

MARY MAGDALENE'S DIARY FOUR

FUTURE MANIFESTATION OF GAIA'S KINGDOM OF HEAVEN ON EARTH

2017-2040

In order to manifest a new idea, we must go beyond the boundaries of everything that we already know exists. The mind of God will allow anything to become instantly manifest in our reality field when we ask to create something that exists outside of the reality field of the world that only exists within our personality.

When we choose to create a new idea, it must come from infinite unknown - the All Seeing, All Knowing, Omnipotent Mind of the One Eternal God. If the idea being created doesn't originate from this one Divine Source, it isn't a new idea. If it isn't a new idea, it has already been created. It is already in the world of concepts. It is already being recycled over and over again. God doesn't create from recycled energy. God creates from Brand new energy that comes from the Brand new Idea of Infinite Imagination.

The new ideas first exist in the subatomic structures. These invisible, quantum ideas must be created in the highest realm and then they can exist as atomic structures that form into visible light and take form in the hertzian and infra red levels of manifestation.

All creation begins at the ultra fine zero point frequency level of the Divine Source breathing the idea into the Cosmic realm. This ultra fine omni particle shimmers and sparks into a frequency that becomes a plasma cloud. This cloud shifts into the field of all potentials. The potential of the idea remains in the fabric of the mind of God. That fabric is woven into the idea that becomes manifest at all levels of light and sound.

That idea becomes the negative of the film that will become processed in the mind of God. So each thought that manifests is created exactly like a film that is processed into a picture album or a movie. When we co-create through the mind of God, we are making God's movie.

The world will end. That movie called the world was not God's movie. That movie was made by liars that kept us from seeing the reality of God's movie. We have just been watching other people's movies. The movie made by God comes from the co-creative activity of our own mind of God within us. Our Souls and our Mid Brain hold the technology that will create the movie made from the mind of God. That is how the world will end. We will soon discover that all of the lies we see being reproduced by the film of the world has been an out right lie. We have not

yet seen reality as of the year 2012. Reality will truly appear in 2013.

We must become humble enough to allow something to come forth that we do not know anything about. We must be willing to allow a brand new reality to appear. We cannot create a NEW WORLD until we completely dissolve the old one. The World must End. It must become transmuted into a higher frequency. We must be relocated into a new time, a new reality. We must be relocated to the time in which all that has come before all that is and all that will come after was created in the mind of God. All that exists is the divine blue print of the film from God's Movie --not the man made movie of the world.

The film that carries the new movie must be processed in the mind of God which is the infinite unknown, omnipresent, omnipotent, omni knowing, Consciousness which fills infinity. This infinite all knowing lies outside of the boundaries of our present knowing. We have not yet allowed for it to manifest in our lives.

When the idea is given to God to manifest from the unlimited knowingness of all that can be, the idea will bloom forth in a form so glorious, so unimaginable, so wonderful, that you will know that it came from the mind of God. If the manifestation is not so glorious that you know that maybe it was not an original idea from God, it is simply an idea that you are recycling out of old ideas that you once heard of before.

The ideas that are now manifest must come from a stream of consciousness so brand new that the idea has always existed from before the world began, before the cosmos began, before time began. The idea must come from ALWAYS WAS, ALWAYS IS and ALWAYS WILL BE. This idea must be an ETERNAL IDEA.

INSTANT MANIFESTATION

We instantly edit over 50% of what we think we see by what the world is expecting us to see.

This is not something that most people think about very often. I studied this phenomena intensely as an anthropologist, ethnographer, and inter cultural specialist. The basis of my masters thesis and dissertation was

the cause and the effects of the Emic and the Etic Relationships in Cultural Observations. Just at a Cultural level, which is just basic 3D stuff, people are trained within each culture, and even each city and village to see a reality that matches the perceptions of those around them. This is called the Emic observation. The Emic is the view of the insiders. The one that is agreed upon within that specific cultural group. Etic observation is quite different than the emic observation. The Etic observation is what the outsiders perceive. The outsiders would be the rest of the world looking at the culture from the outside. This insider outsider phenomena also distinguishes the way a language is spoken and the way specific consonants and vowels are pronounced inside a culture and what makes that group difficult to understand by outside cultural groups.

This phenomena of the culture and the language is very important when we are working on opening our perceptions into the quantum field of reality where we can't see it or hear it because we are the outsiders. Some very special people have learned how to perceive the point of view of the higher dimensional groups whom we only have an etic perspective. We begin to tune in to that other cultural group when we begin hearing and feeling the frequencies which are the communication of the higher dimensional consciousness. The use of the mid brain, frequency specific visuals and subconscious knowing are the realities in the cultures that we can't yet comprehend as the outsiders using the Etic observations.

This phenomena of learning to see things from the other persons point of view has been completely demolished by our education systems. The systems make students think that they are seeing the others point of view when they are sympathetic. Sympathetic is to the Emic as the Etic is to

the Emic. Sympathetic means using one's own background experiences to understand another's background experiences. This means that when someone is sympathetic, they know nothing about the OTHER's experience. Sympathetic means an Etic observation.

The phenomena of learning to see things from the insiders point of view is called Empathy. I did five years of research within school systems trying to find anything that would teach students to learn how to become empathetic. What I found was that anything that could possibly do that was intentionally removed from the system and replaced with the miscalculation of being sympathetic

Becoming empathetic is what is required to learn to Feel Frequencies. It is required to learn the feeling that comes from breathing in order to spin the merkaba which places one in a higher dimension. People tend to think about the frequencies and feelings and breathing in a sympathetic manner, where they say oh, yeah, I have experienced that. Well, I highly doubt it.

It is extremely obvious to me that there is very little to zero understanding of this phenomena. People are sympathizing when they say feel with the heart and not with the head. They are sympathizing when they say have a higher vibrational experience by being happy, joyful and loving.

From my EMIC point of view of having actually experienced the FEELING of the Merkaba raising my frequencies into Cosmic Consciousness and At One Ment with Source, and then comparing that feeling to the feeling of

the world's view or the Etic perspective of happy, joyful and loving, I would have to say there is absolutely no relationship. There might be a closer relationship to the comparison of having one's ears pop when they got to the elevation of five thousand feet, or the feeling of gliding down in a parachute from a jet plane. It is a feeling of rising out of the body. It is a feeling of a transformation of the cells into light. It is a feeling of becoming transparent, etheric, lighter in substance.

This is not to say that feelings of being happy, joyful and loving should not accompany this activity and be a focus of the events that will manifest. What I am saying if the audience continues to use the sympathy of experiencing something that they already know, it will not be the great unknown that needs to be achieved.

Why do we need this great unknown? The soul is an emotion seeker and an experience seeker. The activity of going through culture shock is actually produced by the soul. Once someone goes into a culture that boggles their mind with contradictions, and then comes back to their own culture, they begin to see these same contradictions in their own culture. This new reality is the manifestation of the experience that the soul wants that person to have. Manifestation is a result of feeling the emotion of a new experience. Even if the person doesn't like the feeling of the emotion of the new experience, it will manifest. The reason it will manifest is because the soul wants it to manifest.

So, in fact, we could focus on the things that we absolutely don't want to manifest in our lives, and they absolutely will manifest because that is the

emotion that we have been focusing on. The soul will always give us the new experience that our emotions are focusing on.

This is the reason that we need the emotions of feeling happy, joyful and loving, so that we are not accidentally manifesting the experience that negative emotions might be bringing.

The focus of emotions to obtain experience and the use of the merkaba to spin one into the higher frequencies of Cosmic and Source Consciousness are two separate steps in manifestation.

The act of manifesting culture shock just because the soul is seeking a new experience needs to become controlled. In order to have control of what we manifest, we must be in the frequencies of the Mind of God. When we raise our frequencies into the 14th dimension and beyond, we raise our experiences out of the Earth's matrix of realities. We would begin to experience events that are completely EMIC in the higher realms. We must become the insiders, we must experience the emic frequencies in order to have the fifth dimensional experience.

We shift our observations constantly to try to bring our reality into the field of reality of those around us. This is called learning to get along with others, or social integration.

People can't normally see or understand anything that is outside of their little cultural box. We each must go through culture shock of going outside

of our culture, becoming shocked at the new reality and then re- entering our old culture to cause a new shock in our system that allows us to see new realities that we didn't know were there before.

Culture Shock is a form of manifestation. All of a sudden things appear before us that weren't there before. It comes from going out side of the reality that we know, entering in at a different angle, or a different frequency of perception, and that is what makes the synaptic cleff in our DNA fire a new reality into our cellular memory.

Now, we move this into how much of this effects our manifestation abilities, and we end up manifesting what the world around us is expecting us to manifest until we go through this culture shock. If we hadn't practiced this emotional experience phenomena of culture shock by living in a new third world country every year of our lives, this understanding of how to create the culture shock that is required to put manifestation into motion might be more difficult to obtain.

Crystalai and aDolphino (the Soul of Mary Magdalene) were directed into these experiences by something that they had written in their mission plans before coming to Earth. We both knew that we were on a specific journey of learning something that no body else seemed to be learning. We were put into experiences that most people had never experienced. We were popped out of jobs and places about once a year and a new job and place would appear instantly each time. Parts of these jobs and places were obviously a result of this culture shock phenomena along with believing and knowing that we lived continuously in the Omnipresence of

God who always supplied every thing that we need instantly. So, don't forget, the Omnipresence has always been a part of this formula of manifestation.

We went to a new level of manifestation after we created our first album THE PROMISE, when we were living in Japan and working at the University of Beppu. I kept earphones on my head with that music playing non stop for three years. It was the non stop frequencies that started a higher level of manifestations to begin in my life. And the culture shock of taking the earphones off and re-entering the 3D reality shocked me so hard it was almost unbearable. At the same time the manifestations started happening faster. So, there is a direct relationship to the higher frequencies creating a new emotional experience that becomes highly desired when that experience is removed from the ears.

We must become shocked by the invisible reality and then returning to the visible reality. Each time we do this a new reality appears. We must take charge of the invisible reality through frequencies first, and then dream about them in the subconscious.

We must stop allowing dreaming to be something that we just observe as an innocent by-stander. We must begin CREATING OUR DREAMS.

The dreams that most people have are just left over cellular memory from past lives and memories that invader races conveniently planted in our cells by twisting our angle of perception.

We have to move beyond the emic and the etic and manifest from an invisible reality field of the infinite unknown. We must draw on the highest frequency of the consciousness where all already exists and know that it is already there. And then we need to create something that does not already exist as a cultural known, or the manifestation will just be a replication of something that already exists.

This cultural phenomena has a direct relationship to our beliefs. If we believe that the government is always doing what is best for us, or if we believe that what we learn in school is always true, or if we believe that we should always agree with the preacher at church, or if we believe that the Doctor knows best, we will probably not be able manifest true intelligence, instant healing or eternal life.

The diagnosis of a doctor is only a cultural belief. If you have lived in various cultures as I have, you would not find a doctor of any cultural group agreeing with another. People are only healed because they believe they will be.

I have chosen my entire life to not believe anything that doctors believe. I have chosen to never be sick. So, I perceive what I believe is true. I don't think I can get sick, because I don't believe in it. And therefore, I never get sick. It is not in my cellular memory to allow this to happen.

I believe that my desires are manifest before I can even desire them. I live in continuous gratitude and bliss of knowing that I have already manifested the reality that I desire at every given moment. I believe that I live within the ocean of infinite supply. I believe that I live within the Consciousness of the Omnipotent Omnipresent all knowing Mind of God who has already created all that is in all times all dimensions all universes.

The subconscious mind does not know what is real or what is not real. It just is. It creates what ever the imagination prepares for it. The subconscious mind does not know past present or future. It is all the same.

The conscious mind thinks about an idea. The subconscious mind brings the idea into your experience. The subconscious mind is frequency specific. It only produces realities that come from the frequency of Source. When we regain that attunement with the frequency of Source, we have the Mind of God within us that creates instantly.

The Soul is an emotion and experience addict. It is waiting to be given a new experience. If a new experience is provided through the feeling of that experience, the Soul will make sure that experience is produced.

We must remove the feeling of wanting or lacking or needing.

Manifestation can not happen if consciousness contains these feelings of wanting or lacking or needing.

If one feels these things, they are not creating a new experience and a new emotion through their imagination that will bring them infinite supply, they are actually creating the experience of lacking any supply at all.

We must feel gratitude that every thing that we could possibly want has already been given. This is the reality of oneness with omnipresent supply of Source.

I feel the emotion of being so fabulously wealthy that I'm trying to figure out how to give away all that I have because I know there is more flooding in and I don't have room for it all because it is so enormous. It makes me feel like giving hundred dollar bills to every one I meet. It makes me feel like climbing up a tall building and throwing bags full of money down to people.

It makes me feel like buying an Island and having houses built for everyone who needs one.

It makes me feel like inviting all of my friends onto my space ship and taking a ride to parallel universes with exciting treasures.

It makes me feel like an heir of King Solomon and a piece of the Solomon Shield of infinite supply.

It makes me feel like going shopping at Rodeo Drive.

It makes me feel like taking a private yacht cruise to all of the caribbean islands.

It makes me feel like having a house built in front of a waterfall.

It makes me feel like finding a team of people who will help me create the cosmic mystery school.

It makes me feel like renting those places where 30 people can stay at a time on wonderful islands.

It makes me feel like investing in water energy and christ grid energy based on Tesla.

GRATITUDE IS THE KEY TO MANIFESTATION

GRATITUDE IS THE PROOF THAT YOU TRULY KNOW THAT YOUR EMOTION AND EXPERIENCE HAS BEEN REGISTERED IN THE MIND OF GOD, and there for you KNOW THAT IT WILL MANIFEST.

BE GRATEFUL THAT YOU HAVE ALREADY RECEIVED ALL THAT YOU CAN IMAGINE.

BE GRATEFUL IN KNOWING THAT IT IS ALRADY YOURS.

BE GRATEFUL IN KNOWING THAT ALL OF YOUR PRAYERS WERE ANSWERED BEFORE YOU EVEN THOUGHT OF THEM.

BE GRATEFUL IN KNOWING THAT YOU LIVE AND MOVE AND BREATHE WITHIN THE MIND OF GOD WHO MANIFESTS INSTANTLY ALL THAT IS IMAGINED

IF YOU ARE NOT GRATEFUL, it means that you don't believe that it has already happened.

YOU must Know that it already happened because you felt it happening.

You just KNOW THAT IT HAPPENED because you could feel the Experience. You have the Emotion of Wonder and Excitement and the feeling of going to the bank and taking out large sums of money and giving them to people that you don't even know. And knowing that there will always be more money, and that the money is streaming down so fast that you could n't possibly give it all away fast enough. There is INFINITE SUPPLY. The amount of supply that is in all of the galaxies and universes and cosmos of the entire Cosmaya. You have enough money to go buy a couple of planets.

ENERGY FREQUENCIES POSITIVE HIGH FULL OF LOVE

Focus on frequencies of ionization pictures of waterfalls

Focus on Breath spinning merkaba

Focus on Breath in Crystal Heart

FEELINGS----NOT THOUGHTS ATTRACT THINGS TO YOU

FEELINGS ARE FREQUENCY SPECIFIC

We dont just SAY I AM WEALTHY

We connect to the Infinite Supply Frequency that lifts us so high we feel like we have disappeared and reappeared on another universe.

Once we achieve that frequency that feels like floating away or getting high on love,

then we INHALE THAT FREQUENCY into the Crystal Heart,

Take the feeling up to Sun Alcyone and then on up beyond to the Infinite

Stay in that feeling as long as possible

In the FANTASY IN the IMAGINATION of that Blissful Feeling of this
Marvelous, Fabulous, Magnificent

WEALTH BEYOND IMAGINATION

Once the feeling FEELS ACCOMPLISHED, FEELS like it has been born,
then and only then do we EXHALE.

If we exhale before the idea has had time to finish gestation, it won't be born.

I am not talking about the happy thoughts that make the cells tingle in the body. Those are nice and they will definitely help with maintaining good health and happy attitudes.

BUT the FEELING that I am talking about is a FREQUENCY. And that can only be achieved by breathing into the merkaba to activate the spin of the upper clockwise and the bottom counter clockwise. When this feeling of the merkaba spinning and then traveling up into the sun and down into the Inner Earth and up and over into the heliotalic fourteenth dimension and up into the positrons and ionization of the feeling of a waterfall at a cosmic level.

This is the FEELING that we are talking about.

Many of the positive thinking and law of attraction are not talking about this type of frequency.

I'm talking about the true frequency of at one ment with Source Consciousness that is obtained with the mechanics of the merkaba. Of course that feeling can be achieved with a thought after one has practiced long enough and knows what it feels like.

That is why we create the Frequency Music. So that you will get a glimpse of what a frequency feels like.

TRY THIS

Just breathe. Breathe gently but powerfully in consciousness. Visualize your breath pushing a sphere of energy around you in a clockwise motion. The more you breathe, the more the band or sphere of light energy moves and it circulates faster and faster.

Now think speed of light. Know that by using the merkaba technology, that your breath is actually creating a spin that is faster than the speed of light.

Quantum Physics is the world that we don't see yet, but it is there. It is the anti particle world which is in fact the spiritual world. Once we connect into the spiritual world by aligning our frequencies into it until it completely transmutes the lower frequencies of the physical into the higher etheric frequencies of the spiritual.

Einstein's theory of Energy equals consciousness plus reality or $E = MC^2$

means matter can be converted to energy and energy can be converted to matter.

So, we can create or manifest anything we desire from energy.

If that energy is the frequency of consciousness of Source, we can create anything we desire from it.

That formula was also used by Jesus Christ. He brought the teachings of the ESSENES in their true original form to Earth. He taught his Mystery Schools how to use the Frequencies within their Crystal Heart or their God Seed Atom within their Thymus to connect into the Mind of God, which is the Frequency that comes from 36 inches above the head when we spin the Merkaba or ride up into the five spheres of consciousness.

Subconscious is in the Crystal Heart. Conscious is in the Head. So we must have the head and the heart working together. We must also have the Higher Self, the Super Conscious that is ourself at a higher dimension. We must connect to those higher selves, those etheric selves. We connect into the atmic level or etheric level self in the Crystal Heart Area. We connect to the Mental or Super Conscious Crystal Body at 36 inches above the head and 36 inches around the body. That Sphere is around the Merkaba. So we have the Merkaba Body. The spherical body that is created by the Merkaba that spins ten thousand times the speed of light and places us anywhere in time and space in no time and no space. The merkaba vehicle connects all that is within this Cosmic Matrix.

SubConscious works through the emotions of feelings and strong continuous repetition of that feeling in past present and future realities all being the same.

Some call this connecting with the Higher Self. It is connecting with all selves of the five harmonic universes of Frequencies. Once this energy is connected into we can dream or IMAGINE through the FEELING of the Frequencies the Reality that You will create.

And words like the things that you wish to create, or the desires that you want to come forth.

The thought and feeling must always be in the gratitude for things that have already manifest.

They have already manifested in the Mind of God. When we exhale that already manifested reality from the Invisible or Quantum Reality into the Visible or Manifest Reality of Matter of physical density, it just means that we are learning to REALIZE and Visualize the things that are already here and the things that are already ours.

In order to manifest a new idea, we must go beyond the boundaries of everything that we already know exists. The mind of God will allow anything to become instantly manifest in our reality field when we ask to create something that exists outside of the reality field of the world that only exists within our personality.

When we choose to create a new idea, it must come from infinite unknown - the All Seeing, All Knowing, Omnipotent Mind of the One Eternal God. If the idea being created doesn't originate from this one Divine Source, it isn't a new idea. If it isn't a new idea, it has already been created. It is already in the world of concepts. It is already being recycled over and over again. God doesn't create from recycled energy. God

creates from Brand new energy that comes from the Brand new Idea of Infinite Imagination.

The new ideas first exist in the subatomic structures. These invisible, quantum ideas must be created in the highest realm and then they can exist as atomic structures that form into visible light and take form in the hertzian and infra red levels of manifestation.

All creation begins at the ultra fine zero point frequency level of the Divine Source breathing the idea into the Cosmic realm. This ultra fine omni particle shimmers and sparks into a frequency that becomes a plasma cloud. This cloud shifts into the field of all potentials. The potential of the idea remains in the fabric of the mind of God. That fabric is woven into the idea that becomes manifest at all levels of light and sound.

That idea becomes the negative of the film that will become processed in the mind of God. So each thought that manifests is created exactly like a film that is processed into a picture album or a movie. When we co-create through the mind of God, we are making God's movie. That is what we will begin to do in 2013. The world will end. That movie called the world was not God's movie. That movie was made by liars that kept us from seeing the reality of God's movie. We have just been watching other people's movies. The movie made by God comes from the co-creative activity of our own mind of God within us. Our Souls and our Mid Brain hold the technology that will create the movie made from the mind of God. That is how the world will end. We will soon discover that all of the lies we see being reproduced by the film of the world has been an out right lie. We

have not yet seen reality as of the year 2012. Reality will truly appear in 2013.

We must become humble enough to allow something to come forth that we do not know anything about. We must be willing to allow a brand new reality to appear. We cannot create a NEW WORLD until we completely dissolve the old one. The World must End. It must become transmuted into a higher frequency. We must be relocated into a new time, a new reality. We must be relocated to the time in which all that has come before all that is and all that will come after was created in the mind of God. All that exists is the divine blue print of the film from God's Movie --not the man made movie of the world.

The film that carries the new movie must be processed in the mind of God which is the infinite unknown, omnipresent, omnipotent, omni knowing, Consciousness which fills infinity. This infinite all knowing lies outside of the boundaries of our present knowing. We have not yet allowed for it to manifest in our lives.

When the idea is given to God to manifest from the unlimited knowingness of all that can be, the idea will bloom forth in a form so glorious, so unimaginable, so wonderful, that you will know that it came from the mind of God. If the manifestation is not so glorious that you know that maybe it was not an original idea from God, it is simply an idea that you are recycling out of old ideas that you once heard of before.

The ideas that are now manifest must come from a stream of consciousness so brand new that the idea has always existed from before the world began, before the cosmos began, before time began. The idea must come from ALWAYS WAS, ALWAYS IS and ALWAYS WILL BE. This idea must be an ETERNAL IDEA.

We are the angelic incarnates on Earth. We are the vehicles of the breaths of consciousness of our galactic archetypes. We are the representatives on Earth who choose to exhale the magic from the co-creative realm. We sing the cosmic symphony of evolution through our breaths of consciousness. As we harmonically align with the Cosmic Breaths of Consciousness our entire cellular structure sings in harmony, and becomes completely transmuted into this Cosmic Symphony. We each contain a melody of fraternal essence and our angelic co-creative consciousness. The light streams and sound of the breaths of angelic consciousness are streaming through our minds, our cells, our atoms, our molecules. All of the Suns of all of the Galaxies are singing in magnificent rhythmic streams of crystal light energy of aqualene texture. Our crystal heart glows and dances as it wraps the stars beyond this matrix into the zero point of the spark of source. The ignition of Oneness takes place and it feels like the tone of home, the stardust energy, the radiance of omnipresent Divine Love.

The more we soak up the Galactic, Cosmic and Stellar Frequencies through the Breath of Consciousness, the more aligned into the harmony and rhythm of the Evolutionary Transformation. We must share frequencies and rhythms until we align into a brand new rhythmic texture and a Galactic Tone of Home. As I invite hundreds of Cosmic and Stellar Entities, Family members and Friends to share their Breaths on my

recordings, I find a harmonic alignment. It doesn't require any music theory, or what key resonates with what key.

When the angels sing they all resonate in harmony. In order to resonate with Mother Earth as she becomes a Star, those who desire this great transmutation must first completely transmute their frequencies into the Cosmic Realm and allow the highest frequencies of the Cosmos to exhale as they breathe and sing. This doesn't mean that quantity is greater than quality. It means the quality of the highest frequency is the only frequency that will have any significant impact on the transition of the individual's island of light or in the entire ascension process of the mass. Those who think they are making an impact by breathing heavily or singing loudly will only find themselves surrounded by more of the same. It does help to sing the magic words such as Kaharasatahala or MaharatamuAva because these are sincere desires to only be created by those in the True Christic and Cosmic Realms.

Why do we need to know Merkaba Mechanics to manifest?

Because this is how we raise our frequencies into the full spectrum of the fifteen dimensional consciousness which is the Earths Matrix. This allows us to be complete within the SOURCE CONSCIOUSNESS. When we are completely in Source Consciousness, we are in the mind of God. which is the manifestation template. We become familiar with this frequency. We become in tune with the frequency.

This is step one in our manifestation.

The Frequency Music is to help you become accustomed to the FEELING of the Frequencies of Christ, Galactic, Universal and Source Consciousness.

Next

After becoming familiar with the mechanics we can call on MERkaba
Rasha EirA Christ Star Now

Rasha= the 12 dimensional consciousness 12 inches above the head.

Rasha LA the Cosmic 14 dimensional consciousness 36 inches above the head.

After we become so familiar with this alignment into Cosmic Consciousness in the five harmonic universes, we can expand into the outside realm of the Source Field.

We go from the inside of the Earth's Matrix to the outside of the infinite unknown.

Once again this formula aligns with the cultural phenomena of the inner and the outer or the emic and the etic realities.

We can't be in the Source Field of Knowing if we are still in the Earth's field of Knowing. Those are two different reality systems.

The Earth system of knowing is mostly based on lies and limitations of working hard for a living.

The Source Field of knowing is based on ALL ALL READY IS. And every new reality is just waiting to be born.

When we are in this mind of God or the Source Field of the unborn realities, we can instantly manifest anything we can imagine.

Source is the only creator. Creation doesn't happen unless it is through the Mind of God. And we have the divine right to use this infinite creation machine any time we want. It is ours. So why not learn how to use it and create the world that we want?

We have the frequency specific mid brain. That is where the Eira Stream of Crystal Light Energy from Source streams in. We can connect to that stream of crystal light energy by walking into the candle in consciousness. Walk clear into the white light of the full spectrum of light and sound. Turn around and become the blue sphere. When you have become the blue sphere, this means you have connected to the Mind of God through the EirA stream.

Take that stream of Source Energy into the Crystal Heart. That is the place within the Thymus, called the God Seed Atom. There is a mini me of your self in etheric form that has its head about in the throat area and the feet are above the navel. That is your etheric crystal atomic level self. That is your Soul Self. That self can travel interdimensionally. That self can move out of the body, sleep on your ceiling, go to the bank, or whatever you want it to do. It is your means of bi-locating.

