their Eternal Life Albums in May and June.

Thank you

these are the most amazing frequencies i have every heard.

Learning to orb

All last night orbiting to different places and different ways to orb Merkaba or lightship practicing lift off

Anything you can say about what you perceive while downloading my album much appreciated

The three most important seals that block our flow into complete divinity are melting from you rapidly. I did a lot of work on you transmuting the seal in the third chakra, the fourth chakra and activating the subharmonics that were broken in these two chakras.

The frequency fence that was placed over the Earth and all of our consciousness was placed in the third chakra. This blockage kept our third from connecting with our 7-12 chakras.

The seal in the heart chakra is the death seal that blocks the etheric body from the cosmic body, or the 4,5,6 chakras from the 14th.

When the frequency fence is completely removed from the Earth in 2017, you will immediately see a new reality as a fifth dimensional being. You are already in the fifth dimension. Your seals are melting rapidly.

I recommend using the New Ascension Meditation Kit to

get complete orb ability.

Crystalai,

The Eternal Life Album was like combining all of the positive journeys of drugs, like marijuana,

the opium effect, the ecstasy effect, and yet it was like rising so much higher than those experiences because it was much more connected and real. It was like ten Reiki sessions at once, and all of the 9 Rites of the Mun and then much beyond. It was just beyond all other experiences.

Individual Eternal Life (Immortality Album)

ETERNAL LIFE ALBUM

<https://crystalmagicorchestra.com/eternal-life-album>

All INDIVIDUAL ETERNAL LIFE (Immortality Album) MP3's are for the specific activation of an individual's needs are created through the direct guidance and assistance of Guardian Angels from many High Councils.

The Angels only desire is give each individual whatever is desired. The freedom of an individual will never be invaded. Therefore, the individual must request the activation or healing.

Frequencies of Higher Dimensions, Higher Entities and Stellar Wave Activations must be absorbed into our Consciousness and Being. The energies of the Divine Birth that reconnects us to Christ Consciousness, Source Consciousness, Soul and Spirit Consciousness must be allowed to awaken in our Crystal Cells and in our Consciousness.

We channel and record every frequency of every dimension, entity, Cosmic Light Entity, Angel, Deva, on every dimension from this Matrix and several others needed for each specific activation. We record through the

breaths of all of these dimensions and entities. The more one listens to these etheric breaths, the more one resonates with the standing wave patterns of higher dimensional consciousness. There is no faster way to ascend, than to resonate with the frequencies of the highest for it works to awaken the very same frequencies within you.

The difference with the Recordings for the Individuals is that all of the Angels look at the individual from the Individual's Future Self who already knows all of the Individual's exact needs to step into Immortality and then we channel those frequencies to record an mp3 for the Individual. The process involves all entities that are a part of that Individual's Island of Light, which means all of the entities of light who are involved in their complete ascension process.

ETERNAL LIFE ALBUM

<https://crystalmagicorchestra.com/eternal-life-album>

The INDIVIDUAL ETERNAL LIFE MP3 created by Crystal Magic Orchestra is created from nothing but frequencies. The frequencies are brought into the breath through the help of Crystal Light Energy. These entities align the frequencies in the crystal cells of the body with the highest frequency activations going on in the Cosmos.

Yes, it is true that a new light force is sweeping through the Earth. That light force is the new frequency of the fifth sphere of this Earth's Matrix reuniting us into our combination of "Light and Sound" or "Spiritual and Physical," or the "Chemicalization of ONENESS with our Etheric Body." This is the sacred geometry of chemicalization that will give us back all of our true potential of true immortality and the power of manifestation.

The frequencies that are channeled onto the recording are received from a very large team of angels working on this re-birth process on this Earth and on our Matrix right now. This is the gift of Ascension Activation. The frequencies are brought in from the individual's selves or souls on fifteen dimensions. The healing team is

activating a very old formula of transmutation.

We are being given the formula of re-birth. We are the children being reborn into our true immortal self-hood. Our divine birthright on this dimension or on any dimension is immortality. That doesn't mean dying every hundred years or so and coming back again. That means not dying. That means living in a perfect body that has no illness, no pain, continuous energy, ability to manifest all that is in alignment with Source. In this reality we make contracts or missions of what we would like to accomplish in the next thousand years or so. If we accomplish it we go on to a new mission. The masters and angels have taken on different names during each mission. However, they didn't die. In the real world we can take on new names, new forms, we can basically do anything that doesn't interfere with another beings free will.

