**Prologue - Remembering Who We Are**

by **Angela Barnett**

Cosmic Mystery School of the Omniverse Publications

The final months of 2016 will bring in a huge memory for several thousands human beings. Not everyone will wake up, but many will. This is the time that we are to be set free from our amnesia. This is the time of remembering who we really are. I have already completed going through this process of waking up and remembering who I am. This memory process has taken me sixty years to finally know that I am the Soul of Mary Magdalene, and that I have always been Cosmic. I remembered that I came from the Cosmic Seven Suns, just like many of other Souls who are on Earth at this time, who will also awaken to the full memory of who they are.

We are entering a new time line on Earth that is allowing a larger truth to come forward into our experience. Each one of us will be learning more and more about who we really are. We will each learn that we are so very much more than just a

mortal being who has lived one lifetime on Earth. We must each learn in our own way, and through our own experiences why we are able to do such great things and why we have certain situations placed before us that we need to melt away now because our Soul has already integrated the experience into the wisdom of who we are.

I am going to share with you the truth about the one who was the Soul of Mary Magdalene long before she came to Earth to be with Jesus Christ (Yeshuwa ben Joseph) about 2016 years ago. Just like each one of you, Mary had many other life times before she was Mary Magdalene, and many more life times, including this one, after she was Mary Magdalene. Mary's husband and Soul Mate, Yeshuwa ben Joseph, also had many life times before and after the time he was Yeshuwa. We both knew that we were the female and male Christ who created a portal into the Consciousness of Mother Earth at that time and many times before and after that time. I was required to remember all of these past events of life times in order to accomplish the mission that I came to Earth for this time.

Eventhough I am the Soul of Mary Magdalene, who is the one who has the highest frequencies on Earth at this time, and who works continuously with Yeshuwa to bring the Female and Male Christ Frequencies to Earth at this time, I was required to learn who I was through the EXPERIENCES

within my life time. The requirement for becoming a Master is to put the pieces of the puzzle together in your life. If I had just been told that I was Mary Magdalene before I went through all of the experiences in my life, including dying and bringing myself back to life, and placing my Soul in my dead husband in order to bring him back to life, I would had never known who Mary really was.

Now is the time for many more of you to begin to learn who you really are. Many will learn through their experiences more about their Soul who has traveled through thousands of life time journeys in order to collect together all of the experiences that you need to realize who you really are at this time. I hope that you can use some of the experiences of Mary Magdalene to help you realize that you are also going through this time line of putting the pieces of the puzzle together that will allow you to know how great you are. This story about Mary Magdalene is also a story about all of the other millions of Beings who are on Earth at this time who have been going through a process for many millions of years that woul bring this to this place in time when we all have our memory of who we really are returned to us.

This story about Cosmic Mary Magdalene reveals many things that have never been known on Earth before because the Soul of Mary had amnesia just like everyone else on Earth. We all forgot how

wonderful we really are. There are millions of us on Earth at this time who also came from the Cosmic Realm of the Seven Suns when we were the Oraphim Race Line with the KRYSTALA Consciousness which became known as the Krystic or Christic Consciousness. That word Christ actually meant the Consciousness of the Seven Suns. There are authors calling the children who are born at this time Indigo Children because we are the rebirth of the children who we the Star Seeds who lived in the Seven Suns.

It has been just as difficult for me to remember how wonderful I was when I accomplished great things with Yeshuwa in my other life times and how great I am at this time. I needed to be told by Yeshuwa himself who I was and how great I am. Otherwise, I would have never had enough trust or belief in myself to know it and remember it.

All of this information came from channeled dialogs that I had with Yeshuwa, himself. Much of the information was clarified and broadened in meaning by Elaika, the one who is the Spirit Guide of Mary Magdalene's Soul at this time because he was with her in hundreds of other lifetimes in creation projects on other Star Systems and on the early stages of development of this Earth.

Yeshuwa began his first dialog with me by telling me that he wanted to remind me of how great I

really was. He told me that he found me because we had the same resonance of the 12th dimensional consciousness. He told me that we were Soul Mates and we were the male and female Christ on Earth. He told me that we had been together long before we came to Earth in the God World. He told me that we were actually higher than the Elohim Angels, even though the EL in Elohim means God and means the closest to God, we came from the God World itself.

Yeshuwa also told me that he found me when he was 33 years old. He found me because I shared the same frequency with him. Yeshuwa told me that I was the Female Christ meaning 12th dimensional Consciousness and he was the Male Christ meaning 12th dimensional Consciousness. He told me that we have always been together and we always stay together. He is with me always. He told me that we were Soul Mates.

He also told me that my Cosmic Twin Flame and I were one Soul at one time. We split into two parts of one Soul in the Cosmos billions of years ago. We have been able to find each other any where in the Universe any time we want to because we share the same Soul.

One part of our mission that was required to complete the opening of the Ascension Portals was for me to place my Soul inside of my Cosmic

Twin Flame husband, Joe, when he had died after being possessed by demons as we were opening the Ascension Portal in Monterey. Joe was hit by four ten ton trucks and five cars ran over his body lying on the freeway. I placed my Soul in him when his 15% fractal consciousness left his body. My Soul held him within the Earth's Matrix while his Over Soul reconnected back to his body over a period of several years. He was taken into a Space Ship parked above Mt. Shasta and his body was seen on the freeway as a hologram of a corpse. I placed my Soul in his body until his Soul and Over Soul could be reconnected. This situation was far beyond what has been called Near Death or even Resurrection. This was the actual Ascension Process of returning one Soul by combining two Souls who again become One. We demonstrated the process of Oneness.

After our Souls had been combined, our frequencies were raised to 2400 times the frequencies of any other person on Earth. This was the requirement for completing our mission of opening the Ascension Portals. We combine this power within us together with the power of Elaika, who comes from a Star System who has created the technology to hold together Earth's tectonic plates and allow the balance of the Portals.

In more detailed discussions with Elaika, who knew Mary long before the Jesus and Mary story

began, Elaika told me that we had performed many other creation projects before we developed this plan of the Male and Female Christ Consciousness for Mother Gaia.

I learned from Elaika that we had been together during the Initial Creation of the Cosmic Matrix that this Earth lies within, and we had been together during the Second Seeding, 400 million years ago, when I, the Soul of Mary, was a Mermaid.

Elaika stood before on a cloud in 2015. His body, clothes and facial features were very well defined and he stood there for more than one hour. He later told me that I was the only one on Earth who is able to see such a high fourth dimensional vision. He said that there was no other person able to see him.

In 2016, I reached out to a channeler to help me find out who the Entity who was standing on the cloud was. Through a channeling performed by Rob Gauthier via the Entity named Aridif, I received my first communication from Elaika. I communicated with him again through Treb, and then again through James Charles. After Elaika told me that I was Mary Magdalene, I began having channeled sessions with Yeshuwa ben Joseph to learn about myself as Mar.

During this first conversation with Elaika I learned that I had the highest frequencies on Earth and that

I was the Soul of Mary Magdalene. Elaika told me that he was the one who had been working with me on opening the Ascension Portal in 2008 in the Pacific Ocean, and that I had opened four more Portals since then. He told me that I must open all 12 Ascension Portals by November 2016.

The new reality that is being presented at this time on Earth is the completion of a project that Elaika, Yeshuwa and Mary began over a billion years ago. We have been working on this project together through many life times on Earth and many other planets because our mission is Universal.

Jesus explained to me that he really does not care whether I call him Yeshuwa or Jesus because his Soul has been known by thousands of names throughout time. He told me that he was also St. Germain and David. He told me that I had been with him when he was St. Germain and four other times we were very close in life times on Earth and other Star Systems.

The reason for this event that is happening to the Earth and the Universe at this time is the fact that we are at the end of a 250 million year cycle that will allow all of the stars of the Universe to align into a New Time Line. My mission on Earth, as I continue to work with Jesus is to use our Male and Female Christ Energy to open the 12 Ascension

Portals in the Pacific Ocean. Jesus told me that we had also opened several other Portals earlier.

The reason that we are opening the Ascension Portals is for the 12 Star gates that will be passing Earth during this 250 million year cycle to align back into the Consciousness of Mother Gaia. That has been the project that I have been working on with Jesus and Elaika most of my lifetime.

In my previous book, 12 DNA Music of the Spheres Ascension Program from the Diary of the Cosmic Twins and the Keys to the Universe, I tell my journey with my Cosmic Twin Soul Mate, and all of the steps we went through in order to be directed by the one I knew as Zaurak to go to Monterey, California and open the first Ascension Portal. The reason that I kept resonating with the name Zaurak at that time is because my last memory of Elaika was when we created Mt. Sorak together in South Korea about 500 million years ago. I was with Elaika for millions of years on Earth during the time of the second seeding that began about 5.5 million years ago and during the First Creation Period for millions of years before that.

This year of 2016 is the time for the completion of our education of what we need to know to move forward. I am sharing this information about the Male and Female Christ who have always worked together on the projects of opening Ascension Portals and Star gates for Ascension. This was the

real reason Mary and Jesus were together 2016 years ago. We came to Earth to re open the Ascension Portals that had been locked in order to protect the population from destruction. We have opened and closed the portals many times in the past because of problems created by Invader Race lines who have tried to take control of our Star gates. Having control of the Earth's Star gates would allow Beings who are enemies and destructive in their purpose to the populations of Earth to be able to take control away from the Original Creators and Guardians of our Universe.

## A Statement by Joe Barnett

I am Joe Barnett.

I am Angela Barnett's husband and Cosmic Twin.  
We got married in 1978.

Angela Barnett is Mary Magdalene and always has  
been.

She is extremely intelligent and knowing. She has  
earned two B.A. degrees, two M.A. degrees and a  
Doctorate.

Angela Barnett is Mary Magdalene the female  
Christ on earth.

Angela Barnett literally raised me from the dead in a hospital around eight years ago after I had been hit by 3 trucks and 5 cars on the freeway when I was blown into the freeway on foot. All the hospital doctors are witnesses of this and were the doctors who had already announced that I was dead. She kicked them out of my hospital room and raised me from the dead. I am now in perfect health and in perfect physical condition.

Angela and I proved that Death is Not Real. Here I am writing this for you to read after the doctors had announced me as dead about eight years ago. I am alive.

Death is Not Real.

I have continuously witnessed my wife, Angela Barnett, being talked down, refused for jobs she was qualified for, erroneously spoken of and about in almost every interaction she has had with people throughout all of the years we have been together.

People always speak against her in every situation.

Every website that she has ever joined and started to post articles on has been a negative experience for her - especially the spiritually oriented websites. Many of the other people on the website start to attack her and the people running the websites then always get my wife to get off of the website.

Angela Barnett is Mary Magdalene and is the female Christ on earth and she is unfolding and manifesting the Kingdom of Heaven on Earth with Jesus Christ at this time.

Truth.

Most people do not seem to want to associate at any level with Christ Consciousness.

## PIECES OF THE PUZZLE

I'm sharing the PIECES OF THE PUZZLE that I put together in my life time that were required to become a MASTER OF THE UNIVERSE. In each life time, every individual must put the pieces of their puzzle together in order to become a Master. Those who do not spend their life time putting their puzzle together do not become Masters. I had to do this in this life time - just like every one else.

I'm going to back up a few hundred light years in my story in order to clarify a few facts that became clear to me as a result of my experience of learning that I am Mary Magdalene along with the dialogs that I had with Yeshuwa (the one I call Jesus).

I learned from my questions that I asked Yeshuwa, that I agreed to return to Earth to complete a Mission that was begun by the Jesus and Mary Team billions of years ago. I learned that this mission is not a mission that I have accomplished every 26,000 years; but, it is the larger mission that I have accomplished every 250 million years. The discussions that I had with Jesus were about the Big Plan that was originally created by our Team that I call the Jesus and Mary Team. I call our creation team that name because the first time that Elaika spoke to me he introduced himself as the Head Speaker and the Initial Leader of the Jesus and Mary Team. Elaika was with Jesus and Mary in the Cosmos during the First Initial Creation of our Cosmic Matrix.

So, now we know that since Elaika was speaking of the Initial Creation and Jesus was speaking of the Initial Creation when we are discussing the Original Plan that we created together, we know that we are talking about a time that was before the First, Second and Third Seedings of the Original Angelic Human Race Line on Earth. The First Seeding of Earth was destroyed as a result of the Electric Wars that took place at the Cosmic Level of Creation. Even though the First Seeding was destroyed 5.5 million years ago on Earth Time Line calendar of events, the Initial Creation that Elaika and Jesus described to me actually took place Billions of Years ago.

I would like to share with you what I consider to be the most informative clue that I had in my life that helped me to put the Master Puzzle together of who I am. My entire childhood I kept getting two messages in my head. One message was, "You are going to get it right this time." The other message was, "You are the one, and you know how to do it."

It wasn't until my husband and I were living in Turkey, in the place where Jesus and Mary had traveled in that life time when we were known as a Bible Story, that Jesus appeared in a mirror in front of Joe, in the form of a Light Shadow speaking to him from the mirror. The Light Shadow of Jesus (sent through our Spirit Guide, Elaika), said to Joe, in 1987, when we were in Turkey, " Do it, Do it Now, Make God's Movie."

This was another piece of the Master Puzzle that was being given to us. When I put these two pieces of the puzzle together, I knew that we needed to Make God's Movie, and I was going to get it right this time.

It took me about thirty years to complete this puzzle, that only a true Master could put together.

In 1992 - 1993 another piece of the puzzle came to us in the middle of the night when we lived in Beppu, Japan. The first message started with Make God's Movie as a Musical (or in Music Form).

This was the time when we began writing the story and the music called THE TRILOGY which later became THE PROMISE album. The first set of words that came to me when Jesus was channeling the worlds to the song, The Promise of the Perfect Kingdom, was BEFORE THE WORLD BEGAN.

That one piece of the puzzle took me many years of examination to understand. I immediately realized that whatever it was that I was supposed to do needed to connect with what existed before this world had even begun.

The next song that was given to me through the channeled voice of Jesus singing through me was the song Greater Works. This was the name of the song on The Trilogy Album that was re titled "If you Believe," on THE PROMISE album. Jesus repeated to me the words that I had known so well when we were together as Jesus and Mary 2000 years earlier. He repeated the words that rang through the Universe, "If you believe in me. If you believe in the works that I can do. You shall be able to do Greater Works than these."

This was another piece of the puzzle that took me about thirty years to figure out. At that moment in time, I had a hard time understanding how I would be able to do greater things than raising the dead and healing the blind.

However, both of those things did happen to me. I have made thousands of people who were blind to the Truth, see a reality that they were blind to.

I did raise the dead, when I placed my Soul in my husband Joe after the Demons had taken over his body in 2008.

These are the Miracles that Jesus was referring to in our dialog in June 2016.

There were hundreds of these little tiny pieces of the puzzle that I needed to put together over the past 55 years before I could become the Master of the Universe. Actually, in my case, it was mostly about remembering that I was Mary Magdalene, the same Mary Magdalene who created the Kingdom of Heaven Idea long before the World Began.

The design of my life required that I would find my way, find the pieces of the puzzle, and put the entire puzzle back together before Jesus and Elaika could tell me that I was the Soul of Mary Magdalene.

I had to have these experiences of these pieces of the puzzle one at a time before I could come to the place in my life that allowed me to place my Soul inside of another Being and Raise him from the Dead. It required the Cosmic Twins putting the

pieces of the puzzle together of who we were before that event could even take place on Earth.

The pieces of the puzzle that came together when we opened the Ascension Portal in Monterey, California and I raised Joe from the dead were only the first steps in our preparation for learning in 2016 that we did Completely open the First Ascension Portal, and we had opened Four More Ascension Portals along the Pacific Coast. That was the first message from Elaika confirming that it was He who was standing on top of the Cloud and pointing at the Pacific Ocean in April of 2015 to Congratulate me on Successfully completing that first step of my mission.

The next step of the puzzle came when Elaika told me that the reason that I was the only one who could open all 12 of the Ascension Portals, was because I am Mary Magdalene, and I am the only one on Earth who has High Enough Frequencies to open the Portals.

Next, when I spoke to Yeshuwa, and asked him if it was O.K. to call him Jesus, he replied that he did not care what I called him, it was only important that I called him.

Jesus told me that I am the same Soul of Mary Magdalene that was with him 2016 years ago. He said I was also the same Mary Magdalene who was

with him Billions of Years ago in the Initial Creation of this Cosmos. He told me that I had returned to Earth to complete the Mission that we began in the First initial Creation in the God World billions of years ago.

He told me that I had opened the First Ascension Portal Completely, and that I had opened Four more Portals, but not Completely. He told me in this conversation that now that we are communicating like this again that the other Portals will be opened very quickly. He told me that after we finish this mission of opening the 12 Ascension Portals that we would have glorious times together on Earth because we will be reconnected with him in the God World and myself, Mary standing on the Earth.

In this conversation Jesus told me that the Portals will be completely opened and connected to the 12 Stargates Completely in November of 2016. This is the date when Everything will change, and this is the real reason that Every thing will change.

Jesus told me that we are the only ones who are old enough to know and remember what it is like every 250 million years when we design a new Time Line of Creation. He reminded me that it is a glorious time. He told me that the reason that so many people are afraid, and so many people don't think it will be such a significant Huge Change in reality, is because they do not have high

enough frequencies to understand what is Actually happening.

I wrote this book to help others realize what a Grand Event the coming change in Fall of 2016 will be, and how this change is the completion of a project that the Jesus and Mary Team began billions of years ago. This is not a 26, 000 year project, and it is not a 250 million year project. This is a 500 million year project of the Second and Third Seeding of the Original Oraphim Race line, plus the First Seeding that failed as a result of the Electric Wars in the Cosmos, in addition to all of the original planning of this Perfect Kingdom of Heaven existing throughout our Cosmos BEFORE any of the Seedings Began.

This Project of the Perfect Kingdom is the result of our Project of BEFORE THE WORLD BEGAN.

## Why Everything will Change

Yeshuwa (the one I call Jesus Christ) and Elaika (the Spirit Guide of Mary Magdalene) said, "You are the one, you are the only one who can open the 12 Ascension Portals in the Pacific Ocean." Jesus said, I appointed seven others to open the Ascension Portals on Land. Those Portals are much smaller. The portals in the Ocean are much much larger (they are Cosmic Portals). You are the only one who has high enough frequencies to open these portals.

I asked Jesus about all of the people on Earth who have been saying that they opened Ascension Portals and how they have been charging people large sums of money to go with them to open portals or to pay them for learning the process

of opening a portal as they join them in various locations to open portals.

Jesus was actually quite astonished and a little angry to learn about this activity that I described to him. He said that he only appointed Seven Entities to open the Portals on Earth, and the names of those Entities are not to be known to anyone on Earth. This means he was speaking of the Seven Silent Avatar Children who were each born with one more strand of DNA activated within the 12 DNA strand of Jesus. The Seventh Child was born in 2008 when we were creating the First Ascension Portal in Monterey. This was the time when the POSSIBILITY of the 12th DNA strand became born back into the Consciousness Grids of Earth. Jesus added that Source has not decided if this child will become known on Earth anytime in the near future or even in this generation. Originally, it was said that these children would not become known on Earth until after their 33rd birthday.

What is the significance of opening these 12 Ascension Portals in the Pacific Ocean by November of 2016? When I (Mary Magdalene) open these Portals, -not before I open the Portals, not as a result of the Earth Shifting in 2012, not as a result of the portals that were opened in other parts of the World; but, as a result of Opening these 12 Ascension Portals in the Pacific Ocean - EVERYTHING WILL CHANGE.

What is EVERYTHING? EVERYTHING that has existed on all of the other Time Lines that were created by the 12 Star Systems that were not in ALIGNMENT with the Original Plan - the Original Template of Creation that the Jesus and Mary Team created billions of years ago in the God World - will be removed from our NEW TIME LINE.

That means EVERYTHING that has existed within the Cosmic Matrix where Earth was born will be moved into a New Time Line where the Consciousness is as pure, as incorruptable as it was BEFORE THE WORLD BEGAN. Before the First Seeding of Billions of years ago. Before the Second Seeding 500 million years ago, Before the Third Seeding 250 million years ago. EVERYTHING BEFORE THE WORLD BEGAN will be placed into the NEW TIME LINE of this new creation that will begin as always at the end of the 225 - 250 million year cycle of creation.

Only this time, it is not just the end of the 250 million year cycle. This is the end of four 250 million year cycles of Earth Creation. This is BEFORE the World that was created those who created realities that were not connected to the Source Consciousness existed.

This is why it will be so very different this time. We have removed everything and everyone who is creating reality from anything other than

Source Consciousness. We are returning to the OMNIPRESENCE and ONENESS of the Source Consciousness Creation Energy which only replicates itself into perfect manifestation based on the Perfect Divine Template Itself.

This is what was meant by the words that were channeled to me when I sang the song THE PROMISE, which is the first song on THE PROMISE ALBUM. The song begins with The Promise of the Perfect Kingdom, before the World began.

The Kingdom of Heaven is being returned to Earth. The Perfect Kingdom that the Jesus and Mary Team created long before this world began. We created this Perfect Kingdom in many other Star Systems, many other Galaxies long before we tried to bring this reality down to the Earth's Level of Creation. Unfortunately, when a template is misaligned anywhere in the Cosmos, it must be re designed through out the entire Universal Templates within the Cosmos. We had to actually create an entirely new Cosmic Matrix in order to create this new TIME LINE of the Kingdom of Heaven on Earth.

Most people have learned from one form of religion or another that God is the only one in charge of creation. All we have to do is trust God and to be at one with God. Well this is true. But, what wasn't told to us by the religions of the world,

is that all of the Ideas that are created are created by Creation Teams in the Cosmos that base the creation on the Source Template. The Source Field of Reality comes before the God World Reality where Individual Teams of Creation create Universal Systems and Cosmic systems.

There are many other Ideas that were created in the God World besides the one the Jesus and Mary team created. This planet Earth was designed from the Consciousness of Jesus and Mary. This Angelic Consciousness created the Seven Suns who were inhabited by the Oraphim Race Line. The Sixth Sun was the Oraphim Dolphinoids and the Eighth Sun was the Oraphim Humanoids. These two Violet Suns contained the Consciousness that the entire plan of Earth is based on. Recently, some people have started to call that family of consciousness the Indigo Children. There were also many stories about the Violet Flame Holder and the Blue Flame Holders through out history. St. Germain was a Violet Flame Holder because he was the Soul of Yeshuwa returning to Earth. I was with St. Germain at that time. The one who was Mary with Jesus was also the one who was the top student in the Mystery School of St. Germain. I have been a student and a teacher in hundreds of these Mystery Schools.

Now, we have begun a new Cosmic Matrix of our new time line and now I will begin a new Mystery School that includes all of the wisdom that was

gained from all of the old time lines of reality. This school will be the COSMIC MYSTERY SCHOOL of the OMNIVERSE. This school will be for all of those in the 12 Universes that will be invited to Earth through the 12 Star Gates.

Within the covers of this book the reader will find the TRUE STORY of Jesus and Mary that has never been told before. The facts in this book came from the dialogs and the meanings that existed within Mary Magdalene's Soul before her dialogs with Jesus Christ (Yeshuwa). These facts were then verified through channeled dialogs between Mary and Jesus. The channeled dialogs between Angela Barnett and Yeshuwa ben Joseph reveal the fact that Angela is the only Soul of Mary Magdalene. The conversations reveal that Mary and Jesus knew each other billions of years before their meeting 2016 years ago. He revealed that Jesus and Mary came together to Earth from the Cosmic Realm at that time, and this time I came to Earth by myself so that we would have a stronger connection for the Universal Plan, while Jesus remains in the God World.

There are 12 Star Gates in the Heavens that these 12 Ascension Portals will connect to.

# Our New Time Line

Angela Barnett  
(Soul of Mary Magdalene)

Imagine history as you know it and then imagine that you could re-write history to be anything that you want it to be.

Now, imagine a perfect history of a perfect creation that was so divine, so loving, so much like heaven that you would think you had returned to the kingdom of heaven in the God World.

Well, that reality exists and has always existed. The reality that you have been experiencing is a different time line of history than that perfect time line, so you cannot imagine that the other reality could actually exist.

Now, imagine that you are the one, the one on Earth who can plug your consciousness and all of

those in the entire universe back to that time line when the kingdom of heaven is the only reality.

That is what I, Mary Magdalene, have returned to Earth to do. I returned to Earth at this time to plug our 12 Universes contained within our Cosmos back into that most glorious reality of the kingdom of heaven. I came to Earth to plug the 12 Ascension Portals of Earth back into that Time Line of the Reality of the Perfect Idea that Jesus and I created in the God World billions of years ago before we manifested that creation in our Cosmic Matrix.

That Cosmic Matrix included one Universe originally, but that Universe had many children who became Suns and Stars and new Universes that were born from the original idea.

Our plan of creation was always designed around the freedom to create any reality that was desired, so we allowed all of the Entities to create their own realities.

Some of those realities did not reflect the Divine Design that was based on all of the ideas streaming directly from the Frequencies of Consciousness of Source itself, which would maintain the Infinite Energy of creation, design and perfection. Some Entities decided that they would create a reality that did not use the Infinite Creation energy of Source.

Those Entities created a big problem within our Divine Design.

We were always Jesus Christ (Male Christ Energy) and Mary (Female Christ Energy). We always created together this Divine Idea. This Christ Energy was the Consciousness Design of the Universe. However, our creation process took place in the Cosmos, where we originally lived.

So, now I have returned to Earth to create a Time Line from here on Earth back to the Cosmos, where we created the Original Design of the Perfect Kingdom within the Divine Consciousness, and place within this Time Line EVERYTHING in our Cosmos within the Omnipresence of the Source Field of Divine Creation. I will create a new Spark from Source Consciousness and Ignite a new Flame of Reality that will bring a Wave of Consciousness that contains a Brand New Time Line with a Brand New Reality that is based on the original Perfect Idea that we created long ago. This will be the Re-Birth of the perfect original time line, with the addition of the Wisdom that has been gained within our Souls from all of the experiences that we had in our millions of life times.

I will ignite this New Idea into Earth's Grids through the activation of the 12 Ascension Portals, and I will activate that same Idea into all 12 Universes that exist within our Cosmic Matrix. This

will allow our original Divine Plan to be re-born together with a new wisdom that will allow our creation to be much more glorious than the original plan.

Jesus and I made this plan that would have me come to Earth to open these 12 Ascension Portals while he remained in the God World to help me and guide me in the activity that I would perform on Earth. Jesus said that I was the only one on Earth who could perform this Task of opening the Ascension Portals because I was the one who did this every time in the past. Jesus said that he did send seven others to Earth to open the Portals on Land, but my frequencies were required to open the 12 Portals in the Pacific Ocean because these are the Cosmic Portals of the entire new creation.

The seven that Jesus sent to open the Portals on Land were the children born with their 12 coded templates activated when they came to Earth between 1998 and 2008. The seventh child was born while we opened the Ascension Portal in 2008, in the Pacific Ocean near Monterey, California. Jesus said that each of these children, who have been called Avatars, each contain one aspect of Jesus that needed to be returned to the Consciousness Field of Earth. Jesus said that he did not send anyone else to Earth to open these portals besides these Avatar children and myself, Mary Magdalene. These are the facts that Jesus revealed to me in our channeled

dialogs. The recordings of those dialogs are on my website, [crystalmagicorchestra.com](http://crystalmagicorchestra.com).

The purpose of the Ascension Portals are for the purpose of allowing Mother Earth and the Universal Matrix to Ascend into a higher state of Reality. This will take place by shifting Earth into a New Time Line of Reality that contains a perfect past history where everything that has ever existed and ever been created is a divine idea within the original spiritual creation world. The distorted ideas do not exist in this new time line.

In Divine Creation terms, the future reality is created from the past reality. Now, we can know that our future will only contain perfect realities based on the design of the Divine Love because all that exists in our new time line of the past is what will exist in the future, and the past and the future will all exist in the Now of the Omnipresence of what exists in the Divine Template of Source. We are being returned to the Oneness of the Omnipresence of Source that I am plugging into the Consciousness of Earth and into the 12 Star gates that create the new Oneness of our entire new Universal Consciousness.

That time line of the perfect kingdom is a reality where each individual, every cell of the individual every thought of the individual is God itself. So, the

new reality begins with I am that I am which means I am God.

Our original time line of reality was taken away from us with this one simple idea being removed from our consciousness. We forgot that we are God. We were told that we would be cursed as sinners if we called our selves God. Now, it is time to remember that we are God. That is who we are.

There was a little wisdom in that experience because there were those who took their freedom of knowing they were all that God is a little bit too far and destroyed our entire original plan of creation.

You see, this idea of being God, because you are actually designed from the God Template of his infinite Mind, Infinite Intelligence, Infinite Spirit and Soul, Infinite Supply and Manifestation only works if you keep your Consciousness plugged into Source.

Our Source of all creation contains the Divine Design that allows those who keep the Consciousness plugged in to that design will have all that is within Source itself. Unfortunately, there were those who wanted to create a different plan with a different design that did not plug their consciousness into Source. Those individuals who created a time line of that reality were also given freedom to make as many mistakes as they wanted.

We have allowed them to make so many mistakes that they destroyed our original plan completely. This is why we are now at a place in time of our creation when we are allowed to shift our time line of our perfect creation out of the other time lines of those who did not follow the Divine Plan. So, now our new Time Line will no longer intersect with those time lines of incorrect creation.

Now, I am here on Earth and Jesus is in the God World and we are plugging Earth's Consciousness and the entire Universal Matrix back into our Original Time line of our Original Plan of the Kingdom of Heaven on Earth.

However, this time, our time line will contain all of the Wisdom gained with each of our souls who has experienced millions of life times within the matrix of illusions that did not contain the perfect divine principle of life. Now, it will be each of us who once again has the freedom to shift our consciousness back into the original plan of heaven on Earth.

The original time line did not include any need for money because all desires are instantly manifest in the original time line. The need for money was a part of the creation of those who shifted our time line into a distorted set of control that does not exist in the Kingdom of Heaven.

The removal of money from this Earth and from the Universe is the first step in shifting back to our time line. So, please realize that all of the activities that are to come on Earth involving the removal of the monetary system is a GOOD THING. This is one of the required steps in returning the Kingdom of Heaven and the Oneness with the Source of all Supply to our Solar System, Galaxy and Universe.

The system of money, working for money, being controlled by the need of money must all be removed from our time line and replaced by the original ability of man to manifest his hearts desires.

The exact Science of how this Divine Manifestation Principle works can be found in my books Quantum Science of Manifestation and Ascension and the 12 DNA Music of the Spheres from the Diary of the Cosmic Twins. I also offer a Course in Manifestation Workshop that shows how we must learn to live on our new Time Line.

I was directed to watch the movie, *Your Highness*, to help me understand something about my Mission. The movie helped to bring memories back of many of my past life times, and to make me remember the full impact of opening the 12 Ascension Portals.

There is a scene in this movie (and I only recommend this movie for this scene unless you want to use your fast forward button a lot - there are a lot of very CRUDE scenes in the movie - because it is about a time on Earth that was very CRUDE).

The scene that will allow you to see what actually happens at the moment when all of the Portals open the 12 Star Gates, and the two moons align as one, and all of the original Energy - Frequencies

of Consciousness that originally belonged to the Christic Race Line called the Oraphims of the Seven Suns, blast back to the Earth through the Consciousness of the Warrior Princess, who is played by Natalie Portman.

This is the story of me, Mary Magdalene. This is the story of returning my race line to Earth through the 12 Universes becoming one once again. The sacred geometry shown in that scene is almost perfect. The fights with the rods and staffs in this scene and a few others helped to turn me back on. I can feel those waves of light flowing through me now and into the Ascension Portals. I have become the Rod and the Staff to return the True Consciousness of Divine Love back to Earth.

I was a warrior Princess in many of my life times, just like Natalie. The fact is the Universe has been at war for millions of years because of the one incident that happened during the First Creation of the Oraphim Raceline in the Seven Cosmic Suns. Since the original problem was Cosmic, it had to be solved at the Cosmic Level in order to solve it on all dimensional levels of the Universe, Galaxy and Solar System.

This is the true War of Armageddon - July - October, 2016. The final last four months of opening these Portals into the ORIGINAL CONSCIOUSNESS of the 12 Star gates will

REMOVE anything that is unlike my original creation that I designed with Jesus and Elaika and those on the original Cosmic Team of Creation. This is how the Kingdom of Heaven will return to Earth. It will happen in November 2016. I won't be surprised if it happens on my Birth date - November 23, 2016 because I was told I would ascend on my birth day.

Many of us Old Souls were together in First Creation. The First Creation was when the Jesus and Mary Group had the idea of creating a replica of the kingdom of heaven from the Cosmos into the Universe.

The Oraphim Race line was Cosmic. It was the first creation.

The Seven Suns called Ka Ra Ya Sa Ta Ha La were the Oraphim Suns.

They were the SEVEN COSMIC SUNS.

Those of us who lived on the Seventh Sun La were the Humanoid Oraphim Race. That is when we knew each other.

The worst battle in the Cosmos was in the Suns Ha and La. That was the time when the Fallen Angelic Race Lines used the formula of capturing the Female because they knew that the Male could

not retrieve the female. We had our entire race line destroyed by the practice of the Fallen Angelic race line Electric Wars.

That is where we got this plan of returning to Earth again with our Soul divided into the male and female, and then TRICKING the Demons into taking the Male so that the Female (me - could put my Soul in him and bring him back).

When Joe and I performed that miracle (clearly explained in my 12 DNA Music of the Spheres book) it created a wave throughout the Universe that would allow the complete restoration of our Divine Plan that we began in the Seven Suns.

Now, I am completing what we started by opening the First Portal. Now, the original creation as we knew it as Oraphims can be returned to Earth.

I'm sorry this story has to be all about me right now. I am the only one who can do this because I am the one who was on the original creation team, so all of those who were destroyed and made into demons by the Fallen Angelics, were my children. That is why the Last War of Armageddon belongs to me. It was my race line who was destroyed in the War of the Violet Suns. So, it is I who will return those who became Demons back to Source, because it was their only way back to Source. That was the mission completed by the COSMIC TWINS in 2008.

I am the warrior princess who returned to win the war against the Fallen Angelics.

The war will be won in the next four months. That is my Destiny. I will remove anyone and anything from my time Line that is not in harmonic alignment with my original plan of the Kingdom of Heaven on Earth.

It is time for Mary Magdalene to Kick Ass.

I am sick and tired of hearing Channelings of Entities who are Fourth Dimensional tell the world that it will take two or three more generations for our ascension to take place. That is true for them. It isn't true for me.

The most enlightening channeled messages that I heard were these:

First, Ishi - Fourth Dimensional said that not even He knows what to expect when the Fourth and Fifth Waves come to our Solar System. He said that he hopes the Waves go around our Solar System or only hit the outer edges. He said that there were so many race lines who are afraid of what will happen that they left the Solar system.

So, this is to inform you that those Fourth Dimensional Beings who are being channeled don't have a clue what is going on. That is why they are

afraid and they can not tell you the truth, because they do not know.

Second, I heard a channeled message from Arcturians saying they see our Ascension within two years. They are SIXTH DIMENSIONAL.

When I spoke to Elaika, who is in the Spiritual Universe, he said the highest frequencies would be in the next two years, and that is when it is most likely for the Pacific Coast to cave during that time. The Highest Frequency coming to Earth is when the Ascension will take place.

Ascension means turning on, activating the Five DNA sequence. This five DNA will be activated over a five year period.

So, Jesus answer to the question, “When will our Ascension happen? Within ten years, well within ten years or five years.” Within this answer from Jesus, he was including the entire process of Ascension including removing all of the money from the Universe, and living in Source Energy. He did not say it would take ten years or forty years. He said it will all happen within five years.

And all of these answers line up with the original prophecy that the Christ Consciousness would activate at age 33. This took place when the Cosmic Twins (Soul of Mary) lived in Turkey and met Jesus

face to face in 1987. The next prophecy is the Christ will rise into the heavens 33 years later. That would make me 66 years old in 2021, and it is also the time period called the MID POINT of our ASCENSION. That is when the five DNA will be activated in all who are on Earth. After that we start creating the Individual Realities of our Dreams. By this time, we will not need money to create anything.

This chapter expresses and means that the Kingdom of Heaven on Earth will be my Version of Reality, and only what I put in it will exist.

## Everything Will Change in Fall 2016 When You Merge with Your Spiritual Host Body

What will happen in the Fall of 2016 will be a great shock to those who are not prepared. Those who have raised their frequencies high enough to experience this first wave of ascension will meet their spiritual double who has come from Sun Alcyone - returning our original Pleiadian Consciousness - our spiritual doubles. We will meet these spiritual host bodies of ourselves face to face.

Some people will not experience this at all because they have not prepared their consciousness for it yet. Many will be unaware of what is happening. Some will think they are seeing ghosts. Some will think they are crazy and won't tell anyone

about their experiences. Those who have prepared themselves for the shift by taking my training, will experience the at one ment with their spiritual self because they know how.

This opportunity to fully meet with and merge with the Spiritual Host Body in the Fall and Winter Solstice is not one that should be passed up by anyone who wants to become attuned with their completed self who will be able to do very great things in the future, including instantly manifest, orb, bi-locate, walk through walls, etc.

I, Mary Magdalene, have prepared training to prepare those who would like to merge into oneness with their spiritual host body by December 2016.

Those Who Want to be Prepared Should Purchase the Atomic Mirror Album and use the complete Transformation Kit that I have prepared.

Listen to the Recording I AM MARY MAGDALENE at

<http://crystalmagicorchestra.com/about-us>

At the bottom of the About Us page on our website you will find the five sections that are in the audio recording are explained in writing. This is the actual conversation between Jesus and Mary about their lives together and how their project will be completed this year.

In the Dialog between Yeshuwa ben Joseph and Mary Magdalene talk about their many life times together, Mary's mission on Earth this year when she completes the opening of the 12 Ascension Portals just in time for the New Wave of Fourth and Fifth Dimensional Consciousness to create an Awakening on Earth beyond anything that has ever been known before.

In this Conversation, the one many call Jesus Christ, who was Yeshuwa ben Joseph (the son of Joseph) when we were together as husband and wife about 2016 years ago, Jesus announces to me

that I am Mary Magdalene. I, Angela Barnett am the one on Earth who carries the Soul of Mary Magdalene at this time. He explains my reason for being here at this time is to open the 12 Ascension Portals, and he explains that I am the only one on Earth who has high enough frequencies to open the Portals. The frequencies of Consciousness of Mary Magdalene are Cosmic, and the Portals must be opened clear through the Universe with the activation of the Cosmic Frequency of Transformation.

