The Over tones of the Electronic were separated from the Base tones of the Magnetic.

The only reason that we believe what we see is TRUTH is because our sub harmonics in our DNA are disconnected.

When they are re-connected we see the reality that is in the Blue Spectrum of Invisible Light. We can learn to see what is invisible to us right now.

We experience this reality by walking into the candle in consciousness to collect the full spectrum of light. Now, you can see something that you didn't see before. You can see the blue sphere.

Next, you continue to move into the candle in consciousness until the room goes black around you. This means you are seeing from the area in the brain that is in the pink silver light spectrum. The Mind of God is the Dark Room. This is the place where you see anti-matter.

You are seeing another reality field that you never saw before.

You just thought this was darkness. It is the place where all new ideas are created before they come down into multi dimensional versions of light.

This is not the same kind of dark that comes from absence of light.

This is the kind of dark that comes with your eyes wide open using the back of your brain and seeing through your mid brain into another reality field.

We get to this place by remaining in the Frequency Specific Music for very long periods of time. You can also practice moving to that part of the brain by keeping earphones for several days at a time or walking around blindfolded until you can learn to see through the eyes of God.

Just as I came to Earth this time to remove the Tower of Babel, there are people on Earth who came with the purpose of returning to the Mind of God. So, they planned to be born blind. Many people who are born blind planned it that way. Beethoven was one of those people. He could hear the Music of the Spheres and play what he heard on the piano. He was painting the music that was being made by the Universe at that time. There were beautiful parts of the Universe and there were parts that minor and dis harmonic in nature.

Albert Einstein also said that he learned the formula to create his discoveries from music. I am sure he meant from listening to the directions from the Music of the Spheres. Everything in our Universe is created from the Music of the Spheres. This means the frequencies from the spiritual harmonic universe are being woven into the more dense dimensions and in the parallel physical domains to create new realities. These realities manifest as different forms of energy-like electricity.

The density also manifests as different forms of supply and food.

When we move into the standing wave pattern of the fifth and sixth dimensions we will tune into the hydrolaise of the spiritual parallel and the trypolaise of the new Cosmos. That spiritual water is a vaporous form of plasma that is used to translate our bio-sphere. In the normal reality systems, a child would be born for the purpose of absorbing enough hydrolaise into his structure that would transpose his body into the plasma vehicle that could travel through the Universe by age 33.

The Avatar Children who were born on Earth between 1996-2012 will be able to do that. They will learn to transpose their body into an orb and ride in their flame vehicle through all twelve stargates. Those of us who have been trained how to create our orb bodies will also learn to do this in this life time.

The orb bodies are created through the activation of the Music of the Spheres. Electricity was created through the formula Consciousness plus Energy equals Reality.

When we raise our consciousness by accreting more Energy of Higher Frequencies, we can move into a new standing wave pattern of energy. We can move into the Standing Wave Pattern that does not include Gravity.

Gravity is a creation of Reverse Spin Technology. Reverse Spin Technology is that formula used in the Flower of Life teachings. Look at the diagram on the RIGHT.

That form of energy is blocked from the Full Spectrum of Light. That form of energy will never give the energy to the body that is needed to create the Orb Body.

The orb body is created by spinning the merkabas together correctly to activate the DNA.

Now, let's go back to the Merkaba and the Candle.

We drew the diagram of the Merkabas around the Flame.

Now we know that there is another half of the Merkaba. The top pyramid is the electro and the bottom pyramid is the magnetic.

So, we need to draw another pyramid that intersects the top pyramid at that place in the Crystal Heart.

The top electro and the bottom magnetic must spin together to reconnect the overtones and the base tones of the DNA. When the DNA is reconnected, then the entire Reality Spectrum is reconnected.

We begin to use Super Consciousness. That is the other Seven Senses beyond the Five Senses of Seeing and Hearing those things that can be touched and felt.

We must use our ears to hear the part of the music that is the whisper, the breath, the feeling, the knowing that we are actually sitting inside of the Star that the Frequencies came from and we are actually living inside of the Sun that we are made from.

We must visualize ourselves as the Pure Plasma Body that we are. We, in reality live inside of the Sun.

In reality, there is no space or time.