This information will be of great value for those who have purchased their Individual Eternal Life mp3 and for those who would like to understand how the Attunement into the Music of the Spheres is used to align an Individual into the frequency signatures of all of their spiritual twin selves within the Earth's Matrix, into the Spiritual Galactic Matrix, and into the Omniversal Template. This

article also explains how the alignment into the Music of the Spheres is actually what Ascension is, and how our Starry Families are in the process of raising our frequencies into preparation for the Ascension.

The collection of frequencies for your individual album will be created for you and for you alone. I spend over one hundred hours aligning my consciousness through the Mind of God and all Omniversal Angelic Consciousness into all of your spiritual selves of all twelve frequency signatures. I use the sacred geometry of the Music of the Spheres which allows the base tone of the highest frequency to transmute all lower frequencies into the attunement and Oneness of the Highest Frequency of the Divine Selfhood. There are three sets of spiritual selves that must become re-united in each of the twelve dimensions or frequency centers of Consciousness. There are one hundred and forty four sacred breaths of the highest angelic consciousness woven into the spiritual oneness of your future immortal reality through the realignment into those spiritual twin selves within the Etheric Layers of Mother Earth's Crystal Heart, the spiritual twin selves in our Sister Galaxy and spiritual twin selves in our Parallel Universe.

Each of your spiritual selves are a very pure and unique entity of very high light. Your higher selves of all dimensions are extremely pure in Consciousness and high in frequencies. When you purchase the Immortality Album you are making a commitment to immortality. Immortality means shifting your body completely into light. This is a gradual process of becoming more and more etheric until the body contains enough spiritual light energy to transform it into an Orb that can teleport. This process is regulated into and through the entire transformation of Mother Earth's starry essence transforming the atmosphere and the chemicals of the body transforming synergistically. A three dimensional body will not be able to live in a fifth dimensional atmosphere and a sixth dimensional body cannot live in a three dimensional atmosphere. Our ascension is always in unison with Mother Earth's alignment into her Spiritual Twin Starry Self.

The Music of the Spheres process itself requires me to be completely at One with Source and Omniversal Consciousness, and requires all lower frequencies to be raised into this highest frequency within me even before the recording process is begun. I spend three hours in

meditation and complete attunement into Oneness before I even begin communicating with my own Omniversal Team. I begin recording when the Elohim of Hearing and my Omniversal Team are completely engaged into my Consciousness.

There will be an actual transformance happening in your body at a chemical level. The mortal body is made of a dense substance and requires a certain atmosphere balance of Oxygen and Hydrogen. The immortal body is created from the silicate crystal matrix of stardust and the atmosphere is three parts nitrogen to one part oxygen. So, you see there is a chemical transmutation as well as a spiritual transposition happening. This process will be happening to everyone on Earth at some time in the future. Those who have not prepared themselves for the Evolution and Ascension by attuning their frequencies and rising into their Spiritual Bodies, will have the greatest difficulties in the years ahead.

(Teachings of the Cosmic Mystery School of the
Omniverse)

When I am channeling frequencies of information, I am
aligning

into certain frequencies of Source, Cosmic Consciousness,
specific

entities who are Cosmic or Universal or a part of my Over
Soul Family

in Gaia. The Elohim Angels in Gaia are always
transmitting messages

through frequencies. All communication in higher
harmonic universes are

transferred through frequencies rather than through
words.

When I do a meditation or a journey in order to help
another guide

their consciousness into the sacred geometric location that
will help them

connect to a dimensional frequency, I am guiding through
a frequency. That is

why I always add the frequencies that I receive while

doing a meditation

or a journey. In the case of creating Frequency Music or Individualized Frequency

Eternal Life, Healing or Immortality, or Instant Manifestation Albums, I am

doing a meditation and journey while I am collecting frequencies of consciousness and then breathing these frequencies onto a recording. So, the meditation is

no longer needed by the individual, because I already collected the frequencies

for the individual.

Now, the individual can utilize the frequencies that I already collected by

doing the meditations and journeys for them. The frequencies that are needed

to activate the seed atom within the thymus, and to activate the Source Template within the seed atom, and to activate the crystal light to flow between and within the atoms, are already recorded on the Individual's album.

Now, the individual can tune in to the frequencies within every atom in their body

in order to consciously turn on the flow of the crystal liquid light energy of Source.