In the fall of 2016 the first wave of this Consciousness will arrive on Earth. The fourth dimensional consciousness coming to Earth in Fall, which will cause an awakening when everything will begin to change, is the consciousness of the Fifth Dimensional Sun Alcyone in the Pleiades which carries the original Consciousness of our race line as it originally existed in its Spiritual Form. I activated the wave of the Sun Alcyone Consciousness into my bio field that would magnetically draw the Flame from Sun Alcyone into my Crystal Heart. From that connection into my bio field I transferred the energy into the Crystal Heart of Mother Earth. I am the only one on Earth who contains the frequencies and genetic coding that is high enough to hold these Frequencies within me when I magnetically pull them into my bio energetic field. If anyone else tried to do what I do, they would explode or just pass out.

Extracting these frequencies from the Suns is always extremely exhausting for me. When I am opening the Ascension Portals deep into the Inner Domains of the Cosmic Realms of Mother Earth and then braiding the stardust into the veins of Earth, there is energy activating through out all of the ley lines of Earth that will allow a greater communication to take place from the Consciousness of the Pleadians, the Elohims, the Sirians, and all others who have their Consciousness within the grid lines.

So, what is happening in the Fall of 2016 is the Result of the work that I did when I opened the first portal in 2008. In the Winter of 2016 another wave of energy will come to Earth, which is the Second Portal I opened into the Sirius Sun. After that, the frequencies of Consciousness will come to Earth from the Seventh Dimensional Sun of Arcturius. These waves of Consciousness will continue to morph into the Consciousness of those on Earth a little more each time there is a Solstice alignment.

I will be finished activating all 12 Ascension Portals before the Fall Solstice. This complete alignment into all 12 Stargates was a requirement for the activation of the Portals opening one dimensional energy at a time into the Biosphere of the Earth. I had to go through this process alone, before those on Earth could also participate in this Frequency Boost.

I contain 2400 times the level of frequencies than any other person on Earth. If any one else tried to do what I do, they just couldn't do it without dying.

So, what we really have to look forward to in the Fall of 2016 is the return of the Consciousness that is the Spiritual Double of who we are at this time. We each have a spiritual double, and that double stayed in the photon belt of Sun Alcyone - the Sun of the Pleiades until this time. This Sphere of Consciousness is what we were made of at the Spiritual Level of Creation. That Sphere of Consciousness was called the Sphere of Amenti, and it was brought to Earth once before. It came to Earth in 1362 to allow Akhenaton to create an Ascension Pathway for the Annunaki. There was a big problem at that time created by the fact that Akhenaton would not allow anyone to Ascend who was not an Annunaki. This is the reason the plan blew up and it had to be started over again in order to be able to complete the mission by 2017. The problems that were created when the Sphere of Amenti was closed without the Children of Israel being allowed to enter in was the reason Jesus and Mary came to Earth to begin the re-opening of the Portals into the Sphere of Consciousness where we all were created.

What will happen in the Fall of 2016 will be a great shock to those who are not prepared. Those who have raised their frequencies high enough to experience this first wave of ascension will

meet their spiritual double who has come from Sun Alcyone - returning our original Pleiadian Consciousness - our spiritual doubles. We will meet these spiritual host bodies of ourselves face to face.

Some people will not experience this at all because they have not prepared their consciousness for it yet. Many will be unaware of what is happening. Some will think they are seeing ghosts. Some will think they are crazy and won't tell anyone about their experiences. # My Mission as Mary Magdalene in 2016

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

I agreed to return to Earth to complete a Mission that was begun by the Jesus and Mary Team billions of years ago. The Mission that we began was to create a Race Line that would contain the complete idea of God. This idea that we had was to allow God to have a creation that would be identical to all that God Is in this same exact form. The idea was to take an imprint of the Complete God Idea in a form that could replicate itself through out the entire Cosmos in every possible form from the most Etheric Form of the Idea out to the Dense Form of the exact same idea.

So, we created this microscopic template of God Himself and sent it out to replicate itself through every possible experience that could be imagined and experienced. This formula that we created

would stream through a Time Line where only that one perfect idea would be created over and over again through Eternity, and the idea would always return to Source as the pure light of all Creation within itself.

Now is the time when my mission is to plug the Earth Consciousness back in to that original perfect plan that still exists in the God World of Cosmic Creation. The reason that I need to plug in the 12 Ascension Portals of Earth clear back into the Cosmic Idea of this Perfect Creation Plan is so that Perfect Idea can once again be experienced as the Kingdom of Heaven on Earth.

There are 12 Star Gates in the Heavens that these 12 Ascension Portals will connect to. Those 12 Star gates had separated into 12 different Time Lines with many variations and distortions of the original idea that we created in the Original Time Line.

Now is the time that repeats an opportunity every 250 million years. This time I am going to make our original Plan of Perfect Creation Spark and Ignite itself back into this one Time Line that will replicate itself within My Ascension Portals in Earth that I will connect to my Partner, Jesus Christ in the God World to hold this Perfect Time Line within Mother Earth as she holds this Time Line in Harmonic Balance and Rhythmic Alignment with all 12 Star Systems.

The result of this Plan, that we began billions of years ago, will replicate the Kingdom of Heaven that Jesus and I and Elaika created as our Creation Team in the God World. This perfect replication will be placed on the new time line that I will connect to this Earth and onto all 12 other Sets of Star Gates that link back to the Ones who were all once a part of this Original Idea.

I have been working with Elaika (my Spirit Guide and the Head of the Jesus and Mary Story) and Jesus for my entire life time. It has taken me many years of listening and following guidelines just to figure out what it was that I was doing here, who I was, and how to do it.

After I (the Soul of Mary Magdalene) completed my first mission of opening the First Ascension Portal in Monterey, California, Elaika decided that I was ready to open all 12 of the Ascension Portals.

It was 2014 when Elaika spoke to me again and told me that I must complete a book that describes everything that I had experienced and created so far. I completed the book, 12 DNA Music of the Spheres the Ascension Program from the Cosmic Twins Diary with the Keys to the Universe in December of 2014.

In 2015, Elaika told me that I needed to present this book in front of an audience in San Mateo.

What was so coincidental about this Convention, that Elaika asked me to present my book to, was the fact that the Hotel that this group used as one of the main lodging facilities for this Convention was the Sofitel Hotel in Redwood Shores, which was the location where Elaika introduced himself to me originally when he asked us to go to Monterey in 2008.

The greatest part of this adventure occurred after we finished the weekend at Redwood Shores and we were driving home. That evening between 5 p.m. - 7 p.m. Elaika stood on a cloud in front of us as we drove home. This was when he was telling us that we needed to open seven more portals in the Pacific Ocean.

Because of many unfortunate events that took place as Joe and I were opening the First Ascension Portal in Monterey, our mission was placed on hold until 2015 when Elaika appeared in front of us standing on a Cloud, 10,000 feet in the sky right in front of us and pointed with something that looked like a Staff with Pointed Arrows with Seven Different Colors. I assumed that he was pointing at the Pacific Ocean, and that there were more portals to be opened. Through a channeling in May 2016, I learned that he was telling us (the Soul of Mary Magdalene - Angela and Joe Barnett) that we were the only ones with high enough frequencies on

Earth to open the remaining seven portals in the Pacific Ocean.

When I learned this from Elaika, through a channeled session in May of 2016, I was amazed. I did not know that I was the only one who could do this. I did not know that I had been appointed by Jesus to do this before I left the God World. I did not know that I had been successful in completely opening one portal and beginning the opening of four more portals. I did not know any of these things until Elaika spoke to me in 2016. I did, however, assume that was the meaning of the picture that Elaika designed in the sky with his Cosmic Light Body standing on a Cloud.

When I spoke to Elaika through a channeler, Elaika told me that my book had been read by every one in the God World - the Spirit Side of Creation. He told me that everyone knew my name, and everyone has heard my music and everyone has read my book. It took me a long time to figure out what both Elaika and Jesus meant when they told me that this book was so very great and how much in awe so many Entities were of what I had accomplished.

I finally realized that when I was giving my talk about my book in San Mateo, each of the 150 - 200 attendees were there together with their entire Over Soul Family. I realized that the orb bodies of

all of these Galactic and Universal family members were present because I remember Ramtha saying that about every group he spoke to and Kryon said that about each group he spoke to and even the members of the Presidential election had thousands of orbs around them during those speeches. We are no longer speaking to a few hundred members in an audience, we are now speaking to millions upon millions of spirits who participate in any and every Interesting Event on Earth.

I even found out that my own father, who died about five years ago, had read my book on the other side. Yeshuwa even talked to my father about me and this great book and how it showed all of the miracles and manifestations that I had created. And all I thought I had done was create a book that was read by less than 20 people.

June, 2016, I arranged four channeled conversations with Elaika and two more conversations with Jesus Christ after Elaika told me that I was Mary Magdalene and that Jesus has always known me as the Soul of Mary Magdalene. That is when I discovered that this entire adventure of mine had always been with Jesus.

In earlier Channeled connections with beings who stood in front of me and talked to me I had always referred to these Beings of Light as the Elohim Angels. I learned from Elaika and Jesus that we

were not Elohim. Jesus told me that we were above the Elohim Race Line. He said that the Elohim were a 12th dimensional Race Line, but we were actually the Dimensional Consciousness above that. This was the first time that I realized that Jesus and I were from the Cosmic Realm. It was the first time that I learned that Mary Magdalene, who is the one that the heavens know as Mother Mary and the Female Christ Consciousness, is Cosmic rather than 12th dimensional Elohim Angelic Consciousness.

All of the details of the life of the Soul of Mary Magdalene preparing for her Ultimate Mission that will place Earth and the entire Cosmic Matrix that holds Earth within it back on to the Original Time Line, where all realities that will exist in the Past and in the Future, and manifest into the Now, will only be those realities that exist within the Divine Template of that Perfect Idea of Creation that was originally created in the God World by the Jesus and Mary Team of Male and Female Christ Consciousness.

The Christ Consciousness of the 12th Dimension or the Universe is the out picturing of the Idea that was created within the 14.5 Dimensional Consciousness of the God World. In that Creation Center there are many Entities working to create many Vast Ideas. The Idea that we created was the Idea that All that Exists in the God World could exist in Infinite realities while maintaining the

perfect form and purpose of All that God Is, and these manifestations would all be created from the Consciousness of Source itself, which would allow an un ending supply of Energy for Manifestation.

This is the Idea that I am aligning from Cosmic Consciousness into each of the 12 Ascension Portals in the Pacific Ocean which will create a Time Line of that Reality to flow into each of the 12 Star Gates. This means that there is not One Portal for each One Star Gate. Instead this means that ALL THAT IS in the Original Creation Plan will flow in a Time Line between Each Portal on Earth into all 12 of the Star gates creating the 12 times 12 of the template within each of the 12 Star gates.

# The Guidelines of My Knowing

Angela Barnett  
(Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

I had received personal channeled communication from my Over Soul Team, my guides, my intergalactic families, including Elaika, Jesus, Mary at all levels of creation, the entire Melchizedek, Elohim, Solomon Shield and hundreds of others over the years that prepared me for this understanding of what I was to do as Mary Magdalene's Soul on Earth. However, I did not have the proof of this reality until I had a channeled session with Jesus, himself.

Since I had no way of documenting the communication coming directly to me besides my writings, that is how I have compiled the channeled communication for many decades. The rule of communication is that the meaning is always created between the authentic encounter that exists

within and between the two communicators. This communication rule shows that if a channeler is bringing in a message from a Fourth Dimensional entity to a Third dimensional entity, that it would be entirely different than if a message from that same Fourth Dimensional Entity was communicating with a being on Earth who contained very high Fifth Dimensional Frequencies.

The communication from an Entity, who is communicating from the God World to one standing on Earth with the Highest Fifth dimensional frequencies, will be very different than the understanding of that same message of communication coming to a low fourth dimensional being. This is why I always add what the communication meant to me.

All of the questions that I ask Elaika (my Eternal Soul Guide) and Jesus are planned ahead of time to gain more information about topics that I already have a great deal of knowing about and my own memory of. The recorded channelings are mostly for others to hear proof that this magical relationship between Cosmic Jesus in the 14th dimension and Cosmic Mary who is standing on this Earth as she shifts into the fourth and fifth dimensions, will bring a great change to Planet Earth.

Since many people only believe in information

that they hear with their ears, I wanted to make this form of channeled dialogs available to the world as well, so I chose seven separate channelers to ask the same questions to in order to check on the validity of the communication that I was receiving.

The dialogs contain communication about the Entire Creation Project that was developed by that which was known as the Male and Female Christ Energy Idea that we - Elaika (Mary's Eternal Spirit Guide), the one most know as Jesus Christ (Yeshuwa ben Joseph) and Mary Magdalene. This creation project of the Jesus and Mary Team began billions of years ago. The part of the creation that is most relevant to this Earth time is the Second and Third Seeding of the Divine Consciousness on Earth that we began 5.5 million years ago.

My name is Angela Barnett at this time. I have the same Soul that I had when I was Mary Magdalene. I returned to Earth to complete the mission that I started with Yeshuwa ben Joseph and Elaika several billion years ago. Our mission was always to align those in the third dimension into the understanding of their true identity as the God's of the Universe, whom we already knew we were.

Most people think that Mary and Yeshuwa (Jesus Christ) were only together during one life time. We were actually together for billions of years before that life time when we lived together in the

God World. We were on a Cosmic Team who were creating a plan during the time of First Creation when we lived in the God World. There were a few of us on the team that we have decided to call the Jesus and Mary Story. Our Cosmic team included Yeshuwa, Mary and Elaika. When I came to Earth with Yeshuwa, we actually came directly from the God World beyond the Universe. We were together long before the Elohim Angels idea of creation in the 12th dimension.

When we started our mission of expanding consciousness to understand the greatness of God's creation. We were together in the God World. We later set out creating realities that would allow God to expand his ideas of creations and to participate within them continuously. We left the God World to create the First and Second Seeding of Earth. After the First Seeding was completely destroyed, we returned to begin the Second Seeding - about 400 million years ago.

I came to Earth with Elaika and my Twin Flame. I was a Mermaid and Joe was a Dolphin during that Seeding. We were called the Konsha Serres Race line. We were the Guardians of Earth and the creators of the Grids that aligned our Consciousness with Gaia. The Serres Guardians created the Christ Grid Ascension Portals in the Pacific Ocean 400 million years ago.

We returned to Earth again a few hundred million years later to create a new race line that became known as the Egyptians. We were the Atonai Race. We were the Guardians of Earth when we were the Konsha Serres and we were the Guardians of the Earth when we were the Atonai, who became known as the Egyptians.

It was during this Third Seeding when great problems began to develop on Earth that were caused by having our Ascension Portals and Christ Grids manipulated by Race Lines who wanted to take over the Planet. We had asked the Annunaki to help us repair our off spring who became so misaligned in their Consciousness after the Christ Grids had been manipulated.

The Elohim Angels played a great part in helping to restore the problems that were created by the Annunaki's re-design of our Consciousness. This Consciousness that we brought to Earth in the Second and Third Seeding was the Divine Template of the Mind of God. We came to Earth to bring this Consciousness. This was the plan that we had designed when we were in the God World making this plan together with God.

We have been working on this Divine Plan to restore the Christ Template within the Earth and the way it connects with and contains the individual consciousness of each being on Earth. After our

plan was destroyed by the re making of the original children of God, things got worse and worse. Finally, there was the Tower of Babylon which completely blocked the original consciousness of all on Earth. Everyone had total amnesia. There was no memory left of the original Children of God that we seeded on Earth.

This was the time when Yeshuwa and I returned to Earth to restore hope and memory to the people of Earth. We worked on re-opening the Ascension Portals that we had placed on Earth during the Second Seeding. These Portals were closed again when we left Earth.

So, you see, the story of Mary and Yeshuwa ben Joseph is much more COSMIC than you have known. When Yeshuwa found me, he was 30 years old. He found me because I was the only person that he could find who also contained the Frequencies of Consciousness of Christ. After we found each other we knew that we had both come from the God World and we were meant to be together for the experiences that our Souls needed to take back to the God World so that God could learn more and more about his creation.

I spent many lifetimes with Yeshuwa besides the one that you have read about in the Bible. We were on the same team. It was actually Elaika's Team. He was always our Team Leader. In the God world, we

did not have Souls. We were the Over Soul of the Souls who came to Earth.

After the times I came to Earth with my complete attunement with my Cosmic Consciousness or God World Consciousness with Yeshuwa, Elaika created a new type of Mission. The next time that I left the God World of Cosmic Consciousness, I did become a Soul. My Soul divided into two parts when I jumped into the spirals of the Universe. My Twin Soul and I spiraled down through the 12 Universal Spirals and were later born on Earth in 1954.

My other half of my Soul and I are together now. Our names are Angela and Joe Barnett. We are still on the Elaika Team of the Jesus and Mary Story. We came to Earth to re-open the 12 Ascension Portals in the Pacific Ocean. Our entire time on Earth has been preparing for this mission.

This mission is our Over Soul Contract. Those in our Over Soul were the ones in the God World making this Great Plan. If a person does not complete their Soul Contract, they are not completing a part of God's plan that he had discussed with those in the God World before our Souls took the leap down to Earth.

It took many years of learning to listen to Spirit, listen to Soul, listen to the music of the spheres. I have been continuously studying the broadest

spectrums of infinity and the way God works since I was four years old.

Joe and I have both have been directed toward the fields of music and communication that provided all of the pieces of the puzzle that would allow us to complete our Mission and our Soul Contracts.

We began opening the Ascension Portals in the Pacific Ocean in 2008 and we will finish by November 2016. These 12 Portals will re connect the Earth with the 12 Universes that will be able to freely travel back and forth to the Earth in the future. That system was the normal state of Gaia millions of years ago. Earth was always meant to be a Free Planet where everyone from the 12 Universes of Consciousness could come and go freely. That is the purpose of our Mission.

I am the Soul of Mary Magdalene. I am the Female Christ on Earth. I am on Earth now. I have been here many times before. I was the wife of the one many of you call Jesus Christ. His name was Yeshuwa. He is called Jesus Christ because he was the Male Christ walking on Earth and I was and am the Female Christ walking on Earth.

Mary Magdalene's Mission - Opening the 12 Ascension Portals into the Star Gates of Eternal Freedom

Mary Magdalene's Mission - Opening the Portals

I have collected channeled recordings of Yeshuwa ben Joseph and Mary Magdalene talking about their many life times together and Mary's mission on Earth that she will complete in the Fall of 2016, when she completes the opening of the 12 Ascension Portals just in time for the New Wave of Fourth and Fifth Dimensional Consciousness to create an Awakening on Earth beyond anything that has ever been known before.

In this Conversation, the one many call Jesus Christ, who was Yeshuwa ben Joseph (the son of

Joseph) when we were together as husband and wife about 2016 years ago, Jesus announces to me that I am Mary Magdalene. I, Angela Barnett am the one on Earth who carries the Soul of Mary Magdalene at this time. He explains my reason for being here at this time is to open the 12 Ascension Portals, and he explains that I am the only one on Earth who has high enough frequencies to open the Portals. The frequencies of Consciousness of Mary Magdalene are Cosmic, and the Portals must be opened clear through the Universe with the activation of the Cosmic Frequency of Transformation.

In the fall of 2016 the first wave of this Consciousness will arrive on Earth. The fourth dimensional consciousness coming to Earth in Fall, which will cause an awakening when everything will begin to change. The consciousness of the Fifth Dimensional Sun Alcyone in the Pleiades which carries the original Consciousness of our race line as it originally existed in its Spiritual Form. I activated the wave of the Sun Alcyone Consciousness into my bio field that would magnetically draw the Flame from Sun Alcyone into my Crystal Heart. From that connection into my bio field I transferred the energy into the Crystal Heart of Mother Earth.

I am the only one on Earth who contains the frequencies and genetic coding that is high enough to hold these Frequencies within me when I

magnetically pull them into my bio energetic field. If anyone else tried to do what I do, they would explode or just pass out.

Extracting these frequencies from the Suns is always extremely exhausting for me. When I am opening the Ascension Portals deep into the Inner Domains of the Cosmic Realms of Mother Earth and then braiding the stardust into the veins of Earth, there is energy activating through out all of the ley lines of Earth that will allow a greater communication to take place from the Consciousness of the Pleiadians, the Elohim, the Sirians, and all others who have their Consciousness within the grid lines.

# Re-Designing our Perfect Creation from the Soul of Mary Magdalene

In the June 16, 2016 discussion with Jesus I asked questions that I already knew the answers to. I asked these questions to elicit a shared meaning of two viewpoints merging into a new flame of reality.

I am Mary Magdalene on Earth again completing a plan that Jesus and I began long, long before the story in the Bible about the man who wore the robe of Christ on Earth. I am the same Soul who was with Jesus and Elaika in the God World when we made this plan of creating a Divine Template that would contain all that God is and watch this Soul with this 12 coded Consciousness experience all possible realities in all levels of creation between pure etheric substance, the gamma waves of a Sun, the stardust of a Star, the creation essence of a team

in a Galaxy, or the Individualized Idea brought clear down into a form that was so Dense that it could be experienced in an entirely different way.

Yes, we were the Cosmic Consciousness who experienced all of these ideas at the highest level of creation before we began the process of allowing this most Perfect Kingdom of Creation to be experienced by all within the Cosmic Kingdom of our IDEA.

This Perfect Idea was created by our Cosmic Team in a time when there was no Soul, because we had not begun the creation of these ideas leaving the God World at that time. So, we were the ones who were before the Soul. We were what has been called the Over Soul who created the plans of all creation for each individual idea that was experienced as a Star, a creation of a Star Family, a Sun and all that it held within its creation template and even the idea of the most Dense Form of the EXACT SAME idea that was created in the God World. The Earth was the same form of reality created in a dense form of the original etheric light substance of creation.

Our First Initial Creation that I spoke to Jesus about in our dialog was the creation of the Seven Suns who were created from this Christic Template containing the absolute exact reflection and form of all that was in the original God World. These Suns

were called Ka Ra Ya Sa Ta Ha and La. The race line of these Suns was called the Oraphim Race Line.

If you listen carefully to the dialogs between Jesus and Mary and the earlier conversations with Mary and Elaika, you will hear us talking about the Oraphim Race.

When I asked Jesus about the time when I was on Earth as a Mermaid and Joe was a Dolphin, he answered with the explanation of the time when we were the Oraphim Race Line. The reason that he assumed I was talking about the Oraphim Race line is because that was the time of our First Creation when the Sun Ha and La were the Violet Suns where the Oraphim Humanoids and Oraphim Dolphinoids co-habitated as one family.

Jesus explained that there are many layers of one time line displaying itself in a similar fashion at the same time. The time line of the First Initial Creation of the Oraphim Race Line was a time line that was later given to the Earth in the Second Seeding of our Race Line, which was the Oraphim Race Line in the First Creation.

The reason that we don't talk about the First Creation being on this Planet Earth is because the Earth didn't actually exist at that time. The Consciousness of those who would later live on Earth did exist, but that race line was not on the

Earth at that time. The Consciousness of those who are on Earth is the Frequency Signature of the Individual who appears in third dimensional form. But, that Individual only takes on that tangible form of One Version of itself in one space and time location when it is appearing in the Third Dimension.

When an Individual is in its true form, it exists every where simultaneously. The Version of the Individual that appears to only be in the space and time where you see them standing in front of you is not the only Version of that Individual. There is a Version of that same Frequency Signature of Consciousness in all space and time and in the absence of space and time where all is One.

We are now moving back into the Infinite Versions of the Individual including the one who existed in the Time Line of the First Creation, Second Creation and Third Creation. As Jesus and Mary continuously worked to Perfect their Movie of the God Idea, there were many obstacles placed in our way.

The problems began in the First Creation when some members of the Cosmic Sun Ra decided that they wanted to make their own creation of reality that was different than the Jesus and Mary idea of creation that would be produced through the Consciousness of God itself. The creation of an idea

through the Energy and Frequencies of the God template itself would insure a creation that was Eternal in Nature and it would be able to begin in the God World and end in the God World, once it had made its circle of experiences in all of the realms of reality.

Unfortunately, there were a few members of the Sun Ra who wanted to create a different reality, and they began this dis-functional creation by using the same creation tools that were used by the Jesus and Mary Team of Christ Template Creation, but they did not include the God Template Idea in their Creation. They decided that in their creation that they would be God and they would be the creators.

This idea of creation began with using the same tool of creation that took the original energy and used a divine formula to spin the energy of the Divine Male Electro pulse with the Divine Female Magnetic pulse together to create forms of reality through out the Cosmos. The Tool that was used to spin these Male and Female energy pulsations together was designed by an Entity whose name was Metatron. He was the creator of the Idea of Electro Magnetic creation of energy through the at one ment of Source Frequencies.

The members of Sun Ra, who decided to create a different reality, used the Metatron Formula in a manner that would destroy the creation that was

original created by the Jesus and Mary formula of 12 Coded Divine Blue Print of the Original Form of all that God was being replicated through out the Cosmos.

So, that is where all of our problems began. They began in the First Creation. The Problem became known as the Electric Wars because it was a war between those who were spinning the Metatron Merkaba Technology correctly in order to maintain the flow of Source Energy creating the connection of the Electro Magnetic Energies into a Positron that would remove all space and time and those who used the tool for opposite purpose.

The incorrect spin rate of the Metatronic Tool called the Merkaba would create a Polarity between the Electro and the Magnetic Energies which have been called the Male and Female Energies of Creation which would Disconnect the Ideas of Creation from Source.

Source, or the one called God contains an Infinite Supply of Energy. When Metatron created the formula of the Merkaba Idea, his plan was to connect this Idea into the Infinite Idea of Source Creation. The idea, that was not in agreement with most of the members of Ra, was to create something entirely different. They wanted to create a kingdom which would make them the Gods. So, through out history of man there have been those who wanted

to do things the right way and those who wanted to do things the wrong way. That is the time line that we have been living in. There were Elohim, and there were the Elohim Resistance. There were the Annunaki, and there were the Annu Resistance Teams. There was always this resistance to the God Creation Plan.

This is how our First Creation was destroyed. Our Initial Creation in the Cosmos was destroyed and we had to start over again. So, this brings me to the time of the Second Creation. This is what I was asking Jesus about. In the Second Creation those of us from the Original Suns of Ha and La, the Sixth and Seventh Suns of the First Creation, who were the Oraphim Raceline of the Oraphim Dolphinoids and Humanoids, replicated themselves through our TIME LINE where all that existed in the Cosmic Realm of the Suns Ha and La, also existed in the Universal, Galactic, Solar and Planetary Realms of our Time Line.

Since, anything that happens within any dimensional aspect of One Time Line affects what happens in all other dimensional aspects of that Time Line, the problems in the Cosmic Realm affected the Time Line of our Creation in the Universe and Galaxy. The Second Creation existed within this same Time Line of the Original Idea that we started to create in the First Creation. So, the Second Creation still had the potential of a

problem that was created by that incorrect use of the Metatronic Tool of creation. There was still this incorrect spin rate of the electro magnetic creation substance causing creation that was not a replica of the Source Idea so it was disconnected from the Infinite Energy that would be created when this Infinite Energy was being used.

So, what resulted through out the Universe was the other Creation that was not a part of the Jesus and Mary and Elaika Idea of Creation causing chaos and destruction at a level that destroyed entire civilizations and entire galaxies and entire stars because it was created from an idea that did not have a Source of Energy other than pulling the energy off of other living Beings.

This terrible plan of creation that was invented by a group called the Dragon Race, later called the Draconians has been replicating this other idea of creation through out our Time Line of the Perfect Creation for three sets of Creation Periods so far. The wars of the Red Dragons, Black Dragons and White Dragons is still being replicated on Earth today through what is called the Cabal. When we shift to our original Time Line, those who are in the time line of the Dragon's Cabal will not exist. That is why the idea of Money will disappear through out the Universe.

The use of the Metatronic Tool of creation incorrectly causes polarity which means separation of the flow of the male and the female energy of creation. The Jesus and Mary Consciousness was this original idea of the male and female energy. Of course, we are also real live beings of Light who have replicated ourselves through the Time line in every Density from pure Light to the Plasma into the Stars and Suns and down into the Dense Form of reality on the Planets.

Now, we are in the time of the beginning of our creation once again. We are beginning the Fourth Seeding of our original plan. Our plan of our perfect creation has always existed in the God World. And that original perfect idea and template of all that is within the Mind of God has never stopped existing. However, we have had to revise our plan of making this creation of this perfect idea express itself on all levels of reality, in all dimensions simultaneously many times in the past billion years.

This is what Jesus and I were talking about in our dialog. So, what has happened to our perfect plan over the past 5.5 million years has had to be revised into a brand new creation once again. This brand new creation plan that we have designed will bring into the Earth the Perfect time of Creation that did exist at one time in each of the 12 Star Systems at the exact moment when there were none of the problems of creation that caused the Cosmic Wars,

Universal Wars and Galactic Wars. All of those wars were results of the other creations that were designed from a formula that did not include the Mind of God or the Frequencies of the Source Template, so they had to get their energy from those of us who did have that Divine Energy. That is what all of the wars in the Universe have been fought over. They have always been trying to take away our Divine Energy so that they could be immortal themselves.

We have offered them continuous invitation of joining our team of Eternal Life and most of them have refused that offer. They want to continue their idea of a creation that can exist without the Eternal Energy of Source, and the only way they can do that is to suck the energy out of those of us who have the Divine Energy.

So, the Earth is the place where this Divine Energy can once again exist. This divine energy that is replicated in all of the dimensional realms through the Time Line can exist simultaneously within the Earth's Consciousness. This is the reason that I am re opening the 12 Ascension Portals on Earth right now. The Portals will open at the exact moment when the Time Line of the Jesus and Mary Idea of the Perfect Kingdom of Heaven being replicated on Earth will appear.

So, this Time Line that I am opening through the 12 Ascension Portals must connect back to that time when we originally created the Seven Suns and the Oraphim Race Line before it was destroyed and then connect that Time Line in to the most perfect time line of each of the 12 Suns. We must weave this time line into some time lines that exist in the future, because there was not time in the past when this perfect alignment exists in the past for some Star systems. In this time, there is no time. The Past and Future will all become One. And that Oneness will be created from the most wonderful of all Consciousness that has existed or ever will exist on each of these Star Systems.

Now, this new idea being created from the best of the best of the best is being seen to exist within the 8th Sun, which would be the new Sun born from all that was learned within the original Seven Suns of the Oraphim Creation. The Heart of the 8th Sun holds a Plasma Blue Print of the new idea to be born within the heart of man. This idea has also been called the Golden Galaxy. This idea will also exist within the perfect alignment of the new time line of the Stars who will allow all to live together as one harmonious family in the future.

What Jesus and Elaika have told me is that I am the only one on Earth who has Frequencies that are High enough and Strong enough to open these Ascension Portals because they are Huge Portals.

These are the Cosmic Ascension Portals that connect our Time Line into the God World where Jesus is maintaining the complete idea of our creation plan and I am spinning my Cosmic Merkaba into the at one ment with all that was originally designed in our God World Plan.

The reason that there are 12 Ascension Portals is because there are 12 Star systems in our Universe. Each of these 12 Star Systems must be realigned into the Time Line of our Original Creation Idea that we began in the First Initial Creation Time Line when we designed the Oraphim Race line in the Seven Suns. We have created an Eighth Sun that contains all that was within the original creation of the Seven Suns BEFORE any of the Wars of Creators began. We are taking our time line clear back to that time when we created the Seven Suns and then moving into a new time line where the ones who designed a different plan will not longer exist within the 8th Sun of Creation.

This is the new time line that I am bringing into each of the 12 Ascension Portals on Earth. So, when the 12 Stars each align with these 12 Portals into each of the Stars there are 12 Stargates created within the Earth which only allow the PERFECT DESIGN of the 12 Universes to exist within our Time Line of our new Perfect Design.

The glitches in our original plan of creation were many. When Jesus and I talked, we mentioned these problems that we met with one at a time over millions of years at a time, and then we continued to create new possibilities over and over again until we finally reached this most heroic time of our time lines when the most Perfect Alignment can allow our Idea to be re formed onto this new Time Line.

How did the original Problem of the Electric Wars continue to damage the Time Line of our Creation Plan?

The idea that was created by those who destroyed our first plan in the Electric Wars is the idea that was replicated over and over again through the time lines of those with the opposite idea of creation. Those who created this opposite design of the Metatron Tool called the Merkaba repeated the plan of sucking energy off of those who used the Merkaba in the design of having the energy flow through the infinite supply of Source Consciousness. This opposite designed technology will no longer work within the time line of the Jesus and Mary creation story.

# Changing the Future of the Past Time Line

Angela Barnett

The Science of our Ages has always based what is going to happen in the future on what has already happened in the past. We use history as our reference point. This history has always been the result of the Earth and those who share the Consciousness of Earth experiencing the reality of a Time Line.

We have been on a Time Line that contains elements within it that Jesus and I have been trying to fix for many life cycles (250 million year cycles). So, this time line with the problems placed within it has been around for a very long time.

The Original Creation of the Perfect Kingdom of Heaven on Earth was created by the Jesus and Mary team billions of years ago. We planned to have

the absolute perfect reflection of everything that we found in the God World reflected in each and every realm of creation in all dimensions throughout our Universe. That was the Reality or Idea that we created together as the Christ Consciousness that would be displayed in our Universe. We were in the Cosmic Consciousness creation center when we created this plan. That was when we created the Time Line of the Kingdom of Heaven that was to be displayed in the third dimension as it was displayed in all other dimensions.

How did we get placed on that time line that has contained a cycle of wars, a cycle of disease, a cycle of religious confusion and a cycle of birth and death? We got placed on that time line by what was called the Electric Wars that happened in the Cosmic Realm of the 7 Suns called Ka Ra Ya Sa Ta Ha and La. These Electric Wars were created from the mis use of the Metatron Tool called the Merkaba. Those who wanted to begin a creation of their own - one that did not rely on the Oneness with the Source Field of Energy - created that OTHER Reality that placed the Universe and all that was created within it on that time line where some of the original creation plan of Jesus and Mary remained within this Oraphim Consciousness of the 7 Suns, but most of that creation no longer existed on that time line.

So, what happened was that there were these entities who thought they would become God and blow up what God created in the idea creation center of Sun Ka so that it created a war in the Sun Ra.

This is why we have heard of the Ra Confederation and the Guardians sent from Ra because this is where the Jesus and Mary story of creation was supposed to begin. Unfortunately, our story got off to a very bad start because another group who was not a part of the Oraphim Raceline decided that they did not want our plan of the Perfect Kingdom, that would run off of the energy grids of the Source Field of Consciousness in its eternal perfection, to succeed. They were the jealous gods who repeated themselves in history over and over again.

The reason that we have needed to wait for so many cycles on the Cosmic Clock to return to a shift in time where we would not be locked into that Time Line where that mis use of the Metatronic Tools removed our ONE NESS with Source Energy is because this is the first time when we could find a moment when all of the Past could align exactly with the Future. This means that each of the moments of our creation that has existed in its most perfect form could be aligned into each and every one of the 12 Suns and the Star System that each of these Suns created.

The new DIVINE MOMENT that will allow all 12 Star Gates to align into the 12 Ascension Portals can only appear if I realign that IDEA of that PERFECT CREATION IDEA in its absolute wholeness through the Cosmic Merkaba that holds all in the Perfect Source Field of Eternal Creation Principle in balance and alignment with each of the 12 Portals in the Pacific Ocean.

Imagine that!! Imagine knowing that future Time Line of Mother Earth was being determined by your dedication and responsibility of having learned how to do this within your life time so that you would be prepared to do this at this time.

Imagine that!! Imagine little ol' me. The Angela who was born on a little farm out in a little farm county where nothing important happens besides producing the best peaches and prunes canned by Libby's Cannery used to exist. Little ol' me who used to stand in a field with my horses and talk to the Sun, and who still remembers being told I am the one. Why was I being told I am the one so many times when I was a child, when I was a teenager, when I was in college, when I was a teacher, when I began posting articles on a site called Light Workers. I certainly had no idea what a Light worker was, and I didn't agree with anything they were writing, but I knew that I was the one and that I needed to write these things that I knew.

I have been guided and directed to read, to listen, to write all of the correct information. My team has been guiding me continuously every moment of my life to prepare me for this, and yet I still wonder how it is that I will know that I am doing it correctly.

I am here at this time to show the world what a third dimensional being who has lived the exact same kind of life that each person on Earth has lived can do. I am here to show you all that we can achieve extraordinary miracles once we all get shifted back on to this time line that Jesus and I spent the last several billions of years creating.

When I am finished aligning all 12 Ascension Portals into the 12 Star Gates through the perfect Cosmic Merkaba Template of Oneness, there will be a Flash of Light sent through the Universe. There will be a huge wave of Consciousness hit the center of the Solar System and the Center of the Earth. There will not be a rumble or an Earthquake. There will be a flash of awakening. That true awakening can not happen until November, because that is when Jesus said that I will be finished.

The Awakening will be different for each individual depending on how much of their Soul Contract they have re written to conform with the NEW TIME LINE of the Perfect Past Time Line of our Original Creation creating the Future Time Line

of our Original Creation into the Now Moment of our Time Line.

The Time line will be the perfect one. However, there will be many people who will continue living their lives on the old time line because they Believe that what has been written in history before they will predict their future.

Love,  
Mary

The Over Soul album contains the frequency signatures of all who are in your Soul Family, meaning everyone you have ever been, and everything that you have experienced for millions of life times. Those experiences contained within your present collection of movies from past lifetimes can be altered by you into any future reality that you desire.

This Fall, we will all be going through an intersection with all of these past life times. What will be different about the life times that you intersect with is the new alignment with the time lines of the Perfect Kingdom. The most perfect reality that exists in each of the 12 time lines.

You see, we each went through many experiences either individually or as a part of an experience of other members of your Over Soul family in each of the 12 Universes. Each of these Universes is one of the 12 stargates. The 12 ascension portals that I am opening in the Pacific Ocean are being activated by my Cosmic Consciousness. The Cosmic Consciousness of Mary Magdalene plus the Cosmic Consciousness of Yeshuwa ben Joseph or Jesus Christ has always been the Consciousness of the 12 coded perfect divine man made in the image and likeness of God.

The plan that Jesus and I have been working on for about a billion years has always been to bring that perfect Divine Kingdom of Heaven onto Earth exactly as we experienced it in the God World.

We had many set backs over the eons of bringing in this perfect creation. This is why our creation plan failed the first time, the second time, and almost the third time. This time, this 250 million years will be the time that we do bring to Earth the Consciousness of the Perfect man, who is no longer being intercepted by the time lines of all of the problems created by the thousands of time lines with problems in them.