All Distance is created by the obstacle illusion created by the Spin Rate of the Merkabas.

Each Merkaba spins us into a higher Harmonic Universe. It is called a "Harmonic Universe because it has a different Harmony. It has a different Frequency and a different rhythm.

Each Harmonic Universe is 45 degrees in angular rotation away from the next one.

So, reality is all within this Sphere.

If we draw a clock and we see that 12 o'clock is 45 degrees from 3 o'clock. That would be 45 degrees. When we spin our merkaba faster, we remove the 45 degrees.

The distance that we see between Earth and the Stars would be 45 degrees to the Galactic and another 45 degrees to the Universal. That means we are 90 degrees from the Stars. If we want to fly to the Stars, we just get in the spin rate of the Universal Merkaba and that erases the time and space between those reality fields.

When we finally learn how to orb out of the gravity standing wave pattern, we will realize that we don't actually go any where.

We just remove the ILLUSION of space and time.

In God's Reality there is no space and time. It is an illusion created by the Eyes. The Eyes are the Illusion created by the disconnection of the sub harmonics in the DNA.

the Music of the Spheres that I'm tuning in to is this New Music of this New Cosmos that doesn't even contain major music. All of the music is a breath coming from God and weaving into symphonies that are beyond the beauty heard by the ears. I am the only one who gets to hear the complete beauty. I'm trying my best to translate that into sound that others can hear. It is almost impossible unless the listener is using the same technology that I'm using. That means listening with the same Sony Stereo and the same earphones. Most versions of technology will distort the sound, and many distort it into reverse spin technology.

We are working on moving out of the Yellow part of the Brain – that is the VISIBLE LIGHT SPECTRUM in the Pyramid and the Upper Cerebellum part of the Brain.

That is the part of the Brain that THINKS. And all it thinks about is old memories that have been planted in it by the WORLD.

We are working on removing the OLD WORLD.

First, we must DE-Manifest the Old World, before we can Manifest the New Ascension Earth.

The reason that I create the Frequency Music and the Eternal Life Albums is to help you REMAIN FOCUSED in the FREQUENCY SPECIFIC MID BRAIN..

When we move into that part of the Brain Continuously for hours, for the day, for the night, and then finally 24 hours a day. That is when REALITY really begins to SHIFT.

The World actually falls away. It doesn't have any effect on your emotions any more. You have moved out of the Emotions of Feelings and Ideas and Memories, and Fear just doesn't exist in the Mid Brain.

That is where we want to stay.

If you leave your earphones on for 48 hours and then take them off, you will experience what it feels like to be in the Frequency Specific Mid Brain and then move back to the Yellow Thinking Brain of the World. It is like night and day. The Frequency Specific Experience feels like you are always riding on your shoulders and you are 12 inches above your head, and sometimes you are 36 inches above your head. You will realize that you are looking down at your body and you are not in it.

That is what the Frequency Music does. That is what it feels like to stay in the Frequency Specific Brain.

Using the Candle is to help you realize that this Shifting in Dimensional Realities is going on Visually and Audibly.

You are seeing something that the FIVE SENSES of the Third Dimension never sees, and you are hearing something that FIVE SENSES of the Third Dimension never hears.

You have moved TEMPORARILY into the Fifth Dimension,

It is a wonderful place that has a Blue Hue around everything.

The Blue Hue is only created one way. It is created as a result of going through the Full Spectrum of Light and Sound and into the Mind of God.

When you walk down the hall of white light when you die, that is where you go. You are walking into the Full Spectrum of Light. You are walking back into God's Movie Projector.

When you walk down that white tunnel during the Death Scenario, you are becoming so full of the anti-particles of Spiritual Light, that your Body shifts into the Blue Hue. When you go into the WHITE ROOM of the Mind of God at Death, you become transformed into Light Energy.

Well, guess what. We never did need to die to do this. We can move our bodies into the Blue Hue and into the Mind of God during this life time. We can readjust our Light Spectrum now.

We can fill our bodies full of the Universal and Cosmic Frequencies of Transformation now.

I came to Earth with this mission. I had this information coded in my cellular memory before I came to Earth. My team had to wake me up and keep reminding me of my mission many, many times. I have died three times and I came back. My husband died, and I brought him back.