They can see, feel, visualize the frequencies that have been activated within their body. They can see the 12 sub harmonics activating within each of the double helix strands of the DNA. They can see all 24 sub harmonics become activated -- one on each of the strands. They will most likely see all 48 sub harmonics activate as they visualize their spiritual parallel self activating simultaneously.

A meditation can only be successful in healing and alignment, when the frequencies

needed for the healing and alignment are actually felt. The frequencies must be felt

in a way that allows them to resonate inside the crystal cells in the body. The

mediators must first know what the frequencies FEEL Like. When the Meditator

Feels the Frequencies, the mediator is then sure that the Consciousness is

connected into the angular rotation of particle spin of each element of light and

sound needed for the meditation to become effective. Each

element involved in any

meditation is an Entity of Light. Each Entity has a frequency. This frequency is the

identity of that Entity. We get to know the Entities by allowing their Frequency to

Resonate in our Crystal Cells.

The Meditator must be able to feel the frequencies that come from their breath every time they speak a word or exhale a breath. If a meditator or channeler is not tuned in with the Frequency of Consciousness from which the words are spoken, there will be no new reality created by the event.

The elementals of healing must be connected to in consciousness before any healing can take place between the healer and the patient. The elements of all healing are:

crystal liquid light, crystal gel, crystal dust and crystal light.

The healer or meditator must know what each one of

these frequencies or
spheres of consciousness feel like.

This is what crystal gel feels like: I breathe this frequency into the microphone.

This is what crystal dust feels like: I breathe this frequency into the microphone.

This is what crystal light feels like: I breathe this frequency into the microphone.

Every time I breathe into a microphone to record a frequency or a code from God Languages, I always use the activation key frequencies of these magical spherical energy templates of Pre-Sound and pre-flight given to me from the Grand Yanas or the Elohim of Hearing.

When the Elohim Angels connected my inner ear to the Elohim of Hearing, which is the pre-sound field of the mind of God, and then they called on the Three Templars who carried the secret of the Holy Grail and the Divine Substance of Eternal Life, I didn't know what crystal

light, crystal gel and crystal dust were. However, I could still feel in my Consciousness this essence of these three spheres that the Templars handed me. I could sense the connection of my inner Ear to the Light Flow of Pre-Sound Substance flowing from Source through the Angelic Consciousness of the Elohim of Hearing. We are always working with a knowing and a feeling when we do spiritual work.

In my case, I would had never really known that I actually accomplished what the Elohim of Hearing was assisting me in doing unless I completed the directions given to me exactly. They told me to hold these three spheres in the palms of my hands. First, I needed to feel and sense these three spheres in the palms of my hands. They also told me to inhale these spheres into my chest and feel them, and then into my mid brain and feel them. They told me to hold the spheres in my hands as if they were a microphone of recording, and at the same time to connect my consciousness to the Elohim of Hearing and then breathe the frequencies.

I focused on this mission for days, not really knowing what it meant. Finally, I was directed to plug in my recording studio and breathe into the microphone while following the directions given.

This way I was able to observe and experience the meaning of bringing the highest frequencies to Earth through Music.

When I heard the magical frequencies that were being exhaled from my Breath as it connected to the Breath of Source breathing the highest frequencies through me, it was an experience beyond my wildest imagination. I didn't know anything could sound and feel so divinely perfect.

I knew that I had actually brought the highest frequencies to Earth through music.

This magical achievement grew into a greater understanding over the years. I learned that these frequencies of Source Consciousness could heal anything, they could manifest anything, and they were the true prana and essence of manifest energy.

I knew that I couldn't actually explain this magical discovery, so I began recording the frequencies so that

others could hear them. I soon learned, that people insisted on having an explanation of what they were hearing, and then they wanted to be told what to do with the frequencies that they were hearing.

As a result of having to do so much channeling of the Elohim Angels in explaining this entire Cosmic Discovery, I eventually learned how the 12 sub harmonic frequencies that activate the DNA are created through these magical frequencies of crystal light, crystal dust and crystal gel, and how we continuously stream the crystal liquid light, which is the actual frequency of Source Consciousness every time we spin the Merkaba.

When the energies are felt and understood, they may be invited in to the cells by the Soul Matrix of the body to be directed into their proper places for what they are needed for.