(I recommend getting very familiar with your mini me, etheric self -- your soul self. That is the you who will allow you to walk through the pearly gates without dying. You need to practice walking into that self, into the oneness with your etheric self.

You also need to learn to allow your spirit self to become one with your physical self. I provided you with the Asension Formula Meditation to allow that to happen.)

Take the idea that you create in the mid brain into your crystal heart. See your mini me getting very excited about this idea you have and what it feels like to be the emotion of that reality. You feel like the winner of the mega million lotto. You have just won 30 million dollars. What does that feel like? And don't start limiting yourself. Now. you can win the 30 million dollars every day for ever because you have learned how to do it.

Hold that feeling in your crystal heart and then inhale it into the Mind of God which is about 38 inches above your head. Hold that feeling there in your breath for as long as possible and then exhale. The exhale comes through your lungs, but think of it as coming through your crystal heart area and your mid brain area and out your mouth. At the same time see the manifestation coming from your crystal heart and down your arms and into your palms. See and feel the crystal light, crystal dust and crystal gel in one sphere of energy that you are hold ing in your palms of your hands as you are breathing into the palms of your hands.

Practice this step of manifesting until you realize that you can manifest flames of light energy in your hands. that light energy is coming from Source. You are manifesting light energy directly from Source.

That is your first step in manifesting.

When I was taught this manifestation technique by the Elohim Angels I was desiring to manifest the highest frequency and bring it to Earth. So, that frequency of energy coming from Source Consciousness could be felt in my palms and in my breath. That was the frequency that I learned to exhale onto a microphone and record the frequencies of Source.

These are the frequencies that we use to manifest anything we want.

MOST COMMON REASONS WHY PEOPLE CAN'T MANIFEST

1. They haven't learned how to use the Mind of God
2. They spend most of their time thinking in the Conscious Mind about things that they don't really want to manifest
3. They don't keep their consciousness saturated with the highest frequencies
4. They haven't gone beyond the five senses into the higher senses
5. They don't stay focused on knowing that they already have the very things that wish they had.
6. They spend their time wishing instead of being grateful that they already have it
7. They don't stay in the Frequency Specific Mid Brain Sub Conscious

8. They don't stay connected to their Soul Matrix which gives them super consciousness

9. They don't stay in the no time of always have been always am and always will be (a multi millionaire--or whatever the desired reality)

10. They don't pave a path in their consciousness each and every morning that sees them living as a multi millionaire every day of their life since they were born, and never knowing a moment when they were not a multi millionaire.

Here is a good place to take a pause. A person can't even participate in this process if they think it is a lie to live in the reality that they have always been a multi millionaire. This doesn't mean you have to share your reality with anyone else because then you will be paying back taxes forever.

But, you must know that you in reality always have been a multi millionare, you are a multi millionare and you always will be a multi millionare.

You cannot have one reality for five minutes and then shift into another reality for five minutes.

11. They spend more time watching other people's movies instead of focusing on making their own movie of their own desired reality.

They do not spend every moment of every day being grateful for already having all of these things.

12. They do not believe beyond a shadow of a doubt that man is a manifestation vehicle.
13. They do not believe that there is an absolute divine and spiritual method of manifesting that works every single time.
14. They do not believe that they actually are the Mind of God which is the manifestor.
15. They do not believe that their consciousness is attuned to and at one with the Frequencies of Source Consciousness.
16. They do not believe that they are the holographic gods who are on Earth creating God's movie.
17. They live in the Earth system of believing they must work hard for a living.

The Earth system of knowing is mostly based on lies and limitations.

The Source Field of knowing is based on the reality of ALL that is ALL READY IS. And every new reality is just waiting to be born.

When we are in this mind of God or the Source Field of the unborn realities, we can instantly manifest anything we can imagine.

Source is the only creator. Creation doesn't happen unless it is through the Mind of God. And we have the divine right to use this infinite creation

machine any time we want. It is ours. So why not learn how to use it and create the world that we want?

What is the law of attraction?

The popular courses teach something about bringing good things to your self because you stay in happy thought frequencies. They teach about focusing on the thing that is desired and magnetizing that thing to oneself.

I am not talking about the law of attraction in that way. I am talking about the frequency of Source Consciousness being the frequency that manifests every thing into form instantly. I'm talking about it being man's divine right to manifest instantly any reality that he desires when he is using the frequency of Source. I'm talking about that crystal liquid light energy flowing through the mind of man and being breathed out into a desired creation.

I am talking about the body of man being designed to manifest with the breath. We breathe, we create a picture of a desired reality, we inhale the picture into our crystal hearts which creates a negative of the picture that is to be developed in the mind of God when we inhale, and then we exhale that picture in its developed form on to the radial body screen that is three feet in diameter around the body.

That is the true divinely scientific formula of manifestation. It really does work every single time just like science. But, it has to be done correctly.

The part that most people don't get right is the connection to the Mind of God.

Why do we need to know Merkaba Mechanics to manifest?

Because this is how we raise our frequencies into the full spectrum of the fifteen dimensional consciousness which is the Earth's Matrix. The Earth's Matrix contains five harmonic universes. The fifth harmonic universe is the Cosmos. The sixth sphere is the Cosmaya. The infinite plane of the 12 Cosmos who created the one Matrix. Beyond the Cosmos if pre light and pre sound is the Source Field, the Infinite Unknown, the Void., the pure spiritual Allness.

When we are absorbed within the Infinite Consciousness Fields of all of these dimensions, we are actually wrapped within the Omnipresence, Omnipotence, Omni Reality Field of Source Consciousness. There can be absolutely no separation from Source's pure Manifestation Field when we become locked within the Merkaba Mechanics. The Merkaba is a spiritual symbol that creates energy. The energy is the spinning at the rate of ten thousand times the speed of light.

That is how fast we would need to travel to be in the complete reality field of the Earth's Matrix and within Source Field at Once. The Merkaba means $E = MC^2$. Einsteins theory of relativity. Our reality field is equal to Consciousness plus energy. We connect our consciousness into

the energy field of the Merkaba by breathing to make the outer band spin clockwise and the inner band spin counter clockwise. We create the reality by focusing on where the merkaba is traveling to. If we focus in the 13 dimension of Inner Earth, we travel there. If we focus on traveling four harmonic universes into the fifteenth dimension, we travel there. If we focus on traveling to the seventh harmonic universe we would obtain oneness with Source Energy. This allows us to be complete within the SOURCE CONSCIOUSNESS. When we are completely in Source Consciousness, we are in the mind of God. which is the manifestation template. We become familiar with this frequency. We become in tune with the frequency.

We must repeat this procedure of becoming saturated with the Frequency of Source Consciousness by going within. If we spin the merkaba of oneness with Source into each cell in the body and into the chakras and into the DNA we are spinning into an omni field that is more etheric than sparks or quarks. We are focusing on infinitesimal zero point of reality within each atom in our body. This creates the saturation level of Source Omnipresence from the zero point within to the infinite all in the without.

This is step one in our manifestation.

The Frequency Music is to help you become accustomed to the FEELING of the five harmonic universes containing the Frequencies of Christ Consciousness, as well as Solar, Galactic, Universal and Source Consciousness.

Next

After becoming familiar with these specific mechanics, we can call on the Merkaba by saying

Rasha EirA Christ Star Now

After we become so familiar with this alignment into Cosmic Consciousness in the five harmonic universes, we can expand into the outside realm of the Source Field.

We go from the inside of the Earth's Matrix to the outside of the infinite unknown.

Once again this formula aligns with the cultural phenomena of the inner and the outer or the emic and the etic realities.

We can't be in the Source Field of Knowing if we are still in the Earth's field of Knowing. Those are two different reality systems.

The Earth system of knowing is mostly based on lies and limitations of working hard for a living.

The Source Field of knowing is based on the reality of ALL that is ALL READY IS. And every new reality is just waiting to be born.

When we are in this mind of God or the Source Field of the unborn realities, we can instantly manifest anything we can imagine.

Source is the only creator. Creation doesn't happen unless it is through the Mind of God. And we have the divine right to use this infinite creation machine any time we want. It is ours. So why not learn how to use it and create the world that we want?

We have the frequency specific mid brain. That is where the EirA Stream of Crystal Light Energy from Source streams in. We can connect to that stream of crystal light energy by walking into the candle in consciousness. Walk clear into the white light of the full spectrum of light and sound. Turn around and become the blue sphere. When you have become the blue sphere, this means you have connected to the Mind of God through the EirA stream.

Take that stream of Source Energy into the Crystal Heart. That is the place within the Thymus, called the God Seed Atom. There is a mini me of your self in etheric form that has its head about in the throat area and the feet are above the navel. That is your etheric crystal atomic level self. That is your Soul Self. That self can travel interdimensionally. That self can move out of the body, sleep on your ceiling, go to the bank, or whatever you want it to do. It is your means of bi-locating.

(I recommend getting very familiar with your mini me, etheric self -- your soul self.) That is the you who will allow you to walk through the pearly gates without dying. You need to practice walking into that self, into the oneness with your etheric self.

You also need to learn to allow your spirit self to become one with your physical self. (I provided you with the Asension Formula Meditation to allow that to happen).

Take the idea that you create in the mid brain into your crystal heart. See your mini me getting very excited about this idea you have and what it feels like to be the emotion of that reality. You feel like the winner of the mega million lotto. You have just won 30 million dollars. What does that feel like? And don't start limiting yourself. Now you can win the 30 million dollars every day for ever because you have learned how to do it.

Hold that feeling in your crystal heart and then inhale it into the Mind of God which is about 38 inches above your head. Hold that feeling there in your breath for as long as possible and then exhale. The exhale comes through your lungs, but think of it as coming through your crystal heart area and your mid brain area and out your mouth. At the same time, see the manifestation coming from your crystal heart and down your arms and into your palms. See and feel the crystal light, crystal dust and crystal gel in one sphere of energy that you are holding in your palms of your hands as you are breathing into the palms of your hands.

Practice this step of manifesting until you realize that you can manifest flames of light energy in your hands. that light energy is coming from Source. You are manifesting light energy directly from Source.

That is your first step in manifesting.

When I was taught this manifestation technique by the Elohim Angels I was desiring to manifest the highest frequency and bring it to Earth. So, that frequency of energy coming from Source Consciousness could be felt in my palms and in my breath. That was the frequency that I learned to exhale onto a microphone and record the frequencies of Source.

These are the frequencies that we use to manifest anything we want.

PROLOG

In the early years of our marriage, my husband and I kept getting the same message from the voice of our Higher Self. The message that began in 1987 was MAKE GOD'S MOVIE.

Now, I understand that my higher self knew it would take us until about 2017 to learn how to make God's movie. It has taken us these decades to learn how to Make God's Movie and I have been told that we will actually be able to do these things instantly in 2017.

Our first step in learning this process required us to live in several other continents and cultures who each had their own movie of reality. We learned that other movies that were created by cultures, religions and

languages were all the result of the Tower of Babel. I was being told by voices in my head that it was my mission on Earth to remove the Tower of Babel by bringing the highest frequencies to Earth through Music.

That was my mission and that was my puzzle that I would need to figure out and accomplish before I could move back into that glorious reality where I didn't have to listen to people BABEL any more.

The thing that bothered me the most in life was having to listen to people talk. The reason I started creating my own music was to create frequencies that were so much like the Frequency of God, that I could just stay in tune with the voice of God instead of listening to the outside BABEL of the world.

One day a large group of Angels appeared in my living room and gave me the formula to bring the Highest Frequencies to Earth through Music. They told me that I would create the music and the music would speak to me. I would write down what I learned from the music and then create more music. I have been following that formula since 1992. I have been watching the steps and stages of the Ascension of Earth take place through these frequencies in the Music.

It is the Music of the Spheres streaming the spiritual frequencies into our neuronets to transmute the lower physical frequencies into a new harmonic reality. When I connect my Consciousness into the Tones of Reality beyond the Earth's Matrix and completely into the Omnipresence of the Source Field of Creation I then Inhale the Frequencies into my Crystal Spheres (These are ETHERIC CRYSTAL SPHERES--not the physical kind). The Angels handed me these three spheres of crystal liquid light, crystal dust and crystal gel. They told me to use these as a microphone that would record the spiritual frequencies into a tangible form that I could record.

The transition of the Frequencies was truly magical. The way the tones sounded without the use of the Crystal Spheres and the way they sounded with the Crystal Spheres were two totally different levels of Consciousness. (When I use the term Crystal Spheres, I am referring to the spheres within spheres of the Music of the Spheres. The most outer layers of spheres of the Cosmos are a created of the Frequencies of Pre Light and Sound. More Specifically, the frequencies of the atomic radiation, gelaisic substance, and stardust).

One level of Consciousness was my Cosmic Host- the Elohim of Hearing, allowing the Truth of Reality to stream into my Neuronets and allowed that Essence to be Exhaled into these magical Crystal Spheres.

I learned through years of guidance by Elohim Angels, Sirian and Oraphim Families, teachings from Pleiadians and Lemurians, and the Crystalai Cosmic Council that what I had learned to do was to exhale the Music of the Spheres from the breath of creation as the Elohim of Hearing was allowing the entire Cosmic Consciousness to flow through my ears. This is how I learned to create the image desired in the music and to exhale the Voice of God on to a recorded crystalline substance and then lower the form into a mp3 or CD.

The music of Crystal Magic Orchestra will be known as Future Holographic Music that records actual images of Consciousness just like a Hologram of a Frequency Signature. These concepts are totally beyond the scope of the minds of the masses, but a few Masters are catching on to the idea.

PART ONE

Chapter One

MASTER OF MANIFESTATION

A true Master can create anything they desire by simply holding an image or idea in the Mind of God--not in the Thinking Brain- in the Mind of God.

The Mind of God is the Frequency Specific Brain. It only manufactures reality when the idea is created in Consciousness. Consciousness is Frequency or Energy. The Rule of Creation is Consciousness plus Energy equals reality. All reality is created through the Consciousness creating an Idea and holding it in the Frequency. What Frequency? The Highest Frequency. The Frequency of Source Consciousness wrapping within itself the entire Cosmos.

How do we get to the highest frequency? You can use the Merkabas to spin you into the second and third and fourth and fifth harmonic universes or you can connect your lotus blossom into the Cosmic Matrix or you can walk into the full light spectrum within the candle or you can walk into the Sun.

Each of these requires that you move into the Complete Light of All there is by walking through the Veil of Light into pre light and pre sound. This is the manifestation center. When you hold the idea in the Mind of God-on the other side of the Veil, you will fall into a Trance or a state of hypnotism. That feeling is the feeling of moving into the spiritual side of reality. It is a move in frequencies of consciousness moving you into Cosmic Consciousness and beyond into the White Light. When your consciousness touches the Gamma Waves and beyond, these 8th dimensional waves connect with the fifth dimensional waves and they create phonons which is the energy required to melt away the old DNA and allow new DNA to be created.

When the Consciousness connects with Infra Red Light that frequency creates a negative of the picture. The Visible Light develops the picture.

However, all of this light processing that is required to develop the picture or idea that will manifest into the movie of your new day must be created in the highest frequency because that is where the white light flashes into a new hue of ultra violet blue.

When you move consciousness into this frequency lab to develop your film in your movie projector, you don't need to think about how these things are done. All you need to do is keep your thoughts in the light energy and keep them in the highest frequencies that you can.

If you can just keep your consciousness centered in the Frequency Specific Brain and stay out of the Thinking Brain that guides you in your normal reality, you are on the right train track.

However, you must become willing to be AWARE of how often you think during the day. You must be willing to realize that each and every one of those thoughts is creating your day. If you want to create a new type of reality, you must stop thinking about those things of the world. The thoughts in the thinking brain will just keep you in the old Net Earth, while the Frequencies of the Blue Hue that is manufactured in the White Light will allow you to float into the Aurora Earth of infinite possibilities.

The neuronets attached to the Thinking Brain are full of attitudes and judgements that keep them going in circles. Only Masters will move to the Mid Brain for stimulation. The masses will always need to have the environment give them their entertainment and inspiration. The

masses do not know how to find inspiration within the Consciousness of Reality.

As long as the mind stays centered around the things of the world, those same things will just continue to manifest as the realities that appear around you. If you stay focused on the Highest Frequencies and the Infinite Magical Realities that you can create just by holding the dream of Fabulous Wealth or Magnificent Freedom, or the Perfect Light Body, your life will become magical.

The Mid Brain is the place where we can go to be free from emotions. It is the place we can turn to for the renewal of a higher magnitude. We can become free from judgements, conditions, emotions of fear, pain, war while we remain in the Mid Brain. We can live in a reality where we no longer manifest those conditions and emotions into our reality.

There might still be those in the mass consciousness that manifest that type of a reality around them, but you will not be able to see it or be a part of it any longer because the reality that you create in your mid brain will be the only reality that exists. The Mid Brain is the Holy Place that only allows Unconditional Love to create your reality.

PATIENCE

Patience in the Great Work does not mean long suffering and waiting for a long time. Patience is a term that describes a dimension that holds itself in a timeless space. This timelessness includes the highest frequency of Eternity or the Mind of God.

The aspect of the brain that holds patience is the Frequency Specific Mid Brain. The Neo Cortex loops into the hypothalamus which gives

long term memory is not capable of the patience that exists in a timeless space. The thinking brain always places a judgment of final analysis on each and every thought process which locks out timelessness.

This means that each time you move into the frequencies that place you in the trance state and you hold the desired dream in your mid brain frequencies, you must make sure that you do not change your dream by taking conditional thoughts over the top of the dream that you just created. Every time you take a thought you are carving away a piece of the perfect dream that you created. So, you could create your manifest reality in the dream state and then un-make it during your day time thinking process.

Once you create that dream you must hold it within your mind continuously for several days. You must go through this process of training the brain to work this way because you have spent an entire lifetime living under the control and judgement of the thinking brain which is helping create the exact world that you do not want to live in.

All memories that have been stored in the hypothalamus contain long term memory with judgment woven into them. If we create our reality through the process of this judgment, our experience in life will only contain other people judging us and controlling us. Think about this-we are judged by our education system. The entire reality of education is to grade students based on a judgement. Most people think this is a good thing because it is the only reality that they know.

We have created a world where we judge others races, religions , creeds dress styles, hair style, color preferences, as well as five

million other items each day. And then we go to church to repeat the fact that thou shall not judge.

Judgment is a sin because it allows your thinking brain to be the god of your reality instead of the Mid Brain which is in fact is the mechanism that connects you to the Mind of God through Unconditional Love, who has no judgment of anything. The process of judging does not exist in the frequency specific kingdom of heaven.

One form of judgment is the belief of disease. A disease can not exist without the neo cortex judgment loop. If the disease is not perceived through judgement, it would loose all of its power and existence. Disease is created and promoted by medical propoganda placing judgmental ideas in the neo cortex of the masses in order to propogate the belief through the judgment loop.

There is only one way to stop judging others. That is by moving out of the thinking brain and into the mid brain of patience. The mid brain is the psychic brain. It does not analyze, judge, think or place conditions on reality. It only gets pure information through the highest frequencies of consciousness. The sender and receiver of ideas and desires is this frequency specific analogical mind which creates all desires that it receives in pure form. It creates and manifests all desires. It is a creation machine.

So, there are two creation machines. There is the neo cortex, which creates conflict through the judgment loop. This is where all of the beliefs of the world are created. The second creation machine is the Frequency Specific Brain, that only creates through the frequencies of the Mind of God. All is created in and through Unconditional Love.

There is no condition of judgment, time, place, event, circumstance in the Mid Brain.

The Mid Brain won't create anything unless we use it correctly. It is our sender and receiver of manifest reality. It creates all desires. It gets pure information from the Mind of God and allows that information to be known to you.

The Mind of God is your own personal neuronet and DNA connection into all that is a part of you. It connects to all of your Souls, Over Souls, Rishi Selves and Avatar Selves to allow you to connect to the knowing of all that is to be known.

The Mind of God gets its information in a pure form and then presents it to you. And then after presentation it is broken down into its analysis of how you want to receive it and store it as memory.

The mid brain does not think. It receives pure data, pure thought form coming in from infra red fields and visible light. If you collect data from news sources of any kind, that data will be used by the neo cortex and it will block the flow of pure consciousness.

When you receive pure thought and then think about it, you will negate it. If you accept the first impression into the mid brain, you will receive it. It comes from a stream of consciousness that is outside of the neo cortex-outside personality. The mid brain sends through a web of consciousness. It sends thought without judgment.

The thinking brain always places a judgment of final analysis on each and every thought process which locks out timelessness.

This means that each time you move into the frequencies that place you in the trance state and you hold the desired dream in your mid brain frequencies, you must make sure that you do not change your

dream by taking conditional thoughts over the top of the dream that you just created. Every time you take a thought, you are carving away a piece of the perfect dream that you created. So, you could create your manifest reality in the dream state and then remove it during your day time thinking process.

Once you create that dream you must hold it within your mind continuously for several days. You must go through this process of training the brain to work this way because you have spent an entire lifetime living under the control and judgment of the thinking brain which is helping create the exact world that you do not want to live in.

We have created a world where we judge others races, religions, creeds, dress styles, hair styles, color preferences, as well as five million other items each day. And then we go to church to repeat the fact that thou shall not judge.

Most people think that they are not judging just because they prefer one race, religion or dress style over another. They think that is just an opinion. The act of having an opinion places your consciousness in the judgment loop of the neo cortex.

It is impossible to remain in the Unconditional State of the Mid Brain as long as you are dwelling on any opinion.

These are the things that must be changed in the way we live and don't think before we will be living as Christs walking on Earth who live completely through the Mind of God. We have been completely mis informed about the true meaning of living a life through Christ.

Christ Consciousness is a Frequency of Angelic Consciousness that sends and receives all that is created from the light and sound of the Mind of God. Life is a Movie Projector. We can be in the movie projector of mortal man or we can be the makers of God's Movie.

Judgment is a sin because it allows your thinking brain to be the god of your reality instead of the Mid Brain which is in fact is the mechanism that connects you to the Mind of God through Unconditional Love.

One form of judgment is the belief of disease. A disease can not exist without the neo cortex judgment loop. When you receive pure thought and then think about it, you will negate it. If you accept the first impression into the mid brain, you will receive it. It comes from a stream of consciousness that is outside of the neo cortex-outside personality. The mid brain sends through a web of consciousness. It sends thought without judgment.

Judgment will alter the information sent by the mid brain. When we analyze a thought with the thinking brain we change it into a limited image that is different than the pure thought sent by the mid brain.

If you are holding the image of your perfect body in a light that is full of light while remaining in the Unconditional Frequency Specific Brain continuously, that perfect image will be reproduced through your DNA and it will manifest outwardly as your new healed body.

However, if you are thinking about all of the things that are the matter with your body for a few seconds in between the periods where you are holding the perfect image, those old images will create a veil of darkness over the light image that you are holding in your Mid Brain.

Every time you loose the absolute focus of the perfect image, you are creating distortions in the picture of you body that you are developing through you DNA and projecting from your pituitary gland.

If you are spending your day reading articles about diseases that appear to be something that might be a part of what you are healing in your body through the use of the Frequency Specific Mind of God, you would just be allowing those images of that disease to be painted into the neo cortex that will start looping that judgment of that disease into another layer of a reality that you will need to remove.

This is why spiritual practitioners do not take patients who continue to use other sources of healing such as medicine and hospitals. If the patient is believing that they have a disease that needs medicine, it will be impossible for that patient to hold the image of the perfect

body of light in their Mid Brain through the Patience of Unconditional Love.

Spiritual Practitioners hold this image of their patients for them. However, if the patient is specifically counter acting the healing work that is being done for them by focusing on and believing other reports of disease and believing what another doctor or healer is telling them to do, which is in direct contradiction to what the original practitioner told them to do, it will never be possible for this patient to be healed.

In this situation, it is the Spiritual Practitioner's responsibility to dismiss that patient, because it is very dangerous to mix together two healing systems that directly contradict and counteract each other.

Section TWO

MERKABA HEIROPHANT

It is time to use the Merkaba Heirophant as the energizer that holds the image in the frontal lobe. Please draw one triangle facing up and one triangle facing down. I'm sure you have seen this image. The image is very powerful. It is the symbol of holding the at one ment with Divine Love, with Manifestation, with Source, with the Highest Frequency. Just the image itself does that.

Draw this image on a card and hold it against your forehead- with the image touching your forehead. That is the place where you hold the

picture in the mid brain or blue brain. That is the blue brain area- it is called the third eye or the psychic brain. That is the place where you hold the image.

Now, draw within the merkaba heirophant a symbol of the thing that you want to manifest. Such as dollar bill signs for wealth or a stick figure of a perfect body or a symbol of freedom from fear.

Hold that image in your blue brain with this process.

See your perfect body inside of the heirophant. It will help you get used to knowing that you are in FOCUS and that the heirophant is always holding you within the Oneness of the Entire Divine Mind Matrix.

Place the image of your perfect self in the heirophant in the third eye and keep that focus always. Keep it so long that the image starts to pop into your head throughout the day without you needing to think about it.

Do the same thing with each one of your desires.

Remember, whatever you are working on manifesting will always contain any of the old ideas that slide in to the picture. This is why you must practice keeping this image all of the time. Every time the old ideas pop in they will distort the image and place the old errors

back into it. When the perfect image is held without any distortions you will have an instant revision of your body into a new version or a brand new ageless self.

These diagrams are to help guide you to where the work is being done in the flow of energy between the 4-7 chakras.

The diagram shows the part of the brain that is the blue energy, pink white light and golden frequencies.

Blue or ultra violet blue energy is the energy of transformation

This is gained by moving Consciousness completely into and beyond the Gamma Waves of the Sun. Once the Consciousness moves through the gamma into the pre light and sound the eyes see a Blue Sphere connecting into the sixth chakra area- the mid brain.

This transforms the flow of information to begin from the Mid Brain instead of from the Thinking Brain in the upper cerebellum.

this turns off the thinking brain.

After the thinking brain is turned off, a new path needs to be created from the Mid Brain down the Golden spiral into the throat and into the Heart.

After this pathway is cleared, a new pathway into the neuronets is created to stream consciousness from the pink silver white (violet area). This is the Medulla Oblangata connecting to the Seed Atom within the Thymus.

The new information needs to begin to flow into the seed atom and transform the old information into the new Eternal Life Programming.