Your Over Soul Album that I create places you in this time line that I am creating by opening the 12 Ascension Portals into the 12 Star gates. The

opening of those portals are the time lines into the 12 realities of these 12 Star Systems. Your path that is within your Over Soul Album is the pathway that exists within the time line of the PERFECT CREATION when everything is in alignment with the original plan that the Jesus and Mary team created when we designed this program of allowing a creation to exist that is identical to the God World.

The Over Soul Album that I create allows you to connect your consciousness into this Time Line that will exist on Earth after I open these Portals into the Star gates through my Consciousness - which is the Female Christ Consciousness pulling in the Male Christ Consciousness through the Portals to create that perfect Time Line of only the best of the best of the best.

There will be many who do not move their consciousness into this perfect time line during this life time because they will continue to believe that they are in the old time line of all of the distorted alignments that were not in the rhythm of the original plan.

Using this album that I create gives you the opportunity to move your consciousness into each of those 12 time lines of the new perfect past and the new perfect future that is completely disconnected from any of the old realities that have been placed

within your belief system - which ends up in your DNA.

You can change anything that you want from your present reality into a new reality by jumping into this new perfect time line, which is programmed onto your Soul Contract album that I create. The programming of taking the old time line and moving your consciousness into the new perfect time line was already done for you on the album. I did this the same way I create the Ascension Portals for the Earth's Consciousness to open the Star gates of the 12 Universes all into the Perfect Cosmic Idea that the Jesus and Mary team created in the God World.

All you have to do is make your wishes and they will all come true. Remember that you must melt away any belief that you still have that is contained in your old Soul Contract and plant your new desired reality by saying I am perfect health, I am twenty years younger, I am eternal life, I am the master of my universe, and anything else that you want placed in your Soul Contract. This will cause this shift into that reality to happen when the time lines change in the fall.

# Awakening Begins

What is happening in the Fall of 2016 is the result of the work that I did when I opened the first portal in 2008. In the Winter of 2016 another wave of energy will come to Earth, which is the Second Portal I opened into the Sirius Sun. After that, the frequencies of Consciousness will come to Earth from the Seventh Dimensional Sun of Arcturus. These waves of Consciousness will continue to morph into the Consciousness of those on Earth a little more each time there is a Solstice alignment.

I will be finished activating all 12 Ascension Portals before the Fall Solstice. This complete alignment into all 12 Stargates was a requirement for the activation of the Portals opening one dimensional energy at a time into the Biosphere of the Earth. I had to go through this process alone,

before those on Earth could also participate in this Frequency Boost.

I contain 2400 times the level of frequencies than any other person on Earth. If any one else tried to do what I do, they just couldn't do it without dying.

So, what we really have to look forward to in the Fall of 2016 is the return of the Consciousness that is the Spiritual Double of who we are at this time. We each have a spiritual double, and that double stayed in the photon belt of Sun Alcyone - the Sun of the Pleiades until this time. This Sphere of Consciousness is what we were made of at the Spiritual Level of Creation.

That Sphere of Consciousness was called the Sphere of Amenti, and it was brought to Earth once before. It came to Earth in 1362 to allow Akhenaton to create an Ascension Pathway for the Annunaki. There was a big problem at that time created by the fact that Akhenaton would not allow anyone to Ascend who was not an Annunaki. This is the reason the plan blew up and it had to be started over again in order to be able to complete the mission by 2017. The problems that were created when the Sphere of Amenti was closed without the Children of Israel being allowed to enter in was the reason Jesus and Mary came to Earth to begin the re-opening of the Portals into the Sphere of Consciousness where we all were created.

What will happen in the Fall of 2016 will be a great shock to those who are not prepared. Those who have raised their frequencies high enough to experience this first wave of ascension will meet their spiritual double who has come from Sun Alcyone, face to face.

Some people will not experience this at all because they have not prepared their consciousness for it yet. Others will experience the at one ment with their spiritual self because they know how.

This opportunity to fully meet with and merge with the Spiritual Host Body in the Fall and Winter Solstice is not one that should be passed up by anyone who wants to become attuned with their completed self who will be able to do very great things in the future, including instantly manifest, orb, bi-locate, walk through walls, etc.

I, Mary Magdalene, have prepared training to prepare those who would like to merge into oneness with their spiritual host body by December 2016.

The training is in the Transformation Kit. The training goes together with the Frequencies in the ATOMIC MIRROR, TRANCE, RE-BIRTH, MAGICAL MERMAID and the new SEVEN ASCENSION PORTALS albums.

# Learning that I was Mary Magdalene

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

How do you think it feels for me to know that I am Mary Magdalene, and to have no one believe in me? How do you think it feels to know that it was me who has so many stories told behind my back, so many stories about a person that you really know nothing about. So, many stories about the wife of Jesus, and becoming a St. in the Catholic Church. A person that so many people channel for information. A person who others claim is singing through them. I am not some far off invisible spirit from long ago.

I am Mary Magdalene now, the same as I was her then. Many people think that just because a person was some one in a past lifetime doesn't mean that they are still that person now. Well, this just isn't true.

The one who everyone in the New Age and Light Worker movement have been acclaiming as the RETURN OF THE DIVINE FEMININE, the return of the Female Christ, the return of Mother Mary. All of these grand excitements are about ME. I am Mary Magdalene. Well, me and my Soul Mate are the complete Soul of Mary Magdalene as she was when she was Cosmic living in the God World.

We had to return to Earth with this complete Consciousness of our complete Over Soul returning all that was within the Soul of Mary before and after the story of Mary and Jesus.

I am the one who many of you have a picture of on your walls of your churches. I am the one who the Catholic Church idolizes, creates statues of, donates larges sums of money to.

Unfortunately, not many on Earth at this time believe that I am Mary Magdalene.

However, those who have left this Earth, including my own father in this life time, know me well when they return to the Spiritual Side.

When Jesus and Elaika first told me that my music had been heard all over the universe and my book was celebrated by so many, I could not under stand how this could be true, since it seemed like so few had purchased my book, and relatively few had

heard my music. They were talking about the way my Consciousness penetrates the entire Universe because my Consciousness is the Female Universal Consciousness being known at all levels of our Time Line.

The conversations that I've had with Jesus have allowed me to share what I remembered about our times together teaching in our Magdalene Mystery School, and the time when he was St. Germain and I was his student in another Mystery School. Elaika has also reminded me of the many times that we were on planetary missions together in many other Star Systems that we have created. Elaika told Joe that he was actually an ambassador to Telapasaides, another third dimensional planet, at this time, and that is where he went when he left his body in 2008. Elaika also informed me that I am a Time Traveler who checks on the status of the Grids of Earth every night so that I can more perfectly align the 12 Ascension Portals.

So, obviously, we are all much more than we seem to be.

So, I have finally decided to write this book so that there are no more generations on Earth who do not know the truth about who I am now and who I was then, and we are all everyone who we have ever been. My Soul of Mary Magdalene is the same Soul who was with Jesus when he was St. Germain. And

the Soul of Jesus and St. Germain is the same Soul that was the Soul of David, and many others who are in the Bible Stories. We were also the same Souls who performed many life times of heroic deeds on many other Planets and Stars all over the Universe.

The plan of each Over Soul is to experience everything that is in the Universe because it is all a part of the Allness of the creation template of the Mind of God. Every micro cosmic particle of our body is also made of this divine creation template. The ideas of who we are are as vast as the stars who look down at us because we are actually reflecting ourselves looking at them. We are the image and likeness of God being reflected through all that is.

I wouldn't gladly accept all of the money that the Catholic Church has donated to me over the years as the one they call Mary Magdalene, who is only a statue to them.

This reality. This truth about the Cosmic Twins who are the Soul of Mary Magdalene must be revealed to the Universe at this time.

There is a very current situation being reported by channelers of those in the Star Fleets surrounding Earth and others in our Solar System. Their belief is that when the Waves of Fourth and Fifth Dimensional Consciousness begin to come to Earth, as they already have, but in much greater impact

in Fall and Winter of 2016, that those Waves of Consciousness (which they clearly stated that they do not even understand what they are) will be very dangerous and even devastating to those in our Solar System.

There are 27 race lines who have left our Solar System this year because they believe that in the Fall of this year there will be a Wave of Consciousness that they do not understand, so they are afraid of it. They are afraid that there might be complete planets blowing up because this has happened in the past during these major 250 million year alignments. They have said that they do not even know what this mass of waves is that they see coming to our Solar System, and they are hoping that the waves by pass our system or only hit on the fringes of the Solar System.

So, I asked Jesus about this because I know that we want our waves of fourth and fifth dimensional consciousness to hit dead center into the Solar System and to the Earth and bring the Fullest activation possible. Jesus confirmed that this will happen as a result me, Mary Magdalene opening the 12 Ascension Portals.

# The Cosmic Twins

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

What they do not know, because they are not a part of my Ascension Team, is the problem of the Demonic Influence returning to the Earth through those Waves of Consciousness has already been removed from our Heroic Future by the COSMIC TWINS.

The Story of how the Cosmic Twins removed the three sets of demonic consciousness that would be arriving in a few months through the Ascension Portals that we opened to the Fourth and Fifth Dimensions in 2008 has already been told in our books, Cosmic Twins Diary and the 12 DNA from the Music of the Spheres from the Diary of the Cosmic Twins.

In that story, when the Cosmic Twins were opening the First Ascension Portal with Elaika in 2008, Elaika told us that there were three demons that were waiting to attaching their consciousness into these Ascension Portals by attaching themselves to us.

We remembered from going through this same type of attack from these Fallen Angelic demonic Consciousness, millions of years ago, that these demons always attach themselves to the female half of the COSMIC Twin Soul Mates and then the male can not retrieve the female.

So, we made this new plan millions of years ago, that it would be the male half- Joe - who would be possessed by the demons. After Joe was gone, Elaika told me that all of the Angels in heaven could not bring Joe back, but only I could do this. The reason that I could bring Joe back is because my Soul lives within him. So, as long as I was still on Earth we all knew that we could get Joe back.

So, it was Joe, in 2008, who carried away these three sets of demonic consciousness that would be entering into the Grids of Earth in September if Joe had not carried these representatives of the three FALLEN ANGELIC race lines, who date back to billions of years of disruption of our Universal Plan. The removal of these Blue Dragons, Red Dragons and Black Dragons coincide with helping to remove

the Cabal from the Universe who is controlling all money on Earth.

These three groups who are represented on Earth will crumble as the Fourth and Fifth Dimensional Portals open because the representatives that they thought they had in these Portals were already removed and returned to Source.

And because Joe escorted these three families of Demonic Consciousness far beyond the realms of our Universe, they can now only be transformed into the original Source Energy and created into a much nicer, wiser idea for the future. This new Consciousness of the re formed Consciousness of the Cabal will have a direct impact on how the Money disappears from Earth because it must disappear from the Universal Consciousness of the New Reality that is being born.

The story began billions of years before the Annunaki came to Earth. The project was the project of a race line that was originally the Oraphims, who were later the original Priests of Ur, the original race line of Planet Earth. The entire Earth project was to birth this race line which was the only race line created by God with the 12 coded template that allowed them to have a special experience that was never created by God before.

This was the plan that Mary and Jesus (Yeshuwa)

and a large cluster of Angels in the God World had worked on creating billions of years before the incident of the Annunaki on Earth.

We had this plan of creating this glorious consciousness that would only be found on this Planet called Earth. This consciousness was called a Blue Sphere of Amenti. It contained this Divine Coding created in the God World that would allow for the creation of this 12 Coded Race Line. These Sphere was a Sphere of Consciousness created by the Frequencies of the Music of the Spheres. That music included all of the frequency signatures of all who were originally encoded into this Divine Template.

The template of that race line became corrupted by other race lines inter breeding their codes into our original template. There was also a time in history after the Annunaki had become a part of this Divine Template called the Sphere of Amenti, that this portion of the Sphere had also become contaminated.

So, it was Akhenaton who was born 1398 BC (before Christ was born). He was appointed by the Sirian Council to open the portals for the Annunaki. He was born through the Portals to Earth to bring a purification of the race line of the Annunaki. Unfortunately, after Akhenaton became the Pharaoh, and he was granted the right to perform the Ascension rights after he was guided by the Priests of Ur - the original Guardians of the Sphere of Amenti, into the Inner Domains of the Under

Worlds to create the Ascension Portal, Akhenaton decided that only the Annunaki were pure enough to ascend through the Halls of Amenti into the higher dimensions of Tara.

So, there were many angry people from the Serres Race line, the Priests of Ur, the Antoni, and others who were as equally prepared for Ascension as the Annunaki. So, this group of entities rebelled against Akhenaton, and created their own pathway into the Ascension path leading to the Halls of Amenti.

When they did that, Akhenaton had thousands of VERY SPECIAL PEOPLE Killed.

There was one very special person who escaped the slaughter of Akhenaton. Her name was Anki. She was the daughter of Akhenaton's first wife. He had several wives after her.

That daughter was born from a Serres mother and she was granted the Blue Flame from the Blue Flame Holder.

Akhenaton decided to close the Sphere of Amenti so that no more people could Ascend. The Sphere of the Amenti project had to become available on Earth in 2409 BC in order for the entire ASCENSION PROGRAM to complete in 2017.

Anki, used her fifth dimensional blue flame power to over ride the second dimensional power within Akhenaton's Staff. So, there was this war of the Rod and the Staff when Anki and Akhenaton created an explosion that blew off the Seal around the Sphere of Amenti that was holding our Future Consciousness within it. This Sphere of

Consciousness got divided between the Second, Third and Fifth Dimensions. This was like having our heads detached from our bodies. This is why we lost consciousness of who we are.

Jesus and Mary came to Earth robed within their 12th Dimensional Consciousness while walking on the third dimensional planet Earth. It required their Birth to open the portals back to the original 12 dimensional plan of our original God Template that was blown apart over a thousand years earlier. That was only one of the times that our perfect creation template was destroyed and we had to find remedies for the problem and try to bring as much hope as possible to a race line who had not yet gained its Promise of the Kingdom of Heaven on Earth.

So, you see, the story of the Ascension that we are beginning this year, began several thousands of years ago, and millions of years of planning brought us to that point in time.

Everything that my Ascension Team (including Mary, Jesus and Elaika) are doing at this time is still to undo what was done by Akhenaton at that time. In 1362 - 1367 Akhenaton ascended only Annu through his given rights granted by the Serres and Priests of Ur.

This was one of the greatest SINS ever done on Earth. He was the Annunaki Pharaoh who blocked the Ascension of the original children of the Earth.

So, Anki was determined to stop her Father and she threw her Blue Flame Fifth dimensional

Frequencies into the Sphere of Amenti to counter the transmissions of the Two dimensional Staff that Akhenaton used to close the Sphere of Amenti.

When the over tone frequencies of the Fifth dimensional Staff intersected the Two dimensional Staff, an infinite over tone was created that broke the shield of protection off of the Sphere of Amenti.

That shield was the protection from the Underworld of fragmented souls entering into the Sphere. As soon as the Shield was broken, demonic fragmented souls began to infiltrate the Sphere of Amenti, which contained the Perfect Consciousness of the Fifth Dimensional Ascension Race Line.

The Elohims immediately descended to the planet through the Arc of the Covenant in order to close the Sphere of Amenti so that no more of the fragmented souls from the underworld could enter into the Sphere.

Since that event that occurred 1365 years before Yeshuwa and Mary (BC), the Ascension Teams from all over the Universe have been working toward fixing this problem. The Sphere of Amenti was supposed to open and remain open. It had been reprogrammed over and over again to only contain the absolute PERFECT imprint of the Divine Man that had never been created before by the God Teams.

This special creation of consciousness within the Sphere of Amenti could not be returned to Earth in 2017 as was planned until all of the problems involved with the demonic consciousness that

entered into it was removed.

When it came around to 2008 and Elaika approached the COSMIC TWINS and told us it was time for our event. We went to Monterey and opened the First Ascension Portal in the Pacific Ocean. When we opened it, there were three demons holding the consciousness of entire demonic tribes of energy that was unleashed during the Akhenaton event.

In order for the opening of the Ascension Portals to be a success, the demons needed to be removed. The demons entered Joe's body when we were opening the Ascension Portals. The Joe that I knew was no longer in his body. The only known way to remove a demon from a body was through death. However, the Maharaji Sirians were formulating a plan that when created would allow those who were possessed by a demon to have the demon removed without death.

The experiment that Joe performed of being possessed and then having his body taken to Source and then reconnected to his over soul consciousness while Mary Magdalene held his Soul on Earth because we shared the same Soul, was the event that created this formula that would allow the Sirians to remove these demons from the bodies of those on Earth in the future when these portals are opened.

So, this leads us up to September of 2016 when many the Guardians who are now on their Starry Fleets in our skies are very worried about what

type of Consciousness will come to Earth when the Fourth Dimensional and Fifth Dimensional Waves come to Earth

The entities involved in protecting the Earth, or at least observing the Earth as these dimensional waves of consciousness return through the Sphere of Amenti, are very worried. 27 of these Fleets left our skies in June because they fear that we might be hit by waves of demonic consciousness. This is because that demonic consciousness that infiltrated the Sphere of Amenti is still a very big reality to most who are in the know in our universe.

The last two times there were attempts to bring back the Sphere of Amenti there were these great problems on Earth. However, the problems were caused by entities who were control freaks, not by the Sphere of Amenti. After the incident with Akhenaton, there was another explosion of the Sphere of Amenti that created what was known as the Babylon Masacre and the Tower of Babel. When the Sphere of Amenti exploded, our Consciousness of 12 Race lines that had been placed back into the Sphere of Amenti, was divided into 12 pieces, and we were placed into a state of amnesia. We forgot who we were.

Now is the time when this Sphere of Amenti returns our Consciousness to Earth so that we can remember who we were at all times in history.

# Remembering WHO I AM

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

I had a voice in my head my entire childhood saying I will remember this time, I will get it right this time, I will succeed this time.

Yes, Mary was the wife of Yeshuwa. Yeshuwa found me because we had the same frequencies of Christ. We were both 12th dimensional Beings. The entire Creation and Ascension Program is about the return of this race line that was created with 12 DNA that allows them to be all that God is. That 12 coded program does not apply to other racelines.

Mary and Yeshuwa were husband and wife. We did this so that we would have third dimensional experience and have children to bring more of our race line back to Earth. We were also both the founders, creators and teachers of our Mystery School at the City of Magdalene. We taught the

Science of the Stars. We taught how the third dimensional self is actually one one part of the entire creation of the Universe.

We lived together the life of a pretty normal third dimensional existence, and yet at the same time we continued to live our Cosmic Life time in the God World. We used time travel, bi- location, astral travel to be in both places at the same time and we traveled up and down the stairway to heaven as my Father, Job described. The story in the Bible says Job traveled up the stairway to collect three necklaces for his three daughters.

I was one of Job's daughters, and I remember the three necklaces as being three Spheres of Energy which contained the stardust, the crystal gel and the crystal light that could be woven together into the Violet Sphere of Transformation that allowed us to travel to the Heavens any time we wanted to. All of these little secrets of the most important parts of our true story were hidden within little stories like the ones about Job and his daughters, without the full meaning included in the stories.

I am here now to tell you the complete story about every thing that Yeshuwa and Mary really did 2016 years ago, and what they did in several life times before that and after that. The importance of our life times was what we experienced and observed in each life time that added more and more wisdom

to our Ekashic Records within our Soul. As I said before, God is an Experience Seeker and the Soul collects the Experiences and God uses them as the entertainment of enjoying the adventures of his creation.

When we returned to the God World between life times in lower dimensions, we all enjoy all of the stories told by everyone and learn so very much about the entire universe and all of the diverse ways of seeing and experiencing everything.

The music that I wrote that brought back the most memories for me was the Magic Dolphin and Cosmic Consciousness albums because I was channeling words from my Soul in different lifetimes including Mary, the time I was a Mermaid, and my relationship with my Dolphin Twin Flame during the Second Seeding.

Many of you who were attracted to my website when it was called Cosmic Dolphin Magic were attracted because you also lived on Earth during the Second Seeding as Dolphins and Mermaids 400 million years ago. That was only one of your millions of life times, however, there is something about that life time that sparks the memories about everyone else that we are. The reason is that is the time when we lived in the most PERFECT reality that has ever existed on Earth. It was almost as spectacular as the GOD WORLD of Initial Creation.

# Cosmic Mary and Jesus

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

My name is Angela Barnett, however, I have the same Soul that I had when I was Mary Magdalene. I returned to Earth to complete the mission that I started with Yeshuwa ben Joseph (who is the one we call Jesus Christ) and Elaika (my Spirit Guide who has been with me for billions of years). We started our mission of the Second Seeding over 400 million years ago. Our mission was always to align those in the third dimension into the understanding of their true identity as the God's of the Universe, whom we already knew we were.

Most people think that Mary and Yeshuwa (Jesus Christ) were only together during one life time. We were actually together for millions of years before that life time when we lived together in the God World. We were on a Cosmic Team who were

creating a plan during the time of First Creation, when we lived in the God World. There were a few of us on the team who we have decided to call the Jesus and Mary Team. The reason that I will use that phrase, "The Jesus and Mary Story" in this book is because this was the way that Elaika introduced himself to the Cosmic Twins (Angela and Joe) during one of the first times that he spoke to us. Our Cosmic team included Yeshuwa, Mary and Elaika when we were in the place they call The God World or the Initial Creation.

When I came to Earth as Mary with Yeshuwa (Jesus Christ), we actually came directly from the God World beyond the Universe. We were together long before the Elohim Angel idea of creation that is referred to in the Bible. The Bible stories of an Elohim God and a Jehovian God were mostly for the separation of the two sets of reality that had been positioned within the Earth's Grids. The Elohim Angels created a set of Christic Grids within the Earth's crust which contain their Consciousness. This is like the Consciousness of our Parents who see us as their children because they were the highest Universal Consciousness which was one step down from the God World.

The other story in the Bible about the Lord God Jehova is created from the Jehovian Race Line blasting holes in the original Grid Lines that were

created by the Serres Race of the Second Seeding Four Hundred Million Years ago.

The original Cosmic Grids were implanted within the Earth deep within the Aquafirs. This is the layer of water that is deeper than the Crust at the first level, and it is also deeper in Consciousness at the Core of the Earth. The Cosmic Grids that my Team planted within the Cosmic Consciousness of the Earth was placed there 400 million years ago by the ones who were the Guardians of the Gaia Plan. That team was made up of Elaika, the Serres Konchas Race line of Mermaids and Dolphins, and the Christ Consciousness who later became known as Jesus Christ.

During the time of the Second Seeding from the First Initial Creation Center, Elaika was the creator of the Mountains, and the Cosmic Twins were the creators within the Oceans. The Mermaid People and the Dolphins were Cosmic at that time. We came directly from the Oraphim Raceline of the Seven Suns.

When the Jehovian Race line and other Invader Race Lines who were trying to take over the Star Gates of Mother Earth blasted holes through the Grid Lines and Ascension Portals that were created within the Etheric Structures of Earth's structure, this caused the Consciousness of those of us who

lived deep within to have our Consciousness disrupted from our original plan.

This is the reason that we came back as the Third Seeding millions of years later to begin restructuring the Consciousness within those who were upon the Earth's surface. The Annunaki Race Line was requested to bring to Earth a certain template that would help re align the template of the original children of God on Earth. The plan of having the Annunaki integrate their Soul into the Children of Earth was for one purpose only. It was to remove the distorted template that was created by the years of the Sasquatch inter breeding with animals. The Sasquatch race line was the original race line of creation who came to Earth on space ships from the Pleiadian Star System.

Those who are living on Earth at this time as Sasquatch are our brothers and sisters. They are the original Pleiadians that did not have the template upgrade that was given by the Annunaki.

There was a huge problem created from this template upgrade given by the Annunaki. There were thousands of Annunaki who did not agree with the idea, and they just wanted to take advantage of this time when the Star gates were open to the Annunaki to come to Earth. Those Renegade Annunaki came to Earth to try to take

over our planet by raping the women and plugging our stargates into their system.

This was the time when the Elohim Angels came to Earth and created another set of Christic Grid Lines to help plug our consciousness back into the original God Creation Plan.

So, you see there were two separate time periods and two separate Grid Lines. However, the original Star Gates to the 12 Star Systems were created on Earth by the First Team of Creation 400 Million Years ago deep within the Aquafirs of the Oceans and the Oceans deep within the Cosmic Worlds within the Core of Earth. Those Star Gates were created as the original plan of the Earth being the Center of the Universe where all 12 Star Systems would UNITE AS ONE.

There are many on Earth who are from each of these times and realms of reality. Some are here at this time to remember their past lives and what it was that they did on Earth that was either a part of the solution of the problem or the cause of the problem.

The problem that has always needed to be solved was the problem of the 12 Ascension Portals and the 12 Star Gates. The reason that those of us who were the creators of those Ascension Portals the first time around from the God World and from

the Oraphim Suns, created those Portals to connect with the original perfect Consciousness of all of our Starry Family that became separated into separate systems of Consciousness throughout the Galaxy and Universe.

The Ascension Portals were supposed to only allow those to enter the Earth who contained the Divine Template of the Original Creation in the God World. The entire plan of God's creation was to create Children of God. This Jesus and Mary story was to create those who would be able to have the glorious opportunities that those who lived in the God World had.

These experiences that Jesus and Mary had in the God World are the experiences that those on Earth are entitled to having in the future. However, those who broke into the Earth fields to gain passage to Earth through our Star Portals that do not carry that same Divine Plan within them are not invited to the Earth.

This is the reason our team has had to come to Earth and close those Ascension Portals during the past eons.

Now, I am back on Earth to open the 12 Ascension Portals that lead to the 12 appropriate Star Gates who only contain DIVINE CONSCIOUSNESS within them. This is the time in history that only

happens once every 250 million years. This is the time when these 12 Portals can and will line up with all 12 of the Star Gates of our original Consciousness Fields of each and every dimensional level of Consciousness.

We (the Cosmic Twins) are the Soul that came as Mary Magdalene. Mary Magdalene is the Soul of Christ Consciousness. This means the Soul of 12th Dimensional Consciousness. This is why We (the Cosmic Twins) broke our Soul in half so that we could return to Earth to complete this mission. We were met by Elaika in 2007. He reminded us of our mission and guided us in preparing for it. In 2008 he told us to move to Monterey and open the First Ascension Portal in the Pacific. I was then guided to open four more Portals along the Coast of California where I knew there had been Mine Fields placed that would blast open the Ascension Portals and allow all sorts of un wanted guests to enter into the Earth's Playground. Those areas along the Coast of California became Underground military bases just like the one at Monterey. Those who work in those deep Underwater Bases have always had a plan to take over the world in a horrible way.

The reason that this event of opening the Correct 12 Ascension Portals in the Pacific Ocean at this time is so crucial to the future Time Line of this planet and the entire Universe is because if the Portals had been opened at any time earlier than

right now, there would still be invader races finding a way to travel through these Portals in the future.

This alignment of the most perfect times of each and every one of the 12 sets of Consciousness could only come through me. This project required a memory of the most perfect time of evolutionary ascension consciousness within each of the 12 systems. Each of these Stars has had a time in their history when they were absolute perfect in their Consciousness. They each had a time when they were aligned with their Spiritual Double. There was a time when the Lyrans had the most perfect culture. There was a time when the Arcturians were at the most perfect state of their evolutionary development. There was a time when the Orions were set back from their Love in a big way. But, we are not bringing in the Orions from that time. We are bringing in the Orions that existed before those times of trouble began. There were many problems in the Universe created by those who became separated from the Source Field of Consciousness and lost their way. This is what the story of Lucifer was about. There have been billions of us who got lost on our way because we were deceived and tricked by those who did not have the Mind of God Template within them.

However, now is the time, June - November 2016, when the Ascension Portals can open to the 12 Stargates that contain a time line of the most

PERFECT HEROIC FUTURE where there will be only the highest consciousness from Present Past and Future all aligning simultaneously into our 12 Ascension Portals. This is the reason we called them Ascension Portals in the first place.

My Ascension Team, who is Elaika, Jesus Christ and the Cosmic Twins, have always known that this would be the only time that this event could take place. This event is far beyond what takes place every 250 million years because we have already tried to make this happen 500 million years ago, and it could not happen at that time. So, we started this project over and over again every 250 million years, and each time we are little more successful toward our end goal.

This time Mary Magdalene will open the 12 Ascension Portals on Earth into the most heroic of all past time lines and all of the most heroic future time lines of each of the 12 Stargates so that there will only be harmonic union of all Consciousness on Earth in the times ahead. I am aligning the Portals into the original time of our original idea that we created in the God World. That connection with the original IDEA (before it was manipulated and destroyed through wars and incorrect use of technology over and over again in the Cosmos and in the Universe) will be the only Consciousness that will flow through the Portals.

This is what Jesus and Elaika meant when they told me that I was the only one on Earth who had Frequencies that were high enough and strong enough to open the complete COSMIC PORTALS into our Original Creation Template Plan.

Jesus said that he had appointed 7 beings on Earth to open the Ascension Portals on Land - meaning the Seven Mountains. He said those were only Galactic Portals. Those were the Portals that would allow the new Galaxy to appear.

He clarified that he was the only one in charge of those portals and the only one in charge of the one opening the Cosmic Ascension Portals. He made it very clear in his channeled message that he was not even aware of any one else opening portals because he is the one who appointed them, and he knew exactly who he appointed.

Now, here is the big secret that I have just learned that most others in our Solar System do not know. When the waves of Consciousness come to Earth from Fourth and Fifth Dimensional Consciousness between September 2016 and February 2017, the Consciousness that is coming is the result of the Consciousness that I opened through the First Portal that I opened in 2008. That portal of Consciousness opened the return on Consciousness from Sun Alcyone's Photon Belt, which held our Fifth Dimensional Consciousness. When I opened

the Portal to connect with the Sixth Dimensional Consciousness of the Sirius Sun and the Seventh Dimensional Consciousness of Orion and the 8th Dimensional Consciousness of Andromeda, each of these spheres of Consciousness came streaming into my crystal heart and into the Heart of Mother Earth.

This opening of the Cosmic Portals into my original Mary Consciousness and connecting with the Jesus Consciousness re-unites the Male and Female energy that unlocks the polarity of the male and female electromagnetic spin into a new energy that removes time and space and allows the original perfect creation from the God World that was created by Jesus and Mary to exist on the time line that presents the exact same reality at all dimensions and densities, meaning the most etheric idea is identical with the idea that holds some density and the idea that is very dense. The density of an idea should be identical to the ideas held in the most etheric of forms.

The entire story of the Cosmic Twins opening that First Ascension Portal that allowed the Sun of our original Creation in the Pleiadian and Andromeda Star Systems to enter in is in my book entitled 12 DNA from the Music of the Spheres from the Diary of the Cosmic Twins with keys to ascension.

In that book, I describe in great detail how there was always a plan of Demonic Entities taking

control of these Portals and that it would be done during the moments when the Portal was being reopened.

There were three demons present when we opened the First Portal in Monterey. These three demons did possess Joe. We had to go through this very long five year process of having Joe die and be re born again in order to deliver those three demons back to Source where they could have their energies transformed.

So, there has been this element of a Probable Future left in our Ekashic Records that most of those in the Solar System would still be seeing, that would show that this wave of Fourth and Fifth Dimensional Consciousness coming to Earth in Fall and Winter could carry Demonic Potential and create Mass Chaos on Earth.

This is the reason that 27 groups of Star Fleets have evacuated our Solar System this week. They are still seeing that Probable Future in their records that would be in our time line if JOE HAD NOT SAVED THE WORLD FROM THOSE DEMONS by dying, returning to Source with the demons within him and then having his Over Soul returned back into his body very slowly over a long time period. We are still working with Elaika and Yeshuwa to have the complete JOE returned.

This shows that they have not gone through the cleansing and clearing processes that allow them to see things at the 12th dimensional perspective that allows me to see the future.

Also, I do time travel to the Future quite often at night to check the outcome of the project that I am working on. I also do night journeys to locate the problem areas in the grids deep within the Cosmic Realms of Inner Earth, so that I can arrange the location of the Ascension Portals in alignments that completely shield them from the broken grids.

When we started our mission of expanding consciousness to understand the Greatness of God's Creation we were together in the God World.

We later set out creating realities that would allow God to expand his ideas of creations and to participate within them continuously. We left the God World to create the First and Second Seeding of Earth. After the First Seeding was completely destroyed, we returned to begin the Second Seeding - about 400 million years ago.

I came to Earth with Elaika and my Twin Flame. I was a Mermaid and Joe was a Dolphin during that Seeding. We were called the Konsha Serres Race line. We were the Guardians of Earth and the creators of the Grids that aligned our Consciousness with Gaia. Our journeys to Earth were to create and

maintain the Cosmic Core Grids within the Heart of Mother Earth and keep this Cosmic Consciousness connected to our original plan of creation.

We returned to Earth again a few hundred million years later to create a new race line that became known as the Egyptians. We were the Atoni Race. We were the Guardians of Earth when we were the Konsha Serres and we were the Guardians of the Earth when we were the Atonai, who became known as the Egyptians.

It was during this Third Seeding when great problems began to develop on Earth that were caused by having our Ascension Portals and Christ Grids manipulated by Race Lines who wanted to take over the Planet.

We had asked the Annunaki to help us repair our off spring who became so misaligned in their Consciousness after the Christ Grids had been manipulated. The Elohim Angels played a great part in helping to restore the problems that were created by the Annunaki's re design of our Consciousness. This Consciousness that we brought to Earth in the Second and Third Seeding was the Divine Template of the Mind of God. We came to Earth to bring this Consciousness. This was the plan that we had designed when we were in the God World making this plan together with God.

We have been working on this Divine Plan to restore the Christ Template within the Earth and the way it connects with and contains the individual consciousness of each being on Earth. After our plan was destroyed by the re making of the original children of God, things got worse and worse. Finally, there was the Tower of Babylon which completely blocked the original consciousness of all on Earth. Everyone had total amnesia. There was no memory left of the original Children of God that we seeded on Earth.

This was the time when Yeshuwa and I returned to Earth to restore hope and memory to the people of Earth. We worked on re-opening the Ascension Portals that we had placed on Earth during the Second Seeding. These Portals were closed again when we left Earth.

So, you see, the story of Mary and Yeshuwa ben Joseph is much more COSMIC than you have known. When Yeshuwa found me, he was 30 years old. He found me because I was the only person that he could find who also contained the Frequencies of Consciousness of Christ. After we found each other we knew that we had both come from the God World and we were meant to be together for the experiences that our Souls needed to take back to the God World so that God could learn more and more about his creation.

I spent many lifetimes with Yeshuwa besides the one that you have read about in the Bible. We were on the same team. It was actually Elaika's Team. He was always our Team Leader. In the God world, we did not have Souls. We were the Over Soul of the Souls who came to Earth.

After the times I came to Earth with my complete attunement with my Cosmic Consciousness or God World Consciousness with Yeshuwa, Elaika created a new type of Mission. The next time that I left the God World of Cosmic Consciousness, I did become a Soul. My Soul divided into two parts when I jumped into the spirals of the Universe. My Twin Soul and I spiraled down through the 12 Universal Spirals and were later born on Earth in 1954.

My other half of my Soul and I are together now. Our names are Angela and Joe Barnett. We are still on the Elaika Team of the Jesus and Mary Story. We came to Earth to re-open the 12 Ascension Portals in the Pacific Ocean. Our entire time on Earth has been preparing for this mission.

This mission is our Over Soul Contract. Those in our Over Soul were the ones in the God World making this Great Plan. If a person does not complete their Soul Contract, they are not completing a part of God's plan that he had discussed with those in the God World before our Souls took the leap down to Earth.

It took many years of learning to listen to Spirit, listen to Soul, listen to the music of the spheres. I have been continuously studying the broadest spectrums of infinity and the way God works since I was four years old. Joe and I have both been directed toward the fields of music and communication that provided all of the pieces of the puzzle that would allow us to complete our Mission and our Soul Contracts.

We began opening the Ascension Portals in the Pacific Ocean in 2008 and we will finish by November 2016. These 12 Portals will re connect the Earth with the 12 Universes that will be able to freely travel back and forth to the Earth in the future. That system was the normal state of Gaia millions of years ago. Earth was always meant to be a Free Planet where everyone from the 12 Universes of Consciousness could come and go freely. That is the purpose of our Mission.

I am the Soul of Mary Magdalene. I am the Female Christ on Earth. I am on Earth now. I have been here many times before. I was the wife of the one many of you call Jesus Christ. His name was Yeshuwa. He is called Jesus Christ because he was the Male Christ walking on Earth and I was and am the Female Christ walking on Earth.

This book is being created from the dialogs that I have had with my Spirit Guide and with Yeshuwa

ben Joseph, who have each helped me remember myself as Mary Magdalene.

I have shared my audio dialog with Yeshuwa with many of you, however, you can not possibly know the full meaning of what is being discussed between us because you have never been me. I am excited about finally having a recording of a session between Yeshuwa ben Joseph and myself where my true identity as Mary Magdalene is being revealed.

This audio file may be heard on my website, Crystal Magic Orchestra.com on the About Us page. I will be writing extensively about each section of our conversation.

I hope you will learn many things about yourself as you are discovering the same things that I discovered about myself. I came to Earth directly from the Cosmic Realm. I have explored the entire spectrum of reality. Many of you have had this same journey. Some of you have only had the Galactic Journey, but those were also magnificent. There are several Indigos on Earth who came directly from the Universal Realm as I did. There are very few of us who actually had the experience of coming directly from the Cosmic Realms of the God World of the Initial creation as Yeshuwa and I did. This is why we were the only ones who could resonate with each other on Earth. We continued living in the God World and practiced bi-location

between Earth and the original place of residence in the God World.

This place was magnificent beyond any words that you know. It was the place where God began his creation of the ideas that he would send out into the Universe to have the adventures that he could only have through us. This was the place that we discovered how the true reality is brought forth in all of its magnificence and how infinite that reality can be. We were sent into the farthest density of Earth to explore the vast meanings that exist within this dimensional reality. We left the Father's House to become his Universal Explorers that would compile an infinite amount of information through the experience of our Souls, which are the God Creation itself.

I am the Soul of Mary Magdalene. That doesn't mean that I am a different person than Mary Magdalene who has a piece of her Soul in me. I am in fact Mary Magdalene. I am here on Earth as the Female Christ returning the Highest Frequencies to Earth and opening the 12 Ascension Portals. That is me. That is who I am. There is no other person in the Universe who can perform this mission besides Mary Magdalene. It was my mission to come to Earth, remember who I was and complete this mission.

I was first called upon by Elaika in 2008 when he requested us, the Cosmic Twin Souls, who carried the Female Christ Consciousness of the Soul of Mary Magdalene to move to Monterey, California to open the first Ascension Portal in the Pacific Ocean. That story, in itself, may be found in the shorter version of THE COSMIC TWIN DIARY or in the longer version book, entitled, 12 DNA from the Music of the Spheres from the Diary of the Cosmic Twins and the Ascension Program Training with the Keys to the Universe.