First, the Crystal Liquid Light flows from within the Stem Cell. The Stem Cell is etheric. It isn't a physical object. It contains the complete Divine Coding of the Mind of God. It is the place where the breath of Source ignited the idea through a spark of light and created what is called the Partiki, in the God language. That Spark which is more

etheric than the substance of a quark, or an omnion or any element that could be measured, contains the complete manifestation template of the Mind of God. When the Frequencies of Liquid Light are activated to begin flowing through the Stem Cell, the Crystal Light begins to flow in-between the atoms and cells of the physical body. The biological template begins to transform into the substance of crystal gel, crystal dust and crystal light. First, the blood crystals transform any miasms that are blocking the crystal flow. The blood crystals are what was known as the blood of Christ. The crystals in the blood

transform the blood into eternal life liquid. The chemical structures begin to change. The body transforms from the inside to the outside. First, the blood crystals turn into liquid light, the bones turn into the elemental sound of crystal gel, and the skin turns into crystal light. The etheric body begins to shine from within.

The manifestation template of the Seed Atom can be used to manifest a new body or to manifest a new desired reality. The activation of the Seed Atom first changes the cellular structure from within and the DNA structure from within. This begins the sub harmonic transformation of the DNA from the inside to the outside. Deep within the DNA is the crystal liquid light that transforms the DNA into the 12 coded DNA. The DNA is transformed as a

result of the breath of Source activating it to return to the original structure it was when the original Breath of Source breathed it into manifestation.

This is how the 12 DNA is activated. It has little to do with the frequencies of the six chakras as is explained by some Solfege groups. The 12 DNA must be activated into the chakras. The chakras don't activate the DNA. The frequencies are activated by breathing higher frequencies into the lower frequencies of the chakras. For instance, the 13 dimensional frequency of Cosmic Consciousness can be gained by connecting the consciousness and breath down into the Iron Core of Inner

Earth. Deep within the physical substance is the spiritual substance of the Divine Creation.

That frequency can be captured within the consciousness and then brought up into the Seed Atom within the Thymus to begin the activation of the Seed Atom. That Seed Atom which contains the template of the Mind of God, or the Monadic Template is in direct alignment with the 8th chakra which lies outside of the body near the neck area between the fourth chakra and the fifth chakra. The 8th chakra can be used as a carrier to activate the

Seed Atom together with the 13th dimensional chakra in Inner Earth and the 14th dimensional chakra that is 6 inches above the head. The 12th dimensional chakra also needs to become activated in order to turn on the frequencies within all of the other dimensional lines within the body.

So, first we breath the 13th dimensional chakra up from Inner Earth into the Earth's crust (12 inches below the feet), spin the frequencies of the 13th and the 12th dimensions together in the merkaba. Next, Bring that frequency activation up into the seed atom to activate the crystal liquid light flow. Next, take the merkaba up above the head 36 inches and collect the frequencies of the 14th dimension of the Cosmic Consciousness and exhale that frequency into the seed atom.

Once the seed atom is activated with the 12th, 13th and 14th frequencies of Christic and Cosmic Consciousness, the liquid light energies begin to activate within the seed atom. Now, the flow of the Source Liquid Light Energy can begin to flow between and within every atom in the body.

The crystal liquid light, the crystal gel, crystal dust and

crystal light are elementals

which have a unique function in the activation of Cosmic Consciousness. And, they are the Pre Sound and Pre Light elements of density one and density two, which is the etheric structure of the body. We must learn that the body is only the temple where the true template of the Mind of God lives within. The body is an etheric structure that has many bodies within and many bodies within the energetic spheres around what we presently see as the body. We also have a crystal body and a light body and an etheric body. All of these realities are as much a part of who we are as the seeming physical structure that we presently use.

Once we begin the joys of living in harmonic universe two (dimensions 4,5,6), we begin using the etheric body and the light bodies. We learn that we have much more freedom than we thought.

We can leave one body while we travel in our crystal bodies. We can travel multi-

dimensionally because we will learn that we are actually in 15 dimensions simultaneously.

We ask each of these elementals of healing to come forth and be felt before we

begin the healing work required in Individual Healing CD's , Eternal Life and Immortality CD's.

These Cosmic Energies of Gel, Dust, and Light are directed to swirl together into a

sphere of crystal light. This sphere contains the power to shield and protect the

consciousness and body as it connects to and brings in to the cellular structure each form of energy or frequency required in each stage of ascension. These are the

primal elements from the Cosmos that are required for the first step of restructuring ourselves by raising our frequencies into a new dimension and into all dimensions of Oneness.