What we keep hearing about in these End Times is this NEAR DEATH experience that so many people have. There is no such thing as a Near Death Experience. We died, went to the Mind of God, had our bodies developed into the Blue Hue and then came back as a re-

processed body. The mind becomes transformed into a higher awareness. There are many memories processed just like the memories that are processed when a person goes into the light at Death.

In the good old days – Prior to 2014 before we evolved completely beyond the Phantom Matrix, we would die, watch all of those old movies that come out of our cellular memory, and then decide that we wanted to go back to the place in time where one of those old movies took place so that we could do it again.

That is why we kept coming back to the third dimensional Earth. Some of us did that at least 1.5 million times. Some more. Some less. We were stuck in that reality because there was no one here to tell us what we were supposed to do when we die.

We were supposed to pick a new movie – not keep returning to the old movies.

Now, we have been taught that we must make the movie that we want to go to before we die, and then we don't have to die. We just get processed in the Dark Room of the Mind of God and pop into the new movie.

That is how it has always been done for the past 90 billion years. That's as far as I can remember back. That is how it is done in the MIND OF GOD.

That is not how it is done in the mind of MAN. But, that is how it is done in NORMAL REALITY.

We are moving back to NORMAL REALITY for the first time in 5.5 million years.

We did have pieces of our Normal Reality returned to us a few times before in history. But, it was always taken away from us again by Invader Races. This time, there was a complete Cosmic War that removed every tiny aspect of our Dysfunctional Memory of how our PERFECT REALITY is supposed to appear and how it will begin to

appear to those who choose to MOVE TO THE FREQUENCY SPECIFIC blue area in the brain.

When we move into that reality, our problems disappear. It is like that dream that those live in who do drugs for their recreational activity. That is why we hear these rumors that this new age will be like the 60's with the Hippies, and the Flower Children, and the Drugs.

It will actually be MUCH MUCH better than that. We can live in the Frequencies that shift our Brain into the FREEDOM and the VISUALIZATION of the realities beyond the third dimension. We can do that with FREQUENCY SPECIFIC MUSIC instead of with Drugs that will always lead to a Bad Place in the End.

The fact is, the Kings and Pharaohs of Atlantis used to create this substance called CELLESMA – a blue powdery essence --JUST LIKE IN THE SMURFS 2.

That blue powdery essence was the LSD in those days. LSD was patterned after that substance.

Where did they get that substance. They got it from torturing the Race lines who had fifth and sixth dimensional frequencies-- there was the Human Angelic Race Line and there was the Leviathan Race Line. These were the only ones who had fifth dimensional coding based on the 12 CODE – 12 sub harmonics in each DNA strand.

The Kings and Pharaohs were not from this ANGELIC RACE LINE that had the 12 codes that would open the 12 STAR GATES.

The Invader Races were always coveting the ability of gaining access to all 12 stargates.

Again, please take a look at SMURFS 2. The Blue Smurfs were the carriers of the Cellesma that comes from the Celestiline in the blood crystals of a Fifth Dimensional Being with 12 coded harmonics.

Gargamyle needed that ESSENCE to give him the power and immortality that he wanted.

The Kings and Pharaohs of Atlantis would lock the Leviathans in these Cages and torture them. AS they were leaving their bodies and turning into Blue Dust, the Kings would scrape that essence into a bottle or a tube – just like in the Smurfs 2 movie.

The reason I'm telling this story, is to help you realize the significance of this Blue Hue that you are beginning to visualize as a result of going into the Full Spectrum of Light and moving into the Frequency Specific Mid Brain.

These are the first stages of activating this Blue Essence. It is a product of Melting the Crystal Seals between the DNA. When the Crystal Seals melt they create a new form of Blood Crystals in the body that is made of the essence of stardust which is this celestiline substance.

When the fifth dimensional soul body in the Crystal Heart is ignited through the full spectrum of light, the Blue Body gets turned on. The Hue of Ultra Violet Blue becomes ignited in the Mind of God. That Hue penetrates the entire Light Spectrum and goes into the Mid Brain and Crystal Heart.

So, the way we turn the Candle on is the same way we turn the Blue Body on or awaken our Soul from amnesia.