This is all going on in the Neck area. This is why Elai is having problems in his neck area now.

The music will open the flow through the neck after the pattern of consciousness is realigned through the Mind of God flowing into the back of the neck and into the Seed Atom.

Clearing CHAKRAS 4-7

In order to open up to the Mind of God means realigning the 4th Chakra- the Heart's Magnetic Field into the Golden Spiral of 14th Dimensional Frequencies running through the 5th Chakra in the Throat and connecting the Frequency Specific Mid Brain- Pineal and Pituitary Third Eye 6th Chakra into the Fifth and Fourth to open up this flow of Consciousness that has been cut off from the 5th Dimensional Frequency in the Throat.

The Back of the throat area connects to the Seed Atom and into the Medulla Oblangata. That is where the flow of Consciousness connects directly into the Mind of God in the Violet Pink White Light 15th dimensional Cosmic Consciousness.

As you are listening to the Frequency Music, such as the Re-Birth Album, please focus on feeling the frequencies running through these areas in you heart, throat, mid brain, between the ears and out the back of the neck area.

This is clearing the flow into the Mind of God and removing the stream of Consciousness from the Thinking Brain in the Upper Cerebellum that only holds the old Karma- the old Emotions of the Old Life History.

How we are moving into the New energy of the Light Body within the Physical Body.

The most effective way of bringing together the light and sound of the Cosmic Frequencies of Transformation is through the Music recorded by Crystal Magic Orchestra.

The RE-BIRTH ALBUM is one album that was created specifically to melt away the 4th,5th,6th, and 7th SEALS that will melt away the Old DNA and allow the New DNA to begin to Activate by firing the Synaptic Cleff from the Zero point of omnions within the atoms of the neuronets. The DNA is orchestrator and director of all consciousness within the neuronets.

Song 10 contains the Frequencies of the 15th dimension flowing through the Seed Atom and the Medulla Oblangata connecting directly to the Mind of God.

Song 11 is the Clearing Energy through the 4,5, and 6 Chakra which is a portal through the 5th Neck Area.

Song 12 is the Clearing using the Golden Frequencies of the 14th dimension to clear the path from the throat into the Pineal Gland.

Song 13 is specifically to clear the Fifth Chakra and its connection with Multi Dimensionality. The Fifth Chakra in the throat is also where the 8th Dimensional Plasma Frequencies connect into the Thymus in order to turn on the Imagination Center in the Seed Atom.

Song 14 is a complete clearing of the Heart Chakra to remove the old Mortality Loop that did not connect to the throat and pineal gland correctly.

Song 15 is a combination of the spiritual and physical frequencies into at one ment. A complete clearing through the Ears opens the pineal gland and the third eye.

All of these clearings allows the Seventh Chakra- the Crown Chakra to open and connect with the 12 dimensional frequencies of Christ Consciousness to prepare to become Christs walking on Earth.

CREATING OF OUR MOVIES

We are the creators of our reality. We are the law givers to our reality. Every thought that we create dispenses our reality. Every thought that we make formulates the reality that we create. We are the Gods that make our Movies. If we don't like our reality, we

must learn to create differently.

We are the ones who judge our reality. As long as we are using judgement, we are trapped in the loop of the neo cortex, which is the Thinking Brain.

We cannot be free to create a different reality, as long as there is any judgement involved.

As long as judgement of anything is involved in our thinking process, our reality will be full of people who judge us. The more we get wrapped in the loop of thinking things like "I don't know why that person has to be so stupid, I don't like the way that person talks, I think the President is Illuminati, etc., etc., we are wrapping our own reality into a process which will create versions of people who match those thoughts exactly. The more we judge every moment of our day to day experience with the insensitivity that does not include the empathy that allows all people to have their own version of reality without judgement, the more our life will be filled with people with the same insensitivity that we created them to be. Those who judge you wouldn't exist unless you held a judgement in your neo cortex.

Guess what? That is all the neo cortex does. It is a judgement machine. The only way to stop judging is to get out of the Thinking Brain, because it has a judgement loop in it. The TRANCE ALBUM paralyzes, trances out and hypnotizes the Thinking Brain. This will allow you to remain in the Mid Brain completely.

We must learn to move out of the neo cortex and into the Mid Brain or Psychic Brain, which is Frequency Specific. That means it

does not gather data through judgement. It means it is a part of the brain that only uses the pure consciousness of frequencies. These frequencies come from Divine Mind. These frequencies form into the realities that are presented as our activities of our day.

The Mid Brain is the movie projector. It is the sender of the realities that are projected on to the movie screen of our daily creation.

When we learn to stay focused within the Psychic Brain of Frequencies, we are creating our DESIRES that we want to Manifest through our Movie Projector which is the Mid Brain. Only then do we begin to create a Reality Field that does not contain Judgement.

What is Judgement? Anything that we have an opinion about is a judgement. Anything that we compare is a judgement. Anything that we believe is the Correct Belief is a Judgement.

Basically, everything that we THINK is a Judgement. And it is the judgement that creates the polarity of the spiritual and the physical. Polarity means separation. The Spiritual Frequencies are trying to Create the perfect Desire while the Neo Cortex sends ideas with Judgement loops into the perfect desire. That is what creates the polarity or separation between the PURE IDEA that you want to manifest and the Distorted Reality fields that loop themselves into the Pure Idea that you are trying to Focus on.

Think about this paradigm in this manner:

I am holding this Desire of being wealthy in my head.

I am creating this picture of a person who looks like me sitting in a yacht that is full of gold coins. I am seeing the yacht parked in the Caribbean Sea and I see Dolphins jumping along side of the yacht.

THIS IS THE INCORRECT WAY TO MANIFEST because it contains people, things, events, places, specific locations, tangible elements, and hundreds of tiny little beliefs and judgements within it.

In order to manifest a NEW REALITY, the desire must not be SPECIFIC in form. It must not contain physical circumstances. It must be purely SPIRITUAL. That means it must be created from the Frequencies of Consciousness that do not contain third dimensional restrictions.

The Divine Mind can not create anything when we place those restrictions upon it. The Divine Mind creates through Frequencies. It creates through the INFINITE IDEAS that already exist in the ETERNAL MIND of the Infinite Unknown.

The Desire of riding on a yacht with a pile of gold with dolphins swimming along side can only come from the NEO CORTEX because it is made of ideas that have a judgement placed upon them. The idea of the yacht contains the judgement of being a rich person. The pile of gold contains a judgment that there is value in the gold. The dolphins imply that we know the location.

The Mid Brain Movie Camera can not produce a movie that is made of the light and sound of the Cosmic Frequencies of the 14th dimension woven into the infra red frequencies that contain the negative of the picture that develop themselves through the

frequency of the visible light spectrum if and when it has LIMITATIONS PLACED UPON IT by the Thinking Brain of Judgements.

The only way that the Mid Brain can produce the Desire of Wealth is to turn that desire into a symbol that does not contain specific conditions. The symbol must be unconditional. We could use the symbol of a dollar bill sign, however, we don't even place the meaning of money within the symbol.

We must create that symbol and hold it in the Third Eye. See it with the Third Eye. Don't forget that the Third Eye is FREQUENCY SPECIFIC.

This is why we use the Candle Technique or the Sun gazing technique to find that FEELING of the Frequency of the FIFTH DIMENSIONAL BLUE HUE. That Blue Hue represents the fact that you have taken your Consciousness through the Veil of the Full Spectrum of Light Consciousness into the Realm of Creation. Your Mid Brain took a picture and the flash was a blue hue of transformation.

It is only in that blue hue of transformation that can remove the electrons from the formula. We must move consciousness beyond the electrons because the electrons contain polarization of negative and positive.

We had to move consciousness beyond the polarization of electrons that contain negative and positive signals. The Mid Brain cannot create a new movie as long as those electrons are in the screen.

We do not create the Vision of the Desire in the Thinking Brain. We create the Vision of the Desire in the Mid Brain or Third Eye and we create it in the Frequency of the Blue Hue. That means that we are on the other side of the Veil creating a bi-location of our spiritual self and our physical self and all of the realities that exist between.

So, now, in the movie projector all of the pure light and sound energy or ideas from the entire Cosmos exist as potential opportunities in the creation of your Wealth.

Now, God can create for you the Kingdom of Heaven where anything is possible. This is the rule of creation.

We don't just get a yacht and a pile of money. We get the kingdom of heaven. We get it all or nothing.

We can now begin creating each and every day filled with the Bliss and Wonder of the magical creations that are a part of this Spectacular Wealth that we have desired.

We must live in this state of excitement and wonder. We must live in the moment to moment desire, excitement and blissful expectation that is just like a child waiting to find out what wonderful wish is wrapped inside the present that is sitting under the Christmas Tree. Within that excitement is the bliss of knowing that something wonderful will happen and there is also an inner gratitude of knowing that Santa Claus always brings wonderful wishes.

It is that state of excitement, bliss and gratitude of knowing the absolute fulfillment of the desire has already been granted in ways

beyond our wildest imagination that allows the manifestation of the idea that was sent to the Divine Mind within the Focus of the Mid Brain to become visible upon the movie projector so that it can manifest into the spectrum of reality of the movie screen within the radial body that is in a sphere around the physical body. There is actually an individual movie screen where all of our seeming realities are projected from the film that we call life.

This is how we MAKE GOD's MOVIE.

TIMELESSNESS AND PATIENCE

This act of Manifestation requires PATIENCE. Patience is a metaphor for a New Paradigm of Understanding. Patience does not exist in Time. Patience is Timeless. Patience only exists in the frequency specific brain. That is the part of the brain that only receives pure messages through light and sound frequencies of consciousness. We would call this a feeling of knowingness or intuition. When the message is pure there is a complete knowingness that comes in the form of a picture in a dream.

The message comes to reveal a truth that was not known before. Once that message is held in the movie screen of the Patience long enough, without interruption, it can then be projected onto the movie screen of the world that we see around us. That movie screen of reality that we wake up to in the morning is only a reality because we choose to experience it.

Patience is a Freeze Frame that is held in a place where there is no time. When we create our dream in its perfection and hold that

dream in a focus and clarity continuously, we are in the state of patience.

Patience only exists outside of times, places, people, things and events. When we hold a thought for manifestation and we dream it into being, that thought can not contain times, places, people, things and events. It must be a dream of unconditionality in the freeze frame of patience, if we want the reality to manifest in its purity.

This does not mean that we cannot manifest a lot of realities that are not pure. We do that all of the time. We hold a desire for a few seconds and then we spend the rest of the day coating it with conditionality in the thinking brain and it results in the same old movie that we produced the day before with a tiny speck of the manifest desire underneath the filmy surface.

This creation process is exactly what is needed to allow the NEW EARTH to manifest. As long as all of the old realities are held in the mind, those old realities will continue to manifest as the movie that you see all day.

When you create a new movie without any of those Conditional Beliefs from the Neo Cortex, you will be making the movie of the NEW EARTH. The NEW EARTH is the Aurora Earth. That means it is in a Cloud Like, etheric state of reality. It is the place where the Cloud People, the Aquafarians, the Fifth Dimensional families from Inner Earth, Crystal Cities and thousands of other sets of friends and families already live.

We can shift to that Aurora Earth by shifting into the Mind Brain

which only experiences the Cloud Like Etheric Dream state as reality. That new reality can not be produced in its perfect state until there is no more of the Old Earth that will continue to exist in the Judgement of the Neo Cortex.

So, here we have a choice to make. We can continue to live in the old world that is created by the pictures of man created reality in the Neo Cortex, or we can move to the world that is created by the Mind of God reality in the Psychic Brain.

When you create God's movie, you are creating a new reality that contains brand new versions of people, brand new versions of the structure of government, brand new versions of how wealth or income is distributed. You become the God of your Creation, the God of your Kingdom, when you use the Formula of UNCONDITIONAL LOVE.

All reality must be produced in the movie camera of DIVINE LOVE. You are the movie writer and producer. Your mid brain is your movie projector. That is the Frequency of Consciousness that holds all within the At One Ment of the Consciousness of All that is. Within that Field of Consciousness there is no Condition.

Conditions only exist where there is judgement. The only place that creates judgement is the neo cortex.

Anything that you can create without judgement becomes unconditional and then it becomes a part of the new reality.

DIVINE FOCUS

Patience is that holy place of divine focus where nothing can enter in that will distort the purity of the manifest desire. Love is the frequency that holds all in side the At One Ment with the Divine Mind that allows only the pure thought to externalize.

Patience is Unconditional. Thought is Conditional. We can only manifest through Unconditional Love. There must be no condition of time, place, event, people or things. The desire must be pure in unconditional love.

First, we must get very serious about what we want to manifest. When we hold that idea in the mid brain, we can not add the time that we want it to manifest because there is no time in the law of God. Once our thought is pure, the manifestation will be instant. As long as there is any of the time frame entering in from the neo cortex, the manifestation might take a long, long time because it is being wrapped in the film of time.

We must not add any parameters to the idea that we deisre. The idea must remain in the focus of patience which means unconditional. If any condition of any parameter of Third Dimensional confinement is added, the idea will not manifest in its pure form. In the instant that any parameter enters in, the desire is removed from Patience, who is timeless. It has been removed from the Unconditional Love that manifests instantly.

When we add parameters, we carve away the original idea. We carve it down like a tree into a totem pole. It becomes so unlike what was originally desired that the manifestation will just appear to be the same old day as every other day with just a little variation in events.

If we want to create a brand new reality with a brand new desire, we can't mix it up by allowing old toxic judgements from the neo cortex to drip into the frequencies of consciousness of pure form.

Those toxic judgments place the desire in a cloud of toxic waste much like the oceans of California. First, there was this clear blue ocean of unconditional love filled with ideas created by the Cetacean Nation. However, man created an idea in the neo cortex of how much more valuable the ocean would be if it was used as a garbage disposal for the oil that can create incredible amounts of wealth. Do you see how the original perfect idea can become completely wrapped in a film of conditions?

PURITY

Once we hold the image of our desire, we do not deviate from that image by allowing several other images to pop in and interrupt the picture within the patience of the focus.

We cannot allow any judgement, expectation, or any other common thought of the day to break the focus of the desire. The desire must be held within the timeless consciousness of Patience. The desire must be created from the light and sound of the complete Cosmos. The desire must be created in the gamma waves of the Sun. The desire must be created by moving

completely into and through the Sun beyond the gamma waves into the pink silver light and then into the white light. The mind must become saturated with so much of the highest frequencies of light that the light transforms consciousness and moves it into a higher dimension.

Remember the first step in activating higher DNA? We must first melt away the old seals between the DNA. We melt those seals away by moving beyond the electrons which hold negative and positive charges. The place where there are no electrons is a place that is being created by the Sun allowing the Heliosphere to move into and through it. The Heliosphere is the Heliotalic silver pastel light waves from the highest band of the Cosmos.

When we move our consciousness into and through the Sun we are connecting into this 14th and 15th dimensional frequency of creation. When we move through the outer veil of the cosmic waves we merge completely into the white light of the Mind of God.

The RE-BIRTH ALBUM contains the frequencies that are obtained by taking consciousness into the Cosmic Domains of the Inner Earth in the 13.5 dimensions and then breaking through into the Liquid Light to travel deeper into the 14th dimension of the Heliotalic Frequencies of Transformation and then to connect into the Fifth Harmonic Universe of all pre light and sound of the 15th dimension. These frequencies are all inhaled into the Heart Chakra and then exhaled through the atomic mirror in order to melt the dark matter in the mirror into transformational energy. These frequencies need to be breathed from the heart chakra down

through the arms and into the palms of the hands. Next, we hold the palms on the face of the atomic mirror and FOCUS on a point Six feet in front of you from where you are standing facing the mirror.

Exhale from the heart and the two palms simultaneously into the point six feet in front of you. When you do this, you are breaking through the magnetic mirror and through the Veil that connects you into the Mind of God.

Once this happens, your HOST from the Fifth Harmonic Universe will appear Three Feet in front of you within the Mirror.

The Re-Birth album allows you to feel these frequencies within your 4th chakra, 5th chakra and sixth chakra and melting a path into the seventh chakra.

The Trance Album allows you to completely Melt away the Thinking Brain, so that you can remain in focus through your mid brain in order to make contact with your HOST.

The Atomic Mirror Album contains the Frequencies that are within the Wa field that allows you to walk through the Veil of Wa into the Host Field. The Host can guide you into the Aurora Earth or the new Ascension Earth. The Host is a Plasma Orb body who will assist you in moving into the Ascension Earth and into the realms where you can be invited to ride on a space ship.

You can't just go to the mid brain until you have had a lot of practice connecting into it through the light and sound formulas that have been given. The Mid Brain is called Frequency Specific because it only responds to frequencies, and it only creates when

it is at one with the highest frequencies of Source. And it is only in those highest frequencies of Source when you have taken your consciousness into the full spectrum of light and moved to the other side of the veil in order to remove the separation of the physical and the spiritual.

The techniques given in this training use the light in the candle and the plasma in the Sun along with codes and frequencies in the Re-Birth Album, Eternal Life Album and dozens of other collections of Frequencies that have been a crucial part of the transition of the Earth's Consciousness field back into the new Cosmaya of Eternal Life.

When we do this we create a pathway in consciousness from the Mid Brain, which allows the fifth dimensional consciousness all of the way into the Sun, which holds 8th dimensional frequencies. When the 8th dimension of gamma waves weave into the fifth dimensional consciousness the phonon is born within the neuronet of the DNA. That phonon of pre light and sound is what melts away the seals between the DNA.

After the seals have been melted away between the DNA, the pure Consciousness can pour into the soma of the cell and line it with the Divine Template of the Mind of God. The zero point of the cell is completely re-programmed by the Divine Template that ignites when Consciousness moves through the veil of the Cosmos into the Infinity of the Mind of God.

That Mind of God in its Eternal Infinity is then woven into all of the DNA. We don't count DNA. The strands of DNA are 12 strands of Consciousness that are purely etheric. They are the strands of

Consciousness that weaves the neuronets into the Cosmic Neuronets of the Divine Mind.

Now, the Mid Brain is saturated with this Cosmic Consciousness that is held with this infinity of knowing everything instantly. Once we hold our Focus in that absolute place which is found by traveling through light and sound through the Universe and Cosmos and beyond. That Focus places the Psychic Brain into a Trance because the Consciousness is Bi-Locating in the higher dimensions, in the Mind of God, in the Creation Playground and in the Cosmic Soup where all Masters play in the rainbows.

When we reflect upon the dream during the day, the image must appear in the mid brain without any thought taken in the Thinking brain. It must Flash in as a picture created from the light and sound of the pure frequencies of a brand new idea.

When you move to the mid brain, you are in a hypnotic trance. If you are not in a trance like state that makes you feel lifted above the body, you have not yet connected your consciousness within the blue hue that takes you to the other side of the veil. You must first connect to the light and sound frequencies of the Consciousness beyond the Sun and stream that dimensional energy into the mid brain in order to place your mind in the trance of Patience.

The Frequencies that we have recorded at Crystal Magic Orchestra.com will allow you to move your consciousness directly into the mid brain and make the connections in consciousness to

all of the dimensions of consciousness within the Cosmic Matrix held within the Mind of God.

The music allows you to melt away from the physical into the spiritual where you become hypnotized into a new dimension of consciousness that doesn't need the physical to exist. The physical realm is just a result of the moment of excitement created by the flashing of consciousness. It is just a continuation of nano seconds of flashing ideas on a movie screen. The true creation is going on in the Mid Brain and the Mind of God. We are just experiencing one dimensional aspect of that cosmic movie.

We need to become less amazed by the dimensionality of the movie and realize that we could move into a more etheric experience of the same movie where there would be much less restrictions on our ability to create realities without limitations.

The state of Patience, the state of hypnosis and the trance like state are all the same thing. We move into that state by moving into higher frequencies which make our accretion rate of spin much faster. The increase in spin rate makes us feel tired and then fall into a trance because our consciousness is moving through a field of light and sound.

This does not mean, as many teachings imply, that you should move to a lower frequency in hertzian in order to slow your spin rate. It means just the opposite. It means that you raise your frequencies into the higher dimensions which accelerates your accretion level and then bring that high frequency into your mid brain, into your neuronets, into your DNA. The feeling of the trance might make you think that you are slowing down your

frequencies of consciousness. This is completely false information. You feel tired or slowed down because you have moved into Cosmic Time and into No Time. It takes us about three days to process what is said to us from those in higher realms in five minutes. This is why we must move into No Time of Patience in order to remove the polarization between the spiritual and physical realms of reality.

All of these things actually mean the same thing. You cannot activate your DNA without moving into the Mid Brain with the At One Ment Frequency with the Mind of God. You cannot connect the Frequencies of Divine Mind into your neuronets without going into the Patience of Unconditional Love and Focus while remaining in the Highest Frequency of Divine Love.

Activating DNA means connecting the neuronets into the pre light and pre sound of etheric Consciousness and allowing the messages from that Consciousness to take over the running of the body from within the omnions of the atomic structure.

The reason that the heart is involved in this process of manifestation, ascension and frequency accretion is because the heart is in the fifth dimension which is the place where the highest magnetic field tunes all dimensions together into one place in the Crystal Heart of all dimensions. The heart has the highest magnetic force of the entire universe. It has the power to magnetize into it all dimensional realities.

The Soul resides in this Fifth Dimensional field because the Soul contains all of the realities from all of the past selves in all life times in all dimensional realities. The Soul is held within the Over

Soul which unites all Souls back into one Consciousness of One Knowing.

When we use the divine formula of manifesting through the Patience of UnConditional Love, we have access to the manifest reality of all multidimensional possibilities rather than just the finite versions within the thinking brain of this one life time.

When we take the first step of moving our consciousness into the Sun we move clear up the ladder of frequencies from the hertzian into the infra red and then the visible light and the invisible light spectrums and then out into the gamma, x-ray, and pre light and pre sound fields beyond the violet and pink silver into the white light of no light and then into pre light where the blue hue becomes manifest.

When you have mastered the art form of seeing the sun become blue or seeing the blue sphere above the candle or seeing the blue sphere within your mid brain, you have already manifested the great experience of becoming one with the entire field of Light, which is the Mind of God.

We must remain in that Blue Hue. That is the Frequency where transformation, creation and manifestation takes place.

When we create a chain of spheres within spheres between the sun and our mid brain, we have created the at one ment within the Sun itself. The true Fifth Dimension is inside of the Sun. When we move into the light field of the Sun, we can have true instant manifestation and Eternal Life. We must become willing to stay in that Blue Hue more than we stay in the Hertzian and the Visible

spectrum of reality.

The Blue Hue gives us the At One Ment with the other side of the Veil- the other side of the Light Field. The Etheric Realm of Pre Light and Sound is the Infinite Creation Center.

We must be in the Trance State. We must be in the Highest Frequency, we must hold the Desire without Conditions inside the Patience of Focus within the Highest Frequency of Divine Love.

We must move into the Experience of Excitement just like a child waiting for their Christmas Present, while giving Gratitude that we know that God knows our Desires before we do and that all of our heart's desires are instantly manifest.

The True meaning of Manifestation is moving directly to this place in Consciousness where you already know that in NORMAL reality, where we do our creation from the mid brain and NEVER EVER in the Judgement of the Neo Cortex, that all of our hearts desires and instantly manifest. That is just a divine fact of the kingdom of heaven.

However, you must live in the kingdom of heaven in order for that reality to exist. There is no kingdom of heaven in the neo cortex brain. There is only judgment there. When you have moved beyond judgment, you have moved into the mid brain.

The movie projector functions through light, sound and electricity. The body runs on electricity. The electrical currents are connected from the neuronet into the eternal neuronets of the Super Consciousness of the Over Soul.

The light of infra red is the spectrum that creates the negative of the picture. We see the negative of the full light spectrum when we see the blue hue. The spectrum of light gets flipped because we move beyond electrons.

So, you see, even though the infra red is only one frequency higher than the hertzian frequency, it is involved in the process of creation that is within sphere within spheres within spheres. The creation principle is called the Music of the Spheres because creation is produced through light and sound frequencies singing at higher and lower rates of spin.

The hertzian frequency is also involved in the process because that is the frequency that we focus our reality in at this time. However, that is just the lowest frequency of the Full Spectrum of Light. All of the Sounds of Consciousness must be pulled in from the infra red, visible light, invisible light, x-ray, gamma and silver pink light to allow us to move beyond light into the Zone of the Unknown pre light and pre sound of Creation Energy.

We must use the Full Spectrum of Light to Create New Realities of Manifest Desire because if we don't use the Full Spectrum of Light, we are not in the Mind of God.

So, we go beyond the plasma that the Sun is made of and into the pre plasma and pre vapor that creates the pre plasma. That pre vapor is the spiritual water of creation. One drop of that spiritual water can transform our entire body into a brand new Eternal Life Mechanism.

HYPNOTISM

The state of Patience within the Mid Brain is the place where the Trance takes place. Once we move our consciousness into the trance state, we are connected to communicate with the other side. We move into hypnosis to create our dream or vision of our desire.

Do you see why we need all of these variables? We must be connected in a bi-location with our spiritual self on the other side of the veil. We must be in the highest frequency, which is on the other side of the veil. And yet we must remove the polarization of the idea that there is a separation between this side of the veil and that side of the veil. We must become ONE with Spiritual Reality.

We manifest the desire through the spiritual substance of light and sound. The idea prints itself on the infra red light just like a digital camera prints the negative of a picture of spheres of light that we can't see with the naked eye.

DEVELOPING THE MOVIE

After the infra red negative is formed, it is developed in the visible light spectrum that is already within the Full Spectrum of Light of the Mind of God. The movie film is developed on all dimensions simultaneously. We don't need to wait to have the film manifest in the Cosmic and then transposed into the Planetary and Solar Harmonics because it is already being developed as the Blue Hue, as the Full Spectrum, as the Infra Red and Visible and it is also projecting the desire into the radial field around the body that

develops the film onto a movie screen that we see with the hertzian frequency.

All of this film developing process is taking place as fast as you can press the enter button on your camera. You just see the desire, press the button and presto- the film develops. That is divine reality.

Why isn't this happening? Because we keep processing the film through the judgement of the Thinking Brain. How often do you use your Judgement? Everytime you think there is a mis spelled word in this article. Everytime you tell me that you can't read my article because the spacing is incorrect. Everytime you think that this process is too difficult to learn. Everytime you think that there should be a simple step by step list to follow. Every time you search for the name of a song. Every time you want to know which one is best for you.