The meditator must feel their cells singing in resonance with these Cosmic

Energies. Each breath becomes a song of Frequency that aligns with and raises

consciousness into a New Dimension.

Connecting this sphere of energy into the Crystal Heart aligns the Merkaba, which is the electromagnetic vehicle used to collect all frequencies from all dimensions. The Merkaba is the complete spiritual substance of all that we are made of. First the Merkaba is used to collect together all that we are. The Merkaba grows larger and larger as our frequencies expand from inside of us and around us into a larger

morphogenetic field. This is a frequency field. When the frequency field grows

around the body into a 54 inch area, this is the Merkaba Body, this is the complete

Morphogenetic Field of the true Spiritual Self. There is another Merkaba Body

that is sixty feet in diameter and another that is over 100 feet in diameter. These Merkaba Bodies are our real SELVES. We will be learning to turn these Crystal Bodies into our personal space ships.

First, the Merkaba must collect all frequencies of the fifteen dimensional selves into the Crystal Heart. The Crystal Heart is the Seed Atom, or the location of the Monadic Template of Source Consciousness. The Monad is the Soul and Over Soul at the Galactic Level of Manifest

Creation. The Template is the Source Template of the original creation Energy. It is the original location of the Spark of Light from Source of our creation.

All of the selves are collected back into this point of energy to remember, to recognize, to realign into the Oneness of All that the Self was originally created from.

This allness is brought back as frequencies. These frequencies needed to grow and expand into the memory of the grand frequency of Oneness. Once this spark is re-established within the Crystal Heart, the spark of light can grow out into a large crystal sphere of energy.

We can place a miniature self of ourselves inside of the Merkaba. This miniature self grows in frequencies inside of the Merkaba. Once the miniature self collects all of the frequencies of all of the selves, it grows into a Christ Body of Light. This Light Body can then be pulled

out of the heart area and placed in front of the physical body. The physical body can then walk into that Light Body and become one with that Light Body.

This merging of the Crystal Body places the Body, the Merkaba and the Crystal

Body into a higher frequency that allows for the next stage of spiritual growth. The

Light Body may then travel down into the Earth's Core or the Crystal Heart Core and travel deep, deep within that Core into the Liquid Light area. Once the Light Body merges into this frequency of Liquid Light. Those frequencies grow and merge into the Physical Body, the Crystal Body and the Light Body to create a body of an even higher frequency. This is the Iridescent Body. This is the Body that can transcend completely out of the density of the physical form and reappear and transform into any form needed on any dimension.

Each of these stages of frequency activations must be Felt, they must be realized

inside of the crystal cells before the manifestation of the activity of growth into the Light Body and the Iridescent Body can be understood and seen.

Learn to feel the crystal sphere in the crystal heart
awakening the crystal heart into singing crystals.

Feel the crystal star merkaba. Feel the crystal sphere.
Feel the crystal heart.

Feel the Frequencies.

Feel how the frequencies inside of the crystal heart
resonate with the oneness of
your Source creation.

The Crystal Heart is the area of original creation. It is the
place of zero point energy of No Time Creation. When we
ride the Crystal Star Merkaba into the Crystal Heart, we
can feel this creation spark. The Crystal Heart contains
the God Room. We can walk inside of the Crystal heart,
Walk down the stairs and enter this glorious white light
room of Inner Stillness.

We can learn to feel that Inner Stillness.

In that room of Inner Stillness there is a crystal diamond doorway that goes into the etheric realm of our higher dimensions. It is the door that connects this physical body into its spiritual twin body of etheric substance. It is the door way into Earth's Spiritual Sister.

We must raise the frequencies into the 14th dimension before we can prepare to enter this door. We must collect the spheres of frequencies of the dust, gel and light.

We must spin these Cosmic Entities into a powerful sphere of crystalline energy.

This is the key to the diamond door.

The body must first be prepared with the Divine Principle of the Earth's Core

Frequencies and the body must be lined with the garment of crystal light white linen.

These entities each have frequencies that must be felt and understood through their resonance in the crystal cells. These frequencies must resonate in the cells and with the crystal heart before we may enter in.

In order to absorb the frequencies of your spiritual bodies, focus on frequencies of the music entering into your cells and feel your cells changing into star dust.