We must have the Full Spectrum to do this. The Spectrum of the Hertzian contains the Visible Coors that can be seen with the Five Senses. These Visible Colors must be brought to life through the Electro Magnetic Field of Energy.

Electro is the Male Spin of the upper merkaba. It spins 331/3 Clockwise and the Bottom Merkaba is the Female and it spins 112/3 Counter Clockwise.

The place where all of the merkabas meets is the fifth dimension in the Crystal Heart.

All merkabas meet in the crystal heart The All of the frequencies of the Merkabas are Grounded in the Fifth.

To activate the Blue- the fifth dimensional crystal heart, we had to activate all that is above-- the full spectrum of light in the candle all of the light in the candle.

The Blue Heart intersects into the Ultra Violet Blue that connects it all together.

The full spectrum of light must spin that removes polarity male and female must spin together.

This all of fifteen dimensions are in the male merkaba and all 15 are in the female merkaba

The stem didn't ignite with just the infra red section or just the invisible light or just the gamma. It required the full spectrum of light to ignite it.

When we strike the match to ignite the stem of the candle the entire light of the candle was required to ignite that hertzian stem.

X ray to see into the anti matter
Beyond the cosmos infinite beyond change our dictionary

We are plugging our neuronet back into our complete self.

The hertzian level consciousness is five senses

The fifth dimensional consciousness is all senses 00the seven more than five

The infra red spectrum has been something we could not see

The visible spectrum allows us to see but only the hertzian level.

Where is the fifth dimension.

The fifth used to be in the harmonic universe above the third.

But, now we are in the fifth and the fifth awakened within us.

The fifth dimension is in the Crystal Heart – what was called the Heart Chakra area.

The Fifth Dimension is the Density Two level of the Body.

The Density One Level is the Physical Body.

The Density Three Body is the Mental Body at the Cosmic Level..

When we Ignite the Blue Hue within the Full Spectrum it turns on the Mid Brain Frequency Specific Brain and the Blue Body. It turns on the Fifth Dimensional Self, which is the Soul. It awakens the Soul from amnesia.

After we awaken the Soul through the Mid Brain, we can awaken the complete Multi Dimensional Self into the Mind of God through igniting the Silver Pink Light into the Lower Cerebellum where the Medulla Oblongata meets the Thymus and within the Thymus is the Seed Atom of our original Soul, that activates the Soul that is within the Crystal Heart area--directly below the heart. This entire area becomes activated and then activates the Vegas Nerve which controls all of the Neuronets and Glands in the Body.

Now the correct programming from the Mind of God is running the Immortal Body. The body is reborn every nano second through the Breath of God.

When we use the CANDLE LEVITATION DVD, we are learning how to FLIP OUR BODY INTO IMMORTALITY. We are learning to walk into the Full Spectrum of Light- which is Source. We go completely into the Source Field, and then our body flips into a new reality. The new reality is the BLUE BODY. That is the Fifth Dimension. The Fifth Dimension means Multi Dimensionality. It means you are not within the Infinite Possibilities of Manifesting through the Mind of God and living in an Immortal Body inside of the Source Field.

When we continue to use the light in the candle, we are practicing walking through the full spectrum of light, which means the white room of the Mind of God. Once we walk through that diamond door in to the White Room and then turn around, our body becomes the blue body. Once we are in the Blue Body we can practice levitating because we actually move our bodies into a higher dimension that allows our body to be in a new standing wave pattern that does not contain gravity. Gravity is just an illusion or a part of the hologram that we think we are living in.

We can also practice moving beyond the hertzian frequencies where we hear physical words and tones into the infra red spectrum where we hear and see a reality that has actually turned into a NEGATIVE of the picture that we are developing in God's Mind. When we practice becoming the Digital Camera we begin seeing the Blue Hue around everything in our world and then we begin seeing the Violet Sphere that allows us to remove space and time and walk into it. We can also practice activities such as looking at a card and learning to see the back of the card actually rise up behind the card to allow us to See what numbers are on the back of the card. This would be Infra Red Vision.

After than we move from the Visible Light Spectrum into the Invisible Light Spectrum in order to begin seeing the Inner Earth and the Cloud Cities and Earth all morphing into one new Ascension Earth.