Do you see how all of these things involve judgement. You do it all of the time. It is the curse of our Neo Cortex. It is the process of thinking that was placed within us so eventually we would get so sick and tired of it that we would return to the Mind of God.

But, if you prefer the world of judgement, you don't have to leave.

The Mid Brain sends and receives frequencies of consciousness that are purely detached from conditions and judgements. The state of hypnosis is the state of ISNESS. I'm not talking about the way hypnotists use hypnosis. Most hypnotists are not separated from the neo cortex at all.

The energy and trance field of the mid brain is much more

dramatic and powerful than the thinking brain or neo cortex.

When you move yourself in to the frequency state of the pure thought the pure desire, you will move into the trance of that thought several times a day.

When we move into the hypnotic trance, we move out of emotion and into the light and sound of pure clarity of the highest frequency. We must move out of emotion and out of judgement and out of the thinking brain. We must move into the light- the frequency, the sound of pure patience, the highest frequency of pre light and pre sound. The place where the picture is developed. The place we take our consciousness when we see and feel the Sun turn blue because we pulled our consciousness through the light and over to the other side of the light spectrum.

When we move out of emotions and into the clarity and focus of the trance, we are then in the state of patience.

Once we arrive in the state of patience, we can manifest our heart's desires instantly. When we send the desire in its purity and clarity in the state of patience, the idea is received instantly. The moment the idea is received by Divine Mind, it is instantly created, manifested and projected on the movie screen. this is how we MAKE GOD's MOVIE.

Why do we need to move into the Tance State of Patience? Because we must be removed from the Loop of Time in order to manifest. Time is not a Reality in the Land of Manifestation. When we are in patience- time stands still - it stops. We might be in the state of patience for a minute, or an hour or a decade, because there is no measurement of time in this spectrum of light.

We must move into the new time where all things exist simultaneously. We are actually shifted into the no time where the desire already exists.

It doesn't matter how outrageous your desire or dream is. All things are possible in the Mind of God. All realities already exist. There isn't one reality that is more difficult to receive than another. The only difference is whether the creator or the desire remains in the state of patience and does not create limitations on the outrageous desire while maintaining focus within the trance.

The limitations are added when time, space, events, people are added to the dream. Why? Because all of those things require TIME and time does not exist in the place we go to manifest.

Before we can begin the process of manifestation, we must be in the trance state of no time where there are no people, no things, no events included in the desired manifestation. We must be in the Outrageous No Time of the Land of AWE in order to live in the continuous state of instant manifestation of every desire.

This brings us back to the Rule of Let Go and Let God. Many think that we should just remove ourselves from our lives and allow God to make all of the decisions. Well, this is true. However, most people are always making the decisions in their thinking brain and then thinking about what it was that God did.

And that also leads us back to the rule that says when we manifest we must be willing to let God manifest it the way he wants to. Well, that isn't exactly correct. If the person doesn't know that they must move out of the thinking brain and into the dream state of patience to be within the Mind of God who does the manifestation, the person is just going to think that whatever happens the next day was the way God wanted it to be. That way of thinking has absolutely nothing to do with manifestation through

the Mind of God.

UNFOLDING YOUR MOVIE EACH DAY

That way of thinking is the way those who read some metaphysical books to help clear their minds and then begin thinking about the way they would like the day to unfold. That is a beginning step in understanding how to get to this place of instant manifestation. But, it is only the first step.

It is always necessary to begin each day by creating your day in the loftiness and splendor of divine expectations of the most outrageously glorious events that could possibly take place. You might align your mind into this creation by reading some metaphysical books. The metaphysical books do have the potential of helping bring you into the trance like state. However, they also include explanations that can lead to conditions which can lead to judgments which put us right back in the thinking brain again.

The talking about something gets us back into the neo cortex.

Of course, this is true of this book as well. There is a lot of thinking and judgment that goes on as we figure out how to do the manifestation process. So, go through and figure it out, think about it, outline it and then put away the thinking brain while you gaze at the Sun.

CHAPTER TWO

MOVING THE LOCATION OF OUR MOVIE

When we move our consciousness into and through the Sun we are connecting into this 14th and 15th dimensional frequency of creation. When we move through the outer veil of the cosmic waves we merge completely into the white light of the Mind of God.

The RE-BIRTH ALBUM contains the frequencies that are obtained by taking consciousness into the Cosmic Domains of the Inner Earth in the 13.5 dimensions and then breaking through into the Liquid Light to travel deeper into the 14th dimension of the Heliotalic Frequencies of Transformation and then to connect into the Fifth Harmonic Universe of all pre light and sound of the 15th dimension. These frequencies are all inhaled into the Heart Chakra and then exhaled through the atomic mirror in order to melt the dark matter in the mirror into transformational energy. These frequencies need to be breathed from the heart chakra down through the arms and into the palms of the hands. Next, we hold the palms on the face of the atomic mirror and FOCUS on a point Six feet in front of you from where you are standing facing the mirror.

Exhale from the heart and the two palms simultaneously into the point six feet in front of you. When you do this, you are breaking

through the magnetic mirror and through the Veil that connects you to your HOST BODY who will escort you through the Land of Wa into the New Aurora Earth.

Once this happens, your HOST from the Fifth Harmonic Universe will appear Three Feet in front of you within the Mirror.

THIRD-The MAGIC MIRROR Album contains the Frequencies that are within the Wa field that allows you to walk through the Veil of Wa into the Host Field. The Host can guide you into the Aurora Earth or the new Ascension Earth. The Host is a Plasma Orb body who will assist you in moving into the Ascension Earth and into the realms where you can be invited to ride on a space ship.

You can't just go to the mid brain until you have had a lot of practice connecting into it through the light and sound formulas that have been given. The Mid Brain is called Frequency Specific because it only responds to frequencies, and it only creates when it is at one with the highest frequencies of Source. And it is only in those highest frequencies of Source when you have taken your consciousness into the full spectrum of light and moved to the other side of the veil in order to remove the separation of the physical and the spiritual.

The more we judge every moment of our day to day experience with the insensitivity that does not include the empathy that allows all people to have their own version of reality without judgement, the more our life will be filled with people with the same insensitivity that we created them to be. Those who judge

you wouldn't exist unless you held a judgement in your neo cortex.

Guess what? That is all the neo cortex does. It is a judgement machine. The only way to stop judging is to get out of the Thinking Brain, because it has a judgement loop in it. The TRANCE ALBUM paralyzes, trances out and hypnotizes the Thinking Brain. This will allow you to remain in the Mid Brain completely.

We must learn to move out of the neo cortex and into the Mid Brain or Psychic Brain, which is Frequency Specific. That means it does not gather data through judgement. It means it is a part of the brain that only uses the pure consciousness of frequencies. These frequencies come from Divine Mind. These frequencies form into the realities that are presented as our activities of our day.

The Mid Brain is the movie projector. It is the sender of the realities that are projected on to the movie screen of our daily creation. The DNA is the creator of the illusions or holographs that are projected onto the movie screen.

We can't even begin to create a new movie until we have changed locations. In order to make a new movie we must move to the New Earth. We must change EVERYTHING. Every thing will change when we walk through the Wa field or the Atomic Mirror into the Other side of Reality.

This is where the New Movie is being made.

When we learn to stay focused within the Psychic Brain of Frequencies, we are creating our DESIRES that we want to

Manifest through our Movie Projector which is the Mid Brain. Only then do we begin to create a Reality Field that does not contain Judgement. We move into a Location that is beyond time and space and distance because Everything and Anything that is Desired is in your DNA already. Your new DNA includes all of your Future, Present and Past Akashic Records and your Spiritual Parallel Coshic Records.

We move into the Coshic Records when we walk into the Land of Wa. We then move into the Aurora Earth to find a brand new reality in a magical Location Set.

In order to be allowed on to the Magical Set in the New Earth we must be moved completely out of the Thinking Brain because it will always hold judgments. Judgements are not allowed in the Unconditional Creation of Divine Love in the Lands of Wa.

What is Judgement? Anything that we have an opinion about is a judgement. Anything that we compare is a judgement. Anything that we believe is the Correct Belief is a Judgement.

Basically, everything that we THINK is a Judgement. And it is the judgement that creates the polarity of the spiritual and the physical. Polarity means separation. The Spiritual Frequencies are trying to Create the perfect Desire while the Neo Cortex sends ideas with Judgement loops into the perfect desire. That is what creates the polarity or separation between the PURE IDEA that you want to manifest and the Distorted Reality fields that loop themselves into the Pure Idea that you are trying to Focus on.

We are the creators of our mind. We are the law givers to our

reality. Every thought that we create dispenses our reality. Every thought that we make formulates the reality that we create. If we don't like our reality, we must learn to create differently.

PICTURE PERFECT

Regardless of the outrageous claims made about the diseased state of the body, when the picture of idea of the perfect, ageless, whole body can be sent and received in an instant to replace the old claim, that is the way the divine program works.

We have a built in wish machine that we are all born with. We can have a perfect body. We can have instant healing. All we have to do is become the Master of the Formula of Patience.

Transformation occurs through mental and physical Transcendence. Trance-Sending that takes one out of the Physical and into the Spiritual Body and then returns the de-polarization of the spiritual and physical so that they become one.

We must learn to move into the realm of the remarkable. We must learn to awaken each morning into the loftiness of infinite and instant manifestation. We must learn to do the same great works as Jesus Christ (Jeshuwa ben Joseph) and all of the other Masters from the Mystery Schools and the Far East who were taught to do these works and who have lived within higher dimensional fields of the Earth for millions of years.

We are being given the exact same formula that Jesus used. Jesus did his work when we lived in the world of third density. Now, it is time for us to do the greater works than he did in the fourth density. The works will be much Greater and there will be a million times more Masters on Earth performing these works than during the time of Jesus and his Disciples.

We will learn to feel loftiness, liberation, sovereignty of the normal life of a Master. However, the first steps of transition into this life style that allows us to do the work is a great amount of work to do. Most people are not accustomed to having to work this hard in order to learn something. This mastership of the old ways of life require a great learning process. It isn't easy because we have been programmed to live in a way that is completely opposite from this new way.

An individual's reality is a reflection of what they think. We think images and movies that we didn't even want in our reality. There is no law that says we have to do that. However, when we place ourselves in the Thinking Brain, we are automatically in the Loop of Judgment that the vesica pisces loop in the neo cortex creates. This loop only allows us to re make the old reality over and over again with even more judgment looped into each time.

We can only create our desired reality when we move out of the old house of images that we Think are the only reality and world that exists.

It is time to learn that there are infinite realities to choose from. We can move into a new version of reality each time we have a desire. We no longer need to be stuck in the infinite loop of mediocrity.

This is not the only world that exists. There are infinite parallel realities created by each one of us that reflect the desires that we have placed within them. We do not need to share our reality field with others who do not share our desires.

The move is very short. It is the move from the neo cortex down to the mid brain. All we have to do is move few inches in order to change the world.

We must learn to spend more time in the hypnotic trance of the mid brain than in the Thinking Brain until the Thinking Brain finally stops its loop of judgment.

When we can learn to maintain a state of high hypnotic ability, we can manipulate the body out of disease and into radiant health.

We can create a miraculous life of perfect health, instant manifestation and dreams come true when we master the art of patience in the state of hypnosis.

Everyone has the ability to master this art of healing and manifestation of anything including Eternal life.

The only reason that the masses of the world will not become interested in this tool of manipulating reality is because they are so hung up on their own ego and personality within their neo cortex. They believe that the development of the brain to hold all of the data of the textbooks and science books that give them their high scores on their SATS, GATS and IQ's and the amount of language and math formulas they can accumulate equate mastery. They will continue to believe that is true for another generation or two until they realize that the rest of us create whatever we want without going to school.

VISUALIZING YOUR UNDERSTANDING

Please remember that Ascension is all about LIGHT AND SOUND. I am giving you the Sound- the Frequencies that are actually created from the pre light and pre sound of the Consciousness of Creation. I have provided diagrams to help you realize that the Frequencies correspond to the

Frequencies of Light that I placed in the Diagram of the Pyramid.

Those Frequencies of Light correspond to specific places in the Brain. For instance, when you look at the diagram of the brain, you will see the Blue area in the Brain. That is the area that we call the Mid Brain. The Mid Brain area is Frequency Specific. That means it does not Think. It only receives and sends messages of light and sound. It receives pure images through light which form into the Reality around you.

You can create any reality that you desire if you learn to use your Mid Brain as a pure vehicle of transformation. It must be pure. It must not contain the images that are in the Yellow part of the brain. The Diagram shows the Neo Cortex or the Thinking Brain as the Yellow section of the Brain.

That section of the brain contains judgement and analyzation. If there is any judgement dripping into the mid brain from the neo cortex, the image that you are trying to manifest will be come corrupted and it will not manifest.

The Re-Birth Album is designed to help you feel and realize that are these different sections of the Brain and that we must learn to completely remove connection to the Thinking Brain before we can even begin the manifestation process.

All manifestations, healings and ascension must take place in the Patient, pure Focus of the Frequencies in the Mid Brain. The Frequencies that

come in are In fra Red which gives a vision like a digital camera. It creates a Negative of a Picture that is waiting to be developed in the Mind of God. However, you must hold your picture in the development lab long enough and without any doors opening that will corrupt your picture. You can not allow any of the emotional, judgements from the neo cortex to enter in.

You create the image that you desire and hold it in your Third Eye on your Forehead. Create the Perfect Picture in your imagination. However, you must become Excited about the PICTURE PERFECT results without any Conditions or Expectations. You must dwell in the Bliss of Gratitude for the PICTURE PERFECT desire that knows no time, space, distance. That means your higher self will create something much greater than you could possibly imagine when you move into the state of the Frequency Specific Mid Brain that is pure Patience and Unconditional Love.

The Blue Brain represents the fact that you have gone in Consciousness all of the way into all of the Light. That means you have paved the way into the Mind of God. Now, when you prepare the Perfect Picture of your desire just before moving into the State of Trance, you will automatically shift into the Violet Brain when you fall asleep. This is the place where the Secondary Consciousness plugs in to your Brain Waves while you dream. Your dreams are now plugged into the Galactic, Universal and Cosmic Realms of the Unknown possibilities.

All of the Frequencies of light are shown on the diagrams. From Hertzian as the lowest up to the gamma and pink silver white light. We must move

consciousness beyond the violet light at the top of the pyramid and out into the void of white light. That is when we see the Blue Hue. That is when the Mid Brain has obtained the Frequency that is needed to create the negative.

Please look at the diagrams again before you use your Rebirth albums or your Eternal Life Albums.

EDIT OUT OF YOUR MOVIE THE EMOTIONS

You are now experiencing the shifting in and out of a new body. Those pillars of light coming up out of the crystalline grids are presenting a choice continuously to choose the light or the emotion, the light or the emotion. The Grids are still full of our emotions and our thinking brain is still full of our emotions. We must learn to not THINK. Every little thought is pulling out all of the emotions from the neo cortex and the Emotions from the Grids. So, this process is more intense than ever.

Remember, whatever you are working on manifesting will always contain any of the old ideas that slide in to the picture. This is why you must practice keeping this image all of the time. Every time the old ideas pop in

they will distort the image and place the old errors back into it. When the perfect image is held without any distortions you will have an instant revision of your body into a new version or a brand new ageless self.

MISSING STEP IN MANIFESTATION

There is a step in the process of healing and manifestation that many of you are leaving out. If your manifestations are not taking place or if you are not healing your body, it is because you are leaving out a step in the process.

I have created the music that saturates your body and consciousness in the Highest Frequencies. This is always the first step. Manifestation and Healing can not take place unless your Consciousness is in the Highest Frequency.

Even though you hold your Consciousness within these Frequencies, you are also holding a lot of LOW FREQUENCIES in your Cellular Memory and in your Thinking Brain. Those Low Frequencies are your Old Beliefs that you are still THINKING.

The reason that you focus your consciousness into the light of the candle is to make your THINKING BRAIN turn off and allow you to move into your Frequency Brain. When your consciousness moves you will see the blue sphere.

HOWEVER- the step that you must include is this:

When you CLEAR YOUR THINKING BRAIN, that means you can no longer have any IMAGES or MEMORIES of a disease in your body.

If you maintain those old memories or images in your THINKING BRAIN, those images will continue to LEAK into the BLUE BRAIN- The Frequency Brain area.

If your FOCUS is on the DISEASE and not the removal of it, the old image will just keep appearing. The healing can not be accomplished until you REALIZE that you can SHIFT out of the body that contains that disease into a BRAND NEW BODY.

However, you can not SHIFT out of the old IMAGE until you no longer hold that image in your Brain.

The Brain is a Movie Projector. What ever you place on the Screen is what it will project. If you place an image of a Perfect Body that Body will project.

HOWEVER- if you place an image of a Perfect Body on the Screen with a lot of old memories about a disease in the Thinking Brain- those old images will continue to blend into the NEW PICTURE. This will create a Body with Some Perfection in it, but it will still contain a lot of the Old Picture on the Screen.

This exact same formula is true in the manifestation of anything. If you plant an image of being wealthy in your Mid Brain while your Thinking Brain is still sending out waves of belief such as worrying about paying bills, what the future stock market will look like, or wondering how this could possibly be true- all of those images will continue to project on top

of the image of being wealthy. The image of being wealthy will manifest in your life in some form, but the form will contain the other images woven into the new one. So, things might get a little better, or things might get even worse because you are still allowing more of the old beliefs of poverty intercept the vision of wealth.

This is why the clearing takes some work and time. The work is TURNING OFF the old Beliefs about the condition of the Body.

I recommend that you start using the Sun instead of the Candle. Look at the Sun through some leaves on a tree. This helps to create the photosynthesis process that allows you to move into the Plasma Energy of the Sun-- and it protects the EYES.

Do not look directly at the Sun. Look at the Sun through small areas between leaves on a tree. Practice this until you see a Blue Sun.

Now, notice how that feels. Seeing the Sun turn Blue is caused by a process taking place in the brain. It is caused by moving into the Frequency specific brain and out of the Thinking Brain. When you see the Blue Sun, that is when you place your Image of your Perfect Body in the Blue Sphere. When you see the Blue Sun and close your eyes, you should continue to see a blue sphere inside of your head. You are seeing the Mid Brain in the Blue Sphere. This is the place where you create the image of the Perfect Body.

MANIFESTATION THROUGH MID BRAIN

I have given you some background knowledge of why the THINKING BRAIN- the Upper Cerebellum- the Neo Cortex and the Hypothalamus does not function as a part of the Original Template of God's Manifestation.

We can not use that part of the brain if we want to manifest the Kingdom of Heaven on Earth. We must stay out of that part of the brain, if we want to manifest a new reality, if we want to manifest our true DESIRES.

Now we are learning to move into the Mid Brain- the Frequency Brain in the Six Chakra and in the Pineal Gland. This area of the Brain works on the Principle of Patience. This means there is no time or space here. This means there is no judgement or expectation here. If we bring any of the thoughts, beliefs, judgements or expectations from the Neo Cortex into the Mid Brain, it can not function on the Principle of Patience. And that is why your manifestations can't be created for you.

If you use the new album RE-BIRTH to feel the clearings in your 4,5,6 chakra area and especially in the Pineal Gland, you will have the first experience of the Patience that keeps you Focused within the Mid Brain..

Go to that Feeling or that Frequency within your Mid Brain. Go there without your beliefs and judgments. Go there with your frequencies already melted into the Mind of God. These are the frequencies on the album.

Go into the Mid Brain with your Desire. All you need is to be there with no thoughts from the Thinking Brain and One Desire--Just One.

You give the Desire to the Mid Brain in the Form of Knowing and Gratitude. This means that you say I am Fabulously Wealthy. I have

always been fabulously wealthy. I will always be fabulously wealthy. Thank you for my Infinite Supply.

That is the Experience. That is Experience of Knowing that your Desire is Known to your Higher Self and your Higher Self Manifests all of your Desires.

The only ones that are not manifest are the ones that you interrupt with your Thinking Brain.

RE-BIRTH ALBUM

RE-BIRTH ALBUM

Dr. Angela Barnett

In order to open up to the Mind of God into the neuronets governing the molecular structure of the body begins with realigning the 4th Chakra- the Heart's Magnetic Field into the Golden Spiral of 14th Dimensional Frequencies running through the 5th Chakra in the Throat and connecting the Frequency Specific Mid Brain- Pineal and Pituitary Third Eye- 6th Chakra into the Fifth and Fourth Chakras in order to open up this flow

of Consciousness that has been cut off from the 5th Dimensional Frequency in the Throat.

The thymus gland in the throat area connects to the Seed Atom which connects to the back of the neck into the Medulla Oblangata. That is where the flow of Consciousness connects directly into the Mind of God in the Violet Pink White Light 15th dimensional Cosmic Consciousness.

So, when you listen to these songs, please focus on feeling the frequencies running through these areas in you heart, throat, mid brain, between the ears and out the back of the neck area.

This is clearing the flow into the Mind of God and removing the stream of Consciousness from the Thinking Brain in

the Upper Cerebellum that only holds the old Karma- the old Emotions of the Old Life History.

Now we are moving into the New energy of the Light Body within the Physical Body.

The Frequencies of the 15th dimension flowing through the Seed Atom and the Medulla Oblangata connecting directly to the Mind of God is the pathway to becoming Christ Consciousness walking on Earth with complete Sovereignty of Reality.

Listening to this Album will result in a complete clearing of the Heart Chakra to remove the old Mortality Loop that did not connect to the throat and pineal gland correctly.

The Frequencies come from the Akashic Tear Drops containing the Spiritual Liquid

Light of Transformation which contain the Divine Template code within them which restore the codes of the original Angelic Human.

All of these clearings allows the Crown Chakra to open and connect with the 12 dimensional frequencies of Christ Consciousness. This is the first step in preparation to become Christs walking on Earth.

The diagrams on this page are to help guide you to where the work is being done in the flow of energy between the 4-7 chakras.

The diagram shows the part of the brain that contains each of the blue energy, pink white light and golden frequencies.

Blue or ultra violet blue energy is the energy of transformation.

This is gained by moving Consciousness completely into and beyond the Gamma Waves of the Sun. Once the Consciousness moves through the gamma into the pre light and sound the eyes see a Blue Sphere connecting into the sixth chakra area- the mid brain.

This transforms the flow of information to begin from the Mid Brain instead of from the Thinking Brain in the upper cerebellum.

This turns off the thinking brain.

After the thinking brain is turned off, a new path needs to be created from the Mid Brain down the Golden spiral into the throat and into the Heart.

After this pathway is cleared, a new pathway into the neuronets is created to stream consciousness from the pink silver white (violet area). This is the Medulla Oblangata connecting to the Seed Atom within the Thymus.

The new information needs to begin to flow into the seed atom and transform the old information into the new Eternal Life Programming.

Each song in this album turns on one of the functions of the new transmissional system.

The information system that used to come from the thinking brain in the upper cerebellum is being turned off and the new frequency specific mid brain is being turned on.

REMEMBERING OUR ORIGINAL PERFECT SELF

Re-Birth into our New Eternal Life Body requires Re-Cognizing, Re-Aligning, and Remembering the Original Divine Blue Print within our Cells, within our Seed Atom, within our Neuronets. It is now time to unplug the old system that contains a

system that wears out and plug into the Mind of God, the Higher Self of the Sixth Dimension. This is an Eternal Life Program that creates Youthing. This means you can stop your aging process and begin to choose the age that you wish to return to. This new structure allows you to TUNE IN to your molecular structure and direct the Akashic Tear Drops of Liquid Light Energy to fill the cells with the Divine Template of the Original Man made in the Image and Likeness of God.

As you listen to each of the songs, you will clearly FEEL the activation taking place within each indicated chakra area. These

activations are a process of returning the Divine Codes that were removed from each of chakra areas.

SONG 1--The first step of the process requires the opening of the Path between the left and right ears through the mid brain. Symptoms of not having this pathway cleared will be ringing and buzzing in the ears and painful headaches resulting from surgery in the mid brain performed by your multi dimensional gelaisic selves. If you have already had these symptoms, the pathway between the ears can now be tuned up to connect your hearing into your Frequency Specific Mid Brain.

SONG 2- Opens the Neuronets into the Consciousness within the Sixth Chakra.

Reconnects the flow from the Mid Brain-Sixth Chakra into the Neuronets through the Seed Atom within the Thymus of the Fifth Chakra and then into the Crystal Heart in the Fourth Chakra.c. This pathway opens up the Seventh Seal into the Cognition of the Multi Dimensional Self of all knowing.

SONG 3- Activates the Seed Atom within the Thymus in the Fourth Chakra to remember the original Divine Blue Print. These activations take place as the Breaths of the Pre Plasma Light and Sound are being moved through Consciousness to activate this area.

SONG 4- After the path is paved within, the Seed Atom connects into the multi dimensional self through the HOOK UP POINT - the Medulla Oblangata at the base

of the SKull contains the Frequencies of the 7th Violet and 15th dimensional pink silver violet frequencies of Consciousness flowing through the Seed Atom and the Medulla Oblangata connecting directly to the Mind of God in the 15 dimension.

These activations take place as the Breaths of the Pre Plasma Light and Sound are being moved through Consciousness to activate this area.

SONG 5- Opens telepathic communication with the Higher Self.

SONG 6-- Allows a clear flow of frequencies through all of the neuronet passages

SONG 7-- Creates a Strong connection with the Fifth Sixth Chakras to connect the Frequencies of Consciousness of Sixth Dimensional Higher Self into the Golden

Consciousness in the Throat which opens the pathway into the Seed Atom and out into the Violet Silver Pink 15th dimensional Transformational Consciousness of the Mind of God.

SONG 8- Clears the pathway of the Heart through the Seventh Chakra at the top of the head to clear the path into the 10-12 dimensional consciousness.

SONG 9- Focus on the Sixth Chakra and look into the Eyes of your Higher Self through the Blue Sphere. Look out from within your Mid Brain out your Third eye and see the Ultra Violet Blue Sphere of Transformation. This is you -your higher self you.

SONG 10-- Continue to focus on the Blue Brain and realize this is the Sixth Dimensional Higher Self Consciousness

connecting you through the Veil into your Transformation.

SONG 11- De Polarization. This brings in the complete alignment of the Spiritual Divine Blue Print into the Neuronet.