Imagine your body template lying on top of a mirror made of crystal liquid light. If you see your body with the face down into the mirror, you would be looking at yourself. However, if your back is against the mirror, the eyes and ears that are SEEING or HEARING are the Divine Eyes and Ears of Source. The eyes and ears of your Star Self is perfectly projecting through this mirror or crystal light.

During the process of the perfect vision and feeling of the liquid light frequencies transporting the Immortal Frequencies of the Divine Starry Self, there might be some bumps along the way because as the perfect light body is entering in and transforming the body template into its manifest immortality, there might be some miasms of error that need to be removed from the body

template.

Our eyes and ears are the frequencies of the Omniversal. We see as a star sees. We see and hear the Divine Perfection of who you really are. You need to lay your body on top of the Divine Mirror that allows only the Starry Eyes and Ears of Source to enter in through the Highest Frequencies that you are listening to. Allow the highest frequencies to enter into your Divine Template and remove all that might be blocking you from the Divine Mirror of your Spiritual Selfhood.

There is a process involved in listening. I recommend you approach this as a work in progress and see if you hear something a little bit different each time you listen. The human ear has been listening to third dimensional tones for a very long time. When we create the individual immortality CD's we are using the sacred geometry of aligning each individual frequency signature, which is obtained through a breath of consciousness, and weaving each frequency signature from this physical domain of the third dimension directly into the highest frequencies of the 12th dimensional spiritual selves. These spiritual

selves are the mirror image of the Divine One. The frequencies of the Divine One or the Divine Blue Print of the immortal selfhood transmutes all of the breaths from the dimensions of the physical, visual into the invisible, spiritual light and sound spectrum.

STEP ONE:

While listening to the frequency signature breaths, concentrate on seeing a mirror image of your Divine Blue Print or your spiritual light body absorbing into your body from your back. Feel the frequencies penetrating the cells in your body from the inside to the outside. Feel the frequencies awakening the spark of Source that has been left to sleep deep within each cell in the body. Feel the frequencies re-uniting into Oneness with the Soul, which is a sphere of blue crystal frequencies waiting directly below the heart area. Feel the Soul awakening to what it has been waiting for eons for you to discover about your self. Feel your physical body as a mini-me tiny figure, and place it inside of the blue crystal sphere which is your Soul. Feel the Soul frequencies and the spiritual self frequencies combining into a new symphony of harmonic

rhythms.

We will call this the Attunement Body which has been attuned into it's spiritual light body.

STEP TWO:

Feel the spiritual light body from the spiritual self from the middle domains of the Core of Inner Earth uniting into Oneness with the physical etheric body from Inner Earth. Feel the frequencies weaving those two bodies - one more etheric and one purely spiritual into your Attunement Body.

(In our experience, this was the unification of our Mermaid and Dolphin bodies in Aquafaria into the Music of the Spheres in the Crystal Caves of the Blue Liquid Light domains of Inner Earth. The Foundation Meditation will lead you into the journey that we take to collect these frequencies).

STEP THREE:

Next, feel the frequencies of the spiritual self from the Divine Aquarius Galaxy Matrix outside of the Earth's Matrix. Feel the frequencies of this Starry Divine Blue Print pulling the frequencies into a higher domain of consciousness. The feeling is more etheric and yet more powerful. It has a majestic feeling and includes the frequencies of the Aquarius Galaxy, the stardust of Ursa Major and the Consciousness of the Ascension Teams.

STEP FOUR:

Next, feel the frequencies from the more etheric physical self in the Aquarius Galaxy being woven into the heart of Sun Alcyone. This is the frequency of the original divine self created through the spark of Source and breathed into humanoid and dolphinoid form. We are re-connecting our selves into the original frequencies of our Divine Birth. That Divine Essence still remains in the Crystal Heart of

Sun Alcyone, and is reflected through the Crystal Heart of Mother Earth and through our own Crystal Hearts (the crystal heart is actually the blue, violet crystal fuzzy sphere that sits directly below the physical heart).

That Divine Essence was brought to the place where Earth is performing her duty of being transformed back into the star essence that she was formed from. The etheric physical domains of Inner Earth including location memories such as Shamballa and our Aquafarian home, which is in the residential area of that same Continent, are the creations of our Aquarius Starry families. These etheric physical domains have been in existence for over 500 million years. Many of us have lived in those homes for thousands of years before choosing to come to the upper domains to experience the physical realities that we have created. Through the Music of the Spheres we are reuniting with the frequency signatures of all of these spiritual selves that we have been in Aquarius, Tara, Ursa and Inner Earth as well as our first birth from the heart of Sun Alcyone.