FIFTH DIMENSION IS BEYOND THE FIVE SENSES

There are many pieces to the process of Ascension. Each one of the pieces is a part of how we learn to tune out of the Five Senses and into the other Seven Senses.

We have been told that we must RAISE OUR FREQUENCIES. Most people don't know how to do that so we created Music that does it for you. The frequencies are created by taking Consciousness into the higher Harmonics Universes and blending them together in a certain way that creates Frequencies that allow us to Transmute our Bodies and our Realities beyond the Third Dimensional Five Senses.

We are learning that there are many more realities beyond the ones that we behold with the Five senses. That perception is only a very small part of the Full Spectrum of Light and Sound.

So, we created the Music to allow you to connect your consciousness into the Christic Consciousness of the 12th Dimension and the Cosmic Consciousness of the 14th Dimension, and then also out into the Pre Light and Sound Fields beyond those and then clear out into the NEW COSMAYA of the 13 Cosmos which connect to the Infinity of other Cosmos in the Source Field.

Now, you can begin enjoying the feeling of all of those other sound fields besides the Hertzian range of Audible Hearing. This means that this teaching does not come from the Solfege teachings. It comes from the Cosmic Mystery School of the Omniverse, which is beyond the Earth's Matrix and even beyond our old Cosmic Matrix. The Frequencies of this teaching come from the Grand Yanas of the Pre Light and Pre Sound creating a new reality from the Source Field of Infinite Consciousness.

We have also prepared for you a LEVITATION CANDLE DVD. This is a Visual of a Candle burning for one hour. As you look into the candle, you learn that the hertzian level of the Light Frequency is the lowest. It is actually where the stem of the candle is, because that is

the spectrum that is tangible to all of the five senses. We can see the stem, touch the stem, smell the stem, taste the stem. We are actually living in that tangible frequency that is DENSE-it is SOLID- it is the physical reality that we conceive of.

The candle allows us to recognize that there are other levels of light and sound. Just above the stem there is infra red light. That is the light spectrum that the digital camera can see, but most of us haven't learned to see like the camera sees. The next level is the Visible Light that we think we are seeing. Above that is the Invisible Light where another reality lives within right here within the Visible Realm. And above that there is the x-ray field of light and then the Gamma, Plasma and Pink White Light.

When we use the diagrams that show the spectrum of light frequencies and where those frequencies are heard and felt in the brain area, we begin to realize that we haven't been using the part of the brain that tunes in to the Pink White Light of the Mind of God or even the Blue Frequency in the Mid Brain.

We can easily tune in to the Blue Frequency by walking into the Candle because the Blue Hue is the result of absorbing the full spectrum of Light. We can feel that frequency filling the Mid Brain and when that happens the old THINKING BRAIN stops analyzing all of the old ideas that have been placed in it over the past millions of years. The Mid Brain turns off the Thinking Brain and allows the Mind of God to take over the thought process.

When the Mind of God gets plugged in to the area at the top of the back bone and the bottom of the skull there is a frequency connection into the Seed Atom of our original creation and into the Vegas Nerve which controls all of the nerve centers in the body. So, you see, we can, in fact plug our bodies back into the Mind of God.

And when we achieve that Frequency connection in our bodies we gain the Eternal Life where the sixth level elementals are continuously re-programming the nano second rebirth of every cell in our body and transmitting correct information for the constant rebirth of all of the neuro structures of the body.

I go through that process in great detail in the ETERNAL LIFE WATERS SET.

Now, that we are being given this gift of the Fifth Dimension, we will need to learn how to TUNE IN TO IT. We must raise our frequencies of hearing and seeing. The Frequency Music itself does this. It actually tunes you in to the Blue Hue which also tunes you in to fields of light that are in the Invisible Light Spectrum that you have never seen before.

You can build on this new ability of going beyond the Veil of the Senses by doing the Candle Process that is described in the CANDLE LEVITATION DVD.

You can practice by using the Meditations that are in the MANIFESTATION MERKABA set. There are many tools, meditations, journeys in all of the Sets created in 2014. The MANIFESTATION MERKABA SET is a GREAT DEAL because it contains the CODES that were in the original ASCENSION KIT along with the most important MEDITATIONS that were in the COMPLETE ASCENSION PROCESS KIT.