SONG 12- Fourth and Fifth Chakra. Connecting to the Magnetic Flow of the Crystal Heart of Divine Love to bring Eternal Energy through the Golden throat out into the Violet Pink White Light of the Cosmic Light.

SONG 13- A complete clearing of the Old Brain Reality.

SONG 14- Opening the Heart into the Divine Love of Infinite Compassion. Feel the Magnetics in the Heart creating a sweet flow into the Neuronets.

SONG 15- Complete Tune in to the Mid Brain to activate communication with the Sixth Dimensional Higher Self.

MAGICAL RE-BIRTH into Mind of God

Re-Birth into our New Eternal Life Body

http://store.kagi.com/cgi-bin/store.cgi?storeID=6FGAR_LIVE&page=RE-BIRTH_ALBUM&lang=en

A true Master can create anything they desire by simply holding an image or idea in the Mind of God--not in the Thinking Brain--in the Mind of God.

The Mind of God is the Frequency Specific Brain. It only manufactures reality when the idea is created in Consciousness.

Consciousness is Frequency or Energy. The Rule of Creation is Consciousness plus Energy equal reality. All reality is created through the Consciousness creating an Idea and holding it in the Frequency. What Frequency? The Highest Frequency.

How do we get to the highest frequency?
You can use the Merkabas to spin you into the second and third and fourth and fifth harmonic universes or you can connect your lotus blossom into the Cosmic Matrix or you can walk into the full light spectrum within the candle or you can walk into the Sun.

Each of these requires that you move into the Complete Light of All there is by walking through the Veil of Light into pre light and pre sound. This is the manifestation center. When you hold the idea in the Mind of God- on the other side of the Veil, you will fall into a Trance or a state of hypnotism. That feeling is the feeling of moving into the spiritual side of reality. It is a move in frequencies of consciousness moving you into Cosmic Consciousness and beyond into the White Light. When your consciousness

touches the Gamma Waves and beyond, these 8th dimensional waves connect with the fifth dimensional waves and they create phonons which is the energy required to melt away the old DNA and allow new DNA to be created.

When the Consciousness connects with Infra Red Light that frequency creates a negative of the picture. The Visible Light develops the picture.

However, all of this light processing that is required to develop the picture or idea that will manifest into the movie of your new day must be created in the highest frequency because that is where the white light flashes into a new hue of ultra violet blue.

When you move consciousness into this

frequency lab to develop your film in your movie projector, you don't need to think about how these things are done. All you need to do is keep your thoughts in the light energy and keep them in the highest frequencies that you can.

If you can just keep your consciousness centered in the Frequency Specific Brain and stay out of the Thinking Brain that guides you in your normal reality, you are on the right train track.

However, you must become willing to be AWARE of how often you think during the day. You must be willing to realize that each and every one of those thoughts is creating your day. If you want to create a new type of reality, you must stop thinking about those things of the world. The thoughts in

the thinking brain will just keep you in the old Net Earth, while the Frequencies of the Blue Hue that is manufactured in the White Light will allow you to float into the Aurora Earth of infinite possibilities.

The neuronets attached to the Thinking Brain are full of attitudes and judgements that keep them going in circles. Only Masters will move to the Mid Brain for stimulation. The masses will always need to have the environment give them their entertainment and inspiration. The masses do not know how to find inspiration within the Consciousness of Reality.

As long as the mind stays centered around the things of the world, those same things will just continue to manifest as the realities that appear around you. If you stay focused

on the Highest Frequencies and the Infinite Magical Realities that you can create just by holding the dream of Fabulous Wealth or Magnificent Freedom, or the Perfect Light Body, your life will become magical.

The Mid Brain is the place where we can go to be free from emotions. It is the place we can turn to for the renewal of a higher magnitude. We can become free from judgements, conditions, emotions of fear, pain, war while we remain in the Mid Brain. We can live in a reality where we no longer manifest those conditions and emotions into our reality.

There might still be those in the mass consciousness that manifest that type of a reality around them, but you will not be able to see it or be a part of it any longer

because the reality that you create in your mid brain will be the only reality that exists. The Mid Brain is the Holy Place that only allows Unconditional Love to create your reality.

PATIENCE

Patience in the Great Work does not mean long suffering and waiting for a long time. Patience is a term that describes a dimension that holds itself in a timeless space. This timelessness includes the highest frequency of Eternity or the Mind of God.

The aspect of the brain that holds patience is the Frequency Specific Mid Brain. The Neo Cortex loops into the hypothalamus which gives long term memory is not capable of the patience that exists in a

timeless space. The thinking brain always places a judgment of final analysis on each and every thought process which locks out timelessness.

This means that each time you move into the frequencies that place you in the trance state and you hold the desired dream in your mid brain frequencies, you must make sure that you do not change your dream by taking conditional thoughts over the top of the dream that you just created. Every time you take a thought you are carving away a piece of the perfect dream that you created. So, you could create your manifest reality in the dream state and then un-make it during your day time thinking process.

Once you create that dream you must hold it within your mind continuously for several

days. You must go through this process of training the brain to work this way because you have spent an entire lifetime living under the control and judgement of the thinking brain which is helping create the exact world that you do not want to live in.

All memories that have been stored in the hypothalamus contain long term memory with judgment woven into them. If we create our reality through the process of this judgment, our experience in life will only contain other people judging us and controlling us. think about this -- we are judged by our education system. The entire reality of education is to grade students based on a judgement. Most people think this is a good thing because it is the only reality that they know.

We have created a world where we judge others races, religions, creeds, dress styles. hair styles, color preferences, as well as five million other items each day. And then we go to church to repeat the fact that thou shall not judge.

Judgement is a sin because it allows your thinking brain to be the god of your reality instead of the Mid Brain which is in fact the Mind of God.

There is only one way to stop judging others. That is by moving out of the thinking brain and into the mid brain of patience.

The mid brain is the psychic brain. It does not analyze, judge, think or place conditions on reality. It only gets pure information through the highest frequencies of consciousness. The sender and receiver of

ideas and desires is this frequency specific analogical mind which creates all desires that it receives in pure form. It creates and manifests all desires. It is a creation machine.

It won't create anything unless we use it correctly. It is our sender and receiver of manifest reality. It creates all desires. It gets pure information from the Mind of God and allows that information to be known to you.

The Mind of God is your own personal neuronet and DNA connection into all that is a part of you. It connects to all of your Souls, Over Souls, Rishi Selves and Avatar Selves to allow you to connect to the knowing of all that is to be known.

The Mind of God gets its information in a pure form and then presents it to you. And

then after presentation it is broken down into its analysis of how you want to receive it and store it as memory.

The mid brain does not think. It receives pure data , pure thought for coming in from infra red fields and visible light.

When you receive pure thought and then think about it, you will negate it. If you accept the first impression into the mid brain you will receive it. It comes from a stream of consciousness that is outside of the neo cortex-outside personality. The mid brain sends through a web of consciousness. It sends thought without judgement.

Judgement will alter the information sent by the mid brain. When we analyze a thought with the thinking brain we change it into a

limited image that is different than the pure thought sent by the mid brain.

SECTION THREE

HARPSTRINGS OF SUPER HUMAN CONSCIOUSNESS

An electrocution takes place in the soma and it creates a wonderful new quality in the entire cellular memory. It causes a vibration to occur in the cell. That vibration comes from the fabric like etheric substance which looks just like the five spheres (the Music of the Spheres). It is the skeleton inside of the body of the atom.

The reason the etheric fabric does this is because the future self DNA will reactivate in to a super human potential. The mind that is super human does not live in the mortal DNA, but, it does live within the immortal DNA. The immortal DNA appears when the brain is plugged into the neuronets of the Blue Brain through the Violet Brain. This can not happen until the neuronets are unplugged from the Yellow Brain or Neo Cortex of Judgment.

There are these little etheric fibers within the very center of the neuronets. They are the synaptic clefts that look like tiny little spider webs. They transmit information out from the atoms. The information that they transmit is plugged into an information library in the DNA. When the DNA is plugged into the New Library of Information in the Mind of God, the synaptic cleft can transmit a brand new reality of information into the DNA, and then the DNA projects that information onto the Radial Movie Screen in front of the Third Eye or pituitary gland.

The Immortal DNA contains the image of Christ Consciousness. It is the DNA that allows the highest frequency from the Music of the Spheres to melt away all of the Electrons within the cellular memory and replace the electrons with the Infinite Unknown Mind of God.

The spheres within spheres in this diagram are the harp strings. The diagram on the bottom of page

<http://crystalmagicorchestra.com/DNA-infusion>

shows these same light and sound frequencies in the shape of a harp, and then the diagram below it shows that the same harp strings are the Music of the Spheres- spheres within spheres of FREQUENCIES.

The way that we spin these spheres together to bring all of the frequencies from the highest string or sphere into the body is to breathe with Intent with the focus on the outer sphere. The Breath needs to spin the sphere Clockwise.

As the outer sphere spins clockwise it will intersect with the next sphere within it and melt the higher frequencies into that sphere and then it will melt into the next sphere and then the next and the next until all of the spheres of the harp strings are transposed into the highest frequency of the Pink White Violet Light transposing all of the Light and Sound into the Highest Frequency of the Music of the Spheres.

The movement of spinning the outer sphere clockwise is the same technology that is created by using the Merkaba to spin the Spheres.

The highest harp string is the Pink White Violet Light string. That violet string is actually the 15th dimensional consciousness of the Cosmos that contains the heliotalic and gamma pre light and sound frequencies that transform the skeleton of the neutron body into the Christ.

This transposition occurs again at the Seventh harp string which is Violet. This Violet harp string begins the transposition because all of the DNA was cut off from the 12 DNA at the 7th dimension. So, when the Violet string is activated with all of the higher frequencies within the 15 dimensions, that 7th dimensional Seal which was locked will open into the complete Consciousness of the Infinite Intelligence.

This is all done by breathing and spinning the outer band or sphere clockwise and with intent to melt all of the lower frequencies into the harp string of the 15th dimensional pink white light heliotalic frequency of transformation.

This is the process that takes place when we move beyond the frequencies of the Electron and out into the pre light and pre sound spectrum of energy that is beyond electricity.

The etheric structure of the DNA re-connects into this pink white violet 15th dimensional string in the Cosmic Sphere of the Music of the Spheres, and this transforms the old DNA into the Christ Consciousness.

That harp string that resonates at the highest frequency has Zero Electrons. The polarization becomes dissolved when the sphere that has zero electrons sings through the other spheres. The removal of the polarization is what allows us to become Christ Consciousness.

In order to become a Christ, we must learn to play the Harp like the Angels do. The Angelic Consciousness in the Cosmic Sphere of the Music of the Spheres is played by the Breaths of the Highest Angels.

The Elohim Angels taught me how to play this Cosmic Harp that would activate the Christ Consciousness. When we breathe to connect our Consciousness into the Cosmic Sphere of the 15th dimension, we activate all of the lower strings on the Harp. The Highest Frequency Sends the highest resonance of Cosmic Consciousness into all of the Lower Strings on the Harp.

These harp strings actually exist deep within the Soma of our Atoms. The Soma looks like a sphere that is surrounded by a mote of water, just like a castle wall. Inside of the Soma there are these tiny little hair like fabrics that look like a harp string. These strings actually appear to be tiny little spheres sitting on top of each other inside of the DNA. They are separated by electrons. The Fewer the Electrons the more positive the charge is. So the More electrons, the more negative the charge is. So there is a Polarization of the positive and the negative charges in the nucleus of the Mortal Cell Structure. However there is absolutely no polarization of positive and negative charges in the Immortal DNA.

That harp string that resonates at the highest frequency has Zero Electrons. We must move into this Zero Point to become Christs. The polarization becomes dissolved when the sphere that has zero electrons sings through the other spheres. The removal of the polarization is what allows us to become Christ Consciousness. When the electrons become dissolved, there is no more polarization. When there is no more polarization in one DNA, the entire body transforms.

The removal of polarization means the removal between matter and the anti matter, the physical and the spiritual. When Polarization is removed, we become Christ. We become Super Human.

The Elohim Angels taught me how to connect my DNA into the Cosmic DNA of the Outer Sphere. I use the gift and the formula that they taught me over several years to create the Eternal Life Album. It was the same formula that I used to create the Eternal Life Album that brought my husband back to life after being gone from his body for several days and declared dead in the hospital. The Angels taught me this transformational process of bringing the Highest Frequencies into the DNA to reconnect the Eternal Life of the Super Human- the Christ Consciousness in Man.

They taught me how to use Crystal Light, Crystal Gel and Crystal Dust to remove the polarity of the negative and positive electrons. It is the pre light and sound Frequencies within the Liquid Light or Vapor of the pre plasma of the Gamma that is contained within the three Crystal Spheres that I connect my consciousness through to TRANSFORM THE SOUND.

The Transformation of Sound actually means unplugging from the polarized Mortal Mind and plugging in to the Immortal Mind of Christ Consciousness. This can only be done in the Pink White Violet String or the 15th Sphere of the Music of the Spheres. This is the highest frequency that removes the polarization of Electrons.

AQUAFARIAN TRANSFORMATION

In our Quantum Level Biology lab we are working with minute organisms called Elementals. We work specifically with Minute, Microscopic Entities who call themselves the Aquafarians. The Aquafarians have showed me in my dreams this display of Electrons within the Soma of my DNA. This would be impossible to see with normal Scientific Technology.

In my dreams at the Cosmic Mystery School of the Omniverse, where the Aquafarians are my teachers, I was shown this layering of these tiny little spheres upon spheres upon spheres within the Soma of the DNA. To a regular scientists, these would look like a layer of stones, however, at the etheric level of vision they are more like the spheres of the music of the spheres.

Scientists call these protein atoms. Each of these tiny atoms have electrons spinning in and out and around them. The nucleus of atoms have negative and positive charges. The fewer the electrons, the more positive the charge is. So the more electrons, the more negative the charge is. So there is a polarization of the positive and the negative charges in the nucleus in the Mortal DNA.

The free flowing electrons between the stack of atoms do not belong to any one atom because they are swimming in and out of the stack of tiny protein atoms. So these atoms could become polarized into negative or positive at any time.

Since we have these electrons dancing back and forth between positive and negative charges, we are working with elementals who are receptive to Frequencies. The Aquafarians are the Angels who Sing the Frequencies into the Harp strings of the DNA at the Quantum Level.

The carbules are like strings on the harp. They are the Aquafarians harp strings. When the Aquafarians Strum or sing the highest string on the harp, the highest frequency of the violet light and sound of the 14th dimension. When that String is played, it Transforms our Reality.

When the Violet String is Heard through the other Harp Strings, the lower strings begin their Evolution. They begin to transform into a new Multi Dimensional Choir or Realities.

Inside of the neuron nerve fiber there are six other bodies within its skeletal structure. What holds it in its three dimensional mass is the harmonics of the fabric receptors at the Quantum Level. The electrons that flow in and out of the protein atom grid of the fiber itself create the resonate vibration that holds the hologram of matter together.

The etheric spheres or strings in the harp that go beyond the light body do not have electrons. Electrons are given visible birth because they constitute polarity.

Some carbules have an electron cloud because those carbules are connected from the light body down. So this cell can glow. It can glow from the inside out because if you strum the carbules of its body it will glow. However if you strum the blue body this will appear like a negative. Your network of webs become visible.

Lets say this nerve neuron has reached its capacity in your brain. It is finished with its life. So this belonged to the Human Brain nerve strata and it was created exclusively for HUMANS. But now we want to become something else. We are done being Humans. We are finished being Mortals.

To become something else we need to move into this Frequency of the Pink White Violet Sphere and allow the transformation to happen in the etheric levels of the DNA. We must play the harp strings of the DNA through the highest frequency which causes all of the lower strings to melt into the resonance of the highest string.

This causes all of the strings in the DNA to melt away or dissolve. This is the transformation that is required before the Christ can appear. The new harp strings are connected into the Mind of God through the transformation of the violet string.

The being has a dream in the deep sleep of becoming a new life in a different reality. That dream is within a completely different reality- a different frequency – a new place and time. The being must dream this dream into his being by placing it in the etheric web of the strings in the DNA within the neurotransmitters.

The being visualizes the dream after moving into the highest frequency of the violet string. The being falls asleep because the frequencies are so high that they have slow, long waves that are pulling consciousness into the Cosmos. It is a very long distance, so the waves are very slow. The waves are not low frequency. The waves are an extremely high frequency which causes a long, slow wave to pull the consciousness far, far away into the transformational chambers of the 14th dimension of Cosmic Consciousness.

Since the dream of the NEW REALITY does not exist in the old DNA, the neuronet fires, but can not find the reality. So, the soma starts to jitter and rumble while searching for a new reality. This causes the nerves to light up and fire a new reality into the etheric fiber of the DNA. This firing deep within the nerves causes the interconnecting nerves to pierce the soma and begin to Fire simultaneously. That causes a digging a hole into the heart of the soma to search for a new reality. The new reality must be created in a new set of harp strings, in a new set of DNA.

An electrocution takes place in the soma and it creates a wonderful new quality in the entire cellular memory. It causes a vibration to occur in the cell. That vibration comes from the fabric like etheric substance which look just like the five spheres (the Music of the Spheres). It is the skeleton inside of the body of the atom. The reason the etheric fabric does this is because the dream of the humans potential exists in a mind that is superhuman. The mind that is super human does not live in the mortal DNA, but, it does live within the immortal DNA – in the harp strings of the super human Christ Consciousness.

So this superior mind strums the image, sings the image. The harmonic fibers vibrate in a harmonic movement. The skeleton of the body of the DNA dissolves. It erases itself. Only the soma and the fabric of Christ Consciousness remains and it imprints itself on the new DNA. The new DNA cannot appear until the old DNA becomes dissolved.

It turns into a Thick GEL. It becomes a Cocoon ready to give birth to a Butterfly. The Soma has dreamed the super human into existence just like the cocoon dreams the butterfly into existence.

Hormones do not work in the new reality. The synaptic Cleft has replaced the hormones. Hormones were the creators of the Mortal Man. Now we are creating the Immortal Man- the Super Man.

We evolve to this through the Quality of Consciousness by absorbing New Knowledge of a New Reality. This becomes a building block for a new reality to be dreamed into a new you. The microscopic fabric within the soma of the neurotransmitters dissolve the entire mass of the DNA. Those old realities in the old DNA must be dissolved before a new reality can be dreamed. So, I breathe the new frequency of the violet string into your DNA in Consciousness to melt away the old realities and allow a new reality to be formed on your new DNA. Your Eternal Life Album plays the harp strings within the DNA to prepare your Consciousness to sing a new song of Love Transformation into the Christ Consciousness.

The harp strings vibrate all the way from the infinite unknown neurotransmitters that have no electrons. The song becomes frequency. A very high sweet frequency. The voice becomes transformed into this new frequency of etheric sweetness. And that song sings through the DNA until the old DNA melts away.

That new song sung through the breaths of Angels effects the entire fiber core net work of the cell, the neuronet, the DNA. Only one cell in the body needs to become transformed before the entire body transforms into the Christ body.

The new breath of creation sung from the violet sphere transmutes all of the lower spheres. The Cosmic transforms the Universal and the Galactic and the Solar and the Planetary Consciousness. The spheres within the DNA transform all the way down into the density of visible light. The invisible light becomes the blue hue to the mind who is beginning this transformation. Those of you who have followed my Candle Technique and used the Full Spectrum of Light Energy just like we use this harp string. Each of the strings on the harp string are the same as the light spectrum in the candle flame.

When we take the body completely into the candle flame of the full light spectrum of the Mind of God, we are transforming the tiny little harp strings within the soma of the neuronet. We are allowing the highest frequency to strum the harp strings of our minds. We are reconnecting to the Mind of God.

The light of transformation is coming from the new frequencies sent from the Suns of the 5th -12th dimensions. Each stellar wave infusion that was brought to Earth from the seven Suns brought more of this transformational energy that is needed to activate the Super Human Consciousness of the Christ.

All of those frequencies needed to be combined into the highest frequencies through the Music of the Spheres. This is why the Elohim Angels handed me the three Crystal Spheres of Crystal Liquid Light, Crystal Gel and Crystal Dust. They told me to weave these sets of crystalline energy that all of the suns and stars are created from into one Crystal Sphere and hold it above my head – 36 inches in order for the activation of the Music of the Spheres through the Violet String on the Harp strings. They had me begin by taking the spheres up to 24 inches above my head into the Universal or Christic Sphere of the 12 dimensional Consciousness and connect to the Consciousness of the Elohim of Hearing, which means the Christ Consciousness.

However, the Christ Consciousness must be activated through the Transformational Consciousness of the Cosmic Consciousness which is the original breath of the Mind of God. That transformational Frequency is 36 inches above the head.

These locations of frequencies of Consciousness is created through the Merkaba Spheres that spin energy of consciousness at different rhythmic spin rates. The Cosmic Merkaba placed around the body is represented through the bottom point of the triangle of the bottom merkaba placed within the etheric 13th dimensional Core of Earth and the top point of the Merkaba triangle facing upward touching the 14.5 dimensional Consciousness within the Sphere of the Divine Love Consciousness which holds the Cosmos within the Mind of God.

When the body is placed within this Cosmic Merkaba, the heart of the body becomes in tune with or in the exact same rhythmic frequency as the heart of Mother Earth, the heart of the Universe and the Cosmos. The term heart and heart beat mean at the place where the upper triangle of the merkaba and the lower triangle of the merkaba intersect through a spinning of all that is in the Consciousness within spinning into the Consciousness of all that is in the Consciousness of the Outer. When the body is returned to that spin rate of the Cosmic Sphere, the Electrons disappear. Polarity disappears. There is no more positive and negative charge of electrons creating density. There is only pure consciousness.

The electrons redefine themselves. The skeleton that appears is a Christ. It reformulates its neuro mass to fit the control of the Mind of God. The brain has changed to become the facilitator of the super human.

Our bodies will go into a deep sleep, like a hybernization. The change will be through chrysalis. As the Celestiline enters into our bodies from the waves of stardust and prana, it causes a light to flash and create a new reality in flash.

Our brains must go into a deep level of sleep as we are pulled back into Oneness with the original creation point of Source, the Idea, the Thought, the Intention and the Manifestation of the New Idea.

The body will always be held in tact within the field of God Source. However, at the same time, we will disappear for nano seconds at a time to realign in the new idea.

God creates each idea within a sphere of Hydroplasm. There is a cloud of hydrolaise which is first frozen and then warmed into various chemical structures of light and sound. The blue print of the idea is simultaneously created at all levels of manifestation from hertzian, to infra red, to visible, invisible light, x ray and gamma wave. This means the invisible, etheric reality of the thought of God is manifest at the same instant that the new body flashes on in the dimension that will be in our new perception.

During this very rapid transition, the body goes into lucid dreaming, psychedelic sleep. When we awaken, we will first notice something different about our bodies, the way we feel and look, our hopes and desires will have completely changed. We will know we are Christ. We will know we have become the mind of God manifest. We will open our eyes on to a new reality because our perception will have been completely translated.

The window for this transition will spark open November, 2016. Whatever dreams that we have placed in our new DNA will be the reality that appears before us.

Those who are still living through their thinking brain will continue in their old reality and those who are moving within their blue and violet brains will begin living in a new reality.

The skeletal structure of each cell will be dissolved and then a new imprint will replace it. The old DNA will still exist – but with a new imprint placed upon it by the mind of God. The new imprint will manifest as a new body. The body is made from a chip of light or the breath of God breathed to create a spark. This creates a hologram or a dot matrix body. The hydro plasma and hydrolaise and hydrogelaisic chemical interactions with light and sound create a new form in space. That new form is imprinted upon the tissue of the body. The carbules in the soma of each DNA begin to fire a new reality from the synaptic cleft.

The entire lightning effect of the carbules in their vibrating change imprint the DNA with the new living status. The new program exactly like a caterpillar becoming a cocoon becoming a butterfly. The cocoon uses the light of the Sun to create a gelaisic chrysalis of crystal light crystal dust and crystal gel of light frequency and utilizes the gelaisic transformational substance of 14th dimensional heliotalic violet silver pink wave frequency.

The cocoon is the consciousness that is taken into the transformational factory of the 14th dimension. The violet harp strings where the electrons are removed. The form holding substance is removed to a new dream.

The cocoon becomes transparent, invisible, transforms. Exactly the same process takes place in the transformation of the DNA all of the old programming of density of the body dissolves into a new consciousness of a Christ Consciousness within a form that is being played into existence through the harp strings- the cosmic harp strings of the violet transform the invisible light into the blue hue- a new reality is born.

The Frequency specific feeling takes place in consciousness to transpose the DNA to be strummed by the Mind of God. The violet string becomes the conductor of the human plan.

The caterpillar knows how to use the quality of light of the sun to create its new reality of becoming a butterfly. First the caterpillar goes into hybernization. Actually the caterpillar is going into a Trance. It is turning off its old brain and activating its new brain. Hybernization is done through the autonomic neurons system that is connected to the Mid Brain section of the brain. The nervous system controls body function of the heat and temperature and blood pressure, controls appetite and simple bio process of elimination.

Caterpillar goes to sleep through frequency specific mid brain.

Its autonomic system moves it into slow hybernization. We can do the same thing by moving into mid brain of no time, moving into a trance that turns off the thinking brain, and stay there for several hours, all night long, several days-- just like the caterpillar.

The heartbeat slows down. The body's biology slows down in psychedelic sleep, lucid dreaming is a state of hybernization when we move into the Cosmic Sphere of Consciousness. This happens when we use the Candle Technique to move into the Full Spectrum of Light which transforms the invisible into the visible. The caterpillar still has the memory in its DNA telling it how to turn in to a butterfly and humans had that program removed from their DNA. We must remember how to use the DNA programming that the caterpillar remembers.

He visualizes himself becoming a butterfly. We must visualize ourselves becoming super human. The Christ- the etheric harp strings in us must be reconnected into the mind of God through the process of the violet string or sphere of cosmic energy. We must sing ourselves into our Christ hood.

We first create the list of who we want to become. The list might contain these ideas and many more.

The image and likeness of God the Eternal Life Body.

The Christ Consciousness Realized, The Enlightened One, the Blue Body, The Immortal, Fearless, Super, Heroic, Teleported, Walk through Walls, Remote Viewer, Body 20 years younger, vital, energetic, perfect self.

Write it, draw it, visualize it, dream it into being.

We must paint that reality on to our harp strings of our DNA.