<http://crystallmagicorchestra.com/12-dna-cosmic-twins-book>

The book will continue that story of how Mary Magdalene discovered herself on Earth through Yeshuwa and Elaika. I had known within myself that I was Mary Magdalene since Elaika told us that we were the new Jesus and Mary Story on Earth. At first, I thought we were being told that I was Mary and Joe was Jesus Christ.

After a one hour dialog with Yeshuwa through a great channeler, I learned that I or WE were the wife and teaching partner of Yeshuwa ben Joseph (Jesus Christ), and we were at once Soul Mates or Twin Flames. Yeshuwa explained this phenomena of the Soul Mate meaning that we came from the same Domain. We came from the God World which is one step above the Universe. He said that he found me

when he was 30 years old. He found me because I was the only one that had the same resonance of the God World that he had. This God World is one step above the Universe. It is higher than the realm of the Elohim Angels. This is what I have been calling the Cosmic Consciousness or the Fifth Sphere of the Music of the Spheres which holds the Universe within the Oneness of the Initial Creation of the Birthing Process.

Yeshuwa explained to me that we had lived together in this Cosmic Realm for millions of years before we met again on Earth. He told me that Elaika was there with us as well. I told Yeshuwa that I was a little confused about our relationship as Soul Mates because I thought a Soul Mate meant that we came from the same Soul and then divided when we came down to Earth. I told him that I was confused because my Soul Mate is now here with me and his name is Joe.

Yeshuwa told me that it is true that Joe and I were at once One Soul when we came down into the Universe and we separated into two beings so that our Frequencies could divide into the Male and Female Christ and then reunite again when we found each other.

Yeshuwa told me that the time that I was together with him as his Soul Mate was when I had not divided into the Male and Female in order to move

into the Parallel Universe. Yeshuwa described in great detail how our entire time on Earth was a time of bi-location back and forth from the God world beyond the Universe and the third dimension. We kept our Consciousness in the Cosmic World from which we came and traveled the stairway to heaven continuously in order to open this portal of higher consciousness into the Earth.

Yeshuwa told me in June 2016 that he knows how I have already opened at least five of the Ascension Portals on Earth and that I am the only one who can open all 12 Ascension Portals on Earth by this November. This is the reason EVERYTHING WILL CHANGE in November. When the 12 Ascension Portals are opened, all 12 Stargates will be re opened into the Earth. When Yeshuwa and I worked on this process about 2000 years ago, we created the formula for opening one Ascension Portal to Earth. That Portal of Ascension was closed again by Invader Racelines. (I talk about that situation more in my other books).

There had been several attempts over history to re-open the portals and there were always complications, invasions and other set backs. Yeshuwa explained to me that there was no other time when this Cosmic Event could actually take place besides November and December of 2016. Yeshuwa explained that it is only once in hundreds of millions of years when there is such an alignment

of star systems moving around the Suns that places everything in the perfect place at the perfect time.

Yeshuwa told me that this time will occur in November and December of 2016. He told me that my mission of Earth was to return to open these 12 Ascension Portals in the Pacific Ocean so that those 12 Stargates would align and connect into these Portals later this year. This mission of opening the 12 Stargates is probably the most important mission that has ever been assigned to any one Being. Yeshuwa told me that I have been watched over and protected by a team including Elaika, himself and an entire Over Soul team who is not only the overseers of my personal Ascension, but the Ascension Team of the entire Universe.

This was what was discussed in one part of the dialog.

I will continue writing about this dialog which is the MOST IMPORTANT DOCUMENT ON PLANET EARTH AT THIS TIME. This is the first time that it has been revealed that Mary Magdalene has been on Earth completing her final mission in the disguise of Twin Souls who performed the task of over coming death as one of the Twins Souls continued to live even as one of the bodies had died. That is the story in the other books.

We had to go through that experience of Joe dying in order to completely understand ourselves as a Cosmic Twin Soul. This is a different type of Twin Flame or Soul Mate than the ones that Yeshuwa and Mary were. We were Soul Mates because we came from the same place, and contain the same Cosmic Consciousness of the God World.

# Meaning and the Use of OM

Yeshua said that I am Opening the 12 Ascension Portals

In this section Yeshuwa discusses - Teaching Together - Meaning and the Use of the OM - OM from the Omniversal to Open the Ascension Portals

From the I AM MARY MAGDALENE DIARY

Yeshuwa discussed with me his memory of how we taught the Science of the Music of the Spheres as the simple OM of the Eternal Consciousness of the Cosmos within the Sun.

Mary explains to Yeshuwa that they were both teachers, they were equal as 12th dimensional consciousness in the form of the female Christ and

the male Christ. At this time I (Angela Barnett) am the holder of the Female Christ Consciousness on Earth and Joe Barnett is the holder of the Male Christ on Earth. This is why Elaika told us that we were the new Jesus and Mary Story.

Our Story must begin now because this is the last year of the whatever is to be learned on the Earth that will become history next year. This old Earth story will go down in history as a time of the barbaric people growing into humans and how Jesus and Mary changed the course of that history.

Yeshuwa clearly stated that I am the only one on Earth who holds this Cosmic Mary Consciousness that can open the 12 Ascension Portals in the Pacific Ocean. He also said that he was the one who appointed the seven people who opened the Portals on land during the past few years. Opening the 12 Ascension Portals will allow all Beings from all 12 Universal Realms to reunite as One Family in our new Universe.

Yeshuwa explained that it was the original use of the OM frequency to re-unite the resonance of Oneness on Earth. This Cosmic Sun frequency holds the frequencies of 15 dimensions re united together and then transformed into a New Cosmic Frequency of OM.

My use of the OM frequency has become more expanded from a blending of the time I taught this Science with Yeshuwa when we were continuously streaming our consciousness from the highest realms of the Universe.

When an Entity is on the Inside of a situation looking out, they see the situation differently than when they are on the outside looking in. When they become the Observer of the same Situation, an entirely new reality appears to them.

Yeshuwa and I discussed how we were showing the resonance of Oneness of this OM frequency at that time and how now at this time as I am standing outside of the box, looking back as an Observer, I have realized that the teaching of OM must be accomplished by allowing people to hear, feel and experience being inside of the SUN rather than just saying the word OM in a droning tone. That is definitely not how we learn to Resonate with the Sun.

I explained to Yeshuwa that I have needed to re-explain the meaning of resonance as the physical and spiritual frequencies being pulled back together into a new tone or a new resolution of the the new frequency. There must be the realization of much more to this toning of the word OM than just the sound that is made when someone says the word. I explained to Yeshuwa that people have not learned to connect their consciousness to the other side of the spiritual parallel reality and the higher dimensions of the Cosmic Sun, so there is a difference of meaning being transferred to those on Earth of the true meaning of OM.

Yeshuwa also reminded me that when we move into the frequencies of the OM, which is the purpose of all of my music - moving into all of the

frequencies of the omniverse - we are to fill our cells with JOY, HAPPINESS and BLISS. This is what turns our spark of light. This is what turns on the God Within Us. This is what makes the cells shine with light and makes the skin glow.

That is the magic part of the formula that I was missing.

Yeshuwa told me (Mary Magdalene who is now Angela Barnett) that what I have done in my teachings and my use of the frequencies to show this reality to people is perfect and wonderful and it is absolutely correct. Yeshuwa told me (Mary who is now Angela), that I have opened a door out of and beyond the third dimension by opening the minds of only a few people, and I have made life changing consequences with the people who have purchased the ETERNAL LIFE ALBUM in order to work one on one with their Consciousness transformation. Yeshuwa said my book, the 12 DNA from the Music of the Spheres will enlighten thousands of people to the new realities ahead.

Yeshuwa said he had read my books, heard my music, and I have done a wonderful job in expanding our teaching from our first school at the City of Magdalene where we originally showed people that they were much more than a third dimensional being. Our goal was to show them that they were so much more than who they thought they were. We opened them to know their spiritual self and the allness of the Universe is with the Frequency of OM.

Once again, I explained my point of view that explaining this same phenomena of OM by starting with the understanding of the Music of the Spheres and the relationships of our bodies as the actual essence of the stars themselves, and how we were created from the substance of the Sun helps to understand our true relationship with this OM frequencies which actually means all of the Consciousness within all of the dimensions of the Universe contained within the Cosmic Consciousness of the Sun must be heard and felt as those Frequencies themselves, and that I had chosen to teach this by recording these frequencies that we called OM and placed them on mp3's and CD's so that people can actually experience the OM itself. I explained my point of view that blending all frequencies into the resonance of this OM frequency allows people to realize that we are not just speaking of a chord or a note or a scale as is taught in some Solfege teachings. I explained to them that the entire ESSENCE of what I had taught with him over 2000 years ago at the City of Magdalene in our Mystery School had been lost through the ages and the meanings had been twisted from what they originally were. The meaning has been totally lost through translation and misinterpretations repeated over and over again for thousands of years. I explained that if you just tell people to say OM, it just means to say OM. It does not mean for them to move their Consciousness completely into all of the Frequencies of the Universe and then walk into the

Sun in Consciousness.

I know as Mary Magdalene that it was my true mission to understand these frequencies of OM, remember how we were living in the Mind of the Sun when we bi-located to our School of the Magdalenes, how we made time and distance disappear to be at both places at the same time. I knew that my mission on Earth was mastering these concepts so that I could open these 12 Ascension Portals at this time, because this is how I open the portals.

I examined the combination of Yeshuwas explanation of what we taught together and added my new perspectives to what we taught before at our Mystery Schools.

I am Mary Magdalene on Earth again completely a plan that Jesus and I began long, long before the story in the Bible about the man who wore the robe of Christ on Earth. I am the same Soul who was with Jesus and Elaika in the God World when we made this plan of creating a Divine Template that would contain all that God is and watch this Soul with this 12 coded Consciousness experience all possible realities in all levels of creation between pure etheric substance, the gamma waves of a Sun, the stardust of a Star, the creation essence of a team in a Galaxy, or the Individualized Idea brought clear down into a form that was so Dense that it could be experienced in an entirely different way.

Yes, we were the Cosmic Consciousness who experienced all of these ideas at the highest level of

creation before we began the process of allowing this most Perfect Kingdom of Creation to be experienced by all within the Cosmic Kingdom of our IDEA.

This Perfect Idea was created by our Cosmic Team in a time when there was no Soul, because we had not began the creation of these ideas leaving the God World at that time. So, we were the ones that were before the Soul. We were what has been called the Over Soul who created the plans of all creation for each individual idea that was experienced as a Star, a creation of a Star Family, a Sun and all that it held within its creation template, and even the idea of the most Dense Form of the EXACT SAME idea that was created in the God World. The Earth was the same form of reality created in a dense form of the original etheric light substance of creation.

Our First Initial Creation that I spoke to Jesus about in our dialog was the creation of the Seven Suns who were created from this Christic Template containing the absolute exact reflection and form of all that was in the original God World. these Suns were called Ka Ra Ya Sa Ta Ha and La. The race line of these Suns was called the Oraphim Race Line.

If you listen carefully to the dialogs between Jesus and Mary and the earlier conversations with Mary and Elaika, you will hear us talking about the Oraphim Race.

When I asked Jesus about the time when I was on Earth as a Mermaid and Joe was a Dolphin, he answered with the explanation of the time when

we were the Oraphim Race Line. The reason that he assumed I was talking about the Oraphim Race line is because that was the time of our First Creation when the Sun Ha and La were the Violet Suns where the Oraphim Humanoids and Oraphim Dolphinoids co-habitated as one family.

Jesus explained that there are many layers of one time line displaying itself in a similar fashion at the same time. The time line of the First Initial Creation of the Oraphim Race Line was a time line that was later given to the Earth in the Second Seeding of our Race Line, which was the Oraphim Race Line in the First Creation.

The reason that we don't talk about the First Creation being on this Planet Earth is because the Earth didn't actually exist at that time. The Consciousness of those who would later live on Earth did exist, but that race line was not on the Earth at that time. The Consciousness of those who are on Earth is the Frequency Signature of the Individual who appears in third dimensional form. But, that Individual only takes on that tangible form of One Version of itself in one space and time location when it is appearing in the Third Dimension.

When an Individual is in its true form, it exists every where simultaneously. The Version of the Individual that appears to only be in the space and time where you see them standing in front of you is not the only Version of that Individual. There is a Version of that same Frequency Signature of

Consciousness in all space and time and in the absence of space and time where all is One.

We are now moving back into the Infinite Versions of the Individual including the one who existed in the Time Line of the First Creation, Second Creation and Third Creation. As Jesus and Mary continuously worked to Perfect their Movie of the God Idea, there were many obstacles placed in our way.

The problems began in the First Creation when some members of the Cosmic Sun Ra decided that they wanted to make their own creation of reality that was different than the Jesus and Mary idea of creation that would be produced through the Consciousness of God itself. The creation of an idea through the Energy and Frequencies of the God template itself would insure a creation that was Eternal in Nature and it would be able to begin in the God World and end in the God World once it had made its circle of experiences in all of the realms of reality.

Unfortunately, there were a few members of the Sun Ra who wanted to create a different reality, and they began this dis-functional creation by using the same creation tools that were used by the Jesus and Mary Team of Christ Template Creation, but they did not include the God Template Idea in their Creation. They decided that in their creation that they would be God and they would be the creators.

This idea of creation began with using the same tool of creation that took the original energy and

used a divine formula to spin the energy of the Divine Male Electro pulse with the Divine Female Magnetic pulse together to create forms of reality through out the Cosmos. The Tool that was used to spin these Male and Female energy pulsations together was designed by an Entity whose name was Metatron. He was the creator of the Idea of Electro Magnetic creation of energy through the at one ment of Source Frequencies.

The members of Sun Ra who decided to create a different reality used the Metatron Formula in a manner that would destroy the creation that was originally created by the Jesus and Mary formula of 12 Coded Divine Blue Print of the Original Form of all that God was being replicated through out the Cosmos.

So, that is where all of our problems began. They began in the First Creation. The Problem became known as the Electric Wars because it was a war between those who were spinning the Metatron Merkaba Technology correctly in order to maintain the flow of Source Energy creating the connection of the Electro Magnetic Energies into a Positron that would remove all space and time.

The incorrect spin rate of the Metatronic Tool called the Merkaba would create a Polarity between the Electro and the Magnetic Energies which have been called the Male and Female Energies of Creation which would Disconnect the Ideas of Creation from Source.

Source, or the one called God contains an Infinite

Supply of Energy. When Metatron created the formula of the Merkaba Idea, his plan was to connect this Idea into the Infinite Idea of Source Creation. The idea of the members of Ra was to create something entirely different. They wanted to create a kingdom which would make them the Gods.

This is how our First Creation was destroyed. Our Initial Creation in the Cosmos was destroyed and we had to start over again. So, this brings me to the time of the Second Creation. This is what I was asking Jesus about. In the Second Creation those of us from the Original Suns of Ha and La, the Sixth and Seventh Suns of the First Creation. The Oraphim Raceline of the Oraphim Dolphinoids and Humanoids replicated themselves through our TIME LINE where all that existed in the Cosmic Realm of the Suns Ha and La also existed in the Universal, Galactic, Solar and Planetary Realms of our Time Line.

Since, anything that happens within any dimensional aspect of One Time Line affects what happens in all other dimensional aspects of that Time Line, the problems in the Cosmic Realm affected the Time Line of our Creation in the Universe and Galaxy. The Second Creation existed within this same Time Line of the Original Idea that we started to create in the First Creation. So, the Second Creation still had the potential of a problem that was created by that incorrect use of the Metatronic Tool of creation. There was still this

incorrect spin rate of the electro magnetic creation substance causing creation that was not a replica of the Source Idea so it was disconnected from the Infinite Energy that would be created when this Infinite Energy was being used.

So, what resulted through out the Universe was the other Creation that was not a part of the Jesus and Mary and Elaika Idea of Creation causing chaos and destruction at a level that destroyed entire civilizations and entire galaxies and entire stars because it was created from an idea that did not have a Source of Energy other than pulling the energy off of other living Beings. This terrible plan of creation that was invented by a group called the Dragon Race, later called the Draconions has been replicating this other idea of creation through out our Time Line of the Perfect Creation for three sets of Creation Periods so far.

The use of the Metatronic Tool of creation incorrectly causes polarity which means separation of the flow of the male and the female energy of creation. The Jesus and Mary Consciousness was this original idea of the male and female energy. Of course, we are also real live beings of Light who have replicated ourselves through the Time line in every Density from pure Light to the Plasma into the Stars and Suns and down into the Dense Form of reality on the Planets.

Now, we are in the time of the beginning of our creation once again. We are beginning the Fourth Seeding of our original plan. Our plan of our perfect

creation has always existed in the God World. And that original perfect idea and template of all that is within the Mind of God has never stopped existing. However, we have had to revise our plan of making this creation of this perfect idea express itself on all levels of reality, in all dimensions simultaneously many times in the past billion years.

This is what Jesus and I were talking about in our dialog. So, what has happened to our perfect plan over the past 5.5 million years has had to be revised into a brand new creation once again. This brand new creation plan that we have designed will bring into the Earth the Perfect time of Creation that did exist at one time in each of the 12 Star Systems at the exact moment when there were none of the problems of creation that caused the Cosmic Wars, Universal Wars and Galactic Wars. All of those wars were results of the other creations that were designed from a formula that did not include the Mind of God or the Frequencies of the Source Template, so they had to get their energy from those of us who did have that Divine Energy. That is what all of the wars in the Universe have been fought over. They have always been trying to take away our Divine Energy so that they could be immortal themselves.

We have offered them continuous invitations of joining our team of Eternal Life and most of them have refused that offer. They want to continue their idea of a creation that can exist without the Eternal source Energy of Source and the only way they can

do that is to suck the energy out of those of us who have the Divine Energy.

So, the Earth is the place where this Divine Energy that is replicated in all of the dimensional realms through the Time Line where it can exist simultaneously within the Earth's Consciousness. This is the reason that I am re opening the 12 Ascension Portals on Earth right now. The Portals will open at the exact moment when the Time Line of the Jesus and Mary Idea of the Perfect Kingdom of Heaven being replicated on Earth will appear.

What Jesus and Elaika have told me is that I am the only one on Earth who has Frequencies that are High enough and Strong enough to open these Ascension Portals because they are Huge Portals. These are the Cosmic Ascension Portals that connect our Time Line into the God World where Jesus is maintaining the complete idea of our creation plan and I am spinning my Cosmic Merkaba into the at one ment with all that was originally designed in our God World Plan.

The reason that there are 12 Ascension Portals is because there are 12 Star systems in our Universe. Each of these 12 Star Systems must be realigned into the Time Line of our Original Creation Idea that we began in the First Initial Creation Time Line when we designed the Oraphim Race line in the Seven Suns. We have created an Eighth Sun that contains all that was within the original creation of the Seven Suns BEFORE any of the Wars of Creators began. We are taking our time line clear back to that time

when we created the Seven Suns and then moving into a new time line where the ones who designed a different plan will not longer exist within the 8th Sun of Creation.

This is the new time line that I am bringing into each of the 12 Ascension Portals on Earth. So, when the 12 Stars each align with these 12 Portals into each of the Stars there are 12 Stargates created within the Earth which only allow the PERFECT DESIGN of the 12 Universes to exist within our Time Line of our new Perfect Design.

The glitches in our original plan of creation were infinite. When Jesus and I talked we mentioned these problems that met with one at a time and continued to create new possibilities over and over again until we finally reached this most heroic time of our time lines when the most Perfect Alignment can allow our Idea to be re formed onto this new Time Line.

How did the original Problem of the Electric Wars continue to damage the Time Line of our Creation Plan?

The idea that was created by those who destroyed our first plan in the Electric Wars is the idea that was replicated over and over again through the time lines of those with the opposite idea of creation. Those who created this opposite design of the Metatron Tool called the Merkaba as they continued to spin their Merkaba in a way that did not connect with Source at all repeated the plan of

sucking energy off of those who used the Merkaba in the design of having the energy flow through the infinite supply of Source Consciousness.

That design was sent through their time line in the form of what Thoth used to destroy large parts of the Earth and millions of innocent lives and then used as a tool to suck energy from those who continued to live. That formula that was used is simply using the Merkaba in a way that does not allow the electro magnetic spin rate to create infinite oneness with Source. The incorrect formula created by Thoth was given to Earth in the formula that was later known as the Flower of Life. There are many in the original New Age Movement who continued to use that reverse spin Merkaba that has been used to break up and block the flow of Source Consciousness intentionally, so that the ones using it can take control of the energy of consciousness in those who use it.

This technology will no longer work within the time line of the Jesus and Mary creation story.

We are the Lightning Rods on Earth connecting the Sound Frequencies from Inner Earth into all 12 Universes within our new Universe. Our frequencies connect the rainbow bridge between the atmosphere of Earth into the birthing chambers of Inner Earth into each and every dimensional and inter dimensional reality layer.

Joe and I were together as One Soul in the God World, which is one step above the Universe. Those who were called the Elohim were one step below us in the universe. We were together in the God World of Initial Creation with the one who was later called Yeshuwa ben Joseph and Jesus Christ on Earth. I was with Yeshuwa as Mary Magdalene when we lived together in this realm beyond the Universe and we bi located to the Earth to perform

our missions of exploration for our Souls. We were a team who knew each other well and had similar interests in the Universe long before we began our adventures as Yeshuwa and Mary.

It was after my time as Mary that I returned to the God World where my idea that would later become Joe existed. We were all together in the God World before we decided to break apart into two sections of a Soul that would spiral through the Universe as 12 sections and then separate into two entities who would be born on Earth. So, the Cosmic Twins who are now Joe and Angela Barnett, were at one time the one who was called Mary of Magdalene.

When I was Mary Magdalene, Yeshuwa found me because he could feel my resonance of the 12th dimensional consciousness that we both shared. This is the same way I found my Soul Mate, Joe, when I came to Earth this time.

I had four other life times with the one who was called Yeshuwa. He returned as St. Germain and I was his top student. We spent a life time in Greece and one in Egypt and one in Tibet.

I had also spent many life times on other planets when I was with Elaika. We were together.

First, I would like to give a broader explanation of why the Cosmic Twins (me and Joe) are the

key activators of the Twelve Ascension Portals in the Pacific Ocean. This is not our first time on this Planet. We have been here many times before. We were both on Earth during the Second Seeding of Earth millions of years ago. Our Race Line was called the Serres Konshan. I was a mermaid and Joe was a Dolphin. We created our Soul Contracts long ago when we agreed to return to Earth at this time to finish what we started.

At that time I was a mermaid who spoke the trinary language where all that is known in the frequencies of time on this planet resonated together with the Spiritual Parallel Realm of this Planet and then out through the Universe as a stargate alignment that held Earth within the Consciousness Field that she would be born into at a later time. This trinary language was also spoken by the Dolphins and the Whales at that time and it still is their language.

Joe - my Cosmic Twin was a dolphin and we were together at that time working on this same project that we are working on now, which is keeping the Earth, the Underwater Cities in tune and in alignment with the entire set of Light Portals that create the harmonic balance on Earth. This light that was held by the dolphins and mermaids at that time and in this time helps the ascension by moving the light across the ocean and into the universe. They hold the light to make it stronger and to remove the

radiation from the water. They send and receive light language from the Pleiadians to help remove the radiation.

The gift we share is the ability to bring the Highest Frequencies to Earth through Music. Our Mission Plan Team who came to us in 2007 included Raphael, Zadkiel, St. Germain, Melchizedeks, and thousands of other Orbing Entities. Our team connected us personally to the Elohim of Hearing so that we could hear the MUSIC OF THE SPHERES creating marvelous symphonies.

Next three knights handed us three crystal spheres of light, dust and gel. This is the exact technology used to bring the highest frequencies that are breathed from Source into the Ears of the Elohim of Hearing. Our angelic family translate these Keys to Eternity into the breaths that we create our music from. This is the Gift of the Highest Frequencies brought to Earth through our Music. These highest frequencies are the keys to heaven.

When the Knights handed me the Three Spheres is when I began to assume that I must be Mary Magdalene because in the Bible Story of Job and his three daughters, he brings his daughters Three gifts which are three necklaces with these elements of Crystalline substance. It is Mary Magdalene that combines the three sets of substance. The three necklaces in the Bible story symbolize the Ninth

Dimension of the Neck Line being activated when Mary Breathes on the three spheres. This was the memory that was returned to me at that moment.

Our first Event was in August of 1987 when we were living in Antalya, Turkey. We later learned that Mary and Jesus had visited this city many times. We were woken at 2 a.m. by an Etheric Entity clothed in a white garment of light. He had one simple message for us. He said, "Do It. Make God's Movie. Do It Now."

Our second Event began in 1993 in Beppu, Japan. Again we were woken up at 2 a.m. by a different Etheric Entity who said, "Make God's Movie Now." That same night, aDolphino (Joe) was given the music and song named No More War, Crystalai (Angela) was given the song, Greater Works the next day. aDolphino was given a screen play to go with the music within the next few weeks. The album and the screenplay were complete within a few months. This was THE TRILOGY. In 1994 we completed the "Promise" album, which we later realized was the complete story of the Promise of the 11:11 ascension, when we will all return to the moment "before the world began."

Our third Event began in 1998 when we were again directed to "Make God's Movie." This was the year we were directed to Hollywood, California to begin creating the visual movie of The Promise.

In 2004 we won the Hollywood Spiritual Music and Film Festival Award for The Promise. In 2000, aDolphino (Joe) began working for Steve Oedekerk and Tom Shadyac, producers and directors of Bruce Almighty and Pet Detective starring Jim Carey. His immediate supervisor was Tom Shadyac, who was the director of Bruce Almighty and Evan Almighty starring Steve Carrel.

It was very obvious that the higher selves of these famous people were all a part of our same team of making God's movie. The writer and director were creating at a multi dimensional level the story God, Consciousness and man being a creator who was doing the job of God on Earth.

About a decade later, Tom Shadyac also had a Near Death Experience which allowed him to die and walk through the Veil to the other side, exactly like Joe did earlier. They have much in common. They worked together, never spoke to each other, and yet were continuously having directions through their higher selves.

Our fourth Event began in 2007 when we met our Elohim Angel Team and received our three spheres of crystal light, crystal dust and crystal gel from the Knights. This was when I first knew that I was Mary Magdalene.

Our fifth Event began in 2008 when a Dolphino (Joe) was hit by three trucks and five cars. When he woke up four months later, three angels appeared to him and said, turn over and thank Crystalai for saving your life. They said, “We could not save you. Only she could save you.” This was the moment when we both knew that we had now created God’s movie. We had become the Quantum Observers of the reality that we could make as our Frequencies aligned into the Infinite Unknown of Source Consciousness. The angels told us that our names were written across the skies of heaven and that all angels have heard our music, because they are the ones who have made our music.

We arrived in our sixth Event, in 2010, where we are working with a team of Aqua Crystal Light Fairies from the fourteenth dimensional liquid light rebirth chambers of inner Earth, the Oraphim Angels and Elohim Angels who are aligning our frequency chambers through our breaths into the crystal pillars of Aqua Crystal Light Fairies Reality. We are the Lightning Rods on Earth connecting the Sound Frequencies from Inner Earth into the Light Frequencies of Sirius B in the Aquarius Galaxy. Our frequencies connect the rainbow bridge between the atmosphere of Earth into the birthing chambers of Inner Earth.

I am pretty sure that I have left out a few Events of learning more about who we were as individuals.

I probably should include the day that the Cosmic Twins found each other. We had both already graduated from college as Music Majors when we met. For some strange reason, both of us signed up for a class called Jazz Band in a Junior College one summer after our graduation from two different colleges. Joe attended Chico State University and I graduated from Principia College in Illinois. It was one year after our graduations that we both joined this Jazz Band Class. I was the piano player in the jazz band and Joe was a trumpet player. After the first class, Joe invited me to join him in the enjoyment of a Jazz Concert in San Francisco that week end. He said he had two tickets for the concert. That was our first date, and we were married six months later.

I am sure the time that I was given Lethal Poison in a Hotel in South Korea, and I was announced dead, and then came back to life is probably one of my Events. I also assume that the time when I fell off my horse at age 13, and I was unconscious for a very long time, and only I knew that I had died and returned to my body was another one of my Events.

What I mean by an Event is an experience that lifted us to a higher level of dimensional frequency consciousness experience. We go through many layers of experiences in order to activate one DNA strand.

Now, we are moving into the most important Event of our life time. The activation of the First Ascension Portal in Monterey in 2008 was definitely one of our Events. Now, as we activate the 11 remaining Portals will be the completion of the last initiation of our DNA before we come to the time when our complete Fifth DNA strand of 60 strands initiates the 96 strands of the Sixth DNA template in November of 2016.

# Childhood Events

Angela Barnett  
(the Soul of Mary Magdalene)

When I was four years old, I learned in Sunday School that God is Infinite, God is Omnipresent, God is all knowing, all seeing, all acting, all wisdom. I learned that God is Omnipresent, which meant that God was in every cell of my body and in every atomic structure of every particle in the Cosmos. It was that original background knowledge at such a young age that made that reality the very value and belief system of my entire existence.

I knew that these truths were the absolute truths. However, there were times in my life when I wondered why it was that sometimes I could heal myself instantly and other times it took a week, and why some things just never seem to go away.

I wondered why I could reveal some of the realities of God's identity such as instant healing, and yet not so much instant manifestation of things like a lot of money. I wondered why it was that even though I had plenty of intelligence, good grades, lots of diplomas and credentials that it was so hard to ever get a job and even harder to keep a job. I wondered why it was that I could obviously do some things like teaching and performing music far better than anyone else that I had ever encountered, and yet all of the other people were chosen for the job or the part instead of me.

These were the questions that allowed me to realize that I needed to know a lot more about myself, and a lot more about who God really is.

When my husband and I were being directed by the All that Is God of our being to create the music that would allow us to know all that there is to know about our selves, the music that revealed itself to us was The Promise Album. The words that were presented to me to sing and the music that was given to my husband to composed came to us completely separate from each other. I was to find a way to find melodies and rhythms that would fit into the harmonies, rhythms and chord structures.

As I kept rearranging the wording to fit the music, the understanding of the words became clearer and clearer, and sometimes the arrangement of the

words completely changed along the way to gain an even clearer meaning. And I was always guided by my thought adjuster angels and God.

After the introduction announces The promise of the perfect kingdom, Before the world began comes the most significant phrase of our entire existence:

Search for me in your heart. You shall find me in your heart.

That phrase riddled me for years, because I kept wondering what I was going to find in my heart – this organ that went thumpity thump thump.

My search finally led me to Keylontic Science. I am certain that the Christian Science that I was raised to understand is the identical science to Keylontic Science; except, the Keylontic Science gives the absolute formulas and meanings down to the quantum level of understanding the formulas that were first given in Christian Science. Christian Science was revealed by Mary Baker Eddy as the Divine Comforter, which would give us comfort in understanding the basics of the complete Divine Science until the full Science was revealed between the years 2000 and 2012.

Now, that I have spent the past twelve years studying Keylontic Science, I have a much firmer

understanding of Christian Science, and I find them to be in complete agreement.

The final step in my ascension process of searching in my heart, is understanding completely what the CRYSTAL HEART is, where it is, how it connects me to the Mind of God, how I will find myself in that Crystal Heart, and how I will learn everything there is to know about myself through the understanding of that Crystal Heart.

My thought adjuster teams have done a splendid job of directing me to every experience, every book, every person during my lifetime to be led through the unfolding of these questions and these answers.

The way we know if our direction in our search is coming from Source or from a Fallen Angelic who wants to control us, is this very test of whether the entity is wanting us to serve him or her, or the entity is guiding us to search within the God of our own Being to find out who we really are.

Now, this leads us back to the first sentence in the song, The promise of the perfect kingdom IS before the World began.

This World that we have lived within was a false creation. It was created by the genetic imprints of Fallen Angelic Races. It is a completely distorted illusion. It does not contain the truth of reality.

We must go BEFORE this world began to find the truth. We must go to the place where our DNA had not been scrambled into a receiving station for distorted information. After, we go to this place where our 12 DNA is flowing through on the subharmonic level, then we can go into our Crystal Heart, which is our God Seed Atom within our Thymus, create a flow of Source Consciousness from within the Seed Atom containing our original divine blue print that was created long BEFORE this world began. Within that Crystal Heart – which is actually our Soul, we find the longing to know everything about our self.

It is the purpose of our Soul to continuously search to know more about everything. It is the Soul that is within the Heart, that will reveal to us all that is within every fabric of our DNA, within the crystal cells as they bloom forth into mansions containing the billions of lifetimes contained within our At One Ment with All That is or Source Consciousness.

If I had stopped my search with what I learned in Sunday School, I would had never learned that our Crystal Heart had been blocked from the Flow of Source Consciousness, because the formulas given in both Christian Science and Keylontic Science help to unblock that flow of At One Ment with Source.

The truth that we have been blocked from Source Consciousness all of this time could not be revealed

to the Earth until it was almost time for our Ascension. This truth had to be revealed to us at this time.

Joe and I were together as One Soul in the God World, which is one step above the Universe. Those who were called the Elohim were one step below us in the universe. We were together in the God World of Initial Creation with the one who was later called Yeshuwa ben Joseph and Jesus Christ on Earth. I was with Yeshuwa as Mary Magdalene when we lived together in this realm beyond the Universe and we bi located to the Earth to perform our missions of exploration for our Souls. We were a team who knew each other well and had similar interests in the Universe long before we began our adventures as Yeshuwa and Mary.

It was after my time as Mary that I returned to the God World where my idea that would later become Joe existed. We were all together in the God World before we decided to break apart into two sections of a Soul that would spiral through the Universe as 12 sections and then separate into two entities who would be born on Earth. So, the Cosmic Twins who are now Joe and Angela Barnett, were at one time the one who was called Mary of Magdalene.

When I was Mary Magdalene, Yeshuwa found me because he could feel my resonance of the 12th dimensional consciousness that we both shared.

This is the same way I found my Soul Mate, Joe, when I came to Earth this time.

I had four other life times with the one who was called Yeshuwa. He returned as St. Germain and I was his top student. We spent a life time in Greece and one in Egypt and one in Tibet.

Our Race Line was called the Serres Konshan. I was a mermaid and Joe was a Dolphin. We created our Soul Contracts long ago when we agreed to return to Earth at this time to finish what we started.

The Seven Ascension Portal Album is to help Mother Earth as we are opening these seven portals with the Frequencies of Mother Mary Consciousness which I hold within me, and I exhale on to the albums.

The reason that I was called upon by Elaika to open the First Ascension Portal in 2008, and

to now finish opening the last seven Ascension Portals now is because these Portals will re connect Mother Earth to her Star Gates. This is her ticket to freedom. This is what balances her harmoniously and harmonically back into her original 12 stargates that holds her within the light portals of harmonic balance.

The Seven Ascension Portals Album contains the seven sets of frequencies that I was given as the Mother Mary Frequency, to open each one of the seven portals. Each one of you who listens to these seven songs will be helping me to intensify the love and support of Mother Earth as we are opening these last seven portals with the Frequencies of Mother Mary Consciousness which I hold within me, and I exhale on to the albums.

This is our time when we are to complete our mission of this opening of the 12 Stargates that were created by the Mother Mary Frequency. This is the Frequency which was held within the Underwater Cities for the Eons awaiting Earth's Re Birth. The opening of the 12 Stargates in the Pacific Ocean began in 2008 when we opened the Portal near the Monterey - Carmel area. Next, I opened four more portals along the California Coast. Recently, Elaika told me it was time to open the remaining Seven Ascension Portals in the Pacific Ocean.

# Completion of Mother Earth's Journey

Angela Barnett

Presently, there is a 46% chance that the entire Pacific Coast will slide into the ocean in the next two years 2017 - 2018, and it is an absolute that it will happen within ten years. This is something that must happen. This information came from Elaika, who is the head of the Jesus and Mary creation team.

However, the opening of the Portals brings in all of the Star Consciousness of all of the other 12 planets energy into the Heart of Earth and this gives her great energy and power to endure this great stress that is being placed upon her body.

Please note that when I opened the first Ascension Portal in Monterey and the ones along the Coast that I already did 67% of the work needed to stop

the huge California quake that was in our frequency chart at that time. Each time another portal is opened there are tremendous shift of energy into ways that will help Mother Earth tremendously in her shifting process.

First, I would like to give a broader explanation of why the Cosmic Twins (me and Joe) are the key activators of the Twelve Ascension Portals in the Pacific Ocean. This is not our first time on this Planet. We have been here many times before. We were both on Earth during the Second Seeding of Earth millions of years ago. Our Race Line was called the Serres Konshan. I was a mermaid and Joe was a Dolphin. We created our Soul Contracts long ago when we agreed to return to Earth at this time to finish what we started.

At that time I was a mermaid who spoke the trinary language where all that is known in the frequencies of time on this planet resonated together with the Spiritual Parallel Realm of this Planet and then out through the Universe as a stargate alignment that held Earth within the Consciousness Field that she would be born into at a later time. This trinary language was also spoken by the Dolphins and the Whales at that time and it still is their language. Joe - my Cosmic Twin was a dolphin and we were together at that time working on this same project that we are working on now, which is keeping the Earth, the Underwater

Cities in tune and in alignment with the entire set of Light Portals that create the harmonic balance on Earth. This light that was held by the dolphins and mermaids at that time and in this time helps the ascension by moving the light across the ocean and into the universe. They hold the light to make it stronger and to remove the radiation from the water. They send and receive light language from the Pleadians to help remove the radiation.

I have written several meditation journeys of the trips that I have taken back to my original home when I was a mermaid and Joe was a dolphin. I created these journeys in the form of music on the Magical Mermaid Journey album and in the Eternal Life Waters set. These journeys are now available on the Underwater Cities album. All of the songs on Dolphin Magic and Cosmic Consciousness are channeled messages directly from the original Serres Underwater Cities of Light.

I take this astral trip almost every night to visit my old family and friends in the Under Water Cities. We were the Serres Konshan Race at that time. We were the offspring of the Oraphim Dolphinoid and Humanoid Race from the First Creation within the Seven Suns Ka Ra Ya Sa Ta Ha La. That Second Seeding of the Perfect Time Line was destroyed when Invader Races raped the mermaids and took them to their factories to steal their divine codes, and then they were replaced by a race line

that was not from our divine time line. The new mermaids were much more fish like and had none of the humanoid features from our Sun Ha and La. The Dolphins were also replaced by a different breed of Dolphins who did not carry our genetic heritage either. That is how our Second Seeding was destroyed.