I have explained that my music is not Solfege because Solfege is simply another use of the Hertzian Frequency Range. That range of frequencies is a part of the five senses. In order to raise our frequencies beyond the third dimension, we must raise our frequencies beyond the Hertzian. That means we must claim our senses that do not rely on the eyes to see or the ears to hear.

We must tune in to our Soul Consciousness and our Intuition. If we tune in to our Soul Consciousness, we can learn to hear without our ears and we can learn to see without our eyes.

We can learn to see what is in a room while blind folded simply by sitting in a dark room with blindfolds on for long periods of time.

We can also learn to tune our ears into a higher set of frequencies by tuning out of the third dimensional hertzian range of listening and tuning in to the frequencies that you feel deep within your omni

particles and the buzzing frequencies within your head. When you tune in to the Frequency music, you are learning to tune in to a reality that is beyond the five senses.

You can practice feeling the frequency music creating a reality of consciousness around the body and flowing into the body. The frequencies are actually the frequencies of the Cosmic Plasma and the Crystal Liquid Light Vapor that is even deep within the Cosmic Plasma. So, when you are tuning in to these Cosmic Frequencies, you are tuning in to your Rishi Self Consciousness rather than your Earth Self Consciousness. The Cosmic Self is completely tuned in to the Mind of God of instant co-creativity and Eternal Life. This is the reality we want to stay plugged in to.

If we practice long periods of being blindfolded, we can begin to see the realities that exist within our realm around our body. We learn to see this New Ascension Earth and the Inner Earth becoming a reality around us.

When we practice listening to the Frequency Music from the Eternal Life Water album we practice being in and tuning the body into the Cosmic Frequencies of our New reality of the new Cosmos that has just been born.

We have tuned in to a new Spiritual Parallel Universe in the PARALLEL UNIVERSE SET and now we have tuned in to a Brand new Cosmos. The Thirteen Cosmos of the Cosmaya has given birth to a brand new Cosmos within the Eighth Sun in the SYMPHONY OF LOVE ALBUM.

MOVING INTO MULTIDIMENSIONALITY

Moving into Multi Dimensionality is very similar to moving into multi cultural realities. In order for a person from one culture to understand what the person from the other culture was doing or saying, the visiting person had to go through a complete restructuring of the brain. This is called going through culture shock. It is a very exhausting and painful experience that causes many people to go crazy.

What we learned from culture shock syndrome was you don't even realize you are going through culture shock until you return to your home. At that time you start seeing things that you never realized existed before. The same thing is true when we go to the blue brain--immortal mind or the Mind of God- and then return to the mortal mind that tries to tell us that the things that we are learning just can't be true, because we have old background knowledge in the cellular memory of the mortal mind that contradicts the new information. The yellow brain is electromagnetic. If it doesn't like the information being sent to it, it just turns the electric wave off. It also shoots out poison when new information attacks it. That is what happens in culture shock. The brain shuts down, people get depressed, go crazy and usually just forget about the new cultural experience and go back to their old thinking. Those who approach going to a new culture through intercultural preparation process succeed in the culture shock of bringing in new information and transforming their way of thinking. As a result of culture shock, we realize that there are things out there that we didn't realize existed before.

This process of culture shock is glaringly obvious among new starseeds who are living in the culture of the 3D world while they are being told about this new reality that is out there that we don't see yet. And they are being told that they came from far off places that we don't talk about in our history books. This yellow brain has been a gate keeper used by the fallen angelic take over races for millions of years. They deleted our entire history and re-wrote it in a way that would make them powerful, and would make us weak and needing the guidance of others.

When Guardian Races have brought the real truth to those who are listening on Earth, the old gate keeper- mortal mind- causes most hearers of this truth to get angry, shut down, not listen and just go back to their old background knowledge. The only ones listening to the truth are those who have enough of the light left in their cellular memory that connects them to the divine codes holding the reality of the eternal life.