We must sing that dream onto the harp strings. The highest frequency must strum the other harp strings into the etheric frequency that removes the electrons, that removes polarization, that removes space between spiritual physical, removes time and space.

You know this has happened when you feel like you have disappeared. You strum your harp strings into the infinite unknown Mind of God.

The Mid Brain has psychic abilities. Sub Conscious Mind of God is star dust. It reaches into all time and space and removes all time and space. All that is known is within the Mind of God.

What will happen?

You will be the same you but your DNA will be reprogrammed

The old DNA will melt away and become transmuted into your subconscious-the mind of God.

The Christ that was created by God will be written upon your dot matrix body- your divine blue print of the Idea of God.

You will align into the consciousness of Source and your mind will become empty.

Your last contract with Source will end and a new one will begin.

You will rise into harmonic universe two as you are lifted above the earth.

You will melt into the frequencies of the sun and you will disappear.

When you wake up, you will be changed. You will be brand new.

The first step is visualizing this transformation and understanding it. The Eternal Life Album is created by taking your body through this process for you, however, it is much better if you take your body through this process of transformation while you are listening to your Eternal Life Album.

It is much more helpful if you visualize the tiny little harp strings within your atoms and visualize a tiny little angel in your atoms strumming the highest string – the violet string and see that breath transform the strings below into that most etheric sound that is heard in the highest frequency.

You will find a new liberty as you become the god of your body. You will be able to manifest any thing you desire instantly if and when your Consciousness is actually within this new Frequency. When you hold your consciousness in the Violet String or the Violet Sphere of Cosmic Consciousness. Your Consciousness must be in the 14.5 Transformational Light Center before you can Magnetize the Frequencies of the Vision into your DNA. The vision of your desired manifestation must be felt as a frequency. You can then Strum that Frequency with the Violet Frequency to manufacture it in the transformational center. Only then, can the Mind of God manufacture the idea from the negative idea into the positive manifest EXPERIENCE.

When someone Magnetizes something to themselves through frequencies, the process of creation is used. The idea can only manifest if it is created through the Mind of God and then created as an Experience in Holographic Form.

When a person says they are Magnetizing Form by raising their frequencies it means they are raising their Consciousness into the Energy of the Cosmic Sphere where the Mind of God transforms old ideas into brand new fields of reality.

Otherwise, there are just old life forms being recycled over and over again.

We will be moved into a new time and a new space when we become saturated with the highest frequencies of Source. We will first become one with the Frequencies of Middle Earth – the magical place where our angelic families have lived for eons waiting for us to return.

Remember the reality is always in a frequency. The Earth's frequencies are actually being raised into the frequencies of Inner Earth and the Cloud Cities above us. This is the first step in our Ascension. Those who transmute their DNA into the vision of this new reality will see it and those who do not will not see it.

The new body and the new reality will become completely activated by a Star burst which creates the Celestiline – the magical substance that sets the metamorphosis into activation.

Once our DNA is reactivated, our bodies will go through a very fast transition in a matter of a nano second.

Our bodies will go into a deep sleep, like a hybernization. The change will be through chrysalis. As the Celestiline enters into our bodies from the waves of star burst and prana, it causes a light to flash and create a new reality. Our brains will go into a deep level of sleep as we are pulled back into Oneness with the original creation point of Source, the Idea, the Thought, the Intention and the Manifestation of the New Idea.

The body will always be held in tact within the field of God Source. However, at the same time, we will disappear for nano seconds at a time to realign in the new idea.

God creates each idea within a sphere of Hydroplasm. The body becomes the Christ when the H₂O of the body becomes H₂O₂HE₃. We achieve this by consciously translating the water that we drink into Spiritual Water through the Conscious activity of using the Three Crystal Spheres of Transformation.

We do this by taking the water we drink into the Crystal Spheres and holding it in consciousness 36 inches above the head and visualizing its transformation into the crystallization of H₂O₂HE₃ – Spiritual Water – hydrolaise.

There is a cloud of hydrolaise which is first frozen and then warmed into various chemical structures of vapor through light and sound. The blue print of the idea is simultaneously created at all levels of manifestation from hertzian, to infra red, to visible, invisible light, x ray and gamma wave. This means the invisible, etheric reality of the thought of God is manifest at the same instant that the new body flashes on in the dimension that will be in our new perception.

During this very rapid transition, the body goes into lucid dreaming, psychedelic sleep, the body shuts down the desire to eat and the bowel and urinary functions are shut down. There is a prolonged chemical change in the body.

When we awaken, we will first notice something different about our bodies, the way we feel and look, our hopes and desires will have completely changed. We will know we are Christ. We will know we have become the mind of God manifest. We will open our eyes on to a new reality because our perception will have been completely translated.

The skeletal structure of each cell will be dissolved and then a new imprint will replace it. The old DNA will still exist – but with a new imprint placed upon it by the mind of God. The new imprint will manifest as a new body. The body is made from a chip of light or the breath of God breathed to create a spark. This creates a hologram or a dot matrix body. The hydro plasma and hydrolaise and hydrogelaisic chemical interactions with light and sound create a new form in space. That new form is imprinted upon the tissue of the body. The carbules in the soma of each DNA begin to fire a new reality from the synaptic cleft.

How do we achieve ETERNAL LIFE? It is simple. We shift 15 degrees back into our original alignment with our PERFECT SELF.

Why is something that sounds so easy so difficult? First of all, nobody believes it is true so we have this Mass Consciousness creating a different reality.

Second, we need to learn how to get rid of that 15 degree blockage.

It is true that after we begin the process of removing the problem that it may take some time for the healing process to take place.

Lucky for us, the entire Earth is going through the same Healing process that we are.

What is not true is that every one will go through this healing process even if they don't attempt to initiate it.

I am going to tell you how to initiate the process. I create ETERNAL LIFE ALBUMS to initiate the process.

Our Normal body was aligned perfectly into three spheres of Consciousness. One sphere surrounded the body from the top and the bottom of the sphere went through the Heart Chakra area. That sphere is called the aVAYas Body. There are two more spheres that intersect at the Crystal Heart – one from the bottom left side and one from the bottom right side. They are called the aVEyas Bodies. All three of those spheres are in a larger sphere called the Aya Body. That would be the sphere that connects to the Source Consciousness of the Infinite Unknown.

The upper Sphere is the Eiron Body or the Thermal Plasma Body (This would be equivalent to the 14th dimensional Heliotalic Cosmic Energy of pink white light or the Full Spectrum of Light energy. That Body is the Main Body that holds our NORMAL body in Attunement with Source through the Eiron Flow of the Mind of God.

Those three Spheres were placed out of alignment with that upper Cosmic Body. The lower spheres were twisted into a reversal of energy which created an Electric Charge that blocked the Magnetic Charge. The lower two spheres PHASE LOCKED around the Heart Chakra area to block the SEED ATOM that is supposed to connect to the Eternal Life Body.

The reverse charge placed on those two spheres of energy created a loop called a vesica pisces. Each time the energy hit the wall of one

sphere it would loop back to hit the wall of the other sphere and there was this eternal loop created that blocked out the third sphere.

The Cosmic Councils have sent us the technology to remove that block from our Crystal Heart. The Frequencies for the bottom two spheres can be reactivated by bringing in the Liquid Light Frequencies. The Cosmic Elemental Liquid Orb bodies are our Aquafarian Families from Cosmic Inner Earth.

We can breathe in the frequencies of these Liquid Orb bodies and inhale the frequencies into our Pineal gland to activate the orb flow and then exhale those Liquid orbs into our Crystal Heart. That activates the two aVeyas spheres to spin correctly. Next we connect our frequency flow from our Mid Brain or Pineal Gland through our ears and up 36 inches above to the Heliotalic Cosmic Energy of the aVAyas Sphere to activate that frequency.

We inhale the frequencies of Stardust down from the Aquari Host Matrix --the Spiritual Parallel Matrix where Sun Alcyone originally created the Star that was blown up and sent into the Milky Way galaxy that became 12 stars.

We inhale the cosmic liquid orbs from within the Earth's Cosmic Core and the stardust orbs from the Aquari Matrix of our Creation into our Mid Brain.

Next we exhale that frequency into our Crystal Heart. We see the energy of those liquid light and stardust orbs begin to transform the sphere around the seed atom in the Crystal Heart. We see and feel that energy filling all of the spaces between and within the atoms of the Thymus area and then breathe that same frequency out into all atoms in the body.

Now there is a new path that is created from the Thymus gland through the Pineal Gland and out the back of the Skull at the Medulla Oblongata.

We begin to exhale those frequencies of stardust and liquid light energy out the back of the skull and up to the 36 inches above the head to connect to the Eiron Flow into the Original Thermal Plasma Body.

That stardust flow of energy is beginning to remove the blockage of the eternal life flow of energy into the body.

Practice this method several times until you can actually feel the stream of energy connecting from the back of your skull into the Eiron Flow that is 15 degree angle from the body.

Feel a magnetic mirror pulling your body closer and closer to that Eiron Body that is 15 degrees away.

When a connection is created between the physical body, the etheric body in the Crystal Heart and the Plasma body, you will begin to feel the frequencies growing stronger in those areas. When the first connection is made you will feel a rumbling at the base of the skull.

The Crystal Heart area is the area below the heart, near the back bone. You will feel a growing of frequencies in that area. You must see and feel a mini me of your self that is gold in color coming back to life in the Crystal Heart area. Once your Etheric self awakens, you will feel the presence grow stronger.

This is the beginning of filling all of the atoms in the body with stardust. This is the beginning of turning back on the Eternal Life Body.

The frequencies that are placed on the Eternal Life Album are the stardust from your Aquari Matrix body and your Liquid Light Elemental Family in Aquafaria. And the connection is made to the frequencies of your Eiron Body through the Full Spectrum of Light Activation of the Cosmic Orb.

This realignment of the Three Spheres to the angle where the spheres intersect without the vesica pisces blocking the flow is the Frequency Alignment that is required for atunement into the Median Earth.

We will slide into the Median Earth reality when our bodies become orb activated through the alignment of these three spheres. The more we breathe the crystal light from the Eiron Thermal Plasma body, the Crystal Stardust and the Crystal Gelaisic Hydrolaise from the Inner Earth Aquafarian light orbs and exhale those frequencies into the atoms of the mid brain, crystal heart and then into 82% of the atoms in the body, the closer we are to our new alignment with our NORMAL REALITY.

Once we have shifted into Inner Earth we can orb beyond this Matrix into the Omniverse.

The reason that the Cosmic Councils are giving us this technology at this time and are helping us align into the liquid light elemental orbs and the stardust orbs through activations within the Earth's body and the Sun's Rays is because we are being prepared to be Evacuated from this Earth and moved to the Median Earth between 2022 and 2047. The E vac must be complete by 2047.

The Median Earth is an exact replica of this Earth, but is at the 15 degree particle spin difference. It is the Inner Domain. We are now on the outer domain. We are already fifth dimensional. We already have the ascension tools to align our bodies into our Normal Reality.

CHAPTER 2

THE PROMISE OF THE PERFECT KINGDOM

The Promise of the PERFECT KINGDOM has already arrived. The Divine Blue Print of the Perfect Man created in the image and likeness of God has already arrived. The 12 DNA template of the original Tara, Oraphim, Aquafarian, Paradisian Race Line has been reinstated into the Sphere of Amenti within the Earth's Etheric Core. The Sphere of Amenti is the Morphogenetic Field (Consciousness created by the interweaving of Sound and Light Particles of the Complete Soul Matrix of all Races on Earth). That 12 DNA template was completed on December 21, 2012. That was the date that our Cosmic, Universal and Galactic Founders, Guardians and Creation Race lines chose for this completion because it was the exact date that there would be enough Frequencies in the Body of Earth to hold the implantation of such a huge amount of Frequencies. The Promise of the return of the Sphere of Amenti was postponed for 22,000 years because there were not enough Frequencies in the Earth's template to hold the incoming Star Activation. If they had completed their mission at that time, the Earth would have eventually exploded.

The Perfect Kingdom of the Divine Blue Print of the planetary body and human body made in the image and likeness of God is exactly that. It is a template with a programmed blue print like a piece of film in a camera. The picture of the divine creation was placed on the film through the Mind of God, first as a negative, which is like a negative ion. Next, the negative is flashed into the Consciousness of the Idea created on the negative and developed into a picture or a positive ion. Unfortunately, when a picture becomes developed in the outer domains of the five spheres of Consciousness, it can be manipulated, distorted and completely damaged by outside sources. This could be likened to what can be done to

characters on the movie screen who are morphed into new images by the film editor. That is basically what happened to God's original movie. It got morphed into a completely distorted illusion.

Now, we are re-making God's movie. Now, the original negative of the picture of the man made in God's image and likeness is being put back in the movie camera. Now, that new movie will be played through the restored Earth's Khristiac Grid. The frequencies of the divine blue print, which would be the negative of the picture, or the negative ions, will be dispersed from the Sphere of Amenti (the camera holding the corrected ionized film with the divine blue print imprinted upon it). Now that camera, holding the corrected movie pictures will flow into the Earth's grids and then into the biosphere of the human angelic template. That bio-energetic field will be filled with the negative ion holding the divine blue print created in the Cosmic Consciousness pre sound and pre light field. This is the point in creation when Source breathes the Divine Idea onto the Heliotalic Plasma, Silver, Pink, Purple, Gold Pastel Frequency Grid of the Negative Ion that comes down from heaven as the Purple Rain of the rebirth of the Divine Consciousness and then translates to the Positive Ion that is Visible Light of Ultra Violet BLUE. This Blue Film develops into the Blue Body and the Light Body and the Crystal Body of the Divine Man made in the image and likeness of God.

NOTE- NOW THAT THE DESCRIPTION OF THE SCIENTIFIC UNDERSTANDING OF NEGATIVE IONS HAS BEEN TOUCHED UPON, and the negative ion can be explained as moving water particles, we would like to change the meaning of this term for the New Earth, this new time, this new reality to be termed SPIRITUAL IONS, which are the moving water particles of Liquid Light Crystal Water Falls pouring down the Purple Rain from Cosmic Consciousness. This Purple Rain turns into Ultra Violet Blue as it becomes visible. We can begin to interact with the Water Fairies within this new bio energetic field of liquid light energy as we raise our frequency of visible light into the blue light. We will call the

HE3H20 liquid light energy SPIRITUAL IONS. This term will be the new understanding for all students of the COSMIC MYSTERY SCHOOL OF THE OMNIVERSE. Crystalai

The 12 DNA template is the original IDEA in the Mind of God. This is the negative of the film that will be developed into a picture that can be seen or perceived within the visible light spectrum when it becomes the positive. The negative ion is the purple rain coming down as the heliotalic frequency, and the positive is the visible blue light. This interaction of the negative ion as the flow of liquid light energy flowing through the plasma to create a rainbow where the letters in the light can be viewed as hydrolaise. This can also be viewed as the heliotalic frequency of the fourteenth dimension weaving into the plasma of the eighth dimension and then becoming visible as it reaches the visible light spectrum in the fifth dimension. When this happens we have achieved another very important phenomena on Earth which allows the bio energetic fields to carry a new chemistry.

The new biology and chemistry begins when the water changes from H2O into HE3 H2O, which is the formula of three parts helium into two parts hydrogen into one part oxygen. This is the new bio energetic field of energy that Earth will breathe through her grids from the Sphere of Amenti into the Earth's atmosphere and into the templates of the human biology. This magical substance is called hydrolaise. Crystalai and aDolphino introduced their students to Hydrolaise in 2008 when they interacted with this substance in Monterey. It is easy to mistake this magical substance with the negative ions that are seen and felt when water particles separate in the activity of the water fall, or the tidal waves splashing against the crystal structures, or the mist in the air allowing rainbow streams to manufacture before you very eyes.

This hydrolaise that was seen through the kaleidoscope eyes of Crystalai in 2008 and progressively more and more each day until 2012, when the

hydrolaise actually began to carry upon it her very own fire letters of her divine creation. This is the ultimate in hydrolaise activity. Our fire letters are the sub harmonic frequencies – the 12 missing frequency bands between each DNA strand. As I watched these fire letters streaming through the hydrolaise as it interacted with the plasma in the Sun's rays, those very fire letters were braiding within my own DNA strands. This etheric 12 strand template is always created from the divine blue print which always begins with the 12 codes. The 12 codes begin as fire letters which are the most etheric level of Consciousness, which can only be seen with 5th dimensional vision. This divine template is what activates the 12 DNA to become reactivated from within the Earth's biosphere and then She breathes this hydrolaise out into our DNA template so that our fire letters begin weaving our 12 sub harmonic frequencies or fire letters back into our DNA template.

The template is the etheric level of the DNA. The DNA is always the 12DNA template because there are 12 etheric bands of sub harmonic frequencies which create the celestiline bands of transformation within each DNA strand. To the scientific visible light spectrum, the only visible DNA that has been considered is the double helix DNA template. That template is the primary structure of the distorted film placed in the outer domains destruction of the original movie made in the image and likeness of God photography lab.

The true movie made in the Mind of God photography lab was always a 12 DNA template holding the Divine Blue Print of the Complete IDEA that was to be created first as a Cosmic Film of Heliotalic substance, next as Liquid Light Energy from the Universal Sphere, transferred into the x-ray vision that allows the film to flip over into the visible spectrum within the second sphere of Galactic Consciousness. The visible spectrum is within the second morphogenetic field or the second sphere of dimensions 4, 5 and 6. That is the template where our Taran Race line of the immortal man who never dies, never gets sick and never speaks a negative word to

anyone lives.

When we receive the new breathe of fresh bio energetic frequencies that hold the new morphogenetic field of consciousness, our bio energetic field becomes saturated with that new reality. This is a glorious process of making God's movie the way it was supposed to be made. The movie will be made in the image and likeness of God, or with the divine blue print of Divine Perfection within every atomic structure of the body as 12 sub harmonic bands within the first, second and third DNA strands braid together and activate as they create celestiline (the magical blue dust powder of immortality) causing the DNA to braid together causing Ascension into the Second Morphogenetic Field.

Our Divine Guardian Families and Friends have created on Earth the absolute formula for this Divine Miracle to take place upon this Earth between 2012 and 2017. The five year window has already begun. It began that divine moment of December 21, 2012. It was that moment that the frequencies of Consciousness of all 12 Universes aligned into at one ment or Atonement as the Music of the Spheres sang a brand new song through the Cosmos. This alignment had to be completed at a Cosmic level where 13 Cosmos created the Cosmaya Frequency to activate the alignment of the 12 Universes. This alignment was inhaled into the New Negative in the Breath of Source to create a brand new Negative of the picture or the new movie that would be created. This new movie created on the same divine template of the 12 DNA Divine Coded Template was EXHALED into the entire new Cosmos on December 21, 2012.

There is no time in Divine Reality. That means the reality of the new 12 DNA Divine Man made in the image and likeness of God was created on this day. However, the 5DNA negative of that creation also needed to be implanted into the Sphere of Amenti, in order for the Angelic Human to enjoy the Visible Light aspect of the 12DNA template. The second morphogenetic field holds the visible light aspect of the perfect man. This

is the field of consciousness where God's Movie can most easily be enjoyed. When we rise into the third morphogenetic field of 7,8, and 9 dimensions, we begin playing in a field of light that is so etheric that it is like a shield of light with a silhouette of forms in it. Beyond that, the spheres of reality become less and less dense until we become pure consciousness with no form at all. Now, that we have redeveloped into the 12 DNA template, we can enjoy all of those morphogenetic fields of Consciousness. We can become invisible light long enough to orb into those other dimensions of reality. It is our new biological chemical structure of the HE3H2O that develops us into the negative ions that allow us to flash into light as our Consciousness becomes trained to activate these states of light by raising our frequencies through our own activity of Consciousness and Breath alignment with the Mind of God.

Back to the Fairy Magic. I was told that my new mission on Earth during this window of five years is to see and communicate with Water Fairies or the Aquafarians. The ability to do this requires what I have explained in the preceding article. My Higher Self has reconnected me to this understanding of the Hydrolaise and the HE3H2O or the Spiritual Ionization, as being the first step in creating the morphogenetic field of reality where I can go into and invite Water Fairies into my Consciousness to see them and communicate with them. Fairies cannot live within the distorted water fields that have existed on this Earth. The fairies that some have seen and channeled are those that have been caught within the same messed up movie screen that the rest of us have been living within. We are now responsible for setting those Fairies free as we help them to translate the bio energetic fields into the spiritual ionization needed for real fairies to live in.

We did this same procedure in Monterey, when we were helping the Dolphins and Whales ascend back up into the Cloud Cities as their bodies translated into the Hydrolaise, the mist, the negative ions and finally the HE3H2O within the spiritual Cloud Cities of Higher Earth. The animals of

divine origin such as the Dolphins, Whales, White Belugas, Penguins, Polar Bears, White Fox, and many more have ascended ahead of the Earth because they didn't need to clean out as much Karma as the rest of us. Now, that we have helped them, it is time to help the fairies who will help us. I have also watched the Evergreen trees ascend right before my eyes. They attune into their light bodies right before my eyes. Their light body pops out in front of them and then goes back into their eternal life green body and it looks like evergreen but it glows. That was different than the process we watched the dolphins, whales and belugas go through. We even have a picture of the ascending dolphins on our website.

Children have always been able to see and communicate with fairies easier than adults. Allow your children to guide you in this activity along with a little help from your new understanding of the reality of the existence of fairies, ionization, HE3H20, and the new bio energetic fields we live in. This will help you activate your DNA stranding and your children's DNA stranding. Many of you are already living with the Indigo children who have these magical talents and already have their DNA activated. It is time to start learning from them. They are your key to the kingdom.

This is the way I began my understanding. I just kept listening to different Entities, who were each representing Mu from Lemuria, and the Cosmic Councils at the Cosmic Mystery School of the Omniverse, and the Elohim Team who taught me how to connect to the three crystal spheres. Our Higher Self demands that we learn things as a Master Learns-- through the PUZZLE.

I will begin giving you the pieces of the Puzzle that I spent my entire lifetime learning.

Please think of fifteen spheres or circles of energy. Draw these 15 circles.

One inside of the other. There are actually Five Main spheres and three within each of them to create the 15. So, start by drawing five circles. Within the inner sphere, there are three spheres that contain the harmonic universe one frequencies of dimension one, two and three. The next sphere contains the frequencies of harmonic universe two- dimension four, five and six. The next sphere contains the frequencies of harmonic universe three contain dimensions seven, eight and nine. The next sphere contains the frequencies of harmonic universe four which are ten, eleven and twelfth dimensions and the fifth sphere contains thirteen, fourteen and fifteen.

The first sphere is planet, second is solar, third is galactic, fourth is universal and fifth is cosmic.

Next, think of each one of these spheres being created by this Merkaba that looks like one pyramid facing up and one pyramid facing down. The lower pyramid is inside of the higher pyramid. We think of the upper triangle spinning clockwise and the lower spinning counter clockwise. When these triangles spin together they are actually spinning the electro into the magnetic energies to create a sound tone. Each one of the spheres is created by one of these merkabas spinning together to create a sound tone or a frequency.

The merkaba that creates the outer sphere is much larger than the merkaba that creates the inner sphere. The frequencies of the outer sphere are much higher and faster than the inner sphere. The outer merkaba spins ten thousands times the speed of light. It is so fast that we cannot conceive of it. It is the energy potential that is holding the entire Cosmos in Balance and in the attunement with the Source Field of Energy.

So, we have these five merkabas that create the five spheres. The outer sphere is actually holding within itself all of the frequencies of the other four spheres. If we feel all of these merkabas spinning around our body, the outer merkaba would have its upper point 36 inches above our head

and the lower point would be down in the Core Domain of the Earth, where the Cosmic Domain touches the Earth's Vortex.

Now, take out your pencils and papers and start drawing these ideas. Draw your body standing on top of the Earth. Draw a circle around your body with the top at 36 inches above the head and the bottom part of the sphere at the center of the Earth. That is you standing in the Cosmic Sphere of creation. Now, draw a merkaba. First the top triangle with the top point where the top of the circle is. The base of the top triangle stretches across the widest part of the circle.

Now, draw the bottom triangle. The bottom point of the triangle touches the bottom of the circle at the point of the Cosmic Core domain at the center of the Earth. The base of that bottom triangle will be ABOVE the base of the top triangle. This is showing that the bottom triangle-- which is the Magnetic is spinning INSIDE of the Top triangle- which is Electro. The electro magnetic spin represents the spinning together of the anti particles – the spiritual into oneness with the particles-- the physical.

Now, look again at your drawing. You will probably want to get a much larger piece of paper and start over now. The place where the bottom base of the top triangle meets the top base of the bottom triangle should create an area between the fourth, fifth and sixth chakras. That is the area of the throat and down about three inches on the body. That is what we call the Crystal Heart area-- the area of the Fifth chakra-- but it is actually an area that contains the fourth, fifth and sixth chakras. WHAT IS THIS PLACE IN THE BODY? It is your Soul. It is the Fifth Dimensional Soul of your COSMIC BODY.

Where is the Fifth Dimension. It is your Soul.

When we talk about the Fifth Dimension, we are not talking about climbing up a ladder of frequencies. We are talking about blasting completely out of the Third Dimensional concepts of the FIVE SENSES into the Ultimate UNKNOWN, Intuition, Imagination, Concepts beyond our books, our

schools, our cultures-- the BEYOND.

How do we get to this place of the INFINITE while we are in our bodies? We use this Merkaba. It spins together all of the Frequencies of the fifteen spheres of the Cosmos into that point in our body that we call our Soul.

Our Soul has been sleeping for a very long time because it hasn't been given a new reality to respond to. The Soul awakens to its ultimate destiny of Infinity when the Merkaba spins all of those frequencies from the Five Spheres into attunement or at one ment at that point where the top and the bottom triangles merge their energies together. Where do they merge their energy or frequencies? INTO THE SOUL-- that is the FIFTH DIMENSION.

The entire ASCENSION PROCESS is about activating the Soul. How did the Soul fall asleep. The process began with the THINKING BRAIN. That is the Upper Cerebellum- the yellow part of the brain in the diagram.

MOVING INTO THE FULL SPECTRUM OF THE MUSIC OF THE SPHERES

DIAGRAM

Now, we are going to draw a new diagram. Look at your Candle. Please use the video of the candle that is on the crystallmagicorchestra.com home page. Also use the diagram of the pyramid of light energy.