STEP FIVE:

Feel and absorb the frequencies of your spiritual twin selves woven into and through Aquarius, Tara, Ursa, Inner Earth and the Heart of Sun Alcyone.

You are listening to the actual frequency signatures of each of these spiritual divine selves that you were and which you will be again as soon as you absorb these frequency signatures. This is the true formula for creating a vortex that connects all of your physical selves with all of your spiritual selves into the knowing of your allness and your Oneness. This is the true formula for opening the Halls of Records, which are in essence the frequencies of the Music of the Spheres. These are the true Akashic Records of all that you are. You are created from light and sound. You are a frequency signature. All higher selves and entities of light know you as your individual frequency signature. That frequency signature can be followed through history because it is always unique and individualized as you are.

However, this frequency signature has been disconnected from all of the forms that it has taken during the past eons through a tragedy that was never supposed to happen in a Divine System. This tragedy can be removed very easily by listening to the frequencies of your Music of the Spheres in your Individualized Immortality CD.

The Akashic Records that are usually retrieved through channeling are words that describe a few events in a few of your past lives. These events are not what is important about you. What is important to know is that your spiritual reality is a frequency signature. You are a beautiful star made of these frequency signatures of light and sound. When all of these frequency signatures are woven back together into their original starry spectacular for and magnificent harmonious symphony of Love, you become a star who is ready to co-create through Divine Mind any reality that you desire.

The true Akashic Records which are within the memory of the Music of the Spheres Crystal Caves of Inner Earth will be breathed and sung back into your Consciousness and into the Atmosphere of Earth beginning in early

2013. It is the goal of the Elohim Angels to have you all prepared to hear your frequencies and align your Consciousness into your original frequency of HOME between 2013 and 2017. This has been the plan for over 500 million years. There have been several attempts of this ascension event; but, this time it is guaranteed.

The reason that it will be different this time is because there will be enough of you on Earth that understand what is taking place in your Consciousness and in your bodies to go with the flow and to not be seduced by fear. What will make the greatest difference is the amount of people who have chosen to get their Individualized ETERNAL LIFE/IMMORTALITY CD, which includes their frequencies of their entire Music of the Spheres Consciousness. This is the key to opening the doors of the records of our immortality.

STEP SIX:

It is time to wake up and get plugged into the Consciousness of your Higher Selves. This Consciousness can be felt through the Breath of the Frequency Signatures of these spiritual twins. It is time to take some

discernment lessons of frequencies because there will be a continued attempt to trap you through lowered frequencies and inaudible frequencies.

If you can't tell the difference between a low frequency of consciousness and a high frequency of consciousness, it is recommended that you begin with the Ascension Kit and practice listening until you gradually see how everything else in the world is a little lower. And the more you listen you will realize that the world around you seems to get a little lower each day. Finally, you will realize that you are floating so high above the rest of the world that you just don't want anything in it any longer.

The frequencies in the Super Frequency Kit contain the frequency signatures of the planetary alignments, galactic alignments, star alignments and all realignments of all dimensions within the Universal and Cosmic Structures that our Individual Cosmic Structures are a part of. These are the frequencies of the Mass Ascension at all levels of the Music of the Spheres- sphere one, sphere two, sphere three, sphere four and sphere five woven into the Oneness of the Omniversal Consciousness.

The frequencies in the Ascension Kit contain codes of alignment from within the cells of the body aligning into the crystal spheres of the Universal, Cosmic and Source

Consciousness. Those codes are generic and for the mass ascension. This step in the process of ascension is highly recommended.

The frequencies in the Cosmic Consciousness Kit come directly from Inner Earth in the Aquafarian homes where some of us lived 500 million years ago. The middle domains of Inner Earth carry the frequencies of our spiritual selves who have been stored away for us for eons. This is the sacred location of my Cosmic Family and my Aquafarian family of Dolphins, Orcas, Dolphinoids and Mermaids and many other wonderful entities of light that assume forms similar to the ones seen in our Oceans. My spiritual Mother of this Inner Earth is Cinderella. She is like the equivalent to the one we know as Mother Mary. She is one of the entities who worked with Mother Mary, who was a Nephilium, who came to Earth for this Ascension project.

If you are still deciding if the Individualized ETERNAL LIFE/Immortality CD is the right choice for you, we would recommend starting with the Ascension Kit.