When we lived in foreign countries we noticed that in some third world countries, in which there had never been any foreigners seen

ever before in their history, most of the people in that culture actually could not see us. They would always run into us, even if there was absolutely plenty of room to walk around us. We would play dodge ball with walkers on the street to see if we could keep them from running into us. We later learned that when we would talk directly to these people they still couldn't see us.

This is what is happening now on Earth on a large dimensional scale. There are entities here standing right in front of us that we don't see yet. Some of them are doing things to try to get our attention. We have to get out of the yellow brain and into the blue brain in order to start seeing things from their point of view.

We can use a lighted candle to demonstrate the change from the yellow brain into the blue brain. We first see ourselves as a mini-me standing where the stem of the candle is. Imagine the light of the candle surrounding the mini me self. So, we are standing within the complete light spectra all the way up to the gamma ray. Within the light spectra of the candle there is the black area at the bottom. This is the hertzian frequency. Above the red area is the infra red, and then the visible light. A little above that is visible light and then x ray light. Above that is the gamma wave.

When we walk into the candle light at the invisible light area and turn around into the x-ray area, we walk back out of the candle into a blue light spectrum. This means we have made contact with the other side. If we can train our consciousness to hold on to that blue light spectrum long enough, we can begin manifesting the new reality that we aren't seeing yet.

Increasing the frequency in our bands changes the atmosphere around us.

The upper cerebellum - mortal mind, or third dimensional yellow brain contains the memory of this lifetime. It is our personality. When NEW information about a NEW REALITY beyond this lifetime, can be taught to the yellow brain - the mortal, personal, the you, the ego you, in order to reprogram resistance points in the yellow brain - the mortal mind personality of just this life time, then and only then, can the mid

brain allow the mind of God to flow through us with instant manifestation.

The instant manifestation is the reality field that flows directly from crystal liquid light energy of Source into the eighth chakra at the medulla oblongata into the God Seed Atom within the Thymus and then up into the mid brain and the pineal gland. It is the direct angle of the eighth chakra through the sixth chakra and out the 9th chakra in the forehead that becomes activated. However, the eighth chakra is activating in atonement with the fourth, the sixth is in atonement with the fifth and the seventh is in atonement with the tenth. It takes these spiritual atonements to remove the old seals that were placed within our original divine templates that will activate this cellular magnificence of our immortal self hood and eternal life structure.

If we can get to the point of understanding this so well that we can write it -- show it in diagrams --- explain it to anyone --- explain zero point energy and how the fabric of space came into being, we can begin the reprogramming of the mortal mind gate keeper system. Get out a pencil and paper and draw what I just explained above.

Find a picture of a brain on line or in an encyclopedia. Find where the medulla oblongata connects to the thymus and the thymus connects through the neck and into the pineal gland.

When we understand how particles came into being from gamma clear down to hertzian then we have an understanding of unknown, secret knowledge.

The more you explain it -- the more it is getting into the yellow brain -- the more we address the resistance - the easier the flow.

All true knowledge comes first from mid brain. It is frequency specific. The mid brain can access the blue body. The blue body can become a reality for a time taken from frequencies into mid brain and then created into a picture by the electromagnetic fingers of the **mortal mind** brain. However, the mortal mind brain has its electromagnetic fingers in so many other sets of processing , that the image of the blue body is erased almost immediately. Once you have captured the

vision of the blue flame when you walk into the candle, you will see how quickly it disappears. The more you train your mind to stay focused inside the midbrain the longer the blue image will stay. It is the mortal brain that fights to make the new blue reality disappear as soon as possible. It doesn't like a new body intruding on its reality. Eventually the mid brain melts away the mortal brain and the war between the two brains ends.

This is why we must spend hundreds of hours working with the candle and going into the mirror to activate this feeling within our cells. We can see the activation within us by seeing the white light in the candle turn blue. When we can hold on to that blue for a very long time, we can take the next step in our reality check.

Walking into the candle is walking into the full spectrum of light. We are becoming one with the full light spectrum of the Universal, Cosmic and Source fields of light. In scientific terms, we are moving beyond the hertzian and infra red and visible light spectrums that are most common to us now. We are moving into invisible light, x-ray light, white light, gamma rays. We are actually walking into the sun -the gamma field of light when we walk into the candle in our mini me bodies.