Draw a candle and then draw a triangle around it. The top of the triangle is the top of the candle. If you look at the pyramid of light frequencies, you will notice that the top of the candle has pink silver light frequencies. That is the frequency of the 14.5 dimension of heliotalic pastel energy. It is an

energy that contains helium, gamma, plasma, x-ray, invisible light, and all of the other lower light frequencies. The HIGHEST FREQUENCY ALWAYS TRANSMUTES ALL LOWER FREQUENCIES INTO IT.

That top point of the triangle, and the top point of the candle show us the place where the Cosmos-- the fifth sphere touches the Mind of God-- or the Source Field of Infinite Unknown potentials of REALITY. When the Merkaba spins together all of the five fields of energy within the Outer Sphere, it is doing the same thing that you see the Candle doing. The Merkaba holds together all of those Frequencies of Light together and molds them into a form of reality. In this case the form is the Candle. The form can also be the Mental Light Body that is three feet around the Physical Body, or it can be the entire Cosmos around the body.

So, we see all of those light frequencies within the candle, and we see them within the upper part of the Merkaba.

Now, what did I tell you that you would need to do to begin to see the Candle Turn BLUE?

I said you must absorb all of the light frequencies of the candle into your body-- especially into your Mid Brain to make your brain become frequency specific.

Why do we do this?

The first step to returning to immortality is turn off the thinking brain because it will just keep telling you that you are going to die. When we move to the Mid Brain, it is frequency specific. It does not speak in languages. It speaks in the language of KNOWING. And you will not find Death in the Knowing.

So, that is why we are focusing on Melting the Brain away. We don't want to hear the thinking brain's opinions about death, disease, age, religions, or any of those piles of lies that have been accumulated into the cellular

memory.

Now, you might have noticed that there is only the upper portion of the Merkaba drawn over the candle. The base of the triangle will be drawn through the stem of the Candle.

The Stem of the Candle is Hertzian. It is the third dimensional realm of the Five Senses that can be seen, touched and heard. That is much like our physical body.

So, now draw an image of your body as the stem of the candle. And think of the base of the triangle going through the heart chakra area, just like in the previous merkaba drawing.

Why do we only have the upper part of the merkaba? The upper part of the merkaba is the electro-- the Light Frequencies-- the Anti Particle.

Next, draw the body that is standing on the Earth, and find out where that bottom triangle would intersect the Crystal Heart area of the body that is now the stem of the candle.

The bottom part of the Merkaba is the Magnetic. It is the part of the energy spectrum that pulls the anti-particle LIGHT ENERGY- the Spiritual into the Physical.

And where does the intersection always happen?- At the Fifth Dimension. In the Soul-- in that 4,5,6 chakra area.

We learned how to walk into the candle, absorb the frequencies and see the candle turn blue.

When we see the candle turn blue, it means we have activated the Mid Brain-- the Frequency Specific Brain-- the Blue Brain.

We must do that first, or the Thinking brain will just continue to take center

stage and tell you that you are going to die some day.

Now, go back to seeing the entire Cosmic Merkaba spinning around the entire candle and clear into the Cosmic Core Domain of the Earth, and see your body standing in the stem of the candle.

We must spin the electro-upper into the magnetic -lower part of the merkaba to turn the Hertzian Body-- our physical body (the one that only sees and believes the five senses) - into the Blue Body, that blasts out of the prison of the FIVE SENSES into the Infinite Unknowns of all possibilities.

That Infinite Unknown comes from the KNOWINGNESS in all of those spheres. Those Spheres contain the Consciousness of all of our Plasma Families in the Cosmos, and the Starry Families of the Universes and all of the Galaxies in all of the Omniverses.

When we become the Fifth Dimensional Blue Body, we can tune in to all of those frequency channels of all of the information that has ever been known and that will ever be known. The Fifth Dimension is the HUB of all that is. It is the place where we can still be experiencing our creations in a tangible form that still has some density, but also contains all of the etheric density that must be created from the Intuition, the Knowing, the Imagination. It is the Invisible realities that we create in our Dreams.

What is different about this teaching of using the imagination and creating dreams, is that when the THINKING BRAIN IS TURNED OFF and the Frequency Specific Brain is turned on, we will realize that the DREAMS are the Reality and the Thinking brain is the ILLUSION.

The inner sphere would be the sphere that is around your fourth and fifth and sixth chakra area. That SOUL area now contains all of the Information that is contained in all of those other spheres of Consciousness. We have

created a new Morphogenetic Field of Consciousness that contains all of the Light and Sound of the entire Cosmos, Universe, Galaxy into our NEW SOLAR REALITY. We now know that we hold this vast information that is flowing into the Frontal Lobe and into the Mid Brain and into the Lower Cerebellum and Medulla Oblongata in the back of the brain. The Mind of God connects from that point in the brain which also connects to the Soul Center out into that point at the top of the Candle and the top point of the Merkaba, That point connects to the Infinite Source of Energy and Information-- the Mind of God.

We are learning to walk into the Full Spectrum of Light- which is Source. We go completely into the Source Field, and then our body flips into a new reality. The new reality is the BLUE BODY. That is the Fifth Dimension. The Fifth Dimension means Multi Dimensionality. It means you are not within the Infinite Possibilities of Manifesting through the Mind of God and living in an Immortal Body inside of the Source Field.

When we continue to use the light in the candle, we are practicing walking through the full spectrum of light, which means the white room of the Mind of God. Once we walk through that diamond door in to the White Room and then turn around, our body becomes the blue body. Once we are in the Blue Body we can practice levitating because we actually move our bodies into a higher dimension that allows our body to be in a new standing wave pattern that does not contain gravity. Gravity is just an illusion or a part of the hologram that we think we are living in.

We can also practice moving beyond the hertzian frequencies where we hear physical words and tones into the infra red spectrum where we hear and see a reality that has actually turned into a NEGATIVE of the picture that we are developing in God's Mind. When we practice becoming the Digital Camera we begin seeing the Blue Hue around everything in our world and then we begin seeing the Violet Sphere that allows us to remove space and time and walk into it. We can also practice activities such as looking at a card and learning to see the back of the card actually rise up behind the card to allow us to See what numbers are on the back

of the card. This would be Infra Red Vision.

After than we move from the Visible Light Spectrum into the Invisible Light Spectrum in order to begin seeing the Inner Earth and the Cloud Cities and Earth all morphing into one new Ascension Earth.

The Light Spectrum is held together by the Divine Love Frequencies spinning us into At One Ment with the Full Spectrum of Light of God. It is the outer band in the outer sphere of the Five Spheres of Dimensional Reality that holds the entire Cosmic Matrix together, and holds our body in attunement within that reality field.

When we breathe the frequencies that spin the Universal Band into attunement with the Cosmic outer Band, we have breathed together all of the frequencies together so that they will rise up into the Source Frequencies.

When we bring together all of the Spheres of Dimensional Frequencies together through proper breathing and spinning of the Merkabas it makes the spheres Flip into the Mind of God. The Infinite Unknown is then flowing inside of you, and the rest of the physical body becomes DISOLVED or TRANSMUTED into the Mind of God. The outer band is the Holy Spirit. It is the Zero point that is flowing toward you and then into you and into every particle in you. You dissolve into the Mind of God when you dissolve into the Full Spectrum of Light of the Candle.

When you dissolve, you emerge as a HUE of Light. A BLUE HUE. You become the Ultra Violet Blue. Your old self has disappeared- dissolved- transmuted into the Mind of God to be re-born as the Fifth Dimensional Self which is the Multi Dimensional Self of all Dimensional Realities. This is the Self that will be allowed to travel through all Universes, create Star Systems, return home to Source, or just sleep in the Mind of God forever.

We access this God through this very specific process of transmitting into the Omni Particles of the Infinite Allness of the Source Field Energy. We

open our boundaries into the infinite unknown. We learn to walk into the Void of Infinite Possibilities where we can create things that we have never imagined before.

There are many pieces to the process of Ascension. Each one of the pieces is a part of how we learn to tune out of the Five Senses and into the other Seven Senses. This hooks our perception up to 12 sets of Consciousness which are the All Knowing of the Universe. This would mean we have transposed our lives into the Christ Consciousness or Super Consciousness through our Over Soul, Avatar and Rishi Consciousness.

We have been told that we must RAISE OUR FREQUENCIES. Most people don't know how to do that so we created Music that does it for you. The frequencies are created by taking Consciousness into the higher Harmonics Universes and blending them together in a certain way that creates Frequencies that allow us to Transmute our Bodies and our Realities beyond the Third Dimensional Five Senses.

We are learning that there are many more realities beyond the ones that we behold with the Five senses. That perception is only a very small part of the Full Spectrum of Light and Sound.

So, we created the Music to allow you to connect your consciousness into the Christic Consciousness of the 12th Dimension and the Cosmic Consciousness of the 14th Dimension, and then also out into the Pre Light and Sound Fields beyond those and then clear out into the NEW COSMAYA of the 13 Cosmos which connect to the Infinity of other Cosmos in the Source Field.

Now, you can begin enjoying the feeling of all of those other sound fields besides the Hertzian range of Audible Hearing. This means that this teaching does not come from the Solfege teachings. It comes from the Cosmic Mystery School of the Omniverse, which is beyond the Earth's

Matrix and even beyond our old Cosmic Matrix. The Frequencies of this teaching come from the Grand Yanas of the Pre Light and Pre Sound creating a new reality from the Source Field of Infinite Consciousness.

As you look into the candle, you learn that the hertzian level of the Light Frequency is the lowest. It is actually where the stem of the candle is, because that is the spectrum that is tangible to all of the five senses. We can see the stem, touch the stem, smell the stem, taste the stem. We are actually living in that tangible frequency that is DENSE-it is SOLID- it is the physical reality that we conceive of.

The candle allows us to recognize that there are other levels of light and sound. Just above the stem there is infra red light. That is the light spectrum that the digital camera can see, but most of us haven't learned to see like the camera sees. The next level is the Visible Light that we think we are seeing. Above that is the Invisible Light where another reality lives within right here within the Visible Realm. And above that there is the x-ray field of light and then the Gamma, Plasma and Pink White Light.

When we use the diagrams that show the spectrum of light frequencies and where those frequencies are heard and felt in the brain area, we begin to realize that we haven't been using the part of the brain that tunes in to the Pink White Light of the Mind of God or even the Blue Frequency in the Mid Brain.

We can easily tune in to the Blue Frequency by walking into the Candle because the Blue Hue is the result of absorbing the full spectrum of Light. We can feel that frequency filling the Mid Brain and when that happens the old THINKING BRAIN stops analyzing all of the old ideas that have been placed in it over the past millions of years. The Mid Brain turns off the Thinking Brain and allows the Mind of God to take over the thought process.

When the Mind of God gets plugged in to the area at the top of the back bone and the bottom of the skull there is a frequency connection into the

Seed Atom of our original creation and into the Vargus Nerve which controls all of the nerve centers in the body. So, you see, we can, in fact plug our bodies back into the Mind of God.

And when we achieve that Frequency connection in our bodies we gain the Eternal Life where the sixth level elementals are continuously re-programming the nano second rebirth of every cell in our body and transmitting correct information for the constant rebirth of all of the neuro structures of the body.

This process is explained in great detail in the ETERNAL LIFE WATERS SET.

Now, that we are being given this gift of the Fifth Dimension, we will need to learn how to TUNE IN TO IT. We must raise our frequencies of hearing and seeing. The Frequency Music itself does this. It actually tunes you in to the Blue Hue which also tunes you in to fields of light that are in the Invisible Light Spectrum that you have never seen before.

The Candle will help you realize what a small aspect of the ALLNESS of God the Hertzian Frequency is. The Hertzian is the stem of the Candle. It is not even a part of the light.

When we only use our five senses, we are only the stem of the candle.

Hertzian means things you can see and hear. We must move into the full spectrum of what we can hear and see.

I have explained that my music is not Solfege because Solfege is simply another use of the Hertzian Frequency Range. That range of frequencies is a part of the five senses.

In order to raise our frequencies beyond the third dimension, we must

raise our frequencies beyond the Hertzian. That means we must claim our senses that do not rely on the eyes to see or the ears to hear.

We must tune in to our Soul Consciousness and our Intuition. If we tune in to our Soul Consciousness, we can learn to hear without our ears and we can learn to see without our eyes.

We can learn to see what is in a room while blind folded simply by sitting in a dark room with blindfolds on for long periods of time.

We can also learn to tune our ears into a higher set of frequencies by tuning out of the third dimensional hertzian range of listening and tuning in to the frequencies that you feel deep within your omni particles and the buzzing frequencies within your head. When you tune in to the Frequency music, you are learning to tune in to a reality that is beyond the five senses.

You can practice feeling the frequency music creating a reality of consciousness around the body and flowing into the body. The frequencies are actually the frequencies of the Cosmic Plasma and the Crystal Liquid Light Vapor that is even deep within the Cosmic Plasma. So, when you are tuning in to these Cosmic Frequencies, you are tuning in to your Rishi Self Consciousness rather than your Earth Self Consciousness. The Cosmic Self is completely tuned in to the Mind of God of instant co-creativity and Eternal Life. This is the reality we want to stay plugged in to.

If we practice long periods of being blindfolded, we can begin to see the realities that exist within our realm around our body. We learn to see this New Ascension Earth and the Inner Earth becoming a reality around us.

When we practice listening to the Frequency Music from the Eternal Life Water album we practice being in and tuning the body into the Cosmic Frequencies of our New reality of the new Cosmos that has just been born.

We have tuned in to a new Spiritual Parallel Universe in the PARALLEL UNIVERSE SET and now we have tuned in to a Brand new Cosmos. The Thirteen Cosmos of the Cosmaya has given birth to a brand new Cosmos within the Eighth Sun in the SYMPHONY OF LOVE ALBUM.

As the new reality was born, a new set of frequencies was born. The more we tune in to these new realities of the new Cosmos Frequencies, the Parallel Universe Frequencies, the Symphony of Love, when the new Frequency of Creation was Born, the Mother Ship Frequencies of the Cosmaya Ship activating the Blanket of Love around the Earth. The Dolphin DNA Frequencies of the Cetacean Raceline activating their DNA bio-regenesis program into our biology.

Each one of these events is a wave of frequencies, which means a wave of Consciousness that contains a part of the consciousness that was taken away from us 5000 years ago, and the consciousness that was taken away 5.5. million years ago. The birth of the SIX AVATAR children each brought a unique Stream of Consciousness that is healing the miasms and seals placed in our DNA. Those Frequency Signatures are in the COMPLETE PERFECT DNA INFUSION album.

I've noticed that more people buy that album than any of the others. Of course it is an extremely important event – the Birth of these Children and the fact that they prepared ascension portals for the race lines that would be locked in the Earth's Matrix forever. However, don't forget about the Frequencies of the UNIVERSAL LIFE FORCE CURRENT who prepared the Stellar Wave Activations and Infusions that are in the Parallel Universe Kit. And don't forget about the work that the Cetacean Raceline did in their Bio-Regenesis Project of keeping the link between the Earth and the Oraphim Suns. And the final ingredients of the ETERNAL LIFE WATER of the Vapor Essence within the Plasma which is the Consciousness Field that allows us to Vaporize into the Spiritual Water of Aquafaria in the Inner Earth. This is the Ascension Vehicle into the Ascension Earth.

Each of these pieces of the formula of the Ascension are crucial to the complete Mass Process. And then each Individual has a unique Frequency Signature and complete Portal of Starry Families, Souls, Avatars, and Rishi Selves that must be Tuned in to in order to begin the attunement into the Cosmic Telephone lines.

This is the last piece of the puzzle that is needed. We must remove the TOWER OF BABEL. That means we will no longer speak different languages. We will all speak one language. We must first tune in to the Frequencies of the Cosmos and our Cosmic Families and most of all the Cetacean Race Line, because they are the only E.T.'s living on Earth right now.

The DNA is being reconnected and reactivated through these Streams of Consciousness that are being Born into the Atmosphere, the Biosphere, the Morphogenetic Fields of Consciousness of the Earth's Core and Crust and the Christ Shields within Earth's Crust.

TUNE IN AT THIS LINK

<http://crystalmagicorchestra.com/DNA-activation>

We need to tune in to each aspect of this Morphogenetic Consciousness.

When we tune in, the Ascension Teams of each morphogenetic wave of transmutation begin working on plugging in another neuronet of your physical template into the Soul Template, the Over Soul Template, the Avatar Template and the Rishi Template.

Our bodies must be reactivated at all levels. We must be completely re-tuned into the complete Omnipresence of Source.

Those of us who have followed the Metaphysical Studies of Goldsmith and Eddy have been tuned in to these realities. However, now that the complete Science of this higher consciousness has been revealed through Keylontic Science, it is much easier to actualize the reality.

Normally, the human being can only actualize something that has been placed in their back ground knowledge of knowing. It is difficult to place the realities of Spiritual Consciousness into the third dimensional background knowledge because it is beyond the third dimensional background of things that can be rationalized with the senses.

We must be willing to go beyond the senses in to the invisible spiritual reality and then learn to visualize it. Our Soul Consciousness actually takes over and gives us the complete inner vision and the complete inner hearing when we tune in to that level of Frequency.

The Reality of Inner Earth appearing as Earth will only be a reality to those who begin practicing seeing that which cannot be seen. That reality is not going to morph into the lower frequencies of Earth. Instead, we must raise our frequencies beyond the five senses into the realities that can be seen with the eyes closed and the ears tuned in to the inaudible sounds that I have tuned in to. The more we tune in to those higher frequencies, the more they tune in to us.

Where is the Fifth Dimension?

When we talk about the Fifth Dimension, we are not talking about climbing up a ladder of frequencies. We are talking about blasting completely out of the Third Dimensional concepts of the FIVE SENSES into the Ultimate UNKNOWN, Intuition, Imagination, Concepts beyond our books, our schools, our cultures-- the BEYOND.

How do we get to this place of the INFINITE while we are in our bodies? We use this Merkaba. It spins together all of the Frequencies of the fifteen spheres of the Cosmos into that point in our body that we call our Soul.

Our Soul has been sleeping for a very long time because it hasn't been given a new reality to respond to. The Soul awakens to its ultimate destiny of Infinity when the Merkaba spins all of those frequencies from the Five

Spheres into attunement or at one ment at that point where the top and the bottom triangles merge their energies together. Where do they merge their energy or frequencies? INTO THE SOUL-- that is the FIFTH DIMENSION.

The entire ASCENSION PROCESS is about activating the Soul. How did the Soul fall asleep. The process began with the THINKING BRAIN. That is the Upper Cerebellum- the yellow part of the brain in the diagram.

Now, we are going to draw a new diagram. Look at your Candle. Please use the video of the candle that is on the crystallmagicorchestra.com home page. Also use the diagram of the pyramid of light energy.

Draw a candle and then draw a triangle around it. The top of the triangle is the top of the candle. If you look at the pyramid of light frequencies, you will notice that the top of the candle has pink silver light frequencies. That is the frequency of the 14.5 dimension of heliotalic pastel energy. It is an energy that contains helium, gamma, plasma, x-ray, invisible light, and all of the other lower light frequencies. The HIGHEST FREQUENCY ALWAYS TRANSMUTES ALL LOWER FREQUENCIES INTO IT.

That top point of the triangle, and the top point of the candle show us the place where the Cosmos-- the fifth sphere touches the Mind of God-- or the Source Field of Infinite Unknown potentials of REALITY. When the Merkaba spins together all of the five fields of energy within the Outer Sphere, it is doing the same thing that you see the Candle doing. The Merkaba holds together all of those Frequencies of Light together and molds them into a form of reality. In this case the form is the Candle. The form can also be the Mental Light Body that is three feet around the Physical Body, or it can be the entire Cosmos around the body.

So, we see all of those light frequencies within the candle, and we see them within the upper part of the Merkaba.

Now, what did I tell you that you would need to do to begin to see the

Candle Turn BLUE?

I said you must absorb all of the light frequencies of the candle into your body-- especially into your Mid Brain to make your brain become frequency specific.

Why do we do this?

The first step to returning to immortality is turn off the thinking brain because it will just keep telling you that you are going to die. When we move to the Mid Brain, it is frequency specific. It does not speak in languages. It speaks in the language of KNOWING. And you will not find Death in the Knowing.

So, that is why we are focusing on Melting the Brain away. We don't want to hear the thinking brain's opinions about death, disease, age, religions, or any of those piles of lies that have been accumulated into the cellular memory.

Now, you might have noticed that there is only the upper portion of the Merkaba drawn over the candle. The base of the triangle will be drawn through the stem of the Candle.

The Stem of the Candle is Hertzian. It is the third dimensional realm of the Five Senses that can be seen, touched and heard. That is much like our physical body.

So, now draw an image of your body as the stem of the candle. And think of the base of the triangle going through the heart chakra area, just like in the previous merkaba drawing.

Why do we only have the upper part of the merkaba? The upper part of the merkaba is the electro-- the Light Frequencies-- the Anti Particle.

Next, draw the body that is standing on the Earth, and find out where that bottom triangle would intersect the Crystal Heart area of the body that is now the stem of the candle.

The bottom part of the Merkaba is the Magnetic. It is the part of the energy spectrum that pulls the anti-particle LIGHT ENERGY- the Spiritual into the Physical.

And where does the intersection always happen?- At the Fifth Dimension. In the Soul-- in that 4,5,6 chakra area.

We learned how to walk into the candle, absorb the frequencies and see the candle turn blue.

When we see the candle turn blue, it means we have activated the Mid Brain-- the Frequency Specific Brain-- the Blue Brain.

We must do that first, or the Thinking brain will just continue to take center stage and tell you that you are going to die some day.

Now, go back to seeing the entire Cosmic Merkaba spinning around the entire candle and clear into the Cosmic Core Domain of the Earth, and see your body standing in the stem of the candle.

We must spin the electro-upper into the magnetic -lower part of the merkaba to turn the Hertizian Body-- our physical body (the one that only sees and believes the five senses) - into the Blue Body, that blasts out of the prison of the FIVE SENSES into the Infinite Unknowns of all possibilities.

That Infinite Unknown comes from the KNOWINGNESS in all of those spheres. Those Spheres contain the Consciousness of all of our Plasma Families in the Cosmos, and the Starry Families of the Universes and all of the Galaxies in all of the Omniverses.

When we become the Fifth Dimensional Blue Body, we can tune in to all of those frequency channels of all of the information that has ever been known and that will ever be known. The Fifth Dimension is the HUB of all that is. It is the place where we can still be experiencing our creations in a tangible form that still has some density, but also contains all of the etheric density that must be created from the Intuition, the Knowing, the Imagination. It is the Invisible realities that we create in our Dreams.

What is different about this teaching of using the imagination and creating dreams, is that when the THINKING BRAIN IS TURNED OFF and the Frequency Specific Brain is turned on, we will realize that the DREAMS are the Reality and the Thinking brain is the ILLUSION.

The inner sphere would be the sphere that is around your fourth and fifth and sixth chakra area. That SOUL area now contains all of the Information that is contained in all of those other spheres of Consciousness. We have created a new Morphogenetic Field of Consciousness that contains all of the Light and Sound of the entire Cosmos, Universe, Galaxy into our NEW SOLAR REALITY. We now know that we hold this vast information that is flowing into the Frontal Lobe and into the Mid Brain and into the Lower Cerebellum and Medulla Oblongata in the back of the brain. The Mind of God connects from that point in the brain which also connects to the Soul Center out into that point at the top of the Candle and the top point of the Merkaba, That point connects to the Infinite Source of Energy and Information – the Mind of God.

Now, all of that information and energy that is flowing through you can be translated from any dimensional frequency into the frequency of the observer-- the sub consciousness within you. That is where dreaming comes in. Those movies of multi dimensional reality flow through you into dreams. You must learn to become AWAKE IN YOUR DREAMS NOW. You must learn to know that you are actually in the dream and that you control the dream to do what you want it to do. You become the director of the movies in your dreams.

When you can do that, you can also become the director of the movies in your life. And you can turn your dreams into your life if you want to.

The sensual areas in which the brain defines all that is placed in the body includes what food is, how to digest it, what qualities it has.. This same thinking brain that is defining our life and telling our body what will make it well or what will kill it, how our days are numbered, that yellow brain. The areas of absolute polarity who you are in a personality. If you place a picture of Blue Body in your frontal lobe. That picture will be eaten up by the thinking brain only tolerating it for so long thinking brain must be transmuted and dissolved into higher frequency waves. The human is divine, but is only being allowed to work upon the old karma of emotion that was never brought to wisdom.

That is why the Soul returned to Earth because the old karma was never given the wisdom that would allow it to connect to the Blue Body, Aquafaria and never given the knowledge to connect to the multi dimension mind of god.

The soul must be able to process this wisdom while in this body. to remove the death sentence that is given to it by the thinking brain of carnal knowledge, the knowledge given to it by the world.

Now, that we have a better understanding of the Candle Light and how it relates to the Music, it is important to know that there is a Spectrum of Light behind or below the Candle that is the Spiritual Hologram or Spiritual Universe being reflected in the Physical Universe.

When we look at our DNA we learn that it is the Acceleration Codes of the DNA that hold the Overtones from the Electro and the Magnetic Codes of the DNA that hold the Base Tones of the Electro Magnetic.

We can't just have the candle flame without joining it with its anti particle double that we see as that Blue Hologram above and below it.

Our body also has a spiritual anti-particle double. When we walk into the full spectrum of light and sound we tune in to the blue body. We see the blue sphere.

The Blue Body activates within the Crystal Heart because the Soul is the Fifth Dimensional SELF made of anti matter.

That Fifth Dimension within us has always been there. We just never ignited it with the Breath of Source and the Full Spectrum of Light that we gain when we Spin the Merkabas to ACTIVATE each of the Dimensional Fields of Reality.

If we don't ignite the flame in our Crystal Heart that attunes us into the Love of the entire Cosmos and beyond into Infinity, we stay locked inside of the Heart that is disconnected from the Mind of God.

Once we activate our Crystal Heart, we also need to activate the Blue Frequency Specific Mid Brain. That is what the Frequency Music created by the Crystal Magic Orchestra of Cosmic Consciousness provides.

The Frequency Specific Music keeps you out of the Yellow Thinking Brain and in the Mid Brain where only Frequency Specific Consciousness Communicates.

In other words, the only words are the Frequencies.

The teaching of Keylontic Science provided an In Between State where we use the God Language to activate the Frequency Language.