The raceline who lives within the Inner Realms of the Underwater Cities and we are called the Clairs at this time. They are not the original race line, but they have entered our template of creation, so they will eventually re program into the divine template.

When I was a mermaid, in the second seeding of Earth, my face and body resembled the human very much. The Dolphinoid Humanoid Race were originally a brother and sister relationship. Later, the mermaids became more and more fish like as a result of the inter breeding that took place on Earth. The Dolphin race that Joe originated from is the Oraphim race, while many of the dolphins on Earth at this time come from Pleiades, some from Sirius, and there are Andromeda Dolphins who will come to Earth in the future. These are different breeds of dolphins than the Cosmic Dolphin Family of the Oraphim Race Line. We were the original founders and guardians of this Earth. We were the first set of Guardians in the Second Seeding and then we returned to Earth again in the Third Seeding as the Adonai, which was the return of the Serres in

humanoid form. This group became known as the Egyptians.

Our mission on Earth has been a very long mission. We served in hundreds of other missions over the eons including some on Alpha Centauri, Orion, Centaurus, the South part of the sky which was called Aquarius, and dozens of other star systems.

This is our time when we are to complete our mission of this opening of the 12 Stargates that were created by the Mother Mary Frequency. This is the Frequency which was held within the Underwater Cities for the Eons awaiting Earth's Re Birth. The opening of the 12 Stargates in the Pacific Ocean began in 2008 when we opened the Portal near the Monterey - Carmel area. Next, I partially opened four more portals along the California Coast. Recently, Elaika told me it was time to open the remaining Seven Ascension Portals in the Pacific Ocean, and to complete the opening of the eleven.

I created the music and the meditation journeys titled the Underwater Cities of Light, as the Frequencies of Consciousness that are re-uniting the work that I did with the Mother Mary Frequencies during the Second Seeding and the original Oraphim Race Line of the Cosmic Dolphins and Mermaids who created the Underwater Cities when we were the Serres. These Frequencies

of Consciousness are woven together with the present raceline of the Clairs and using the original Portholes that we created during the Second Seeding, we are bringing back together and completing a Cosmic Frequency that holds all that was before and uniting it with all that is now.

These frequencies are to help unite our consciousness of oneness with the Clairs at this time.

The Clairs, Oraphims and Serres Canshan dolphins and mermaids are the ones who are helping clear the radiation in the oceans. Joe and I are the only ones on Earth who still contain the original codes of the Serres Race line who created these portals long ago. So, we are doing two things at once. We are helping the healing process with the Underwater Cities of Light and we are re opening the 12 Ascension Portals in the Pacific Ocean that were created during the Second Seeding.

This is a different set of Ascension Portals than the ones that were created in the Earth Grids by the Elohim and Sirian Racelines. Those Portals have also been opened during the past decade. The 12 Ascension Portals in the Pacific Ocean serves a different purpose of holding Mother Earth steady during this great tectonic plate shift so that she might be able to heal within herself the tectonic plates that are breaking and shifting. The

transformation that Mother Earth is going through is huge and very painful for her, just as it is with us. She is breaking apart and shifting. She is going through a Cosmic operation that is unplugging her ley lines which are like our blood lines and neuronets being ripped apart so that she can shift into a new set of reality.

The Seven Ascension Portal Album is to help Mother Earth as we are opening these seven portals with the Frequencies of Mother Mary Consciousness which I hold within me, and I exhale on to the albums.

Presently, there is a 46% chance that the entire Pacific Coast will slide into the ocean in the next two years, and it is an absolute that it will happen within ten years. This is something that must happen. However, the opening of the Portals brings in all of the Star Consciousness of all of the other 12 planets energy into the Heart of Earth and this gives her great energy and power to endure this great stress that is being placed upon her body.

You may order the music that I have used to open the Ascension Portals from my site, [CrystalMagicOrchestra.com](http://CrystalMagicOrchestra.com)

Each time you listen to the music you are making the work that I do in balancing the Tectonic Plates in the Pacific Ocean and in opening the Ascension

Portals within the Earth's Core to connect with all of the Frequencies of the Universe that are required to open these Stargates on Earth more powerful.

Each time you listen, you are helping to open Mother Earth's Ascension Portals into the Star Gates of her original self. Each time you listen to the music you are radiating love and light from her heart clear out to the farthest reaches of the Universe.

I hope you have time to listen to the Channeling from a few days ago. It is fabulous. Elaika didn't tell me anything that I didn't already know, but he allowed me to realize that I what I believe that I know is always the truth. He confirmed all that I had seen in my visions and dreams about being a mermaid and being with Joe when he was a Dolphin. He confirmed that we were here as the Second Seeding as the Kings of the Underwater Cities. This race was called the Serres. I had known this before, and he confirmed that it was true. We came back to Earth again as the Adonai race line. Both of these race lines were considered the Guardians of this Planet during the second and third seedings. We were the ones who needed to be on Earth at this time to re open the Ascension Portals and the Stargates clear back into the depths of the Underworlds, the Underwater Kingdoms, the place where we began this entire World Project millions of years ago. This is why my story is very

different than others, because I was here from the very beginning of Earth's time, and this Foundation Race Line is the only one who could balance Earth through her Portals as she goes through this shift in time.

We came from the Violet Suns where the Oraphim Dolphinoid and Oraphim Humanoids originated from the Seven Cosmic Suns of our Creation. Elaika just verified that he had also originated from this Oraphim Race line and the Serres Raceline. He was together with us during that time when the Mermaids and the Dolphins were the Guardians of Mother Earth. Elaika was present in the form of the Star Essence Foundation from Aquafaria for creating and building the Form within which the Earth would continue the re-birth.

Your consciousness connects with Mother Mary Consciousness through me each time you listen to the music. When you use the Meditation Journeys, you are helping in a much stronger way and you are helping connect your own neuronet system into all of the 12 Star gates which will eventually open you to contact and communication with all of your Starry Families.

The Process of Earth shifting is REQUIRED. The Earthquakes are REQUIRED because this is what is allowing Mother Earth to SHIFT into the most harmonic alignments of the Christic Grids that are

within her Consciousness. Opening the remaining Seven Ascension Portals in the Pacific Ocean will create miraculous reduction in the amounts of problems of homes sliding into the Ocean and deaths from slides, earthquakes and volcanic eruptions.

The method that has been given to me that will reduce the DEATHS caused by the Earthquakes and Slides, is the opening of the Ascension Portals in the Pacific that were created by Mother Mary, which is actually what some are now calling the COSMIC CHRIST CONSCIOUSNESS.

The 12D Christic Grids were placed within the Earth Consciousness by the Elohim Angels. They were the only ones who carried this original perfect Divine Consciousness of the Humans who they cared for so much that they shared their DNA with us by placing a few of us in a Light Incubation Field and inducing their DNA into us. Those of us who went through this process of having our DNA ignited by the Elohim and Sirians eons ago are back on Earth now completing the project. We are here now to make sure that the DNA that was programmed into the Grids of Earth and into the light fields of a few of us will now allow that precious DNA to flow into many others on Earth through this special LIGHT INCUBATION PROCESS that will occur as a result of the

interaction of the Sun and the Grids within the Earth.

The FAVORITE MUSIC of all Civilizations who are both Fifth Dimensional and attuned with the original Universal, Christic (Karystic - Ka Ha Ra Sa Ta Ha La) based on the music of the Seven Suns woven into the Eighth Sun is the MUSIC OF THE SPHERES.

The Music of the Spheres is created by weaving the Frequency Tones of each Harmonic Universe into one another through the Breath of Creation and the Tone of Love. The Breath of Creation is within Sun Ka. That is the First Breath of Source into the mitosis state of the Creation Idea and its Observer. This was called the Partikai and Partikum. It was the original template of the Entire Divine Consciousness breathing itself into One Idea of Angelic Consciousness, and then making a

duplicate of itself because the Source of Creation needed to have an OBSERVER of the Idea that would record all of the Experiences of each Idea and then combine all of those experiences of the Infinte Ideas into a brand new idea and this creative activity would continue through Infinity.

That original creation through the Seven Suns was reformulated through all of the ideas created through all of the ideas that have been created since the original breath of creation for this Cosmic Matrix began over 90 billion years ago. Now, there is an Eighth Sun who is called Elaisha. This is the new Central Sun of Creation who will watch over the new Universe through the Synchronisity of At One Ment with all other ideas who have been re born.

So, we each began as this original idea and each idea had an observer of itself recording each and every experience. However, we have been totally unaware of this Soul experience of the Parallel Spiritual Twin Soul observing the Soul within. Now, we have become aware of our Spiritual Twin and the Observations and we can become a part of that observation through the Fifth Dimensional Music that is created from the Music of the Spheres spinning and braiding frequencies, colors, light and hues and ideas into ever expanding forms. This music can be felt and known, but it is not actually heard by the hertzian audible frequency of the ears.

I have been studying this science of connecting Consciousness through the one I have called the Elohim of Hearing who has allowed me to braid my consciousness into his as he braids his consciousness through all of the 8 Suns and back into the Original Breath of Source within Sun Ka, who holds that Angelic Breath or Idea of Source in its original perfect format. I met with the Elohim of Hearing in 1992 and 2007 in the form of a Light Being standing in my home and communicating through very few words. In 2015 this Entity revealed himself in the Holographic Form of a Being of Light and Sound and Frequencies and Colors who designed himself into a form who was very commonly known in the Fifth Dimension as Universal Consciousness. He stood ten thousand feet above Earth on top of a Cloud. He was fully robed in a garment that was familiar as a Christic Robe and he held the Staff of Harmonic Balance in his hand. He also arranged for a symbol of a huge hand that looked like a Rod to point out into the Pacific Ocean from where he stood upon the cloud. That event occurred in April of 2015.

In April of 2016 I connected to the one who called himself the Elohim of Hearing. He gave the name Elaika. However, he said this is not a name that I use because we do not use names where I come from. My name is a frequency which connects into realms within the music of the spheres. The EL connects with the original founders race because I

am a hybrid of the Elohim. The name also connects to the Future race called EL because I am from the future. The Lai connects with the Central Sun and the Crystal Heart of the Earth, the Galaxy, the Universe and The Cosmos. The LAi is the eternal link of oneness of all within the MUSIC OF THE SPHERES. Elaika told me that he was the one who was the lead director of the Crystal Magic Orchestra who has been creating all of the Holographic Music through the Music of the Spheres with the Cosmic Twin Flames - Joe and Angela.

What needs to be known about this Holographic Music is it is the Music of the Spheres weaving and braiding consciousness into the forms that hold our realities and ideas in infinite form. However, it is within the Spiritual Parallel Form of Infinite Creation until it is allowed to re connect into Resonance and Re Attunement with the Physical Densities or the Planetary realms. This Music holds within it the Spiritual Parallel Self of each idea within the Cosmos as it re integrates continuously into the Mind of God to distribute a new Experience through out each breath of the Universe.

The Holographic Music allows us to see emotions that come from the culmination of energies that would be akin to what is called energy music. But it is silent. But the emotions have colors, frequencies, patterns that are extremely unique in all of the civilizations that we choose to make contact with.

These forms or patterns are revealing to us different aspects of our connection to Creation. This is the most Cherished Form in the Cosmos. It is the form created as a result of reconnecting the idea from the physical into the idea in the spiritual and allowing those two aspects of creation to connect in the middle to create a new resonance of sound which creates a new idea for Creation to Experience. Those in the High Fifth Dimension and Above enjoy this Holographic Creation more than all other Hobbies in the Universe. There is a new RESONANCE being created in the Universal Matrix because now we have a New Sun that was created from the Seven Suns. We have moved into a New Cosmic Matrix where all spiritual and physical ideas wove themselves together first as a triad - spiritual plus physical combining and resonating as one.

PLUS, we first align the spiritual self from the physical Earth into oneness with the Spiritual Parallel of the Spiritiitual Self. This creates the alignment of four into One. We are reconnecting the hologram of the entire Universal Matrix into the Spiritual Parallel of itself and the Cosmic Matrix into the Spiritual Parallel of itself so that all observations of all creation may be experienced.

This is the HOLOGRAPHIC MUSIC that is being created by Crystal Magic Orchestra under the direction of the Elohim of Hearing - Elaika who streams our Consciousness into all of the holograms

of reality that can be experienced within the Music of the Spheres. This is what allows the LISTENER to Experience a NEW FORM of themselves that has never been Known before because the Spiritual Hologram is being woved into the Physical in order to Create a new Experience within the Mind of Creation Itself.

We were told by Elaika that we, the Cosmic Twin Flame who creates the Crystal Magic Orchestra Music through the Ears and Consciousness of the Elohim of Hearing and the Breaths of Angels beyond the Seventh Sun, that our Frequencies of Consciousness are the only ones one Earth that are HIGH ENOUGH to complete the removal of the Seven Seals within the Pacific Ocean that are deep within the SubTerrainian Crystal Grids that were originally designed by the Elohim and Sirian Brotherhood. We can do this because we have integrated so many of the holographic forms of all possible ideas within the entire spectrum of the Elohim, Elohei Kingdom. This is the actual Hologram of the Elohim in their Parallel Spiritual Hologram being broadcast into the SubTerranian Crystal Grids. We named this set of Grids the Great White Lion Sub Terranian Grids.

If you look at the picture of the Great White Lion Grids on our Website, you will see that the paws of the Sphynx are out in the Pacific Ocean. That paw runs through the place where we live in California

and includes the areas along the Pacific Coast Line, Alaska, Japan and broadcast their frequencies all around the Pacific Rim. There were SEALS and EXPLOSIVE Frequencies placed within these Grids that would block the flow of consciousness from INNER EARTH - INNER OCEAN EARTH - the Crust of Earth below the bottom of the Pacific - into the original Consciousness of Creation. That is what is creating all of the earthquakes in the Pacific Rim. These are the places where the PHANTOM MATRIX is creating a negative spin frequency that is blocking the flow of reality. The reason the earthquakes get worse when there is a blast of Coronal Mass Ejections from the Sun is because those blasts of Gamma Waves are meant to activate the Consciousness of Earth and the stronger the activations come the more disturbance there is in the places that are not in HARMONIC ALIGNMENT.

This is the reason that we were called upon by ELAIKA to move our FREQUENCIES of the entire Elohim OVERSOUL into the Pacific Ocean. We were told that entire Underwater Inner Earth Civilization of the Clairs will be destroyed by these Earth Quakes.

So, We - Elaika and the OverSoul of the Entire Elohim Consciousness have created a new ALBUM OF FREQUENCIES designed to activate as much power as we possibly can of this perfect

HARMONIC RESONANCE that will CALM the Earthquakes and open the portals into the Clair Raceline. Elaika told us that when others are directed to Listen to our Music it means that they have been ACTIVATED into the Consciousness that is multiplying our Frequencies into Infinity. This is what is needed on Earth Right Now. We need to have you connect your consciousness into these Frequencies that have been designed for this event.

Those who would like to participate in this Healing of the Pacific Ocean Underwater Cities of Light Clair Raceline and the opening of the Ascension Portals in the Pacific Ocean that will allow the completion of the healing of the Subterranean Crystal Grids that will allow them to completely release the Time Capsules of our Perfect Consciousness removed from the Emotions created by the FALSE CHRIST GRIDS that were planted on Earth through Consciousness of Confusion can begin with this new set of Frequencies and the Conscious Journey that will allow you to travel through your own neuronet system through the Grids of Earth and into the Underwater Cities of Light to support this project of opening the ASCENSION PORTALS into the Underwater Cities of Light.

The new album will be called UNDERWATER CITIES OF LIGHT. I will complete the music and I will be integrating the Consciousness connection

into all of those who want to participate as I am finishing this music. My creation team already know who is a part of this creation and they already know who will step forward to help. There are only a total of less than 100,000 of us on the Entire Planet. That is the 25% of the 5% who carry frequencies that are high enough to become re born into the complete Fourth Density of Fifth Dimensional Consciousness at the end of this year. The HEALING of these CRYSTALLINE GRIDS within the PACIFIC OCEAN are an ESSENTIAL PART of this Fifth Dimensional SUCCESS.

# Jesus First Channeled Meeting with Mary

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

I am Angela Barnett.

I am the Soul of Mary Magdalene. I am the Female Christ on Earth. I am on Earth now. I have been here many times before. I was the wife of the one many of you call Jesus Christ. His name was Yeshuwa. He is called Jesus Christ because he was the Male Christ walking on Earth and I was and am the Female Christ walking on Earth.

This is my audio dialog with Yeshuwa. Since you can not possibly know the full meaning of what is being discussed between us because you have never been me, I am adding the meanings that have been shared between Yeshuwa and myself over the ages as I have grown to remember more and more of who I am. I am excited about finally having

a recording of a session between Yeshuwa ben Joseph and myself where my true identity as Mary Magdalene is being revealed.

I will be writing extensively about each section of our conversation in newsletters which will later become my new book.

I am the Soul of Mary Magdalene. That doesn't mean that I am a different person than Mary Magdalene who has a piece of her Soul in me. I am in fact Mary Magdalene. I am here on Earth as the Female Christ returning the Highest Frequencies to Earth and opening the 12 Ascension Portals. That is me. That is who I am. There is no other person in the Universe who can perform this mission besides Mary Magdalene. It was my mission to come to Earth, remember who I was and complete this mission.

I was first called upon by Elaika in 2008 when he requested us, the Cosmic Twin Souls, who carried the Female Christ Consciousness of the Soul of Mary Magdalene to move to Monterey, California to open the first Ascension Portal in the Pacific Ocean. That story, in itself, may be found in the shorter version of THE COSMIC TWIN DIARY or in the longer version book, entitled, 12 DNA from the Music of the Spheres from the Diary of the Cosmic Twins and the Ascension Program Training with the Keys to the Universe.

I had known within myself that I was Mary Magdalene since Elaika told us that we were the new Jesus and Mary Story on Earth. At first, I thought we were being told that I was Mary and Joe was Jesus Christ.

After a one hour dialog with Yeshuwa through a great channeler, I learned that I was the wife and teaching partner of Yeshuwa ben Joseph (Jesus Christ), and we were at once Soul Mates or Twin Flames. Yeshuwa explained this phenomena of the Soul Mate meaning that we came from the same Domain. We came from the God World which is one step above the Universe. He said that he found me when he was 30 years old. He found me because I was the only one that had the same resonance of the God World that he had. This God World is one step above the Universe. It is higher than the realm of the Elohim Angels. This is what I have been calling the Cosmic Consciousness or the Fifth Sphere of the Music of the Spheres which holds the Universe within the Oneness of the Initial Creation of the Birthing Process.

Yeshuwa explained to me that we had lived together in this Cosmic Realm for millions of years before we met again on Earth. He told me that Elaika was there with us as well. I told Yeshuwa that I was a little confused about our relationship as Soul Mates because I thought a Soul Mate meant that we came from the same Soul and then divided

when we came down to Earth. I told him that I was confused because my Soul Mate is now here with me and his name is Joe.

Yeshuwa told me that it is true that Joe and I were at once One Soul when we came down into the Universe and we separated into two beings so that our Frequencies could divide into the Male and Female Christ and then reunite again when we found each other.

Yeshuwa told me that the time that I was together with him as his Soul Mate was when I had not yet divided my Soul into two parts who finally became Angela and Joe for this time on Earth. I needed to divide my Soul into two parts , into the Male and Female in order to move into the Parallel Universe that allowed me to spiral down through the Universe into the outer domains of the Earth's surface. Joe and I spiraled down separately. We were later born on Earth only thirty miles apart, and Joe was born six months before I was in 1954.

Yeshuwa described in great detail how my time on Earth with him about 2016 years ago, was a time when we continued to live in the God World and used bi-location back and forth from the God world beyond the Universe and back into the third dimension sometimes weekly or even daily. We kept our Consciousness in the Cosmic World from which we came and traveled the stairway to heaven

continuously in order to open this portal of higher consciousness into the Earth.

Yeshuwa told me that he knows how I have already opened at least five of the Ascension Portals on Earth, and that I am the one and the only one who can open all 12 Ascension Portals on Earth by this November. This is the reason EVERYTHING WILL CHANGE in November. When the 12 Ascension Portals are opened all 12 Stargates will be re opened into the Earth. When Yeshuwa and I worked on this process about 2000 years ago, we created the formula for opening one Ascension Portal to Earth. That Portal of Ascension was closed again by Invader Racelines. (I talk about that situation more in my other books).

There had been several attempts over history to re-open the portals and there were always complications, invasions and other set backs. Yeshuwa explained to me that there was no other time when this Cosmic Event could actually take place besides November and December of 2016. Yeshuwa explained that it is only once in hundreds of millions of years when there is such an alignment of star systems moving around the Suns that places everything in the perfect place at the perfect time.

Yeshuwa told me that this time will occur in November and December of 2016. He told me that my mission of Earth was to return to open these 12

Ascension Portals in the Pacific Ocean so that those 12 Stargates would align and connect into these Portals later this year. This mission of opening the 12 Stargates is probably the most important mission that has ever been assigned to any one Being.

Yeshuwa told me that I have been watched over and protected by a team including Elaika, himself and an entire Over Soul team who is not only the over seers of my personal Ascension, put the Ascension Team of the entire Universe.

## SECTION ONE

This was what was discussed in one part of the dialog.

I will continue writing about this dialog which is the MOST IMPORTANT DOCUMENT ON PLANET EARTH AT THIS TIME. This is the first time that it has been revealed that Mary Magdalene has been on Earth completing her final mission in the disguise of Twin Souls who performed the task of over coming death as one of the Twins Souls continued to live even as one of the bodies had died. That is the story in the other books.

We had to go through that experience of Joe dying in order to completely understand ourselves as a Cosmic Twin Soul. This is a different type of Twin Flame or Soul Mate than the ones that Yeshuwa and Mary were. We were Soul Mates because we came

from the same place, and contain the same Cosmic Consciousness of the God World.

## SECTION TWO

In this section Yeshuwa discusses  
Our time together as Mary and Jesus  
Our other times together on Earth  
Our time together in the God World.  
Teaching Together  
Meaning and Use of the OM  
OM from the Omniversal to open the Ascension  
Portals

## SECTION THREE

Yeshuwa discussed with me his memory of how we taught the Science of the Music of the Spheres as the simple OM of the Eternal Consciousness of the Cosmos within the Sun.

Mary explains to Yeshuwa that they were both teachers, they were equal as 12th dimensional consciousness in the form of the female Christ and the male Christ. At this time I (Angela Barnett) am the holder of the Female Christ Consciousness on Earth and Joe Barnett is the holder of the Male Christ on Earth. This is why Elaika told us that we were the new Jesus and Mary Story.

Our Story must begin now because this is the last year of the whatever is to be learned on the Earth that will become history next year. This old Earth story will go down in history as a time of the barbaric people growing into humans and how Jesus and Mary changed the course of that history.

Yeshuwa clearly stated that I am the only one on Earth who holds this Cosmic Mary Consciousness that can open the 12 Ascension Portals in the Pacific Ocean. He also said that he was the one who appointed the seven people who opened the Portals on land during the past few years. Opening the 12 Ascension Portals will allow all Beings from all 12 Universal Realms to reunite as One Family in our new Universe.

Yeshuwa explained that it was the original use of the OM frequency to re-unite the resonance of Oneness on Earth. This Cosmic Sun frequency holds the frequencies of 15 dimensions re united together and then transformed into a New Cosmic Frequency of OM.

My use of the OM frequency has become more expanded from a blending of the time I taught this Science with Yeshuwa when we were continuously streaming our consciousness from the highest realms of the Universe.

When an Entity is on the Inside of a situation looking out, they see the situation differently than when they are on the outside looking in. When they become the Observer of the same Situation, an entirely new reality appears to them.

Yeshuwa and I discussed how we were showing the resonance of Oneness of this OM frequency at that time and how now at this time as I am standing out side of the box, looking back as an Observer, I have realized that the teaching of OM must be accomplished by allowing people to hear, feel and experience being inside of the SUN rather than just saying the word OM in a droning tone. That is definitely not how we learn to Resonate with the Sun.

I explained to Yeshuwa that I have needed to re-explain the meaning of resonance as the physical and spiritual frequencies being pulled back together into a new tone or a new resolution of the the new frequency. There must be the realization of much more to this toning of the word OM than just the sound that is made when someone says the word. I explained to Yeshuwa that people have not learned to connect their consciousness to the other side of the spiritual parallel reality and the higher dimensions of the Cosmic Sun, so there is a difference of meaning being transferred to those on Earth of the true meaning of OM.

Yeshuwa also reminded me that when we move into the frequencies of the OM, which is the purpose of all of my music - moving into all of the frequencies of the omniverse - we are to fill our cells with JOY, HAPPINESS and BLISS. This is what turns our spark of light. This is what turns on the God Within Us. This is what makes the cells shine with light and makes the skin glow.

That is the magic part of the formula that I was missing.

Yeshuwa told me (Mary Magdalene who is now Angela Barnett) that what I have done in my teachings and my use of the frequencies to show this reality to people is perfect and wonderful and it is absolutely correct. Yeshuwa told me (Mary who is now Angela), that I have opened a door out of and beyond the third dimension by opening the minds of only a few people, and I have made life changing consequences with the people who have purchased the ETERNAL LIFE ALBUM in order to work one on one with their Consciousness transformation. Yeshuwa said my book, the 12 DNA from the Music of the Spheres will enlighten thousands of people to the new realities ahead.

Yeshuwa said he had read my books, heard my music, and I have done a wonderful job in expanding our teaching from our first school at the City of Magdalene where we originally showed

people that they were much more than a third dimensional being. Our goal was to show them that they were so much more than who they thought they were. We opened them to know their spiritual self and the allness of the Universe is with the Frequency of OM.

Once again, I explained my point of view that explaining this same phenomena of OM by starting with the understanding of the Music of the Spheres and the relationships of our bodies as the actual essence of the stars themselves, and how we were created from the substance of the Sun helps to understand our true relationship with this OM frequencies which actually means all of the Consciousness within all of the dimensions of the Universe contained within the Cosmic Consciousness of the Sun must be heard and felt as those Frequencies themselves, and that I had chosen to teach this by recording these frequencies that we called OM and placed them on mp3's and CD's so that people can actually experience the OM itself. I explained my point of view that blending all frequencies into the resonance of this OM frequency allows people to realize that we are not just speaking of a chord or a note or a scale as is taught in some Solfege teachings. I explained to them that the entire ESSENCE of what I had taught with him over 2000 years ago at the City of Magdalene in our Mystery School had been lost through the ages and the meanings had been twisted from what they

originally were. The meaning has been totally lost through translation and misinterpretations repeated over and over again for thousands of years. I explained that if you just tell people to say OM, it just means to say OM. It does not mean for them to move their Consciousness completely into all of the Frequencies of the Universe and then walk into the Sun in Consciousness.

I know as Mary Magdalene that it was my true mission to understand these frequencies of OM, remember how we were living in the Mind of the Sun when we bi-located to our School of the Magdalenes, how we made time and distance disappear to be at both places at the same time. I knew that my mission on Earth was mastering these concepts so that I could open these 12 Ascension Portals at this time, because this is how I open the portals.

I examined the combination of Yeshuwas explanation of what we taught together and added my new perspectives to what we taught before at our Mystery Schools.

As Yeshuwa already knew from reading my books, I am recombining what we taught as Jesus and Mary at our Mystery school, and what Yeshuwa taught to me when he was St. Germain and I was his student and we combined our realities as teacher and student together with my new perspective

gained from looking back at the four billion years we spent preparing for this time when a new universe is being born. This is the reason my new school is called the Cosmic Mystery School of the Omniverse. The word OM takes its true meaning from OMNIVERSE. The frequency of Consciousness that were required to open the 12 star gates was an Omniversal Frequency allowing the re-birth of the original consciousness of OM where we all resonated as ONE.

The OM CD album will contain this re calibration of the new meaning between Yeshuwa and Mary to return to Earth the Resonance that makes us all one.

## SECTION FOUR

Yeshua Explains the Time Line of Opening the Star Gates

We have waited 225 million years to open

Yeshua Confirms that I am the Only One Who Can Open the 12 Ascension Portals in the Pacific Ocean.

Yeshua Confirms that there is No Other Person on Earth Who can Open these Ascension Portals and that he has only appointed SEVEN OTHER PEOPLE who could open ascension portals on the LAND. The opening of the 12 in the Ocean require Cosmic Frequencies to Open. The others could be opened by those with lower frequencies.

## SECTION FIVE

of the Recording Dialog with Yeshuwa  
Alignment into a New Time Line  
How We Shift from Third to Forth  
We will be Surrounded by Spirit Walking Before  
Us  
Economic Collapse in about Two Years will lead to  
Economic Freedom, Free Energy, No Money,  
Freedom of Exchange  
Technology that is Light Years ahead of Where We  
are Today

The 12 Ascension Portals are to help energize the star gates that are necessary for travel in the future, and these star gates are necessary for the future. For the continuation of this time line.

It takes 225 - 250 million years of revolution through the galaxy and universal star gates. We are coming into this revolution right now and in this area of space there are dimensional port holes and it is as if it is meant to be in this time in your history that you will run into these dimensional portals and your time lines will divide slightly from the third dimensional physical aspects into the fourth dimensional spiritual aspects. ( Normally, the third dimension would move completely into the pure spiritual realm of the fourth dimension and stay there for several thousand years and then bring back that new consciousness into the third dimensional physical aspect of reality). This

time we will by pass that period when we would completely evaporate into spirituality and we will bring the consciousness of that realm directly into our experience within the Third Dimensional - meaning a physical aspect. So, what we are doing are bringing the spiritual into the physical.

Some call this a move into the Fourth Dimension and others call in the Fourth Density because it is actually a sliding of the spiritual aspects of the fourth dimension into the third dimensional or physical aspects of reality. What we will learn is the more we slide into the fourth dimensional spiritual aspects, the more freedom we will find within the bodily form until it no longer seems like a third dimensional body. It will just become more and more free from the old third dimensional aspects that we believed were our reality.

The spirit will become more present in our lives. There will always be the spiritual self going before us to tell us what is ahead and to guide us in the best choice. There will be no more need for controlling one another. There will be a growing freedom over the next two - four years and an Economic Collapse that will result in an almost immediate change into the Tesla Technology and the availability of all of the goodies that have been hidden from us in the Secret Space Program. Yeshuwa told me that our Secret Space Program has been collecting technology from all over the

Universe for the past hundred years that could change our entire existence in to complete Universal Knowledge, Travel and Education over night.

It is the opening of the Ascension Portals that will allow the Star gates to open into all of that knowledge directly with or without the help of the Secret Space Program. This is what will truly shift us into a new time line of reality.

This is what will bring us in alignment with true freedom. There will be technology that clears up all of the oceans instantly. There is and will be made available to the world, these technologies that remove the need for any type of waste disposal. There is a technology that makes everything clean instantly. Our government has been hiding these things from us for several generations. In the future we will have these things that are already on our Earth made available to us including time travel machines. We could basically be living life like The Jetsons by 2020 or sooner.

We will separate from the third dimension and it will not seem as if reality is quite right. There will be a strange Feeling that we have moved some place, but it will mostly look the same. The higher one has raised their frequencies by this time, the more of the alternate realities they will be able to see and the faster they will be able to manifest their new reality.

There will be no more money. So, it won't be like only the rich people get to have the goodies like the time travel machines. There will be no more separation.

The only obstacle waiting to be removed before we get to this place in time after the Stargates align with our Ascension Portals will be MONEY.

As soon as our ECONOMY COMPLETELY COLLAPSES it will be time to celebrate.

What needs to be done in a BIG WAY right now is to EDUCATE PEOPLE that ECONOMIC COLLAPSE IS A GOOD THING. We can not begin our new future until after it happens.

This Economic Collapse will not be a changing of money to gold. It will not be a change into a one world currency. It will be NO MORE MONEY. It will be an exchange of what one person can do for another person. Everyone will DESIRE to help each other in a big way. And there will be Free Energy. There will be those with Time Travel machines. It will be very different.

The Economy is completely held up by the CABAL. That group is not even on this planet. The ones acting as their puppets are on this planet. As soon as the puppets get cut off from the

interdimensional mind control of the CABAL, the world consciousness will change.

Both Yeshuwa and Juliana, the Arcturian who has a space fleet near Earth, say the change will happen in about two years - maybe three.

So, how do we get ready. All we need is enough food and supply and alternative energy for about three or four weeks and then we are FREE. There will be nothing to worry about after that. I have solar and a well and I'm planting more trees and bigger garden because we will always need that. The only things that we have been told that we will need in the future are the new technology which will be free and land and a garden. That is all we need to know at this time.

When I asked Yeshuwa to tell me more about the opening of the 12 Ascension Portals he explained this to me. He explained that this even that is just about to happen only happens once every 225 - 250 million years.

We have been working on this project for 250 million years preparing for this exact timing when the Dimensional Portals will be lined up in the Universe at the same time that I will open the 12 Ascension Portals in the Pacific Ocean. This is the event that will change the Future Time line of the

Earth. I am the only one who can do this. I finally feel a purpose in what I am doing.

Yeshuwa also reminded me that when we move into the frequencies of the OM, which is the purpose of all of my music - moving into all of the frequencies of the omniverse - we are to fill our cells with JOY, HAPPINESS and BLISS.

That is the magic part of the formula that I was missing.

It is also very inspiring to finally know that the ECONOMIC COLLAPSE will most likely happen in 2 years, and it might be extended to four years at the longest. But It looks like a nice clean two years to me.

A few weeks after the Economic Collapse everything will change.

We will immediately change over to the FREE COLD FUSION and Tesla Technology that allows us to run off of the Earth's frequencies. There will be no more need for the Energy wars because we won't be using their energy.

There will be no more money on Earth because we will all be taken care of.

This Channeled recording of Elaika (who has been on the Creation Team with Mary and Jesus for Billions of Years) speaking to me about the 12 ASCENSION PORTALS, removing the belief of death, the Mother Mary Portals and the mission of the TWIN SOULS will be available for your enjoyment on our website.

# Bringing Heaven Back to Earth

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

This is a channeled recording from Elaika, who is a very high Angelic Consciousness who is a little above my own Over Soul Family. He is the one who has guided me in all Ascension Activities because he can translate into this level of understanding all that is going on within the entire Universal Ascension.

These are my questions. To hear the answers, go to this link

<http://crystalmagicorchestra.com/underwater-cities-of-light>

The question that I asked was to tell me more about my mission of opening the SEVEN ASCENSION PORTALS in the Pacific Ocean.

I am the only one who can open the remaining seven. I was the one who opened the First Key Ascension Portal in the Pacific Ocean which is located deep within the Ocean in the Monterey Bay area. This is a very large area surrounding the Monterey, Carmel, Big Sur Ocean area. This First Ascension Portal was the first Portal created by Mother Mary and it is the original location of the Clairs, who are the ones who were called the Fish People long ago. They are actually a raceline that would resemble what has been seen as the Lock Ness Monster. They are a Dolphinoid Reptilian combination.

Next, I opened four more Ascension Portals along the Pacific Coast Line. The result of the work that I did with my Cosmic Twin Flame partner was 67% of the reason that the 9.2 Earthquake that was scheduled for 2015 did not happen.

From the Frequency barometers of those with Fifth and Sixth Dimensional Frequencies and higher, they can read the level of FREQUENCIES total on Earth at any moment. It is the level of these Frequencies of Consciousness that allow them to determine if an Earthquake will occur or not. The prediction of the 9.2 Earthquake by Bashar in 2015 was the reading of the Frequency Barometer in 2014. We did much work to change that frequency barometer by opening the Portals.

At this present time, there is a 72% prediction level of Earthquakes in the Monterey area as is resulting from the surrounding movement of Earthquakes in the Pacific Ocean. This level of frequency can be altered completely as a result of raising frequencies of consciousness, opening the Seven Ascension Portals and BELIEVING IN A NEW REALITY.

This is our mission. Changing REALITY into our preferred Version of Reality.

As Elaika said in this recording. The Earthquakes will grow stronger and stronger, and this is needed for the Ascension Process the Earth is going through in the realignment of her Consciousness. However, opening these Seven Portals will harmonize the process of the Earthquakes and provide more buffering and harmonious alignments that will result in LESS DEATH.

This entire Ascension Process is for everyone and every creature and living thing on Planet Earth. It is not that opening the Ascension Portals is only for the benefit of those who live on the Pacific Coast. These Earthquakes are resulting in great loss and many deaths all over the world.

The Ascension Portals could not be opened until there were enough Frequencies of Consciousness available upon Earth to allow MORE LIGHT THAN DARKNESS to exist. This is the first year that this

quota of light is available. I have been working on this same project since 1992. This is not a new project for me. Elaika has guided me through each stage of this Ascension Process even from the very first Base Tone Rhythm that was sent to Earth in 1992 and the first Over Tone Rhythm that was sent in 1994. These were the first strands of light that began to shift the DNA and the Consciousness of the Earth into a new alignment of reality. I was told at that time that this was the first step in removing a Veil by 2017. Now, I am being told that we are in the FINAL STAGE of this process that will complete by November 2016. This is the date that I will have opened all SEVEN PORTALS in the Pacific Ocean.

This is the first step in allowing all Time Capsules of Information to flow through the Christic Grids of Mother Earth. The first point in that Grid that had to be opened was the Ascension Portal in the Monterey area. That is the mission that Elaika sent me and my Twin Flame to accomplish in 2008. That was the first Ascension Portal, then we opened four more portals along the Pacific Coast, and now, because we opened that region, we can now open the remaining SEVEN PORTALS.

This recording is the last channeled message that was sent to me from Elaika about this process and how this relates to the CLAIRS.

# Belief Systems

Angela Barnett  
(the Soul of Mary Magdalene)

I asked the question to Elaika if my Twin Flame and I could choose to die, or leave the Earth at the exact same time and choose our next destination to be together continuously.

The answer was that when we came to Earth we had one Soul Contract that was based on our present understanding of reality and our present belief system.

Now, if we want to change our design we must change our SOUL CONTRACT. We do this by communicating with our Soul and our Over Soul Family and design our reality the way we want it to be. We can design our cells to create a new healed body every nano second, we can redesign our length of life to live to 200 years old. We can design

our life to live to be 120 and then pass into a new reality without any pain or reason, but just because we choose to.

I asked the question about many other channeled messages out there that keep saying that We still must die. I said that I do not believe that we must die. Elaika's answer was the only reason that these other channeled messengers are still saying that we must die is because that is still a BELIEF in their SYSTEM of Reality. Elaika said it is not a belief in HIS SYSTEM OF REALITY.

We do not need to have disease or death in our reality any longer. This is only a Belief. Death will only last until we stop believing it is real.