So we walk all the way into the light. We are completely within the spectrum of the 12D Universal light realm. When we are within this Krystic light realm, we are walking into our spiritual body which turns blue when we make contact. We become the blue body.

Now, we have actually accomplished the mission of walking to the other side, turning around and walking into at one ment with the spiritual self. We used the mind of God to make the 360 degree vision of all of the self. Now, we have the blue light vision and the ability to walk to the other side, see from the other side and look back at our self.

If this has actually taken place in consciousness, we can replicate it in our hertzian reality.

We can now pick up a card -- a playing card with numbers and symbols such as aces, hearts, diamonds, etc. We get in the blue

zone, walk to the other side of the card and look at it from the other side. We can read what is on the back of the card.

We have bands of light around us that have been called the spheres - the five spheres- the music of the spheres. These are bands within bands within bands or spheres within spheres. Each band or sphere holds a different wave length and frequency. The higher frequencies are the outer bands and the lower frequencies are the inner bands.

However, these bands only spin when we activate them with our consciousness and our breath. We can only feel their presence when we activate them. When we activate them through consciousness, by breathing and spinning our merkabas correctly and focusing the energy correctly into the proper realms, the spheres of energy begin breathing and singing songs of frequencies within and around our bodies.

We can't just do this randomly. There is an exact formula to use. If the formula isn't followed, we would just be breathing "hot air." That is what most of the breathing and coding and tuning that I have been hearing as I have been examining the listening samples and you tubes that I found online. I rarely hear anything that sounds like the Breath of Source or the 12 coded divine blue print. I just hear people singing and breathing. They usually breathe heavily with a lot of energy and passion.

It really doesn't take a lot of breath to connect to those bands through the clockwise spin of the upper pyramids of the merkaba and the counterclockwise spin of the lower pyramids of the merkaba. It does, however, take a lot of Consciousness; and, consciousness is very quiet and etheric sounding. There should be energy and power placed within the consciousness as it connects the breath with the spinning of the merkaba. A person can breathe very strongly and loudly without having any focus of consciousness involved. When the focus of consciousness is involved and it is connected to the Source field, the feeling within the breath can be felt strongly.

We have these bands within cells, within our bodies, around our bodies, around our atmosphere and clear around us in each individual's cosmic sphere, which exists about one hundred feet in

diameter around the body. The spheres are always created by a merkaba spinning correctly (see my essays on merkaba). Outside of the cosmic sphere is the Source field of pre sound and light energy.

These five sets of spheres are replicated from the inside to the outside. There are five fields of energy replicated over and over again - the energy field of the planetary body would be the hertzian and infra red and visible light, because that is what we experience.

The solar realm would include the invisible light and x ray that allows the blue body to be seen. The galactic realm is made of gamma rays and then we go clear out into the white light and pink white light of the Universal sphere. Finally we go out into the pre sound and pre light of pure invisibility.

All of these bands of frequencies exist within our cells, within our bodies and then within the merkabas that activate them at one moment with the liquid light energy of Source Consciousness bringing the attunement of all of these spheres into a reality activation.

When we focus our energy of consciousness within these bands in order to activate the outer band of Source Consciousness activating the pre sound and light or the gamma activating the white light that will transmute the inner bands of x ray and visible light into a higher level of frequencies which becomes visible as blue light. When we do this we change the atmosphere around us. When we activate crystal liquid light energy we are changing the water content of the atmosphere to bring in more and more hydrolase around us and into our bodies. The water body is the magical form that our guardian races take on in order to visit us.

In order to convince our bodies to start reaching these levels of activation and understanding we must melt away the old ideas in the upper cerebellum - the mortal mind - we will call the yellow brain because yellow here will represent third dimensional understanding. We have a part of our brain that utilizes blue brain understanding or fifth dimensional frequencies. That takes place in the mid brain area.

We are in a new reality. We are in a new time and space. We are in a place that will allow us to absorb the cosmic star dust that is filling our skies with the help of the Coronal Mass Ejections and the meteor showers.

We are also being held within a Consciousness field of protection with 48 plasma bodies or Crystal Ships holding us in alignment with this Aurora field that prepares a stairway to heaven as this blue cosmic stardust begins to fill our atmosphere.