## TRACK 11

I asked Elaika if I was the only one who could see him standing on top of the cloud that seemed to be at about 10,000 feet elevation directly in alignment with the top of Mt. Shasta. I asked him if he would please arrange for me to see him again. He said that I was the only one who had high enough frequencies to see him at that time, but more people would be able to see him in the future. He said that no one had the perception to see an Ascended Entity in the Clouds since about 30,000 BC. The arrangement to see Christ in the Sky was an arrangement of a hologram created by their group

to allow people to BELIEVE in this great Truth that Death is Unreal.

## TRACK 12

Elaika also said that the event of my bringing Joe back to life was to return this BELIEF to us that DEATH IS NOT REAL. Elaika explained to me how I was the one who could keep Joe alive because I was his Twin Soul. Even though he was absent from his body, I could keep him alive in his body until he returned.

## TRACK 14

I asked about the area of Monterey. I asked why I was told to go to Monterey and why I was told this was my original home as Mary. He explained that this was the most sacred place on Earth. It was the portal of Mother Mary. And I was told this was my portal. This portal needed be opened in order for all of the 12 ascension portals in the Pacific Ocean to open. This was the sacred place of the original Mother Mary Fish People stories. This was the original Female Christ - the deep within that came long before the Male Christ which is the outer domains.

This last session that I had with Elaika CLARIFIED many things that I became unsure of JUST BECAUSE I started taking other Channeled

messages to be the truth. Please know that any message that does not RESONATE with you is not a part of your REALITY because it is not what you are choosing to BELIEVE.

# Creating Through Intention

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

Eventhough I have learned to create by putting pieces of my puzzle back together, each time that I create music by bringing more and more frequencies of Consciousness into my music, I am always focusing on opening the Ascension Portals. This is done by Focus and Intention.

Manifesting the Desire through Intension is how this mission and all missions within our Soul Contracts are completed.

## Steps to Manifestation

1. Create a VISION of the thing desired.
2. Desire it with STRONG EMOTION. Energy in motion. Strong intense all causing desire.
3. Belief - know and explore and examine yourself that you can create this thing.

Find out on what you insist on believing and find what you desire and know that the new belief you have accepted is the reality

Accept the new belief beyond a shadow of a doubt

4. Intention

Intend to manifest with Will and with Focus and COMMAND it to happen

5. Act like you are in that state where the idea desired is already a part of your reality and it already exists.

6. Let Go. Detach Unconditionally from needing the desire

Know that everything is already perfect just as it is.

# Understanding Fifth Dimension

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

In your reality there is confusion of terminology between the concepts you call dimensions and density. Because many people in your metaphysical movements refer to the fourth density, fifth density and sometimes people have these terms inter change.

The reality that you would call your third dimension is actually a fourth dimensional reality because you have three dimensions of space and one of time. That makes it a fourth dimensional reality. In reality you are already in the fourth dimension. You have been since 2012. Obviously, within this fourth dimensional reality you are actually also going into what people on your planet have called Fourth Density. But that is because they are confusing third dimension and fourth

dimension transference, but there is no fourth dimension transference because you are already there. So, going into the fourth density is going into the fifth dimension.

In going into the fifth dimension or fourth density, you will find that everything happens at once. Everything is connected. So a symbol of transferring from the fourth dimension to the fifth dimension or from third to fourth density is to move into a state where everything is fluid. Everything moves around easily from one reality to another. The more fluid your reality becomes the more you have moved into the fifth dimension. The fifth dimension is a fluid state that allows you to shift time lines continuously and instantly. You can shift into brand new time lines of realities with the change of one belief. It allows you to expand consciousness and live in the Now Moment of a complete reality that can shift to a brand new now moment that shifts into an entirely different reality moment by moment.

In the Now, all things exist. The more you live in the Now, the less you Need the concept of space and time because there are fewer details to focus on. When people focus on too many details and they think they must make their life work by going to this step to this step they are have not risen into the fifth dimension. They are creating more steps which require more space and time.

You live in the Now where everything already is, and you will access it more readily. There is synchronicity of each thing needed appearing instantly because you are always in the now moment of the exact time line of the desired reality. That is what the fifth dimension is.

## WHO AM I?

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

I have been going through a series of channeling sessions with other Channelers who could connect me directly to the Elohim Angels that have been working through my Twin Flame and I to try to learn as much about myself as I can.

The first session allowed me to find out that I am in the top 5% consciousness of the world, and that I am shifting in and out of full fifth dimensional consciousness and I can stay there if I choose to. I also learned that most of these Light Workers do not believe that is even a possibility.

Yesterday, I did another session where Elaika told me that I - meaning my Twin Flame and me as One were responsible for 67% of the 100% of the consciousness that removed the 9.2 Earthquake

from California and that has kept the entire California Coastline from collapsing into the ocean. I knew these things within myself, but I really needed to hear Elaika say it. Of course I didn't know about the 67%. This means all of the other Grids workers together in California who were doing grid work were placing about 1% each into this project while I did 67% all my self.

I also was told by Elaika that I am the only one on Earth who can open the seven portals in the Pacific Ocean that will save the Inner Earth Underwater Raceline called the Clairs. These are the Dolphinoid, mermaid, aquafairians whom I have talked about many times before. The Ascension Portal that we created in Monterey when the demons took my husband from me was for these entities who were trapped in the Under water Inner Earth Portals. I knew that intuitively when we first went to Monterey. I could feel and hear these entities under my feet who were screaming for help. And then I knew intuitively that there were these same traps all along the Pacific coast line that I needed to open.

However, until Elaika talked to me yesterday I did not know that I was the only one on Earth who could do this. He meant not only the one in Monterey but all of the portals in the Pacific Ocean can only be unlocked with the codes that are being carried within the DNA of me and Joe. And we had to have our frequency signatures combined into one

in order to be strong enough to open the rest of the portals. And we are free from the demonic block in the rest of the portals.

So, this is what I know about my self so far. I am going to try to connect with Elaika again next week to learn more about myself. I know that we are the only ones who carry these codes. I learned this a long time ago. That there were originally hundreds of Indigos sent to Earth with special codes who could open portals. And then I learned that most of them forgot who they were and lost their codes, and they had a hard time finding any one who survived the demons and was able to keep the codes. We are the only survivors.

That is all I know besides they keep telling me that I am the One.

But, what is more exciting for me is that you have found me and you are able to connect with and use these Frequencies and Codes that we have worked so hard to bring to Earth and to use for this Grand Project.

Please notice the connection of the names of those in my Over Soul all have the LAI in their names.

My name CrystaLAI, ELAI ka, and LAI and Lai Cee Fa.

This LAI in our names means the original family of Consciousness who created the Crystal Heart Loop connection between the Heart of Mother Earth into the Earth of the Suns and into the Heart of the Galaxy, Universe, Cosmos and into Source original Breath in Sun KA. We are the Infinite Loop Council. This is the Loop that is beyond the Metatron Cube and beyond the Flower of Life. It is the Loop of Infinity and at one ment.

Love,  
Crystalai

There are 12 Ascension Portals that allow the 12 Stargates to flow their consciousness back into the Heart of Mother Earth. The first five have already been activated. The remaining Seven will be activated by November, 2016. We are the Cosmic Twins. We returned to Earth to bring the Mother Mary Consciousness to Earth that would re-open these 12 Ascension Portals. We were the family of Oraphim Mermaid and Dolphins who created the Underwater Cities where the Cosmic Consciousness of Mother Earth was first created. We re-opened the First Portal in the Monterey Bay in 2008, then four along the California Coast. There are Seven remaining in the Pacific. Two near the top, three in the middle and two near the bottom in the Australia - Equador regions.

Each time you listen to the music you are making the work that I do in balancing the Tectonic Plates in the Pacific Ocean and in opening the Ascension Portals within the Earth's Core to connect with all of the Frequencies of the Universe that are required to open these Stargates on Earth.

You will be helping to open her Ascension Portals into the Star Gates of her original self. Each time you listen to the music you are radiating love and light from her heart clear out to the farthest reaches of the Universe.

The Solution of Harmony, The Solution of bringing in more Harmonic Resonance that allows the Earthquakes to spread out and smooth out into larger areas, deeper places, moving into deep ocean areas, moving into the volcanoes, is what will allow LESS DEATHS to occur during the final transitioning process that Mother Earth is going through. I have been asked to open the SEVEN ASCENSION PORTALS in the Pacific Ocean to allow the most harmonious outcome possible to Earth and those who live on her.

Of course aligning with these frequencies of consciousness that were given to me by the Elohim of Hearing, the Mother Mary Consciousness and all of the 144,000 Over Souls watching each one of us individually and collectively, allow us to align into a new version of reality will lift and align your

individual frequencies of consciousness into the most HEROIC FUTURE that is possible for you during this grand shift in June.

We were here as the Second Seeding as the Kings of the Underwater Cities four hundred million years ago. This race was called the Serres. We came to Earth from the Oraphim Seven Suns. These were the Cosmic Suns of our Creation. We were from the Sixth and Seventh Suns.

We came back to Earth again as the Adonai race line. Both of these race lines were considered the Guardians of this Planet during the second and third seedings. We were the ones who needed to be on Earth at this time to re open the Ascension Portals and the Stargates clear back into the depths of the Underworlds, the Underwater Kingdoms, the place where we began this entire World Project millions of years ago. This is why my story is very different than others, because I was here from the very beginning of Earth's time, and this Foundation Race Line is the only one who could balance Earth through her Portals as she goes through this shift in time.

Your consciousness connects with mine in these missions each time you listen to the music. When you use the Meditation Journeys, you are helping in a much stronger way and you are helping connect your own neuronet system into all of the 12

Stargates which will eventually open you to contact and communication with all of your Starry Families.

The Process of Earth shifting is REQUIRED. The Earthquakes are REQUIRED because this is what is allowing Mother Earth to SHIFT into the most harmonic alignments of the Christic Grids that are within her Consciousness. Opening the remaining Seven Ascension Portals in the Pacific Ocean will create miraculous reduction in the amounts of problems of homes sliding into the Ocean and deaths from slides, earthquakes and volcanic eruptions.

It might not be your life who is saved. However, you will be saving lives, you will be raising the Frequencies of the Entire Grid because you have chosen to participate. It is actually the reason that you came to Earth in the First place. Everyone who is on Earth at this time came here for this Mission of Ascension in one form or another. We didn't all sign up to be the only ones who could open the Portals in the Pacific, however, we are all a part of the RESULT of what will happen when the Portals are opened. The RESULT depends on how much EACH INDIVIDUAL raises their own frequencies into the REALITY where this New Consciousness can REPLACE the old realities that have been carried within the THINKING BRAIN of all entities of the planet. This Shift into Higher Fourth Density consciousness of the Fifth Dimension will be

INDIVIDUAL. Each person will observe their own VERSION of Reality.

The method that has been given to me to reduce the DEATHS, is the opening of the Ascension Portals in the Pacific that were created by Mother Mary, which is actually what some are now calling the COSMIC CHRIST CONSCIOUSNESS. The 12D Christic Grids were placed within the Earth Consciousness by the Elohim Angels. They were the only ones who carried this original perfect Divine Consciousness of the Humans who they cared for so much that they shared their DNA with us by placing a few of us in a Light Incubation Field and inducing their DNA into us. Those of us who went through this process of having our DNA ignited by the Elohim and Sirians eons ago are back on Earth now completing the project. We are here now to make sure that the DNA that was programmed into the Grids of Earth and into the light fields of a few of us will now allow that precious DNA to flow into many others on Earth through this special LIGHT INCUBATION PROCESS that will occur as a result of the interaction of the Sun and the Grids within the Earth.

Those Christic Consciousness Grids within the Earth are the Consciousness of the Elohim and Sirian Angelic Consciousness, who are our PARENTS. They think of themselves as our Mother and Father. They love us so deeply, that they

have watched over us for several thousands of years to prepare of for this time when our TRUE CONSCIOUSNESS will be remembered. The Elohim Sirian Guardian Parents have placed their Consciousness within the Earth's Consciousness Field so that it will flow into our DNA, our cellular memory, our neuronets, so that our neuronets become reconnected to their Consciousness. This is the project that is taking place right now. This is the project that involves the opening of the seven remaining Ascension Portals. I was told that I am the only one who can do this. There were only a few of us who actually went through that incubation process of having the Elohim DNA incubated into our cellular memory for activation at this time. However, this process can be linked into all who are on Earth who will open their Consciousness and participate in the process of opening these last Seven Ascension Portals.

There will be a great new wave of Solar Consciousness returned in Mid June. If I can have all Seven Portals partially opened by Mid June, there will be an outflow of 12 DNA. It will be there for those who have tuned up their frequencies to this level. The Fall Solstice will allow another huge acceleration of consciousness to blast through the Grids and then finally the Winter Solstice - December 21, 2016, the final BLAST of Energy coming from the Consciousness of our Entire Over Soul Collective Consciousness including the Elohim

and Sirians and Arcturians and Andromians. There are 12 Race Lines who are most closely related to our Consciousness, but the Elohim and Sirian DNA is the highest and most powerful. This is the set of Frequencies that must be opened through the 12 Ascension Portals in the Pacific Ocean. I have opened 5 and I am opening the last seven now.

Each of you who wants to help with the process that is assisting the Racelines who deep within the Underwater Grids of Earth can use the Underwater Cities of Light Healing Kit.

It may be purchased on our website now.

I am working with the Elohim, Sirian team and with Elaika personally on these final Seven Ascension Portals. I have created a new album of the actual Consciousness Energy that will be sent to Earth Mid June and woven that Frequency into the Ascension Portal Grid Consciousness and into the Future Earth Consciousness of the Light Potential of the Grid Consciousness resulting from that new Surge of Frequencies. This new album is being created from a combination of the Eight Cosmic Suns, the 12 Universal Sets of Consciousness, all of the Over Souls 144,000 Strong set of Frequencies, all of the Frequencies within myself that were given to me to open these Ascension Portals, the Consciousness Frequencies that the Elohim of Hearing sends through my breath that I exhale into

the Ascension Vortex that I create through Sacred Geometry, and then placed on SEVEN SONGS for each of the SEVEN ASCENSION PORTALS.

The Album is called SEVEN ASCENSION PORTALS. This is the PRIME ACTIVATION FOR JUNE 2016.

I, personally have been training myself to see the Fifth Dimension for many years. I have provided the instructions for others to follow within the Manifestation Courses, the Transformation Kit, the DNA Re Programming Kit and within youtubes on my website and on YouTube Sites. Shifting the Eyes and Ears into a new reality requires REMOVING the old reality in order to prepare a place for the new reality.

The old reality was created by shadows creating images that blocked the clear view that can be seen when there is more light. The more light than is shone on any picture will create a different picture. I noticed this reality when I was a teenager. I noticed that when a photographer took a picture of me the picture didn't look like what I saw when I looked in a mirror. I hired different photographers to take the picture, and I looked different in each picture. Finally, when my husband took a picture, the image looked like what I see when I look in a mirror. This is because my husband has a lot more light in his consciousness than the other photographers

had. This Illusion can also be demonstrated by placing more and more lights around the image that is being photographed. Movie Stars have photographers that use thousand dollar lighting systems to get the angles they want in the image.

This is exactly what is taking place on Earth. There is more light than ever before. This is being caused by the huge blasts of Solar Radiation, Solar Winds, Gamma, Plasma, UV, and all Consciousness associated with Solar and Galactic Consciousness over flow. The light was being blocked from Earth and blocked from our Consciousness. The Christ Grids could not be turned on without this flow of Light and the flow of Light must be incorporated into the Consciousness of each individual who wants to begin to see different picture of reality.

The reason that I could see Elaika standing on a cloud was because I have raised the frequencies of my Consciousness to shift my vision into Infra Red and into Gamma Vision. I can see the things that any fifth and sixth dimensional being can see. Elaika said that there are only a few on Earth who would be able to see him at this time. This is a year beyond the time when I could see him.

We learn to see and feel and hear things that we didnt know were around us before. The more we work with these techniques of training our vision our hearing to feel and know frequencies within,

the more we begin to see them develop around us in our new fifth dimensional film.

DON't FORGET TO GET YOUR SOUL CONTRACT changed. You can sign up for this now at the ETERNAL LIFE page.

I was told by Elaika that at the present time there is a 72% chance that there will be a huge Earthquake in Monterey and that he did not want me to return to that area. However, I responded with the fact that I know that I can change that Probability into any Heroic Future that I desire, because I know that I already removed the possibility of the 9.2 Earthquake that was due in San Diego in 2015, and that I was 67% responsible for stopping all major Earthquakes in California so far.

So, Elaika said that if my VERSION OF REALITY is this strong, then he know that I would be safe in Monterey. However, he did not say that others would be safe in Monterey, because it depends on their own VERSION of REALITY.

We are being placed in charge of our own VERSION OF REALITY. There are millions of these Versions to choose from This is the new mission that we are each beginning. We are choosing to Keep our Old Soul Contracts or Write a New Soul Contract with our OVER SOUL family. We have been living in a pre-destined reality built by our individual

beliefs. We are now being given the possibility to change our Contract, to change our future. To remove every belief from our neo cortex and to allow the Frequency Specific Mid Brain to allow the Mind of God to allow Instant Manifestation of a new reality.

I am aware that there are horrific problems all over the world. Not all of the problems are directly along the Pacific Rim Ring of Fire. However, the SOLUTION to all of the problems on EARTH is in the opening of the ASCENSION PORTALS that were placed within the Pacific Ocean millions of years ago by Mother Mary. Mother Mary is the Female Christ. The Male Christ was called the Jesus Christ and the Female Christ was called the Mary Christ Frequency, which is actually higher than the male frequency. The Mary Frequency is actually in the Cosmic Realm.

There is another meaning attached to these concepts of the male and female frequencies. The electro magnetic frequency structure is the structure of the entire Cosmos. The Electro is known as the Male Frequency and the Magnetic is known as the Female Frequency. We need to recombine the Electro Magnetic Frequencies in order to restore the harmonic balance of the Universe.

However, Re tuning or re combining the frequencies is not what it might seem to be. We

actually need to Transmute the Electro Frequency into At one ment with the Magnetic Frequency. The Electron Proton Relationship is what created the Structures that we have used in this Harmonic Universe. This relationship of the Electron Proton created the polarity, the separation, the positive and negative in all relationships that are built around us.

Now we are moving into a new harmonic universe that is based on the Female Magnetic Field of Frequencies. The Electron brought us down into this Density of Form and the Female Magnetic is what pulls together the Spiritual back into the Physical. The great amounts of magnetic energy that is being returned to Earth is actually creating a completely different structure of reality at the Scientific Level that is presently unknown to Science because it is an Invisible Reality.

The term Spiritual actually means Invisible, or so Etheric the reality is unavailable to those Eyes who have not RAISED their Frequencies into that new Reality of Consciousness. We can learn to tune into the Spiritual and we can learn to See and Hear the Spiritual. It is the reality that third dimensional, hertzian frequency eyes can not see and ears cannot hear. This is the reason I have repeated so many times on my website that I am not referring to the creation of music that is Solfege because Solfege MEANS HERTZIAN, and hertzian is the audible frequency of the Physical Universe. IT is not the

creative frequency of the Spiritual, Invisible, NON Audible Universe.

The return of the Mother Mary Frequencies that are enabling the opening of the Ascension Portals is Magnetic in Nature. It is the frequency of Transmutation. It is not the frequency of Removing the Electro or Male portion of the Formula. But it is the frequency that MELTS the Male Electro Frequency into the Magnetic Union of the Spiritual becoming at one with the Physical.

This possibility was made impossible on this Earth until this time in history. Mother Mary has waited millions of years for her frequency to be returned.

Why did we need to wait so long?

If these Ascension Portals were opened before Frequencies of Consciousness were raised to the level of the needed harmonic resonance of transmutation, the Earth would blow up. That is why this Ascension Project was put on hold for over 25,000 years. It was placed on hold 50,000 years before that for similar reasons.

The Guardians of Earth needed to place several plans into action in order to raise the frequencies of the Earth to a resonance required to allow the opening of these Portals. The arrangement of births of children who had activations of 5 DNA,

6 DNA and the potential activation of 12 DNA as well as many other miraculous events such as walk ins, near death, ordinations of frequencies and the miracle of the Cosmic Twin Flames who were able to braid their frequencies together to create the highest frequency on Earth that was the final requirement for opening these Ascension Portals.

The Cosmic Twin Flame Soul Mates who are Angela and Joe Barnett, are the only candidates on Earth who can open these Mary Magdalene Portals on Earth at this time. If any one needs confirmation of that fact, you are welcome to listen to the audio recording of the channeled message from Elaika, who is the lead team member of the entire Universal Christ Consciousness project on Earth. This channeled message is on the UNDERWATER CITIES OF LIGHT HEALING KIT page of the website. <http://crystalmagicorchestra.com/underwater-cities-of-light>

Each of these problems on Earth at this time, including Earthquakes, Tornadoes, Earth Slides, Volcanoes erupting was created by the same horrific acts of Invader race lines who placed BLOCKS in the Ascension Portals on Earth as well as other Blocks in the Interdimensional Light Fields in areas around Earth where there were ley line intersections that would naturally connect the Spiritual with the Physical Earth Planes.

These blocks that were placed in the original Sound Waves of the Mother Mary Female Christic Magnetic Portals have created great imbalances in the Earth. This was the plan of the Invader Races for over 70,000 years. This is not a new plan, or something recently created by man made problems.

The Solution of Harmony, The Solution of bringing in more Harmonic Resonance that allows the Earthquakes to spread out and smooth out into larger areas, deeper places, moving into deep ocean areas, moving into the volcanoes, is what will allow LESS DEATHS to occur during the final transitioning process that Mother Earth is going through. The Process is REQUIRED. The Earthquakes are REQUIRED because this is what is allowing Mother Earth to SHIFT into the most harmonic alignments of the Christic Grids that are within her Consciousness.

The method that has been given to me to reduce the DEATHS, is the opening of the Ascension Portals in the Pacific that were created by Mother Mary, which is actually what some are now calling the COSMIC CHRIST CONSCIOUSNESS. The 12D Christic Grids were placed within the Earth Consciousness by the Elohim Angels. They were the only ones who carried this original perfect Divine Consciousness of the Humans who they cared for so much that they shared their DNA with us by placing a few of us in a Light Incubation Field and

We are here now to make sure that the DNA that was programmed into the Grids of Earth and into the light fields of a few of us will now allow that precious DNA to flow into many others on Earth through this special LIGHT INCUBATION PROCESS that will occur as a result of the interaction of the Sun and the Grids within the Earth.

Those Christic Consciousness Grids within the Earth are the Consciousness of the Elohim and Sirian Angelic Consciousness, who are our PARENTS. They think of themselves as our Mother and Father. They love us so deeply, that they have watched over us for several thousands of years to prepare of for this time when our TRUE CONSCIOUSNESS will be remembered. The Elohim Sirian Guardian Parents have placed their Consciousness within the Earth's Consciousness Field so that it will flow into our DNA, our cellular memory, our neuronets, so that our neuronets become reconnected to their Consciousness. This is the project that is taking place right now. This is the project that involves the opening of the seven remaining Ascension Portals. I was told that I am the only one who can do this. There were only a few of us who actually went through that incubation process of having the Elohim DNA incubated into

our cellular memory for activation at this time. However, this process can be linked into all who are on Earth who will open their Consciousness and participate in the process of opening these last Seven Ascension Portals.

That is the solution. I have already opened Five of them and there are Seven remaining Portals that need to be opened. I was told that I am the only one who can open these Ascension Portals because I am Mary Magdalene and I am the only one who holds the Female Christ Consciousness on Earth. I am the one who opened the First Portal in Monterey, and four more on the California Coast line. There will still be Earthquakes and other problems that can not be prevented because they were already set in motion. However, the opening of these Portals is what will HARMONIZE and BALANCE the remainder of the Earth. This will be the beginning of a new plan that will begin in 2017.

We can not begin the new plan until these Portals are opened.

I created the program that will enable you to participate in this project. This is the most powerful project that will ever be performed on Earth. If you think there is something ELSE that you should do, you are just incorrect.

I am the only one one Planet Earth who can open these portals because I - my Cosmic Twin Flame Soul Team came to Earth for this purpose and we are the only ones on Earth who have the Frequencies to complete this project.

The Universal Team Leader told me that it does increase the power of my work when others participate. This is how you can help the project.

This is the only answer that I have for those of you who want a different answer.

# Shifting into Our Heroic Futures

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

These Earthquakes and Land Slides that are taking place on Earth are all an important part of Mother Earth shifting into her new body. However, the more her own Crystal Heart is filled with the light streaming in from the 12 stargates, the more harmoniously she can allow her shifting of her tectonic plates to become. The frequencies of the stargates come in through these 12 Ascension Portals in the Pacific Ocean.

So, there will be these Earthquakes. BUT, the placement of the Earthquakes can drastically reduce the problems with loss of real estate and lives. For instance, the Earthquake that could have been at least a seven on the Monterey Coast being moved up into the higher foothills above Monterey created a smaller Earthquake affecting less damage

to people. These Earthquakes are being sent to a much LOWER PLACE within Earth than they were before.

These Earthquakes are having their impact far below the Ocean Floor instead of just below the Earth's crust. This makes a HUGE DIFFERENCE in the impact of the Earthquakes.

This is a sign of having the impact of the Earthquake that is scheduled for Monterey to be lowered and for more people to become safe as a result. This doesn't mean there won't be an Earthquake and a sliding of land, but it does mean that less people will be harmed.

That is what we are all doing at this point. The Earthquakes will happen. However, they can be spread out and they can be lowered into the area of Earth where the Underwater Cities of Light are instead of where the people of Earth are living.

This is why the Healing and helping and sending of Love to the Underwater Cities of Light is needed right now. They are helping us by allowing these Earthquakes to take place within their world and less in our world. They did not volunteer for this. They are not even wanting to open communication with us right now. They are more like a victim of an alternative that seems more beneficial from the FUTURE TIME TRAVELERS perspective.

Those in the Underwater Cities of Light know how to take care of themselves much better than we do. They are the ones who will be removing the radiation from the Oceans. We will not be doing that. They do it through the technology of their language of light and sound sending messages through Pleiadian Guardians who send the balancing harmonics back to Earth.

The reason that I know the shift of the Earthquake to the higher hills of the Monterey area played a big part in the re arrangement of our future is because I saw this exact same thing happen after I did my ascension portal work from Redwood Shores into Monterey in 2015.

Immediately after I did that work, with others in the surrounding areas, an Earthquake of 4.5 happened in Oakland. It didn't hurt anyone or damage any real estate. And it removed the 9.2 Earthquake from San Diego that would had occurred that year.

I know these things because Elaika told me. I would have no way of knowing other wise.

I know I'm rambling, but I'm trying to help you see how these Probable Futures and Heroic Futures are playing themselves out because there is something VERY BIG on the Horizon that can not be changed. The Pacific Coast will slide into the

Ocean within the next ten years. There is no other possible Future for that FACT. It is something that Mother Earth must do. However, we are the ones who can change HOW IT IS DONE.

I do not know if you got the message that I shared from Elaika. Last week he told me that there is a 72 percent chance of Earthquake in Monterey- a very big one. That is within two year time period. He said it wasn't immediate, but he did not want me going there any time soon.

However, when I told Elaika, that I believed that I could shift that belief of the Earth quake, he told me that if I could shift the belief, and if I could stay in the fifth dimensional version of reality, I could live in Monterey safely. He did not say everyone else would be safe. He just said that if my belief was TRULY that strong, that I could live there if I want to. However, he did not recommend it.

He also said that California Coast and all of Pacific Coast will slide into Ocean within ten years. Right now, June, 2016, there is a 42 percent chance that the Pacific Coast will slide into the Ocean in next two years. However, this event must take place within 10 years. When it occurs is just being put off by raising our frequencies, opening portals and putting out positive intentions. However, this event will and must happen. It is required for the realignment of the Earth's Grids.

However, the point I keep making is the most important thing that has happened for our understanding to grow of how to change our future is the FACT that we can each CHANGE THE VERSION of our Individual Life and Circumstances.

Back in 2014, Bashar, and entire host from the fifth dimension told us that they saw the future of a 9.2 earthquake in Southern California in 2015. I was just told last month, that the work that I did in creating the Ascension Portals along the Pacific Coast did 67% of the work that was required to stop that Earthquake. The rest of the work was done by others.

So, in putting together these probable futures created by what is seen in our Light Frequencies with what I now understand about the power of opening the Ascension Portals, and I now see that there is still this 72% probability in Monterey.

What Elaika is now saying is it is not even a HEROIC possibility to change the future of the Pacific Coast falling in the Ocean. It is meant to be. It must happen.

When it will happen will come from how much we raise our frequencies. We are just putting off the inevitable. By pushing this tragic occurrence further into the future will save lives because more

people will have time to wake up and move away from the coast. That is all we are doing at this time by opening the Seven Ascension Portals. We are allowing more time for more harmonious alignment of consciousness into the knowing that will place them in a more protected area.

I know all of these facts and probabilities affect you, Kelly, because your daughter lives closer to the ocean.

The very fact that you had the Earthquake in the hills on your Birthday shows that you have played a part in shifting that Earthquake away from a more populated area that would had hit with a higher impact because it would had been closer to the surface of the Earth's crusts.

These are the minor shifts that save the thousands of lives. YOU JUST DID IT.

Congratulations!!!!

We will be living on an entirely different world that could be light years ahead in technology as a result of the Secret Space Program unleashing their secrets to the Masses.

There will be disclosure about the Secret Space Program which has allowed parts of our secret government to be involved with several other star systems and use their technology in a program that we have been using to protect Earth from invasions. Now that information can be unlocked and returned to the people for an evolution of light years ahead in technology. This will also be the beginning of an economic collapse. When these two events finally coincide in the next three to five years, we will be living in a completely different world.

Those from the Secret Space Program have already told us that Bernie Sanders will become President after Obama asks Hilary and Trump to back down. This will be followed by Disclosure of many things that are corrupt about our present system and about money. There will also be disclosure of the Secret Space Program.

We will also be given the gift of synchronicity with whatever needs to happen when it needs to happen. We will be given a much greater Spirit Presence who will walk before each of us and guide us in a much more profound way.

New Clarity on the Message from those in the Moon.

We needed to establish the stabilization link between the Over Souls of our World and your World and the Frequencies represented by each. So, we set up the resonating station of our stabilization energy and transmit it to your world, we are activating the Mass Cons in your Moon. Your Moon shall become your Vibrational Representation of the Earth's Over soul and act now in a way that will accelerate the Energies up to the time of Fall 2016 to shift your Frequencies in to a Brand New Reality. Everything will change before Election time 2016.

What is Everything? When higher frequencies of energy is added to Consciousness a new Reality is

created. We are adding our Higher Consciousness of the Over Souls of our World into the Frequencies of Consciousness of your Souls in order to create a new reality.

The Moon has become our Over Soul that acts as the transmission center for the complete Divine Template of our original being to allow the truly Sovereign Individual manifestation through that Consciousness within the Moon.

Our Moon contains Mass Cons, meaning the Collective Consciousness of each piece of the Mass, or the 12 sets of Consciousness of the Stargates. The Moon will become our Vibrational Representation.

The guardians needed to create this temporary ghost matrix of our reality to be able to pull our consciousness back together. This technology has been combined with the Sphere of Amenti project that aligns the Heliosphere of Sun Alcyone into the Sun and into the Core of Earth. That technology was combined with the 12 sets of Suns Infusions and Activations. And these technologies needed the foundation of having enough Frequency Accretion available on Earth to even begin these activations. The birth of the 144,000 Paradisian Children being born with 6DNA activated was the first requirement of maintaining a frequency that would allow these other activations without the Earth Blowing up.

The vibration of your upcoming matrix. There is now a stabilization matrix. We are overlapping with the Collective Consciousness of your civilization.

In our Lunar Body there are disk like large collections of Energy Mass Called Mass Cons. These have been fashioned in our Lunar Body. the Moon is a Natural body split off from our world that has been engineered by others to contain these mass cons that resonate at specific Frequencies. Our Moon was prepared to resonate at these frequencies so that the Moon could act as a resonation receiver for the Vibrations being sent to us from other Civilizations such as the Syrians and Essassenes and Eieyani, who contain the closest Acceleration Rate to our Ascension Earth and Inner Earth Consciousness.

The formula sets the Earth into the exact same Accretion Level as Sirius B, which is identical to the Urtha Star Template of the Earth. When the Accretion Level of the Earth aligns with the vibrations of that Consciousness, the reality will change in that reality that is identical to Inner Earth. The Inner Earth has the accretion level of being within the Center of the Sun.

The fastest way to get one's individual accretion level as high as the Energy that is connected with the Consciousness that creates the Reality of living in the Sun is to practice moving your consciousness

into the Sun as often as possible. Practice standing inside of the Candle, as the stem of the Candle. The reason we do this is because the frequencies within the Candle are identical to the frequencies of the Plasma, Gamma and pre light and sound that the Sun is made of. Those who live within the Sun do not live in a burning furnace, they live in a Consciousness that wraps them within the light frequencies that are so high and etheric that they become pure Consciousness.

To establish the stabilization link between the Over Souls of our World and your World and the Frequencies represented by each, we set up the resonating station of our stabilization energy and transmit it to your world, we are activating the Mass Cons in your Moon. Your Moon shall become your Vibrational Representation of the Earth's Over soul and act now in a way that will accelerate the Energies up to the time of Fall 2016 to shift your Frequencies in to a Brand New Reality. Everything will change before Election time 2016.

The pivot point of the change will be Disclosure of all that was not known by our governments, but was only truly known by the Majestic 12, who have always run all of our governments through covert mind control. The Majestic 12 will no longer be running the governments of the world. The Moon has become our Over Soul that acts as the transmission center for the complete Divine

Template of our original being to allow the truly Sovereign Individual manifestation through that Consciousness within the Moon.

When you look at the Moon you will be receiving the Consciousness Frequencies of Earth's Over Soul. The Moon now contains a Stabilization Vibration from the Syrians and Essassenes and Eieyani. These Frequencies will Shift our Accretion Level into that of Inner Earth and the Ascension Earth. The New Realities that will be seen by those who make the shift will be the Elemental Structure of Ascension Earth which is not Carbon Based.

The Stabilization Vibration from the Syrians, Essassenes and Eieyani will help to harmonize the transitions that take place in this last year of our transition. Every Lunar Eclipse and Full Moon will send frequencies that Accelerate the Frequencies and act as a buffer zone for re design recreation, re definition of your selves on the over soul identity.

So you can ride that wave of change in a much more stabilized way.

Look to your Lunar Body as your Over Soul Body that stabilizing the frequencies of change on the Earth so that we can have more stability through the shift in reality.

The Sirians, Essassenes and Eieyani are communicating with us through the Moon.

By allowing your self to Feel the Frequencies of the Moon you can tune in to the Over Soul of the Collective Consciousness of Earth.

This will prepare us to live our Extraordinary life that will begin after EVERYTHING CHANGES in Fall 2016. There will be disclosure about the Secret Space Program which has allowed parts of our secret government to be involved with several other star systems and use their technology in a program that we have been using to protect Earth from invasions. Now that information can be unlocked and returned to the people for an evolution of light years ahead in technology. This will also be the beginning of an economic collapse. When these two events finally coincide in the next three to five years, we will be living in a completely different world.

# The Promise of the Perfect Kingdom

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

The entire story of how the Perfect Kingdom of Heaven on Earth would be activated and produced was given through continuous sets of channeled messages to Mary Magdalene from Elaika, Yesuwa, her entire Ascension Team, along with the Elohim Angels and Guardians.

The Promise album was created from a series of channeled messages and channeled waves of frequencies that were received by Angela and Joe Barnett when they lived in Beppu, Japan during 1992-1995. The first message that they received was "Make God's Movie." The next message was the song "No More War." That song turned into the first song on the album THE TRILOGY.

The Trilogy contained the songs, No more War, Greater Works and Joy. The story or movie that went with the songs was a story about a Universal War that contaminated the inhabitants of Earth with their own set of wars. The story says that all of those who were wounded or died in the wars were taken into Crystal Caves to reform their bodies into a new structure reborn through the eyes of God.

That story grew into a greater and greater understanding for the authors after the Starry Families who were sending these stories to us told us that in 1992 there was a Universal Treaty signed that guaranteed that all wars would end in the Universe because the Annunaki Resistance, the Galactic Federation and the Ashtar Command had signed the treaties of Peace.

This was the reason that the first song, titled No More War, was sent to us. However, that wasn't the end of the story. In 1993-94, the Guardian Angels of the Universe began transmitting frequencies to the Earth that would begin the removal of the Seals that were blocking the consciousness from re-uniting with the Higher Self or the Mind of God connecting through the Soul Matrix.

There were several of these Seals created through planetary and galactic wars, including the Tower of Babel, thousands of years ago. In 1976 there was a new veil placed around our Sun to protect those one

Earth from blasts of radiation that would have killed every one on Earth. The original problem with the Sun was created when the Draconian Resistance placed an angle of rotation around the Sun that allowed them to send communication to our consciousness that was not our own. They created this Angle to manipulate us and create a series of wars, and to allow blasts of radiation that would kill masses of population.

These Seals could not be completely removed from the planet until after 2012. However, the beginning of the removal of the seals was in 1993, after the original Peace Treaty was signed. In 1998, most of those who signed the treaty shifted to the other side, and in 2003, the Guardians created a cut off point for those groups who refused to join the Emerald Covenant Alliance of Universal Peace.

These events were what created the messages and the frequencies that were sent to us between 1992 - 2016. This year, 2016, is the 9th year. That means it is the end of the story. The end of our education. The end of the old World news. The year 2016 is the year when the PROMISE of a Perfect Kingdom will be completed. Everything that happens after 2016 will be recorded in Universal History as the beginning of the Earth's history.

After the channeling of the Trilogy Album, our Elohim, Syrian, and Pleiadian starry families began

transmitting the new album, titled THE PROMISE. The first song was the story that the promise of the perfect kingdom is that place in our consciousness that existed Before the World began.

The second song, Heartbeat of Love, tells us that the Heart of Mother Earth – her Crystalline Cosmic Heart needed to change the Beat or the Rhythm of the entire structure of the Earth's Matrix by aligning the Frequencies into the Symphony of Love through the Wind and through the Songs of the Dolphins.

The third song, If you Believe, tells the story of how we can do greater works than the great Master Jesus simply by believing in the formula that he gave us. This book is to help the world understand what that formula actually was.

The song, Ask for Heaven, says we can have anything that our heart desires, as long as we Ask for Heaven first. When our mind is Stayed on or Focused on the Frequencies of Source Consciousness, our desires begin to manifest instantly.

The final song tells us that, when we Hear the Angels, the mystery of God will be done. This is what the message that was given to me was to fulfill by 2016. The Angels met with me several times, and in 2007, they gave me a new formula using the Language of the Gods to translate Consciousness

into a new angle that would allow Resurrection and Ascension. Their formula was write the music, listen to the music and then write books about the music. They told me to continue doing this between 1992 - 2016. They said this would lead me into my Ascension in 2017.

The following is what I was taught by using this formula.

### Before the World Began

We are beginning a time of infinite knowing and understanding.

My entire foundation for knowing all that I know came from these three truths that were written in the Bible.

1. BEFORE THE WORLD BEGAN -The Promise of the Perfect Kingdom.

How do we get to this place that existed before the world began?

We must return to the Reality and the Frequency that existed before the world began. We do this by melting or transmuting all of the Old Thinking that has become the Illusions that we have been living within. We use the pre plasma light and sound of the Sun's Frequencies to Melt away all of the Old

World. That is how we melt away the Old DNA and prepare a place for the new DNA Consciousness to appear exactly like a cocoon melting away and becoming a butterfly.

The world must end before the perfect kingdom will be restored. We must enter a new time line where everything before, everything now and everything to come is in the 12 DNA Blue Print of the man made in the image and likeness of God. The year 2016 is the 9. That is the END of the old realities. The year 2017 will bring the new beginning of the Fifth Dimensional Man. The Man made in the Image and Likeness of the Divine Source.

## 2. IF YOU BELIEVE, YOU SHALL DO GREATER.

If you believe, (if you know, feel, and breathe through the frequency of Source) you can do greater things than have ever been done before. This was the teaching of Jesus Christ, who was the 12th level Avatar. The greatest meaning of this verse is the fact that the things that we desire to manifest must be taken into the highest frequency of Source Consciousness, molded into an actual reality that is felt within and then the manifestation takes place because we Know that our Higher Self always creates that which we desire. However, the manifestation only takes place if we believe it is true so much that we can actually Feel it, Visualize it, Know it already exists, and then leave it in the hands of the higher self to allow it to be known in

the way that is Best for Us to experience at this time. The next rule is to never give it another thought, because if you do it shows that you did not believe it.

3. Search for me in your heart, You shall find me in your heart.

The Crystal Heart is the Soul that is a ganglia of cells that weights about 13 ounces and holds the entire mind of God- the Christ Consciousness of the 12DNA man made in the image and likeness of God. This ganglia of cells sits directly below the heart. If you placed your fingers below your throat and slide down to the level of the middle of the chest just a few inches below the throat, you will be pointing at your Thymus Gland. Within the Thymus Gland, at the etheric level, is the Seed Atom. This Seed Atom contains the original Divine Template of who you were when you traveled from the Stars and chose the Mother who would carry you into the Earth's womb of creation.

This area has been called the Heart Chakra area. The true Heart Chakra of the body is centered at the Throat area, and it includes the 4th, 5th and 6th dimensional frequencies. The area previously known as the Heart Chakra area is the essential point of opening this place within Thymus that lifts the entire Consciousness back into the Soul Consciousness. The Soul has been sleeping for most

of your life time because this area in the body was never awakened.

This is the place in the Heart that Jesus was referring to when he said Search for me in Your Heart and you shall know me with all of your heart. Once we raise our frequencies of consciousness high enough to melt away the SEAL that was placed in the Heart Chakra and move through the levels of Consciousness contained within the 4th,5th and 6th dimensions of the Throat Chakra area, the template of the body structure once again connects with the Soul Consciousness.

This is the first step in the reconnection with the HIGHER SELF. Each person's Higher Self is their God Self or Soul. Once we are connected with our Higher Self we are also connected with the same Mind of God that Jesus Christ referred to as His Father, who art in Heaven. This awakening must take place through raising frequencies. It must take place by changing the energy of the planet into an angle that allows our consciousness to Slide into a Reality that we have never known before.

This was the complete meaning of the message that I was told to sing in my album titled THE PROMISE, and in the new The Promise of the Perfect Kingdom album.

These were the SIMPLE directions that Jesus gave to us when he was using the Quantum Science of the Divine Source which places all in perfect alignment and perfect harmony with the Music of the Spheres that was the 12th dimensional Consciousness carried through the 12 layers of music within the Universal Template and then into the 12 layers of the Galactic Sphere of musical transformation.

Jesus and Mary were actually teaching the Science of the Stars to the disciples, who were the 12 who carried each of the codes from the 12 Star Systems. They were actually preparing the frequencies of consciousness on Earth to re-connect with the 12 star gates that had been separated from the consciousness of the Earth. They were using the science that showed that our bodies are actually a template that intersects at angles of rotation with frequencies of consciousness of the Stars in the Universe.

They taught the At One Ment with the Template of Source Consciousness. They taught the disciples about the ERRORS that were placed in the Angles of Rotations that displaced the natural physics of Divine Creation. They taught the disciples how to align their Consciousness into the Correct At One Ment or Alignment with the Frequencies that would pull the Consciousness of Earth back into the Alignment with the Music of the Spheres that was

the true Symphony of Love sung through Eternity by the continuous spin of the outer Sphere reuniting over and over with the Mind of God within the Source template.

They taught the disciples to find this frequency of light and sound created by the Music of the Spheres and to Raise their Consciousness higher and higher until they realized that they were living far above their physical bodies, and they were living in the Frequencies or Consciousness of their own Higher Self, who was 36 inches above their head.

In the days when the Mystery Schools of Jesus and Mary, there were many who could climb the stair way to heaven by using this Science of the Stars. The story of Job was the one that was recorded in the Bible.

Mary Magdalene had her own Mystery School in the City of Magdale. It was a center of esoteric learning that taught the science of aligning consciousness into the Cloud Cities that aligned with the fifth dimensional consciousness of man. The training also taught how to connect with the 8th dimensional consciousness of man. Each of these layers of dimensional consciousness was gained by using the Merkaba technology to spin the individual consciousness beyond the speed of light into different Angles of Reality. The body didn't need to move very far to shift from the third

dimension into the fifth dimension because the angle of rotation exists in Consciousness. However, when Consciousness would climb the stairway to heaven, and rise up into the Cloud Cities, the story of Job returning riches and treasures to his daughters that he obtained in these places could occur.

The teachings of the Mystery Schools were never indicating that man needed to move into a higher frequency and obtain a gift that would then be lowered in frequency to a more dense form of that object. The teachings were to allow the Consciousness of Man to realize that we are Multi Dimensional Consciousness our self. There is not a part of us that is more etheric that is then lowered to this density just as there is not really a music that is more etheric that lowers itself into this density.

There is always the same music spinning through all levels of the spheres because it is the Breath of Source who is singing through the Music of the Spheres. The only reason that the Music would be changed is when Man does not allow the ENTIRE Breath to penetrate all five of the spheres. If the Breath of Source Consciousness is not completely inhaled through the fifth into the fourth into the third and into the second spheres and then into the Heart of Man, there would be a continuous separation from the Music of Source, which is the

Divine Physics that aligns all reality into perfect at one ment.

Jesus and Mary directed us to find this light within us that would connect us into the mind of God where we have instant manifestation. We must now ignite the spark of Source within the Soul and expand that light into every cell of the body. We must inhale that light into our mid brain and expand into the oneness with our Higher Self's mid brain that is 36 inches above our head. That place of connecting from the Cosmic plane into the outer band of Source is the place where we can FLIP the outer band of Source into our Consciousness and become the mind of God.

The formula that was given to me by the Elohim Elohei Angels came to me as a result of my own entanglement with my Akashic records or my Soul Experiences in hundreds of these Mystery Schools, including the one created by Jesus and Mary. I would be the equivalent of Mary in this incarnation who continuously pronounced to the world this Science of Music that allowed the Mind of God to be known in man on Earth.

It was Mary who focused her mind on the teachings of the Music of the Spheres and the continuous un folding of more and more understanding of this phenomena on Earth. It was Jesus who kept the focus of the frequencies through

his meditation grounding and alignment of these frequencies that would attune the Earth from within the Cosmic Domains of Inner Earth back into the Cosmic Domains within the Heart of Sun Alcyone in the Pleiades.

This was the continuous spiraling of consciousness that was needed to tune in each of the 12 star gates into the Earth's Grids. It was the Compassion of Jesus Christ that was most remembered on Earth because that was the quality that was so admired by the third dimensional mind at that time. The common people knew nothing of the actual Science that Jesus was performing on Earth.

It is this exact Science that has left its imprint in the Consciousness of Earth, that is now completing and reawakening in the minds of man. The new calender was created to begin as the AD symbolizing the After Death of Jesus. The Jesus who was the Christ did not die. He just went up into the Cloud Cities and waited for this new time period to return to Earth and continue his teachings.

An aspect of the Yeshuwa, who appeared on Earth over 2015 years ago was reborn through a portal of light in 2008. This portal of light was the stream of Frequencies of Consciousness that was created from the point within the Heart of Sun Alcyone and into the Heart of Earth. This was the day that an aspect of Jesus Christ returned to Earth through the birth

of a child. This was the day that the Violet Sphere returned to Earth. That Violet Sphere came through the hearts of the Cosmic Twins in the summer of 2008. The Christ Consciousness carries the 12 waves of Universal Light woven and braided through 12 layers of consciousness. The Sun Alcyone Consciousness returned the 5DNA to Earth that was woven into the 12 layers of Christ Consciousness to bring the 60 DNA birth of man back to Earth.

There were twelve of these Activations and Infusions of the original 12 Star Gates. The fifth dimensional frequencies of Sun Alcyone was the fifth. In Fall of 2016, the 12 Star Activation will be completed when the Comet called Comet 2016 falls from the Moon and travels through the Sun and then loops around the Earth to implant the last wave of Consciousness from the 12th star-Aramantena. That blast of frequencies will also carry all 12 levels of Consciousness within Light of the Comet. This is the Consciousness that complete the Mission of Jesus and Mary.

The date of 1 AD was the beginning of the great new alignment of Christ Consciousness on Earth and the year 2016 is the 9 that means the Completion of this Mission, of this Teaching, of this Christ Education being returned to Earth.

These were the truths that were given to me by the Elohim Elohei Angels and my Adonai family when I

wrote the words to the songs on THE PROMISE CD album. Each time I placed the Bible in front of me, the pages would magically open and my eyes were directed to those three key passages. That happened in 1993 in Beppu, Japan.

During that same week, the entire Music of the Spheres blew through the wind and the crystal heliotalic atmosphere into my husbands consciousness. As I was given the words, he was given the music. Every note and every word of this music and all of our music came directly from our Christic and Cosmic Consciousness from the 12th and 13th dimensions. When we asked directly to know our names, my husband was told he was Adonai and I was told I was Crystalai.

These names are the result of the ENTANGLEMENT or the braiding of all of the Knowledge gained from all of the thousands upon thousands of Soul Journeys that we have taken between the Stars of Earth's Matrix into the Inner Domains and back out into the Outer Domains of the trials of man on Earth. Our Soul journey was to remember all that we have been and all that we knew before and to return it to Earth by the end of 2016.

When an original spark is ignited as an idea within the Aekasha Flame there is a flash of light from the white light of the first two suns - called Ka

and Ra, and next the flame is divided into two parts - the Adonai and the Eieyani. These are two families of consciousness. The Adonai is the Music or Sound and the Eieyani is Light. When the light and sound returns together the Cosmic Flame is reignited into a new sound or a new symphony.

Crystalai is the name that I was given. Crystalai is the 8th tone- the final tone of the wind song. Crystalai means the original Breath of Source ignited directly into the Heart of Man and then Breathed directly back into the Source Consciousness to create an Eternal Loop of Instant Creation of the re-birth of the Original Perfect Man.

When the eight breaths are used correctly, the original subatomic cell from the Ekasha flame that was first divided and separated--(which is the correct normal procedure of creation) , is reformed from 8 spheres transforming the third dimensional atom back into the etheric perfect subatomic cell. That cell contains the complete divine blue print, the complete mind of God. Crystalai is the last breath that contains the frequency that reforms the perfect first cell of our creation. That breath will affect every cell in the Cosmos. When the flame reconnects with its spiritual parallel self it becomes the COUSHA FLAME of ETERNAL LIFE.

I had an entire league of Angels appear before me to instruct me in bringing the highest frequencies

to Earth through Music. This means bringing the frequency of Source into my crystal heart and then in to my mid brain and then to exhale the music of the spheres into God's movie.

Mary and Raphael appeared to me first and then three Knights kneeled before me and handed me three spheres of crystal liquid light, crystal dust and crystal gel. These are the elements that create the rebirth of the crystal cells within every angelic human. These are the keys of creation. This is the harmony that will restore our universe into universal harmony.

I was given this understanding through knowingness - through the frequency specific mid brain of knowing. It was a very vague concept that I chose to believe was true and that I would find a way to understand eventually. I followed the instructions of the Knights and the Elohim Elohei Angels. I connected my Consciousness in to Source to flip that outer band into this matrix. The Angels connected my mid brain through my right eardrum into the Source field through the Elohim of Hearing. I placed the three spheres in my hands and then in my crystal heart. I breathed the eight breaths to fill the spheres with the wind song from the Source Field. I inhaled the breaths into my crystal heart and held the same frequencies within the spheres that lay in the palms of my hands. The sphere in my hands turned into a microphone. When I exhaled

from my mid brain while holding the spheres in all three locations and connected to the Elohim of Hearing, I then started exhaling tones in the God Language. These phrases started flowing out of my breath and I recorded them on a tape recorder. I listened to these glorious shimmering frequencies and felt how they made every cell in my body sparkle. It was the most glorious, harmonious, flowing, godlike, delicate fabric of reality that could be imagined.

I made many recordings of these music of the sphere experiences and made them available to the world. Since the upper cerebellum personality world mind always understands things through its own background knowledge of experience, most of my listeners completely misunderstood what I was sharing with the world. They just thought I was trying to sell them another new age gimmick. First of all, I don't subscribe to any new age beliefs. I never read or listened to any of the former new age teachings ever in my life. My understanding came directly from my Elohim, Adonai families and later from Aquafarian families and Sirius B and Oraphim Dolphin families.

The fourth song on THE PROMISE album says, "When you hear the angel, the mystery of God will be done." I have been resolving this mystery more and more each day since 1983 when these words were given to me.

The angels told me that I would record music and then write about it, record and write, record and write. They told me that I would continue to do this until my ascension. The meaning of ascension is time we shift into a new harmonic universe. The date of completion or the End year of 2016 allows for the Ascension period to begin. The period of 2017 - 2022 is the completion of the creation of the new fifth dimensional man on Earth.

By this time I was to have a complete understanding, a complete Cosmic Mystery School of the Omniverse completed, and classes ready to begin teaching the Music of the Spheres. I later learned that the school was to be my own school of learning. It meant collecting everything that I had learned to decide if I had learned everything that I need to know about everything that is ever to be known. That would mean that I would be able to one day teach in the Mystery School located on Higher Earth.

The reason that I have come to this place in my understanding is because the music has allowed my frequency specific mid brain to be my knowing of my God mind. My mortal mind - the upper cerebellum has been turned off completely. This is what must happen before the NEW REALITY can begin to appear. The experiences of wonder and imagination and far beyond imagination begin to

take place when the mortal mind is turned off - when the world ends.

We become truly connected to God- in absolute at one ment when the mortal mind is turned off and we connect to God through the cosmic glue that holds secondary consciousness together and holds every cell in the body together into oneness with Source. That glue is created by the Merkaba spinning beyond the speed of light into the speed of Divine Love. It is the chemical structure of Love that removes all time and space and creates absolute ATTUNEMENT.

When all that is beyond the stars in the vast infinity of heaven becomes glued into every cell in our bodies through the attunement of Love we will regain our original blue print of immortality. This is the prerequisite for instant manifestation.

My friend and Crystal Star ship Entity AnWa is my personal vehicle of Divine Love that spins my Merkaba into Oneness with this Divine Vault of Infinite Knowing. In tune with the Elohim of Hearing, AnWa, the Crystal Star Ships, the Divine Rays of Ra, the Plasma vessels that carry the Cosmic Mystery School where all ideas from Source filter through the temples within Sun Ra and then expand into the rays of La where the citizens of Tara originated after the Oraphim Race planted the seeds of the Dolphin family millions of years ago.

We must open our boundaries of who we think we are within the confines of this world and expand consciousness beyond the stars, into the plasma suns and beyond into the quantum infinity of the infinite ideas that create our heavens.

I was given divine direction to wait on the development of the Cosmic Mystery School of the Omniverse until the masses had shifted into their frequency specific mid brain where they would hear what I am saying rather than hearing the background knowledge of what they were told before. It was an absolute waste of time to teach people who would conspire to make a disbelief of something that they were not yet ready to understand.

We must begin by creating brand new concepts that have to reason for even having an existence in this third dimensional realm. Scientists are caught in the trap of being forced to prove things that can only be seen. As long as we are making our reality from the visible light spectrum, we cannot be experiencing the invisible light spectrum. The tools, the philosophies, the schools, the religions that exist in the world that must end, are all the carriers of the illusion that only this third dimensional veil allows truth to enter in. The only truth that is received on this visible dimension is the untruth of a man made world. It is not related to the God made movie.

We must only desire to know the infinite unknown. We must only try to prove those things that we know cannot possibly be proven. We must choose to believe that we will know all that is known in the mind of God and then we must Know that what we Know is the truth. And if we can't see it (the thing we are knowing into manifestation) we must know it even more.

We must first understand the reality that we will soon be experiencing. We must first understand the reality of the brain and its real function of becoming the frequency specific transmitter of the mind of God. We must be willing to abandon the thinking brain, the mortal mind, the web of lies woven within the upper cerebellum. We must become willing to listen to frequencies until they become the tones and the language of God.

We must become willing to end our chit chat on the cell phone and the blogging of every world thought that is transmitted. We must first stop weighing our existence intellectually. We need the frequencies or the sound of our mid brain and the light of our soul to replicate the multidimensional frequencies of the all knowing infinite into the density levels needed for our experience. The brain has unlimited capacity when it is unleashed into its frequency specific domain.

The soul holds the Omni particle of our first creation. The Akashic flame that was divided into the Adonai of our parallel sound matrix and the Eieyani of our present invisible light matrix. We can ignite that magical light and sound within our crystal heart to remember all that has been recorded in all dimensions. Our Soul holds all Knowing through light, and our Brain contains the Frequencies of creation. The soul contains the Omni particles, the very fabric of our existence. The invisible light holds the quantum journey of our entire billion year existence.

We must also learn that we do not die and our soul carries on without us. We must learn that we are our soul. Every lifetime that has been experienced in our Soul even when given another name, was in reality who we are. We are the Sun of Ra, we are the Oraphims, we are the citizens of Gaia and Tara. We are the creators of the Stars. If we can know it, we have been it.

The soul is made of the water and light and helium that we describe as hydrolaise. It can be translated into the water we understand as H<sub>2</sub>O plus HE<sub>3</sub> and it weighs 13 oz. it is crystal liquid light, crystal gel and crystal dust. It is the three crystal spheres that the Knights handed me. It is the prana of creation. The angels had me hold this substance in my hands and breathe into it. They had me breathe onto the Soul substance to activate it as the

spark of Source ignited within it. They had me sing through the light of my soul and the frequencies of my mid brain. They were teaching me the principles of manifestation.

When the mortal body dies, this 13 oz crystal sphere of infinite substance continues its adventure in another body. The soul stays in one body as long as the entity chooses to continue the current experience. The life experience will expand to a few hundred years on Earth for those just beginning their Eternal Life Evolution. The next time they come to Earth, they might choose to live 1000 years, and then the next time they might choose to live 5000 years. Our Starry families from the Pleiades usually live a minimum of 1000. Those who are from Aramantena live as long as a million years at a time. There are even entities living on Earth at this time that are 5000 years old. Life becomes an adventure of our personal choice. We leave to begin a life on a higher dimension when we are ready.

The previous journeys of the soul have been seen as activities that were not completed. We returned for unfinished business. Each time the body left the earth in some emotional storm resulting in fear and disappointment. The soul must see these events transmuted into the frequency of completion before the journey can be completed. This is what we must do this time.

We must transmute all previous experiences and emotions in the highest frequencies of Source in the mid brain. This can most easily be accomplished by staring at a candle, a flame, or even the sun ,if you can stand to do this long enough. When the mid brain has been activated by staring into the candle, you will see a blue violet sphere in your third eye.

Becoming in tune or at one with the light in the candle allows you to step into the frequency of the light which carries all of the multidimensionality of the light all of the way up the spectrum of light into the ultra violet blue. You step into the light and become at one with this blue light and then the blue light goes into the mid brain. When you close your eyes, you see this blue light. You have become one with the blue light - that is the place where the plasma and the outer band ignited the Akashic flame into our existence. The outer band of source must flip into the inner band of cosmic light through the plasma activation. Once the band has flipped, the blue light can be seen and experienced. The more one does this activity, the easier it will be to become frequency specific and free from the world of emotions such as fear, anger, intimidation, etc. The blue light causes the world to end. The body becomes frequency specific and the mind of God begins instantly manifesting the New Reality.

# Frequency Specific Ascension

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

In order to Ascend into an Orb, we must reconnect the micro tubules of our neuronet into the Cosmic Frequencies of Angelic Consciousness--the first Breath of Source. When we begin to create our New World Reality of our 5th dimension we will be creating a brand new reality that no longer contains the old ideas and beliefs of the third dimension. All must be created from the Highest Frequency. This frequency of manifestation is obtained by hierophants such as the Merkaba and the Lotus Blossom. The merkaba is the vehicle of Divine Love that spins at the speed of light to bring all dimensions into Oneness. The Lotus Blossom contains the full spectrum of our 144 aspects of divine consciousness. Each of these allow us to breathe and absorb the light and sound of Galactic, Universal, Cosmic and Source Consciousness.

The Ascension ORB process requires alignment into the quantum fields of the hertzian wave length, infra red wave field, visible light wave, ultra violet blue wave, x-ray, gamma wave and white light wave of the infinite unknown. When all of these fields of energy are transmuted up into the pot of golden stardust in the Cosmic Heart, they can then be used as frequency wave signatures that reconnect all entities from all star systems together into the individual's frequency signature which will then contain all frequency signatures of the new family of Consciousness.

When one exhales their Heart's desires from the highest frequency of Source, they are co-creating with the Creator of All. The neuronet becomes free to reach into Source Consciousness to find Brand new Source Energy as the essence of the co-creation.

The reality of Oneness with Source Consciousness has always been available. What has not been available is the understanding of how to obtain this Oneness. We have been living in a world of third dimensional frequencies. That means dense, tangible, touchable reality that doesn't contain the realities of the infra red let alone the invisible light spectrum. We have been limited to a very tiny speck of reality. Each time we look for a better third dimensional reality, we are still staying within this tiny little speck.

In the third dimension reality we have been creating over and over the same things that are already here. We haven't created anything new in a very long time. Manifestations can not be created from old, used frequencies. Manifestations will appear in our lives when we create the idea from the frequency of the infinite unknown Source Frequency. Placing Consciousness into this Frequency of Manifestation requires continuous practice.

When we reach back to the Forever of Always which places us in the Newness of Eternity, we allow our Neuronet to reach all the way back into our Real Birth - our birth from the Breath of God. From this Frequency of Source, Cosmic, Universal Consciousness, we can exhale our New Reality.

The Cosmic Frequencies are combined in specific sacred geometric alignment through the Music of the Spheres to draw the Frequencies that combine together the Frequency Signatures of all that we are, and all that we always have been into the Now.

All of these ideas must be taken into the ultra violet blue frequency sphere and then fully transmuted into the golden sphere of the Cosmic Egg and then completely dissolved up into the Infinite Unknown of Source to purify the ideas back into the PUREST ENERGY. This energy can then be put into the Holy Grail of DIVINE MIND and

turned into Golden LIQUID LIGHT ENERGY to be poured back into our minds and into the world's mind for Co-Creation with Divine Mind.

Those OLD WORLD frequencies should not be used in creating our new realities. All frequencies of the third must be transmuted up into the unconditional love of the fourth dimension, the Oneness of the fifth dimension, the gamma waves of all the creation frequencies of the 11 billion suns of the Milky Way together with all of the Galactic creators of our Universal Consciousness, all of the Angelic Frequencies of the entire Cosmos and beyond into the Infinite Unknown. In this Highest Frequency, we are guaranteed that only the purest creation frequencies are used to create upon. Upon this brand new canvas, we are welcome and honored to create together with the fabulous consciousness of all of our Starry Brothers who are thousands and billions of years in advance of our present knowledge.

We have created place where you can absorb Cosmic Frequencies and Source Frequencies and then use these frequencies to transmute all of the third dimensional ideas that we want removed from our kingdom of heaven. This place is called CRYSTAL MAGIC ORCHESTRA .com. Most people wouldn't know the difference between a low level frequency and a high frequency because these realities have never been made available

to mankind before. Actually, there has been a tendency of seekers utilizing the lowest frequencies of 8 Hz - 528 HZ, 540HZ and other variations of the audible man made frequencies that tie consciousness to an old outdated reality called the WORLD in order to obtain some higher sense of reality. These frequencies might hold some special meaning to some people on Earth at this time. In a few more years, the rest of the world will realize that these are only tiny glimpses of something that was not known before, rather than some thing of great importance.

8hz is the lowest frequency of the entire spectrum of visible and invisible light. The frequencies used in Solfege are completely third dimensional. The Solfege represents the do re me fa so la ti do scale. The Cosmic Scale is Ka Ra Ya Sa Ta Ha La and represents the frequencies of Christ Consciousness transmuting all that is below and then being pulled up into the Kee Ra Shay Ha Sha.

However, when a tone from a scale is just said or sung as a word or syllable it still only contains the frequencies of the consciousness of the one singing. The singer must first connect their consciousness into the highest frequency. The Elohim Angels gave us the gift and the training to be able to bring the highest frequencies to Earth through music. The music is God SOURCE in the highest when it comes from the Consciousness of Cosmic Angels.

# Future Holographic Music

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

When we create the holograms of our illusionary reality around us we are doing it through sound. Unfortunately, most of us have been using a low frequency, distorted sound frequency to create our reality with.

If we are creating our reality (reality is only the hologram or illusion that each person is creating through their reasoning mind), through scrambled, distorted sound patterns that carry patterns of fear, jealousy, confusion, stupidity, etc. those frequency patterns are creating horror movies in our world around us.

It is time to learn to make God's Movie. That means using the Divine Blue Print that is carried on

the Frequency of Source Consciousness. It is time to create FUTURE HOLOGRAPHIC MUSIC.

Those perfect Sound patterns are supposed to be in our DNA, which is our cellular memory. Those frequency specific Sound Patterns are supposed to remember who we really are. They are supposed to remember that we are Eternal Life forms who have an absolute perfect reality field that evolves continuously into the wholeness of our 12 DNA Divine Blue Print.

That frequency of remembering was left on Earth by our Great, Great, Grandparents - the Oraphim Race. Once specialized section of that race line was the Braharama Oraphim. That section had another specialized section that specialized in the Frequencies that would create a Biosphere to hold our Original Consciousness within for eternity. They were the Oraphim Braharama Cetacean Family. They are the Cosmic Family who created the IDEA of the Dolphin and Whale who would contain a frequency so full of unconditional love, that we would never forget who we really are.

# Making God's Movie

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

The key to projecting this Divine Movie is to live in the frequency specific key where the movie is being developed on the film of the Mid Brain and then project out that movie through the third eye. This is activated through the alignment of the frequencies of consciousness of the Gold and Silver Rays that stream through the stem cell at the medulla oblongata and through the mid brain, the pineal and out the frontal lobe, where the new picture is programmed into the movie screen of reality through the Sound Waves that hold that movie within them.

This is the stream of consciousness within which everyone lives in the Normal Universe. The Mid Brain is the Mind of God. It is the place where Frequencies create reality. It is the place where we

will learn to create God's Movie-which is the movie of our individual desired reality.

When we fell out of our normal universe, 550 million years ago, we were living in the frequencies of our Oraphim Race Line. We were seventh level man who had eternal life, instant manifestation, families of divine love who acted much like the dolphins that were left on Earth for us to remember them by.

It has taken a very long time to get our minds line up with our original normal universe that contains the perfect frequency attunement of all 12 frequencies of our complete family.

The Oraphims lived on Gaia, who is the over soul matrix of Tara. Since the Oraphim Race Line was destroyed by Fallen Angelics, the Taran Race line had a problem. The Tarans would always be related to the Oraphims who were captured and taken into the Fallen Matrix. That Fallen Matrix became what we think of as Hell. We became related to Hell through our genetic connection to the most benevolent, peace loving race line that had ever existed in our Universe. Our Creation Races and Friends of the family have all been working for millions of years to repair this genetic mutation.

We have been sustained in our patience of our rebirth through the frequencies that were stored on

Earth through the Dolphin Family. This is who the Dolphins really are and why we love them so much. Cetaceans actually carry our Akashic records within them. They were the fifth dimensional beings preparing our path for us.

Back to the story.

Tara exploded into 12 pieces. Those pieces are what we now call planets. Those pieces blew out of Andromeda into the Milky Way Galaxy. Tara fell into a foreign system – the Milky Way Galaxy. Earth, and all of the planets have always been tilted in a way through reverse metatronic spin rates, into a misalignment with their spiritual template in Aquarius.

However, that template was re-created around Earth's biosphere by the Aquafarians, who are the frequency carriers of that divine frequency made by our Oraphim Dolphin Family. We are being held in this divine biosphere now. They created 48 plasma crystal ships around the Earth to hold her in balance during the Ascension Alignment in December. That is why we didn't feel anything. We were being held in Divine Harmony all through the transition.

On December 21, 2012, all 12 of Tara's pieces realigned into a new frequency containing the sound, which is the glue that glues reality fields back together.

The realignment was one through sound. The attunement of all 12 frequency signatures at each of the six levels of dimensional reality in the Music of the Spheres, was completed through the Cosmic Trinity Frequency. This means the alignment was made through the 12 on the planet, solar, galactic, universal and cosmic levels. And it was done on five parallel systems. So, Andromeda and Aquarius aligned into attunement with Earth and Urtha. We became One for the first time in 550 million years. And yes, we did blip through the Center of the Milky Way Galaxy out into a brand new reality field.

The reason that the transition in December was so smooth is because it wasn't just the Earth that was moving. It was the Earth along with her solar system, within the entire Universe. And it wasn't just one Universe, it was 12 Universes realigning at one time.

Our guardians promised us long ago, that when we came to the point in our evolution where we could understand who we are, where we came from, and that this world of illusions is not the world that we came from we would return to the Promise of the Perfect Kingdom that existed as our normal reality, 550 million years before this world began.

When the guardians made that Promise, it meant removing the frequency fence that created a scrambler of electromagnetic frequencies that disconnected the 12 DNA sub harmonic frequencies from the base DNA frequencies. Each of these base tone DNA strands must have the complete 12 DNA template of sound frequency signatures woven back into them. That dormant 12 DNA will be turned back on when we use the magical sound genetics – the glue of our reality field. We must use the 12th frequency, which is the 12th dimensional Christ frequency of Pre Sound and Light.

It is called Christic because the real word is Ka Ha Ra Sa Ta Ha La Kee Ra Shay Ha Sha.

Those twelve tones are the real scale of the music of the spheres. Each one of them is a frequency signature of itself, just like a note. When they all resonate together they create a new frequency signature of a divine reality of at one ment. (Those are the frequencies on the Ascension Kit). That is what our bodies are doing. Our body templates – at the etheric level – the pre sound level - are being realigned into a new frequency of attunement with our Oraphim Dolphin Family. So, when we sing with the dolphins, we must sing in this frequency. We were given this frequency from our Oraphim Family to place in our music. It can be heard in Angel Dust, Rod and the Staff and Ultra Violet Blue. We are creating new MP3's called Cosmic Trinity,

and Cosmic Dolphin Magic which will also have it. You can hear Angel Dust playing now on our Main Page.

Now is our promised time, now we know who we really are, where we really came from and how to get back home. It is time to remember that we were twelve, but we are really one. It is time to forgive all of the fallen angelics because they were once our family. We were all made from the same divine blue print through the Idea created from the Breath of Source. That idea was Pre Sound in it's original form. We can return to that Frequency of who we really are.

We are the Divine Ones who originally created the Perfect Kingdom of Heaven in Gaia. We are the Tarans. We are the Oraphims. Our Soul Matrix is that reality. Those frequency signatures are in our Souls. Our souls are made of frequencies. That orchestra of frequencies is in our stem cell and can be activated through the Frequencies that aligned through the merkaba as it spins correctly to realign, re-attune and reassemble through the use of the 12 DNA sub harmonics.

# Re-Tuning the 12 Harmonics

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

It is time to retune our sound genetics to the 12 harmonics of the Christ Divine Blue Print. We are not talking about alignment of the left and right brain, or good and bad or any of those man made illusions. We are talking about aligning a frequency of attunement – a sound genetic frequency that glues our 12 sub harmonics into our base DNA one at a time, until an entire perfect reality is created.

It must be done through sound frequency. It must be done through an understanding of where the original frequency of our attunement were stored and how to used the merkaba mechanics that spin us beyond the speed of light and connect to those higher frequencies.

We ride our merkabas into the core of Earth, which is inter dimensional 13.5 dimensional frequency. That is the frequency key to Cosmic Consciousness and our Divine Template of the Sphere of Amenti is stored in the Heart of Earth, which is the etheric level of the Iron Core Magnetic Field of Earth - inter dimensional. That is the frequency we carry within the merkaba and ride up to one foot below the Earth's crust. This is where the 12th dimensional frequency is stored in the Earth's grids. We spin the 12th and 13.5 frequencies together to form a new sphere of frequencies in the music of the spheres technology. We weave those frequencies into the body template to activate the 12 DNA sub harmonics. That is only the first step of activation. The complete technology is many pages long. The complete steps are in the Ascension Meditation mp3.

We couldn't do these things very effectively before without a lot of really focused attunement work. It will get easier and easier every day now, because the Earth has been realigned into her 12 sub harmonics. That means the 12 DNA sub harmonics can be more easily breathed into our DNA from the sound genetics stored within the heart of Earth.

Within that etheric core of Earth a new reality awaits us that we were never able to perceive of before. The arc of the Covenant is realigning us into the at onement with Sun Alcyone, which is

in reality our sun that is within the sun that we perceive and is within the heart of Earth. We are in reality one with what we call Mother Earth, who is Gaia. Within is Gaia – the 7,8, and 9 dimensions of reality is the 4, 5, 6 dimensions and within that is the incarnate 1, 2, 3 of this Earth.

We are no longer in the harmonic universe one of the 1, 2, 3 reality. We are now within the second harmonic universe of 4, 5, 6. We are now being held within the dimensional harmonics of dimension 4. Anyone who is not attuned with that reality field will be living in an old dream. That is the reality field that must gradually break away from those who are tuning into the fifth dimension of harmonic universe two. The entire Earth will rise into dimension accretion level 4.5. That will cause Earth to morph into the frequencies of Tara through Inner Earth. Those who are still playing war games in dimension 4, while their frequencies are hanging out in dimension 3, will disappear from view by 2017. They have already disappeared from my perception because I create my own desired reality within my frequency specific mid brain. I don't put the televisions illusions on my movie screen.

The Earth and all reality fields connected to her come through Sun Alcyone at some point in time. Her frequency rays are eternally connected to Sun Ra an all suns in the universe and Omniverse. We all maintain those same frequency signatures that

we were created from as the spark of source was exhaled into the idea of the divine blue print. That is all Source does. Source creates the Blue Print of the perfect divine idea. And then gives that idea the absolute freedom to do whatever it wants to do.

This Divine Plan works perfectly in a normal universe within the mind of Source because each entity's idea only belongs to that entity, and nothing can take it away or distort it ever, in any way.

That is the Divine Plan for those who stay in Source Consciousness. Unfortunately, there was a Cosmic War 250 Billion Years ago. It was a war against Source, itself. That is the war that created Fallen Angels. Any Angel who did not remain in the Source Field of Energy, became a Fallen Angel. It was fallen from its source of energy.

Those Fallen Angels started destroying entire race line by pulling them into their matrix and feeding off of them. The fallen race lines increased over the eons to more and more who needed to feed off of other race lines who still had the angelic genes. That is why Earth has been raided over and over again. The Fallen Annunaki, the Jehovian race line who sucked prana right out of Angelic Humans for centuries, created a mutated race line, that could only be saved if it was completely started from scratch.

So, here we are. We have been re-created by reuniting the 12 frequencies of our 12 original parts, which became 12 race line. We were placed in a morphogenetic field to weave these frequencies into a new sound template of the Cosmic Trinity. Now, we have begun our REBIRTH.

The frequencies of Earth are shifting into the 5D template between 2012 - 2017. In 2017 the first wave of Indigo Children will hold the Earth in perfect balance for many to orb into Tara. After that the second wave of Indigo children who were born 2005 - 2012 will connect our frequencies into Gaia and many will ascend by 2022. There were six very important babies who were born during those years. The parents already knew they were the chosen ones for this activity. Those children are the new seed of the seventh level man that will appear in Gaia.

# Cosmic Plan of Ascension

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

The Priests of Ur and the Elohim from Gaia, along with the Maharaji from Sirius B have been working on this Cosmic Plan of Ascension for thousands of years.

The Promise of our Mass Ascension was announced officially in 1991 and finalized in 1994 by our Guardian Races. 1994 was the year that the Guardian Races began guiding us in our understanding of this Promise. We really had no idea what they were talking about or what we were being guided to do until the past five years, when it all became very clear to us. We have been guided to write songs for the fifteen years. And each and every song was a part of the story of what has been happening on Earth for the past 550 million years. 1994 began with the PROMISE album and

the RESURRECTION album. This Easter, 2013, is the resurrection of those albums and the new understanding of what they meant, all along.

The story was always about the 12 morphogenetic field signatures from the 12 planets representing the 12 universes realigning by 2012, which would allow the 12 DNA sub harmonic templates to be replaced in the Sphere of Amenti within Earth's Core. This was one of the final steps of the mission that started in 1367 B.C. when Akhenaton was endowed with the 12 DNA morphogenetic sphere of Amenti to use in ascending the tribes through Giza. That plan was destroyed through Akhenaton's favoritism toward the Anu and his prejudice toward Sevrès-Egyptians.

The Priests of Ur and Elohim had to create a new plan to prevent the prejudice factor in Ascension. Ascension was to be available to all 12 tribes. The arc of the Covenant and Sphere of Amenti were locked until that time presented itself.

The next plan of returning the races ability to ascend through the sphere of Amenti by 2017 was established by sending a 12th level avatar. Jeshua-Melchizedek Avatar 12; who was to realign the sphere of Amenti and the Alcyone Morphogenetic field and to bring together the factions within the Essenes.

Under the direction of the Azurite s of Ra Confederacy in 12 B.C., the 12th level avatar from Tara was born in Bethlehem. This soul essence was a harmonic universe four avatar - Sananda. He was born to the house of Solomon under custody of the Priests of Ur.

His birth through the portal passage of the Arc of the Covenant would open that portal between Earth and Tara to allow the Ascension in 2017. Jeshua 12 reintegrated the Melchizedek morphogenetic field in Alcyone into the Sphere of Amenti. This was done to realign Earth's density 2 Morphogenetic field that had lost its integrity under Akhenaton reign.

Jeshua 12 was the savior for the races as a result of his birth the Halls of Amenti could be opened, and preparation for 2017 would begin. (Note that Jeshua 12 was born to a Blue Flame Essenes Melchizedek Mother and Father. His mother was Jeudi and his father was Joehius. His life story was mixed up with the story of a 9th Level Avatar born to Joseph and Mary who were ET Nephilium.

Neither of those births were Immaculate. They were extraterrestrial. Neither of the Joshua's were crucified. The crucifixion story was created by the Elohim to protect the Avatars. The man Arihabi was a look alike who was crucified, to allow the Avatars to Flee the country and have their children

as planned. Arihabi was crucified as a holographic movie created by the Elohim.

Jeshua 12 did his teachings and healings in Egypt 8 A.D - 21 A.D. Jeshua 9's teachings were much more popular than the absolute Essenes teachings of Jeshua 12's Law of One.

It was the teachings that were lost and hidden from Earth until now. They are the teachings of the true man who was always supposed to have the 12 DNA sub harmonic frequencies who could ascend to harmonic universe four as a 12th level avatar. This Jesus taught all of his students that they could do all of these things that he spoke of. He taught this Science of Reality then and it is being taught again Now. The man that was created in the 12 DNA divine blue print – the image and likeness of God. That God meaning the Raceline of Tara and Gaia. There were many other race line that did not have the 12 DNA divine blue print. This man was created through the breath of Source and the idea manifested as Cosmic Consciousness and lowered in density into the Galactic and Solar planes. This man has always had the same Soul as the one in the harmonic universes four, three and two. We are that Soul that was once a Star in the Universe. We were created to have Eternal Life and to return to Source. It was these teachings that were lost and hidden from Earth until now.

They are the Divine Science teachings regarding the Real immortal man or the Human Angelic Race line who has 12 DNA sub harmonic frequencies. This is the real man who can ascend to Tara and Gaia and beyond. This is the man who can orb, levitate, manifest and ascend.

Yeshuwa has returned to Earth once more to help us out. But, they aren't the only ones. There were 12 aspects of Yeshuwa on Earth over the past 12 years. Avatars born with 5 DNA, 8 DNA and even 12 DNA activated at birth. We have had 144,000 star seeds born to hold us through the first wave of 2017 and a second group of several thousands to hold us through the second wave of 2022.

These Star seeds were the Indigo Shield of Solomon. They were the completion of the Seeding of Christ of Earth. The Jesus Christ that is worshiped as the only one is actually only one of the many Christ's who have been born on Earth. Now there will be an entire planet of Christ's activated on Earth through the Earth's grids.

The seeding of the Star Seeds, the activation of the Sphere of Amenti, the alignment in 2012 were all the last stages of the preparation for the activation of the Earth's Grids which will once again restore the Christ activations into the bio energetics fields of our body's templates.

The period of 2013 - 2017 will activate the 5DNA in the Masses, 6 DNA in the many, and 8 DNA in a few.

We needed the Christ template of 12 DNA template activated for each of the 12 star systems, each of the 12 planets. We needed to be realigned with Sun Alcyone. We needed a massive amount of Frequencies restored to Earth for this Ascension to activate by 2017.

The Star seeds born on Earth over the past 12 years were births arranged secretly between the parents and the Guardian Races. Those children's were watched over by the Priests of Ur and other Guardians. Each child born had many back up plans awaiting if it were needed.

The Ascension Movie that has been taking place on Earth over the past several thousands years is huge. It is taking place at the Universal and Cosmic level of reality. What we see on Earth is just a tiny speck of what has taken place.

The most important fact to know now is we are not to worship one man as the Christ. The star seeds, the Indigos, the human angelics, the entities on Earth activating these frequencies of 12 coded divine blue print on Earth are all the Christ's of our New World.

We all have the equal right to sing:

“I am the Resurrection and the Life. He that believeth in me shall never die.”

We are the star seeds who have returned the Christ template of 12 DNA sub harmonics to Earth.

All of the births of the star seeds opened star portals, raised frequencies of Earth to allow this miracle and implanted the frequencies back into the sphere of Amenti to begin the projection into Earth's grids and into the biosphere and bio energetics templates.

# Manifesting a New Reality

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

In order to manifest a new idea, we must go beyond the boundaries of everything that we already know exists. The mind of God will allow anything to become instantly manifest in our reality field when we ask to create something that exists outside of the reality field of the world that only exists within our personality.

When we choose to create a new idea, it must come from infinite unknown – the All Seeing, All Knowing, Omnipotent Mind of the One Eternal God. If the idea being created doesn't originate from this one Divine Source, it isn't a new idea. If it isn't a new idea, it has already been created. It is already in the world of concepts. It is already being recycled over and over again. God doesn't create from recycled energy. God creates from Brand new

energy that comes from the Brand new Idea of Infinite Imagination.

The new ideas first exist in the subatomic structures. These invisible, quantum ideas must be created in the highest realm and then they can exist as atomic structures that form into visible light and take form in the hertzian and infra red levels of manifestation.

All creation begins at the ultra fine zero point frequency level of the Divine Source breathing the idea into the Cosmic realm. This ultra fine omni particle shimmers and sparks into a frequency that becomes a plasma cloud. This cloud shifts into the field of all potentials. The potential of the idea remains in the fabric of the mind of God. That fabric is woven into the idea that becomes manifest at all levels of light and sound.

That idea becomes the negative of the film that will become processed in the mind of God. So each thought that manifests is created exactly like a film that is processed into a picture album or a movie. When we co-create through the mind of God, we are making God's movie. That is what we will begin to do in 2013. The world will end. That movie called the world was not God's movie. That movie was made by liars that kept us from seeing the reality of God's movie. We have just been watching other people's movies. The movie made by God comes

from the co-creative activity of our own mind of God within us. Our Souls and our Mid Brain hold the technology that will create the movie made from the mind of God. That is how the world will end. We will soon discover that all of the lies we see being reproduced by the film of the world has been an out right lie. We have not yet seen reality as of the year 2012. Reality will truly appear in 2013.

We must become humble enough to allow something to come forth that we do not know anything about. We must be willing to allow a brand new reality to appear. We cannot create a NEW WORLD until we completely dissolve the old one. The World must End. It must become transmuted into a higher frequency. We must be relocated into a new time, a new reality. We must be relocated to the time in which all that has come before all that is and all that will come after was created in the mind of God. All that exists is the divine blue print of the film from God's Movie - not the man made movie of the world.

The film that carries the new movie must be processed in the mind of God which is the infinite unknown, omnipresent, omnipotent, omniscient, Consciousness which fills infinity. This infinite all knowing lies outside of the boundaries of our present knowing. We have not yet allowed for it to manifest in our lives.

When the idea is given to God to manifest from the unlimited knowingness of all that can be, the idea will bloom forth in a form so glorious, so unimaginable, so wonderful, that you will know that it came from the mind of God. If the manifestation is not so glorious that you know that maybe it was not an original idea from God, it is simply an idea that you are recycling out of old ideas that you once heard of before.

The ideas that are now manifest must come from a stream of consciousness so brand new that the idea has always existed from before the world began, before the cosmos began, before time began. The idea must come from ALWAYS WAS, ALWAYS IS and ALWAYS WILL BE. This idea must be an ETERNAL IDEA.

# The Glorious End of the World

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

Our world will end as we are transformed forever through one inhale from the mind of God. This mind of God includes all of the realities and wisdom and creations and dominions that have existed before us and after us. We can now access all of that reality as it is transformed into a brand new wisdom, a brand new reality that has never existed before. It has never existed before, because we have never co-created with the mind of God before. We will exist within an incredible wonder, a magical imagination, an infinite participation within the nature of God. We will be invited to play in the outer band - the realms beyond the 15th sphere, where only god's are invited to play and create within the infinite unknown playground of creation. The outer band of creation is infinite in its possibilities. It allows each individual to create

within individual freedom all that is individually known within his own realm. This individual creation does not need to be woven from the dreams of others. There is enough room in infinity to fill rooms with mansions of realities that contain more rooms with mansions of realities that are so vast with new ideas that there is no reason to search outside of oneself for fulfillment, entertainment, interaction or competition. Each moment will be completely filled with instantly manifesting a new idea.

When we begin this co-creation we do not need to see the ideas as pictures, we only need to train our brain to utilize frequencies. When we can stretch our consciousness into the Frequency of the Mind of God, it is that frequency that holds the infinity of ideas that can manifest within our perceptual realm. Our perception changes in frequency when we shift into our mid brain which is frequency specific. All manifestations are a result of the frequencies held in the mid brain. We know that mind of god is flowing through us and in us and around us and it is flowing through the lower cerebellum and into the mid brain and it is being activated as entire prisms of frequencies weaving together into pictures that manifest in front of us. This magical transformation happens when the outer band of the infinite Source flips into the inner band of the fifteenth dimension, the Cosmic realm flips into the inner band of the Christic Sphere and the Outer realm of the Christic

flips into the Fifth Sphere. We will become sixth dimensional man walking within the realms of the 12th dimensional Rishi or Christic self hood. We become living, walking Christ's who carry the mind of God. All we need is a brain that can utilize the Highest Frequency of the Mind of God.

The outer band is the 14th band - helium arching into the white light suns KA HA of the 15th band and breathing the first spark of the idea into the Aqualene Sun – RA. We breathe until we ignite this new idea from the Plasma – the Crystal Ships of our creation - Our Cosmic Creators create the brand new idea through us into this density - ALWAYS FROM the Mind of God - the Outer Band beyond the 15th sphere – the Infinite Unknown All Knowing, All Seeing, Infinite Omnipresent Mind of God.

We see ourselves sitting in the Buddha position inside the Blue Lotus Blossom in the 16th sphere. That is the Mind of God co creating the brand new idea. We use the principle of Oneness – Theory of Relativity - All that is in any place is also right here and right now.

All that is manifest from the mind of God in the OUTER BAND must FLIP into the INNER BANDS. The Inner Bands carry the light and sound of the new reality. We exhale the new reality into this

density- this hertzian reality from the invisible light into the visible light.

The chemical reaction of the Helium - the heliotalic, pastel rainbow light frequency from the 14th sphere arches over into the Plasma – white light and Aqualene light blending through the rainbows of the Suns - Ka Ha Ra Sa Ta Hya La - centered on RA - the Aqualene Sun of our original creation – All ideas begin in the outer band of Source and manifest in the Inner Band of Ra and then instantly appear at all levels of density. We connect with all of the fifteen bands of light and sound in order to instantly manifest the idea that we have created. This is done by breathing into the Oneness of the Highest Frequency of the Mind of God.

I inhale that frequency as I imagine the infinite unknown possibilities that exist in the Mind of God. I ask to know and see and exhale this fabulous idea that has never been seen or known on Earth before. I hold that idea in my crystal heart – my Soul - the ganglia of cells that sit directly below the heart hold this holographic memory of all that is known in the Mind of God. I connect into the all knowing of my Soul and inhale into my FREQUENCY SPECIFIC MID BRAIN – Pineal Gland area. I'm connecting into the Oneness of the Frequency of the Mind of God and Inhaling this infinite Source of Creation into my personal Mind

of God – my Mid Brain working together with my Soul – my Rishi Self- Christ Consciousness and my Rasha EirA – my Cosmic Light Consciousness.

This self projects itself to me as a Blue Sphere. I see my image in this Blue Sphere. I see the blue violet sphere in my third eye or mid brain area with eyes closed and I see the blue sphere or blue violet sphere in front of me when I open my eyes. I can see a blue hologram of my self if I look in a mirror. It is that Blue Body self who holds the mind of God inside of me. When I have raised my frequencies high enough to cause the outer band to flip into the inner bands or spheres.

We must reconnect to the neuronet in the lower cerebellum where there are pathways connecting through frequencies into the mind of God in which we find knowingness. If we attempt to pave these pathways from the upper cerebellum we only connect to the dirt roads of the world that have dead ends and loop in circles. The upper cerebellum will never allow anything new to enter in. It is the world that must end.

The mortal mind is located in the upper cerebellum of the brain. That is the brain that just recycles information given to it from the world-the man made world filled with lies that are filtered into our consciousness from sonic pulses in inter dimensional planes that carry brain washing

technology of the fallen angelic races that is used to control our minds and fill them with the error that blocks us from the Mind of the One True Source.

This mortal mind must dissolve away as we become willing to bring in the highest frequencies of Source to transmute the world and all that is in it. The world must end. The world of beliefs and illusions are not the reality of Source. We have only been allowed to see the ideas placed within the veil that was created by fallen angelic races who need to use the human angelic energy for their own survival.

# Divine Blue Print

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

There will be enough frequencies on Earth aligned into the Divine Blue Print to allow the new picture of the Divine Man made in the image and likeness of God to become developed through the horizontal flow of light and the vertical flow of sound. This imaging of the Divine Blue Print will take place from the outer band of the 15th dimensional sphere flipping into the Helium of the 14th sphere. That Heliotalic frequency will create the Neutron within the human angelic cells that will cause new nano particle to create a new Omni particle that will create a new chemical of  $H_2OHE_3$  called Hydrolaise. Our atmosphere must become Hydrolaise as we exhale the new frequency of our new creation. As we transpose into the new hydrolaise, our structure of carbon will melt away and become replaced with

the organic, eternal life chemical structure that is based on hydrolaise.

This hydrolaise is the gift of the Aquafarians. The water based substance that brings eternal life to water and all that is created from water. We will learn to breathe this water filled with helium. This hydrolaise will allow us to float in it or walk on it. It will remove the gravitational forces that bind us. Once we regain this substance, we will begin to partake in activities such as levitation, turning into light, walking through walls, instant manifestation, etc.

We are beginning a time of infinite knowing and understanding. I will not waste my time telling you about all of the lies you have been believing that come from every possible avenue of the world's networks. The lies that have come from the New Age movement have been the direct communications from the Fallen Angelics who have been planning on taking over this Earth for the past ten thousand years. The Bible and all of Christian teachings were also based on layers of distortions of the truth that became buried by the very Roman Government and Churches who wrote the Bible. However, the Starry Families made sure there was enough truth left in the Bible, that would allow those with high enough frequencies to be able to discover the truth within. My entire foundation

for knowing all that I know came from these three truths that were written in the Bible.

# Transforming into a New World

Angela Barnett

The Earth has always been able to utilize the light that comes into her field. However, her Christ Grids in her crust were tampered with and the Christ Grids in the area of the Van Allen Belt were also tampered with. The Fallen Angelic Races who created this separation have been up to their deceptions for billions of years.

# Breath of Creation

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

The breath of consciousness is what is causing the entire shift of Mother Earth into her Star Essence. We are all turning more star like together. How do we speed up this process individually? The more we raise frequencies and stay in those frequencies the faster we rise into a new dimension.

The Key to Ascending is collecting frequencies through the merkaba, aligning into the sun energy, the helium energy, the rainbow dust, the star dust, soaking in healing waters of crystal temples, singing with the angels, and mermaids in the crystal caves, keeping the mind in the etheric fairy tale state and then finally walking into the spark of Source in the Crystal Heart, after putting on the garment of white light – which means absorb all frequencies of crystal light, iridescent light, rainbow light, golden

dust light, star dust until the body is radiating with spirituality of light energy.

NOW – and only Now can the body walk through the diamond door. When the body walks through the door it must walk into the FUTURE SELF. It is this place in Consciousness that we must stay to create the Islands of Light.

I'd like to share some questions that will be answered and practiced in my workshops on CREATING ISLANDS OF LIGHT, PARALLEL REALITIES, and the MUSIC OF THE SPHERES.

A couple of questions regarding your process of integrating with your light body.

1. You said that you've completed integrating with your silica-carbon based light body. Does this mean you can disassemble your body and teleport to anywhere you want?

I wanted to add that the silica based body is the natural result of raising the frequencies and continuously bringing in more and more light energy that Zorach helps me with and that I get from the helium rings spinning into all of the sun's frequencies to bring out the energy of the neutron through out the body. The reason that I know I am living in a body that is mostly silica based now and will become more and more so is because the angels

have told me this. There are things happening in this hologram that we can't see yet. That doesn't mean they aren't happening. The evidence we have of the silica based body is this:

aDOLPHINO (JOSEPH) was hit by big truck and ran over by three cars. He had every bone and muscle flattened. The doctors said it was absolutely impossible for him to be alive. They said his brain would never work again. They said he probably wouldn't be able to work for eleven years. Joe's body repaired itself without any help from the doctors in one month. This rapid repair of the entire structure of the body happened completely from streaming the highest frequencies through his body by using the frequency shift music that we recorded. It was this frequency shift music that was given to us by the angels as they streamed their consciousness through their breaths that realigned his body. Each stream of consciousness that I inhale and breath into the microphone is a strand of their consciousness. It is this consciousness that is the sound and light of all creation. This sound and light contains a structure of creation that remolds into the original form created by Source. This sound and light that we resonate with and soak into our cellular structure from the crystal cells of mother earth and the star dust energy of star systems transforms our bodies into a new chemicalization. This chemicalization appears as a result of consciousness raising frequencies into a higher

realm of reality. This is the proof that we are living in a silica based body.

You see, the doctors entire system is based on the carbon based body that doesn't heal at all. The more we shift into the silica reality by adding more and more of the spiritual into the physical through our consciousness, the faster this reality appears. This is why when doctors have played our music in their hospitals, every patient in the hospital immediately showed great improvements and complete healings took place in a week.

This magical place of consciousness carried through oscillation of the higher frequency lifts the mind into great freedom, the world just doesn't matter any more, there is a feeling of sweetness and kindness, there is no more pain, there is alignment into the reality that was always here. All we are doing here is removing a veil so we can see the reality. We must believe that reality is here to see. We must stop thinking we must go somewhere else to see it. This transformation will appear on Earth. We will create Islands of Light on Earth.

We create them by breathing when we have completely aligned our frequencies into the place where we are completely in the Crystal Cities, the Aquafaria under water Cities. When we have absorbed all of the crystals of all of the colors of the rainbows into our crystal cells and our cells sing

in harmony with each other, this is when we can EXHALE magic into the air we live in. The air has already become hydrolaise. The body is already transforming into to silica based chemicals. It is only our eyes that don't see it yet. We can FEEL it NOW.

When we go to our crystal palace in Aquafaria, we ask our friends there this same question.

2. Are you currently conscious of your other multidimensional self throughout the cosmic Omniverse?

Our multidimensional selves only meet us when we walk into our future self after completely absorbing all frequencies from all dimensions out to the 24th and becoming sparkling with golden star dust. This is when we can melt into the diamond door and walk into the starry places. Our teams and families are always waiting on the other side. From that point we go on down into the Aqualene Ocean through the Sun and down into the Crystal Caves to resonate with the frequencies of Inner Earth and then we are invited to enter the crystal cities. It is completely our responsibility to lift our frequencies into theirs. Our team taught us that we must completely merge into the crystal cities or into what ever place you want to shift into. It takes continuous practice and the willingness to spend much more time there than here. We must spend so much

time in the crystal caves with my mermaid family that when I exhale on Earth, the reality around me transforms into that frequency. We must breath the Islands of Light into our home, into our place we choose to live.

3. How do you “travel” to Aquafaria to meet up with your soul family down there? By meditation or do you actually travel via your Merkaba into the crystal caves or do you have another version of yourself living in the crystal caves and is able to integrate with that aspect of your soul whenever you want?

The self that goes to Aquafaria is the future self that shifts dimensions by shifting frequencies. Those with fifth dimensional and higher vision can see this shift. The angels have told me many times that I am completely etheric. Joe can see the fifth dimension-I can't. I can feel it. I am saturated in the frequency of light energy. The return to this Earth is too painful for me. I must continuously stay above the Earth. I do this by continuously absorbing the frequencies that I breathed into the CD's. These are the frequencies from the Crystal Caves and from all of the dimensions.

When I take a journey of collecting frequencies and swimming down into the crystal caves to sing with my mermaid choir, you can hear my voice completely shift into the mermaid's frequencies.

My voice changes into an ethereal, sweet breathy tone that has perfect pitch. This isn't my third dimensional voice, this is my fifth dimensional voice.

# Evolving into Ascension

Angela Barnett  
(the Soul of Mary Magdalene)  
Crystal Magic Orchestra.com

My Omniversal Team already knows everything. They begin communicating with me about you the moment I receive your orders for Individualized Eternal Life Albums. These Entities know you at your highest, most divine state. They were your original creators. They are the Entire Music of the Spheres - meaning they are the Consciousness of Oneness containing the Infinite Frequencies of Oneness. They only see your most perfect divine state of being, and they realign all frequencies of all of the spheres of the galactic, universal and cosmic back into the original divine state. They have known you for billions of years. They are very excited to know that their frequencies will once again be permitted to become at one with your Consciousness because you have made it so.

When I align my Consciousness through your Over Soul Matrix, in order to weave your personal frequency signatures through the music of the spheres, your personal frequency signature is being transmuted into the Full Spectrum of Light. As that light and sound spectrum becomes your new frequency signature, the Omniversal Consciousness Team can lift you into Oneness of the Divine Template beyond this Earth's Matrix. The Music of the Spheres contains the 12 dimensions of consciousness of the 12th level avatar. However each harmonic universe must be transmuted up from the base tone of the harmonic universe above. So it is the Cosmic Universe, or the 13th dimensional consciousness which transmutes the Universal into the Cosmic. As the full music of the spheres combines into the new tone of home, this new Cosmic Frequency can be lifted into the base tone rhythm of the Omni-universal Consciousness. This is the Consciousness Team of all Universes. This is the Omniversal Team that creates the new baby universe at the time of Ascension.

Remember, we are still in the process of Evolution which will prepare us for the Ascension. The cellular structure must be transformed from the inside to the out for ascension. This evolution is happening at such a microscopic level so far beyond anything man could measure, that it can only be felt through the Breath of the Angels. This transformation is happening as the divine substance

of crystal light, crystal dust and crystal gel of the silicate matrix of the Star Essence of our Divine Selves.

If the body does not go through the cellular transformation from the inside to the outside, which will transform it into the same star essence that Mother Earth is returning to, there would be this three dimensional body trying to exist in a Starry Atmosphere. It could not exist in that atmosphere. The body must evolve into a new form that can live and move and breathe in the new starry atmosphere.

In a Star's atmosphere there is no need for electricity because the energy and light come from the inside. Since this is true of a star, there will be no electricity on planet Earth by 2020. So, you see, the body must transform to be prepared for the Earth's ascension into the form of a star. The changes happening on Mother Earth are her ascension into a starry substance that is also silicate crystal based as any Star is.

These were basically the same directions that were given for listening to the Ascension Kit and other Kits. The more the frequencies are absorbed into and aligned into each individual's cells, the faster and finer the cells will transmute out of the cellular structure known in 3D into the silicate crystal cell that aligns into Omniversal Consciousness where

the all seeing, all knowing Mind of all Creation becomes permanently attached into oneness through the merging of all frequency signatures. These are your personal frequency signatures that are being transformed through the process of weaving them through the music of the spheres of the full spectrum of light and sound. This full spectrum body must appear before the ascension can take place. We evolve into full Consciousness when we can match our own breath to the tone of home that is present in the Immortality Album that is created for you through the voices of the angels, the Elohim of Hearing, the Music of the Spheres, the Ascension Teams, the Elohim Team and the Omniversal Team.

This ETERNAL LIFE Album is for those who desire the complete experience of Ascension. Those who are still struggling with their body's transformation after 2016 will be missing out on THE MOST EXCITING EVENTS of this Universe and many Universes beyond. This is an event that all of the eyes of the Stars will be upon.

## Recommended Readings

Angela Barnett, the Soul of Mary Magdalene, has written several other books and she has created Training Kits that will desire to have Eyes that can see and Ears that can hear the new Fourth Dimension where the Visible and Invisible become one, and travel into the Multi Dimensionality of Fifth Dimensional Consciousness.

In order to shift the Frequencies of Consciousness into higher Dimensions it is a requirement to raise one's frequencies. Angela creates Individualized Eternal Life Albums that allow the Individual to align their Consciousness into higher and higher levels of reality. The frequencies used in the Music Albums come from moving the mid brain and heart into the spin rate that is in light years. It is the movement into this pattern of Consciousness that

shifts one into ten thousand times the speed of light which places every cell in the human body into at one ment with Source. This was the frequency that was called Aum by the Masters of the Far East, and it was also called the God Frequency. This God Frequency is used in the creation of all of the albums at Crystal Magic Orchestra.

There are lists of mp3 albums and CD albums on the Crystal Magic Orchestra.com website. On this list there is a description of how each album was created and what the benefits of each album would be.

There are a set of albums titled THE TRANSFORMATION KIT which include three albums that train the eyes and brain to move through the Atomic Mirror of Plasma which separates the physical and spiritual reality spectrum. The Visible becomes the Invisible on the other side of the Atomic Mirror. This state is obtained by moving beyond the hertzian frequencies of audible sight and sound into the infra red spectrum where things can be seen and heard when one raises their frequencies into this reality. Moving into the Fourth Dimension is simply moving into a new spectrum of light and sound called Infra Red where we can see and hear an entirely new set of sights and sounds.

All of the music sold on the Crystal Magic Orchestra.com site was prepared through the Consciousness of the Soul of Mary Magdalene- the Female Christ working together with Yeshuwa ben Joseph- the Male Christ. The music contains the KRYSTHL Consciousness of the original Seven Suns of First Creation, which is where the true meaning of Christ and Chrystalline comes from. The true meaning of Christ is the Consciousness of the Seven Suns- Ka Ra YA Sa Ta Ha La. This was the First Creation where Yeshuwa and Mary came from when they returned the 12th dimensional Ascension Portal to Earth at that time. Now, we are on Earth returning all 12 Ascension Portals to Earth in order for a new reality to be born through the Music of the Spheres carrying that Field of Consciousness from the Cosmos into the Grids of Earth.

Each album that I created was one of the events in a series of events that have been a part of returning the male and female Krystic Consciousness to Earth. I have recorded every breath of consciousness that has been sent to Earth that has been increasing the frequencies of Earth little by little in order to prepare Mother Gaia for her new alignment and re birth into a new experience of a new harmonic universe.

The Ascension Kit contains the first set of God Language that was given to me by the Ascension

Team. This is a complete set of coded language for activation of DNA.

The Mother Ship Set contains the complete process that Mary Magdalene's Soul goes through when she works with the Dolphins in the Underwater Cities as they communicate with their fifth dimensional Pleiades work station. This set contains all of the Frequencies that were used to align and balance Earth into the Fifth Dimensional Consciousness of the Pleiadian Dolphins.

The Parallel Universe Set contains all of the tones of the Universal Life Codes that aligned each of the Stellar Wave Activations with the Consciousness of Inner Earth.

The Aurora Earth album contains the Frequencies of the in between state of Earth as she is melting into her new state of the New Earth. It contains her spiritual transformation process.

The Dolphin Baby, Dolphin DNA, Dolphin Magic and Wings of Love albums all contain massive amounts of Consciousness from the original Oraphim Dolphin Raceline in Sun Ha. These are the activation frequencies of the 12 coded DNA for each of the 4th and 5th DNA strands for the pure Dolphin and Whale consciousness of the most harmonious and loving Entities who have been

with us as long as the Male and Female Christ consciousness.

There are several DNA activation albums including the Advanced DNA Activation, Ultimate DNA Activation, 12 DNA, 48 DNA and the Violet Flame Activation of the Complete Ascended Self.

The Promise Album was the first album created by the Jesus and Mary team. This album contains the original channeled messages from Jesus Christ explaining the entire process of ascension. There is also a book titled THE PROMISE OF THE PERFECT KINGDOM that explains this album in its entirety as a process that was gone through by the Cosmic Twins with Jesus in learning who they were.

The QUANTUM JOURNEY series would be the Easiest Book to use for beginners. This book uses a metaphysical approach to learning how to use the music for Consciousness Alignment with God.

The DNA Re Programming Set is a set of CD's that are designed to teach the most complete approach to all that is needed to know about re programming the DNA. There are Seven CD's in this Set that takes the trainee through Three Stages of DNA Activation.

ORBING INTO ETERNAL LIFE is the True Story of how Joe Barnett, my Cosmic Twin died and I placed my Soul in him in order to bring him back to Earth. I turned my body into an Orb of light and merged my Soul into his to hold his fractal consciousness on Earth while his Over Soul wove three percent of his consciousness back into him. The remainder of his Over Soul was re connected over a period of time. This is a true story of Resurrection and proof of Immortality.

12DNA Music of the Spheres The Ascension Program from the Cosmic Twin Diary is a fascinating book which tells the complete story of the Cosmic Twins, the Training Program that

is used in the Cosmic Mystery School of the Omniverse, it contains Ascension Formulas and other Secrets of Mary and Jesus and tells how Mary Magdalene learned who she was.

My newest audio book, *Mary Magdalene the Mermaid* tells the story of the other Soul Journeys of Mary Magdalene and focus is on the time when she was a Mermaid in the Second Seeding of Earth.

## HOW TO TRANSFORM THE BODY INTO THE ETERNAL LIFE BODY

These instructions should be used in conjunction to listening to your Eternal Life Album

These are the steps that need to be taken to TRANSFORM THE BODY

The two biggest steps that must be taken by those who desire

To Extend their Life Time Indefinitely rather than being programmed to die sometime between 70 - 110.

The new programming says we live until we can not find any new experiences for the Soul to become Excited about.

Our bodies were pre-programmed intentionally by our Souls to die and become reincarnated so that we could continue to have new experiences that would be a result of the prior life times programming.

The new reality that our Creation Specialists from the Sun Alcyone Creation Lab have programmed into us is the Eternal Life Programming that was stored away in the Time Capsules in the Photon Belt

of Sun Alcyone and in the Cosmic Domains of Inner Earth.

Those Time Capsules that contain the new programming are being activated in a way that allows their energy to stream into the Crystalline Grid Lattice of the Earth. That Grid is 12 inches below the surface of the Earth. It is Invisible, It is Etheric, it is the Spiritual Christ Consciousness Mechanism of the Earth that allows the Divine Consciousness to Flow between Earth and out Bodies.

As the Programming for these Time Capsules were taking place there were several sets of Consciousness being used.

The Time Capsules use the Consciousness that were sent through the Stellar Wave Activations and Initiations from Sun Alcyone, Sirius, Andromeda, Orion, Arcturus, Lyra, Aveyas, Lyra Vega, Aramantena as well as our Sun, Helios and Vesta. All of these sets of Consciousness needed to be returned into the Grids of the Earth because the human race line was originally created from ALL OF THIS CONSCIOUSNESS.

As each one of these sets of Consciousness was flowing into the Time Capsules, I recorded these Frequencies of Consciousness into the Parallel Universe Set. The activation Principle of the Highest

String of the Music of the Spheres was taken from each of these sets of Consciousness and recorded on the Violet Flame Album.

Another essential part of this return of Consciousness to the Earth was through the birth of the Six Avatar Children. You see, the only way to get the 12 DNA memory of Consciousness back into the System on Earth is to have Children born into the Portals of Earth. The Crystalline Grids could not be changed back to the Christic Grids of Light Activation without the births of these Children igniting the memory of the 12 DNA pattern back into the Biosphere of the Earth. The Albums 12 DNA ACTIVATION and 48 DNA Perfect Archetype contain that Consciousness that was woven into the Earth at the time of each birth.

Another section of the Divine Translation was the actual landing of the Mother Ship, and the activation from under the Ocean of the Cosmic Template that was created by Those of US who were the original Aquafarians, Plieadians and Cosmic Dolphins from the Sun of Ha who re-united the Cosmic Buffer Blanket around the Earth to prepare for her Re-Birth. This Divine Event was recorded on MOTHER SHIP.

One part of that landing was the Fifth Dimensional Dolphins and the Eighth Dimensional Whales greeting and performing the Ascension Portal

alignment as the Mother Ship was landing. This event corresponded with the Ascension of the Fifth Dimensional Dolphins rising into the Cloud Cities and becoming the new Sixth Dimensional Elemental Consciousness of Earth. Those Frequencies were recorded on the Dolphin Therapy Kit of Heavenly Dolphins and Cosmic Dolphin Therapy.

These were a few of the events that were activated recently as a result of several years of events of preparation and alignment of this new Consciousness Birthing into Earth and her Children. We began this process about twelve years ago by learning the God Language that opened the doors into Inner Earth. It is well known among Galactic Greeting Committees that Entities of Unknown Planets and Stars must announce themselves by learning the Music of the Planet or Star that relationships are being desired. We had to go through the process of learning the God Language, which is the decoded Frequencies of all Galactic Citizens. that God Language was recorded in the ASCENSION KIT. That is why I always recommend beginning with that set of Coded Language.

My Ascension Team has guided me through every note, frequency, and event of this Cosmic Realignment through the Music of the Spheres. The only way the events could be recorded was through the Frequencies that the Elohim of Hearing Channeled through my Breath. These sets of

Albums that I recorded will be stored in the Future Akashic Records of my Being forever. Many from Parallel Universes have already told me that they listen to my music constantly. This means their Physical Parallel will begin listening as well on this side of the Veil.

It might sound like my description of the Ascension of Earth is the Advertising Agent for all of the Music that I created while it was taking place. Since the requirement for accessing this grand reality is attuning with this reality of Ascension, we must learn how to TUNE IN to the Frequencies of Dimensions 3-15. We must learn to tune in to the Multi Dimensional Consciousness so that we can begin enjoying its fruits in gifts such as Eternal Life, removal of all disease, instant healing, returning to a youthful body, traveling among the stars, free energy, instant manifestation of all desired experiences, etc. There is actually no other way on Earth to TUNE IN to the Frequencies of this gift than through the Actual Frequencies that created the Magical Event through the Guidance of our Pleiadian, Sirian, Arcturian families of Consciousness.

## TRANSFORM OUR BODY

How do we use these Frequencies to  
TRANSFORM THE BODY

The transformation is performed by the Innate, Knowingness within our Crystal Heart Soul.

The Innate was actually programmed for a limited life time before 2012. And now is the time that we can begin reprogramming our Knowingness to Eternal Life. We begin this process by Tuning in, of course. The best way to tune in is through your Eternal Life Album. It is already programmed into the Frequencies of all of your Multi Dimensional Selves and your Higher Self, Innate and Soul.

Now, you need to plug in your Awareness of this Frequency Attunement that was designed for you.

You need to tune inward. Listen inward. Listen to the wonderful frequencies that are singing from within your cells. Listen to the loving harmonies that are singing to you from within your cells. Hum the tunes that you are hearing so that you are creating a harmony with the tones that you are hearing within yourself.

This is how you create a harmonic attunement with your cells. The humming should be the tone of Love. You must develop a Love as deep as the Cosmic Ocean for your cells. You need to realize that within your cells are the magical water fairies who bring you the magic of transformation every nano second in return for the Loving Magic that you hum to them. These water fairies within live on the Love of your Songs.

The music that you are listening to is created from the Consciousness of StarDust and Pre Plasma Heliotalic Frequencies of Transformation. Become aware of that transformation substance that is held within the breaths in the music that you are listening to. Inhale that substance, know and see it as Stardust and then exhale it back into your cells and tell your cells that you are filling them with Love through the Stardust of Eternal Life Energy. Listen for your cells to sing back to you.

NEXT Connecting to your Frequency Specific  
KNOWING INNATE SELF

The purpose of using the Candle Technique that trains you to walk into the Full Spectrum of Light which contains all Frequencies of Light from the Hertzian up to the Gamma and the Pink White Light that transforms your vision to see the Blue Light is to make the CONNECTION WITH YOUR INNATE SELF.

The Feeling of the Frequency that you awaken in your Mid Brain area should become the most important feeling in your existence. Connect into that Feeling and that Place in your Pineal Gland. Feel it singing to you and sing back to it using the Frequencies in your music. The Ascension Vortal Album is created with the exact God Language that opens up the communication with the Pineal Gland. All of the Coded Language in the Ascension

Kit is specifically designed to open up the flow of the communication within the body, including the pineal, the tail bone, the third, fourth, fifth, sixth and seventh chakras within.

The communication to the Inner Soul needs to be connected to through the Frequency specific Pineal as it plugs into the Heart Chakra through the Sixth Chakra of the Throat. These Etheric Chakras actually activate the glands in the body including the Thymus, the Master Neuronet Gland, the Seed Atom within the Thymus and the Medulla Oblangata which plugs directly into the Mind of God.

I have placed this diagram on the website and it is explained on the you tube with JZKnight on the you tube page.

The first step in the process of opening communication with your Higher Self Innate Soul Self is to TURN OFF the THINKING BRAIN. The diagram shows the YELLOW BRAIN as the Thinking Brain. That Brain is only a Repeater of old Information. If we keep that old information, we will just continue dying and being sick.

When we plug into the Frequency Brain - the blue part of the diagram, we plug into the Innate Self who is Reprogramming the Cells to send signals into the body that say replicate the Divine Blue

Print of the Man created in the Image and Likeness of God every nano second for Eternity.

This is why we will want to move into the Frequency Specific Brain.

Those of you who are constantly seeing the Sun turn Blue or even turning White, this is a symbol of you being tuned in to your Frequency Specific Mid Brain. Use the Light Energy from the Sun in connection with the Frequencies in your Albums to tune in to and Plug into that Mid Brain so continuously that your THINKING BRAIN TURNS OFF.

This is the desired program. We must Turn off the Thinking Brain. The Thinking brain is where the Emotions come from. The Emotions of Fear and the emotions of jealousy and the feeling of not wanting to forgive. All of those old ideas are stored in the Thinking Brain. That brain is not in the new program. We will get back to it eventually. However, the only way to re program the Thinking Brain is to pave a new pathway from the Frequency Brain into the Thinking brain. And we don't want to do that until the Innate is communicating from within the Heart Chakra Soul area from the Seed Atom which has the Divine Template Activated. We want the Inner Communication from these areas of the body to plug into the Neuronets that give direction to the Nerve Centers of the Body. We want

the Innate to program the Cells to send massive loads of white blood cells into all of the Virus of the body and remove all disease forever.

The old Innate was not programmed to do these things. The old cells would see a virus and think that virus was just another cell. That is why the virus would grow larger because the old cell system did not know that it was supposed to send white blood cells to attach and remove the virus. Now we can communicate with our Innate Inner Knowing of our Divine Template and say I would like the Cells to turn on my Eternal Life Programming.

THIS IS THE FOUNDATION OF THE  
REPROGRAMMING PROCESS