I do use this God Language in some of my music. It is definitely a language that allows much more harmonization than words from any other cultural group.

However, I got to a level of creation where the words were getting in the way of blending the breath of Source into all of the multi dimensional fields of Consciousness.

The ignition of the flame or the frequency should be what activates the question and then the answer is given to the body through tiny little buzzy sounds that we translate when our Crystal Heart is activated.

I had all of these layers of Frequencies-- millions of layers. The God Language would not layer. That is a problem because the language used before the Tower of Babel was completely telepathic – NO WORDS.

My mission on Earth is to remove the tower of Babel, and that can't be done until we move into the pink silver part of the brain- the lower cerebellum and the medulla oblongata and begin to allow the true Mind of God to RUN OUR BODIES COMPLETELY.

No talking allowed. Just the FEELING of the frequencies streaming into the inner most omni particles of the cells and flowing around the cells in the crystal liquid light energy of omni creation.

CHAPTER THREE

MOVING INTO A NEW MOVIE PROJECTOR

We use the candle to help us visualize moving out of the third dimension and into the fifth. We must also use the diagram of the Pyramid showing us where the different light spectrums are in the Candle. We can also see these light spectrums as they relate to the brain.

The yellow spectrum in the brain corresponds to the VISIBLE LIGHT. This

means everything that can be Seen with the FIVE SENSES.

Now, remember that the Five Senses and the other Seven Senses of the Cosmos were separated. They were separated by separating the sub harmonics in the DNA. The Over tones of the Electronic were separated from the Base tones of the Magnetic.

The only reason that we believe what we see is TRUTH is because our sub harmonics in our DNA are disconnected.

When they are re-connected we see the reality that is in the Blue Spectrum of Invisible Light. We can learn to see what is invisible to us right now.

We experience this reality by walking into the candle in consciousness to collect the full spectrum of light. Now, you can see something that you didn't see before. You can see the blue sphere.

Next, you continue to move into the candle in consciousness until the room goes black around you. This means you are seeing from the area in the brain that is in the pink silver light spectrum. The Mind of God is the Dark Room. This is the place where you see anti-matter.

You are seeing another reality field that you never saw before.

You just thought this was darkness. It is the placed where all new ideas are created before they come down into multi dimensional versions of light.

This is not the same kind of dark that comes from absence of light.

This is the kind of dark that comes with your eyes wide open using the back of your brain and seeing through your mid braid into another reality field.

We get to this place by remaining in the Frequency Specific Music for very long periods of time. You can also practice moving to that part of the brain by keeping earphones for several days at a time or walking around blindfolded until you can learn to see through the eyes of God.

Just as I came to Earth this time to remove the Tower of Babel, there are people on Earth who came with the purpose of returning to the Mind of God. So, they planned to be born blind. Many people who are born blind planned it that way. Beethoven was one of those people. He could hear the Music of the Spheres and play what he heard on the piano. He was painting the music that was being made by the Universe at that time. There were beautiful parts of the Universe and there were parts that minor and dis harmonic in nature.

Albert Einstein also said that he learned the formula to create his discoveries from music. I am sure he meant from listening to the directions from the Music of the Spheres. Everything in our Universe is created from the Music of the Spheres. This means the frequencies from the spiritual harmonic universe are being woven into the more dense dimensions and in the parallel physical domains to create new realities. These realities manifest as different forms of energy-like electricity. The density also manifests as different forms of supply and food.

When we move into the standing wave pattern of the fifth and sixth dimensions we will tune into the hydrolaise of the spiritual parallel and the trypolaise of the new Cosmos. That spiritual water is a vaporous form of plasma that is used to translate our bio-sphere. In the normal reality systems, a child would be born for the purpose of absorbing enough hydrolaise into his structure that would transpose his body into the plasma vehicle that could travel through the Universe by age 33.

The Avatar Children who were born on Earth between 1996-2012 will be able to do that. They will learn to transpose their body into an orb and ride in their flame vehicle through all twelve stargazes. Those of us who have been trained how to create our orb bodies will also learn to do this in this

life time.

The orb bodies are created through the activation of the Music of the Spheres. Electricity was created through the formula Consciousness plus Energy equals Reality.

When we raise our consciousness by accreting more Energy of Higher Frequencies, we can move into a new standing wave pattern of energy. We can move into the Standing Wave Pattern that does not include Gravity.

Gravity is a creation of Reverse Spin Technology. Reverse Spin Technology is that formula used in the Flower of Life teachings. Look at the diagram on the RIGHT.

That form of energy is blocked from the Full Spectrum of Light. That form of energy will never give the energy to the body that is needed to create the Orb Body.

The orb body is created by spinning the merkabas together correctly to activate the DNA.

Now, let's go back to the Merkaba and the Candle.

We drew the diagram of the Merkabas around the Flame.

Now we know that there is another half of the Merkaba. The top pyramid is the electro and the bottom pyramid is the magnetic.

So, we need to draw another pyramid that intersects the top pyramid at that place in the Crystal Heart.

The top electro and the bottom magnetic must spin together to reconnect the overtones and the base tones of the DNA. When the DNA is reconnected, then the entire Reality Spectrum is reconnected.

We begin to use Super Consciousness. That is the other Seven Senses beyond the Five Senses of Seeing and Hearing those things that can be touched and felt.

We must use our ears to hear the part of the music that is the whisper, the breath, the feeling, the knowing that we are actually sitting inside of the Star that the Frequencies came from and we are actually living inside of the Sun that we are made from.

We must visualize ourselves as the Pure Plasma Body that we are. We, in reality live inside of the Sun.

In reality, there is no space or time.

All Distance is created by the obstacle illusion created by the Spin Rate of the Merkabas.

Each Merkaba spins us into a higher Harmonic Universe. It is called a "Harmonic Universe because it has a different Harmony. It has a different Frequency and a different rhythm.

Each Harmonic Universe is 45 degrees in angular rotation away from the next one.

So, reality is all within this Sphere.

If we draw a clock and we see that 12 o'clock is 45 degrees from 3 o'clock. That would be 45 degrees. When we spin our merkaba faster, we remove the 45 degrees.

The distance that we see between Earth and the Stars would be 45 degrees to the Galactic and another 45 degrees to the Universal. That means we are 90 degrees from the Stars. If we want to fly to the Stars, we just get in the spin rate of the Universal Merkaba and that erases the time

and space between those reality fields.

When we finally learn how to orb out of the gravity standing wave pattern, we will realize that we don't actually go any where.

We just remove the ILLUSION of space and time.

In God's Reality there is no space and time. It is an illusion created by the Eyes. The Eyes are the Illusion created by the disconnection of the sub harmonics in the DNA.

The Music of the Spheres that I'm tuning in to is this New Music of this New Cosmos that doesn't even contain major music. All of the music is a breath coming from God and weaving into symphonies that are beyond the beauty heard by the ears. I am the only one who gets to hear the complete beauty. I'm trying my best to translate that into sound that others can hear. It is almost impossible unless the listener is using the same technology that I'm using. That means listening with the same Sony Stereo and the same earphones. Most versions of technology will distort the sound, and many distort it into reverse spin technology.

We are working on moving out of the Yellow part of the Brain – that is the VISIBLE LIGHT SPECTRUM in the Pyramid and the Upper Cerebellum part of the Brain.

That is the part of the Brain that THINKS. And all it thinks about is old memories that have been planted in it by the WORLD.

We are working on removing the OLD WORLD.

First, we must DE-Manifest the Old World, before we can Manifest the New Ascension Earth.

The reason that I create the Frequency Music and the Eternal Life Albums is to help you REMAIN FOCUSED in the FREQUENCY SPECIFIC MID

BRAIN..

When we move into that part of the Brain Continuously for hours, for the day, for the night, and then finally 24 hours a day. That is when REALITY really begins to SHIFT.

The World actually falls away. It doesn't have any effect on your emotions any more. You have moved out of the Emotions of Feelings and Ideas and Memories, and Fear just doesn't exist in the Mid Brain.

That is where we want to stay.

If you leave your earphones on for 48 hours and then take them off, you will experience what it feels like to be in the Frequency Specific Mid Brain and then move back to the Yellow Thinking Brain of the World. It is like night and day. The Frequency Specific Experience feels like you are always riding on your shoulders and you are 12 inches above your head, and sometimes you are 36 inches above your head. You will realize that you are looking down at your body and you are not in it.

That is what the Frequency Music does. That is what it feels like to stay in the Frequency Specific Brain.

Using the Candle is to help you realize that this Shifting in Dimensional Realities is going on Visually and Audibly.

You are seeing something that the FIVE SENSES of the Third Dimension never sees, and you are hearing something that FIVE SENSES of the Third Dimension never hears.

You have moved TEMPORARILY into the Fifth Dimension,

It is a wonderful place that has a Blue Hue around everything.

The Blue Hue is only created one way. It is created as a result of going

through the Full Spectrum of Light and Sound and into the Mind of God.

When you walk down the hall of white light when you die, that is where you go. You are walking into the Full Spectrum of Light. You are walking back into God's Movie Projector.

When you walk down that white tunnel during the Death Scenario, you are becoming so full of the anti-particles of Spiritual Light, that your Body shifts into the Blue Hue. When you go into the WHITE ROOM of the Mind of God at Death, you become transformed into Light Energy.

Well, guess what. We never did need to die to do this. We can move our bodies into the Blue Hue and into the Mind of God during this life time. We can readjust our Light Spectrum now.

We can fill our bodies full of the Universal and Cosmic Frequencies of Transformation now.

I came to Earth with this mission. I had this information coded in my cellular memory before I came to Earth. My team had to wake me up and keep reminding me of my mission many, many times. I have died three times and I came back. My husband died, and I brought him back.

What we keep hearing about in these End Times is this NEAR DEATH experience that so many people have. There is no such thing as a Near Death Experience. We died, went to the Mind of God, had our bodies developed into the Blue Hue and then came back as a re-processed body. The mind becomes transformed into a higher awareness. There are many memories processed just like the memories that are processed when a person goes into the light at Death.

In the good old days – Prior to 2014 before we evolved completely beyond the Phantom Matrix, we would die, watch all of those old movies that come out of our cellular memory, and then decide that we wanted to go back to the place in time where one of those old movies took place so that

we could do it again.

That is why we kept coming back to the third dimensional Earth. Some of us did that at least 1.5 million times. Some more. Some less. We were stuck in that reality because there was no one here to tell us what we were supposed to do when we die.

We were supposed to pick a new movie – not keep returning to the old movies.

Now, we have been taught that we must make the movie that we want to go to before we die, and then we don't have to die. We just get processed in the Dark Room of the Mind of God and pop into the new movie.

That is how it has always been done for the past 90 billion years. That's as far as I can remember back. That is how it is done in the MIND OF GOD.

That is not how it is done in the mind of MAN. But, that is how it is done in NORMAL REALITY.

We are moving back to NORMAL REALITY for the first time in 5.5 million years.

We did have pieces of our Normal Reality returned to us a few times before in history. But, it was always taken away from us again by Invader Races. This time, there was a complete Cosmic War that removed every tiny aspect of our Dysfunctional Memory of how our PERFECT REALITY is supposed to appear and how it will begin to appear to those who choose to MOVE TO THE FREQUENCY SPECIFIC blue area in the brain.

When we move into that reality, our problems disappear. It is like that dream that those live in who do drugs for their recreational activity. That is why we hear these rumors that this new age will be like the 60's with the Hippies, and the Flower Children, and the Drugs.

It will actually be MUCH MUCH better than that. We can live in the Frequencies that shift our Brain into the FREEDOM and the VISUALIZATION of the realities beyond the third dimension. We can do that with FREQUENCY SPECIFIC MUSIC instead of with Drugs that will always lead to a Bad Place in the End.

The fact is, the Kings and Pharaohs of Atlantis used to create this substance called CELLESMA – a blue powdery essence --JUST LIKE IN THE SMURFS 2.

That blue powdery essence was the LSD in those days. LSD was patterned after that substance.

Where did they get that substance. They got it from torturing the Race lines who had fifth and sixth dimensional frequencies-- there was the Human Angelic Race Line and there was the Leviathan Race Line. These were the only ones who had fifth dimensional coding based on the 12 CODE – 12 sub harmonics in each DNA strand.

The Kings and Pharaohs were not from this ANGELIC RACE LINE that had the 12 codes that would open the 12 STARGATES.

The Invader Races were always coveting the ability of gaining access to all 12 star gates.

Again, please take a look at SMURFS 2. The Blue Smurfs were the carriers of the Cellesma that comes from the Celestiline in the blood crystals of a Fifth Dimensional Being with 12 coded harmonics.

Gargamyle needed that ESSENCE to give him the power and immortality that he wanted.

The Kings and Pharaohs of Atlantis would lock the Leviathans in these Cages and torture them. AS they were leaving their bodies and turning

into Blue Dust, the Kings would scrape that essence into a bottle or a tube – just like in the Smurfs 2 movie.

The reason I'm telling this story, is to help you realize the significance of this Blue Hue that you are beginning to visualize as a result of going into the Full Spectrum of Light and moving into the Frequency Specific Mid Brain.

These are the first stages of activating this Blue Essence. It is a product of Melting the Crystal Seals between the DNA. When the Crystal Seals melt they create a new form of Blood Crystals in the body that is made of the essence of stardust which is this celestiline substance.

When the fifth dimensional soul body in the Crystal Heart is ignited through the full spectrum of light, the Blue Body gets turned on. The Hue of Ultra Violet Blue becomes ignited in the Mind of God. That Hue penetrates the entire Light Spectrum and goes into the Mid Brain and Crystal Heart.

So, the way we turn the Candle on is the same way we turn the Blue Body on or awaken our Soul from amnesia.

We must have the Full Spectrum to do this. The Spectrum of the Hertzian contains the Visible Colors that can be seen with the Five Senses. These Visible Colors must be brought to life through the Electro Magnetic Field of Energy. Electro is the Male Spin of the upper merkaba. It spins $331/3$ Clockwise and the Bottom Merkaba is the Female and it spins $112/3$ Counter Clockwise.

These spin rates equal 45 which is the harmonic spin of One Octave or one Dimension on the Scale. The place where all of the merkabas meet is the fifth dimension in the Crystal Heart. All merkabas meet in the crystal heart The All-Knowing ness of the frequencies of the Merkabas is Grounded in the Fifth. This is the place where all of the Light and Sound Spin together into Oneness. Therefore, all multi dimensional reality can be

magnetized into this one place in our Crystal Heart, which is our Soul.

In order to activate the fifth dimensional crystal heart, we have to activate all that is above-- the full spectrum of light in the candle, meaning all of the light in the candle.

The Crystal Heart intersects into the Ultra Violet Blue transformational frequency that connects all of our multi dimensional consciousness into the Infinite Void of Source Consciousness.

The full spectrum of light must spin that removes polarity male and female must spin together.

This all of fifteen dimensions are in the male merkaba and all 15 are in the female merkaba. The stem didn't ignite with just the infra red section or just the invisible light or just the gamma. It required the full spectrum of light to ignite it.

When we strike the match to ignite the stem of the candle the entire light of the candle was required to ignite that hertzian stem. We are plugging our neuronet back into our complete self.

The hertzian level consciousness is five senses. The fifth dimensional consciousness is all senses. The infra red spectrum has been something we could not see until we walked our consciousness into the Sun. This means when we connect our consciousness into the 8th dimensional plasma of the Sun and move all of the way into the Sun's pre light and pre sound Pre Vapor within the Crystal Heart of the Sun, (meaning the Cosmic Core Domain of the Sun), and connect those frequencies into our Fifth Dimensional Throat Chakra, we combine the photons into the phonon of the DNA which make the Seals melt and the DNA transform. This also causes our Consciousness to move into the Realm of the Blue Hue because we have moved through the spectrum of the Infra Red, which is the Negative of the New Picture.

Where is the fifth dimension?

The fifth used to be in the harmonic universe above the third.
But, now we are in the fifth and the fifth awakened within us.

The fifth dimension is in the Crystal Heart – what was called the Heart Chakra area. –

The Fifth Dimension is the Density Two level of the Body.

The Density One Level is the Physical Body.

The Density Three Body is the Mental Body at the Cosmic Level..

When we Ignite the Blue Hue within the Full Spectrum it turns on the Mid Brain Frequency Specific Brain and the Blue Body. It turns on the Fifth Dimensional Self, which is the Soul. It awakens the Soul from amnesia.

After we awaken the Soul through the Mid Brain, we can awaken the complete Multi Dimensional Self into the Mind of God through igniting the Silver Pink Light into the Lower Cerebellum where the Medulla Oblongata meets the Thymus and within the Thymus is the Seed Atom of our original Soul, that activates the Soul that is within the Crystal Heart area – directly below the heart. This entire area becomes activated and then activates the Vegas Nerve which controls all of the Neuronets and Glands in the Body. –

Now, the correct programming from the Mind of God is running the Immortal Body. The body is reborn every nano second through the Breath of God.

WALKING INTO THE FULL SPECTRUM OF LIGHT

We are learning to walk into the Full Spectrum of Light- which is Source. We go completely into the Source Field, and then our body flips into a new reality. The new reality is the BLUE BODY. That is the Fifth Dimension. The Fifth Dimension means Multi Dimensionality. It means you are not within the Infinite Possibilities of Manifesting through the Mind of God and living in an Immortal Body inside of the Source Field.

When we continue to use the light in the candle, we are practicing walking through the full spectrum of light, which means the white room of the Mind of God. Once we walk through that diamond door in to the White Room and then turn around, our body becomes the blue body. Once we are in the Blue Body we can practice levitating because we actually move our bodies into a higher dimension that allows our body to be in a new standing wave pattern that does not contain gravity. Gravity is just an illusion or a part of the hologram that we think we are living in.

We can also practice moving beyond the hertzian frequencies where we hear physical words and tones into the infra red spectrum where we hear and see a reality that has actually turned into a NEGATIVE of the picture that we are developing in God's Mind. When we practice becoming the Digital Camera we begin seeing the Blue Hue around everything in our world and then we begin seeing the Violet Sphere that allows us to remove space and time and walk into it. We can also practice activities such as looking at a card and learning to see the back of the card actually rise up behind the card to allow us to See what numbers are on the back of the card. This would be Infra Red Vision.

After than we move from the Visible Light Spectrum into the Invisible Light Spectrum in order to begin seeing the Inner Earth and the Cloud Cities

and Earth all morphing into one new Ascension Earth.

FIFTH DIMENSION IS BEYOND THE FIVE SENSES

There are many pieces to the process of Ascension. Each one of the pieces is a part of how we learn to tune out of the Five Senses and into the other Seven Senses.

We have been told that we must RAISE OUR FREQUENCIES. Most people don't know how to do that so we created Music that does it for you. The frequencies are created by taking Consciousness into the higher Harmonics Universes and blending them together in a certain way that creates Frequencies that allow us to Transmute our Bodies and our Realities beyond the Third Dimensional Five Senses.

We are learning that there are many more realities beyond the ones that we behold with the Five senses. That perception is only a very small part of the Full Spectrum of Light and Sound.

So, we created the Music to allow you to connect your consciousness into the Christic Consciousness of the 12th Dimension and the Cosmic Consciousness of the 14th Dimension, and then also out into the Pre Light and Sound Fields beyond those and then clear out into the NEW COSMAYA of the 13 Cosmos which connect to the Infinity of other Cosmos in the Source Field.

Now, you can begin enjoying the feeling of all of those other sound fields besides the Hertzian range of Audible Hearing. This means that this teaching does not come from the Solfege teachings. It comes from the Cosmic Mystery School of the Omniverse, which is beyond the Earth's Matrix and even beyond our old Cosmic Matrix. The Frequencies of this teaching come from the Grand Yanas of the Pre Light and Pre Sound creating a new reality from the Source Field of Infinite Consciousness.

As you look into the candle, you learn that the hertzian level of the Light Frequency is the lowest. It is actually where the stem of the candle is, because that is the spectrum that is tangible to all of the five senses. We can see the stem, touch the stem, smell the stem, taste the stem. We are actually living in that tangible frequency that is DENSE-it is SOLID- it is the physical reality that we conceive of.

The candle allows us to recognize that there are other levels of light and sound. Just above the stem there is infra red light. That is the light spectrum that the digital camera can see, but most of us haven't learned to see like the camera sees. The next level is the Visible Light that we think we are seeing. Above that is the Invisible Light where another reality lives within right here within the Visible Realm. And above that there is the x-ray field of light and then the Gamma, Plasma and Pink White Light.

When we use the diagrams that show the spectrum of light frequencies and where those frequencies are heard and felt in the brain area, we begin to realize that we haven't been using the part of the brain that tunes in to the Pink White Light of the Mind of God or even the Blue Frequency in the Mid Brain.

We can easily tune in to the Blue Frequency by walking into the Candle because the Blue Hue is the result of absorbing the full spectrum of Light. We can feel that frequency filling the Mid Brain and when that happens the old THINKING BRAIN stops analyzing all of the old ideas that have been placed in it over the past millions of years. The Mid Brain turns off the Thinking Brain and allows the Mind of God to take over the thought process.

When the Mind of God gets plugged in to the area at the top of the back bone and the bottom of the skull there is a frequency connection into the Seed Atom of our original creation and into the Vegas Nerve which controls all of the nerve centers in the body. So, you see, we can, in fact plug our bodies back into the Mind of God.

And when we achieve that Frequency connection in our bodies we gain the Eternal Life where the sixth level elementals are continuously re-programming the nano second rebirth of every cell in our body and transmitting correct information for the constant rebirth of all of the neuro structures of the body.

I go through that process in great detail in the ETERNAL LIFE WATERS SET.

Now, that we are being given this gift of the Fifth Dimension, we will need to learn how to TUNE IN TO IT. We must raise our frequencies of hearing and seeing. The Frequency Music itself does this. It actually tunes you in to the Blue Hue which also tunes you in to fields of light that are in the Invisible Light Spectrum that you have never seen before.

You can practice by using the Meditations that are in the MANIFESTATION MERKABA set. There are many tools, meditations, journeys in all of the Sets created in 2014. The MANIFESTATION MERKABA SET is a GREAT DEAL because it contains the CODES that were in the original ASCENSION KIT along with the most important MEDITATIONS that were in the COMPLETE ASCENSION PROCESS KIT.

I have explained that my music is not Solfege because Solfege is simply another use of the Hertzian Frequency Range. That range of frequencies is a part of the five senses. In order to raise our frequencies beyond the third dimension, we must raise our frequencies beyond the Hertzian. That means we must claim our senses that do not rely on the eyes to see or the ears to hear.

We must tune in to our Soul Consciousness and our Intuition. If we tune in to our Soul Consciousness, we can learn to hear without our ears and we can learn to see without our eyes.

We can learn to see what is in a room while blindfolded simply by sitting in a dark room with blindfolds on for long periods of time.

We can also learn to tune our ears into a higher set of frequencies by tuning out of the third dimensional hertzian range of listening and tuning in to the frequencies that you feel deep within your omni particles and the buzzing frequencies within your head. When you tune in to the Frequency music, you are learning to tune in to a reality that is beyond the five senses.

You can practice feeling the frequency music creating a reality of consciousness around the body and flowing into the body. The frequencies are actually the frequencies of the Cosmic Plasma and the Crystal Liquid Light Vapor that is even deep within the Cosmic Plasma. So, when you are tuning in to these Cosmic Frequencies, you are tuning in to your Rishi Self Consciousness rather than your Earth Self Consciousness. The Cosmic Self is completely tuned in to the Mind of God of instant co-creativity and Eternal Life. This is the reality we want to stay plugged in to.

If we practice long periods of being blindfolded, we can begin to see the realities that exist within our realm around our body. We learn to see this New Ascension Earth and the Inner Earth becoming a reality around us.

When we practice listening to the Frequency Music from the Eternal Life Water album we practice being in and tuning the body into the Cosmic Frequencies of our New reality of the new Cosmos that has just been born.

We have tuned in to a new Spiritual Parallel Universe in the PARALLEL UNIVERSE SET and now we have tuned in to a Brand new Cosmos. The Thirteen Cosmos of the Cosmaya has given birth to a brand new Cosmos within the Eighth Sun in the SYMPHONY OF LOVE ALBUM.

TEACHING THE OLD BRAIN NEW TRICKS

We must teach our old brain new tricks. As long as the mortal mind is in charge, nothing is going to change in our lifetime. If we want to change into the light spectrum of eternal life, instant manifestation, co-creation, turning into light, we must use the blue brain – the mid brain.

It is the same process that we had to use in intercultural communication training. In order for a person from one culture to understand what the person from the other culture was doing or saying, the visiting person had to go through a complete restructuring of the brain. This is called going through culture shock. It is a very exhausting and painful experience that causes many people to go crazy.

What we learned from culture shock syndrome was you don't even realize you are going through culture shock until you return to your home. At that time you start seeing things that you never realized existed before. The same thing is true when we go to the blue brain – immortal mind or the Mind of God- and then return to the mortal mind that tries to tell us that the things that we are learning just can't be true, because we have old background knowledge in the cellular memory of the mortal mind that contradicts the new information. The yellow brain is electromagnetic. If it doesn't like the information being sent to it, it just turns the electric wave off. It also shoots out poison when new information attacks it. That is what happens in culture shock. The brain shuts down, people get depressed, go crazy and usually just forget about the new cultural experience and go back to their old thinking. Those who approach going to a new culture through intercultural preparation process succeed in the culture shock of bringing in new information and transforming their way of thinking. As a result of culture shock, we realize that there are things out there that we didn't realize existed before.

This process of culture shock is glaringly obvious among new star seeds

who are living in the culture of the 3D world while they are being told about this new reality that is out there that we don't see yet. And they are being told that they came from far off places that we don't talk about in our history books. This yellow brain has been a gate keeper used by the fallen angelic take over races for millions of years. They deleted our entire history and re-wrote it in a way that would make them powerful, and would make us weak and needing the guidance of others.

When Guardian Races have brought the real truth to those who are listening on Earth, the old gate keeper- mortal mind- causes most hearers of this truth to get angry, shut down, not listen and just go back to their old background knowledge. The only ones listening to the truth are those who have enough of the light left in their cellular memory that connects them to the divine codes holding the reality of the eternal life.

When we lived in foreign countries we noticed that in some third world countries, in which there had never been any foreigners seen ever before in their history, most of the people in that culture actually could not see us. They would always run into us, even if there was absolutely plenty of room to walk around us. We would play dodge ball with walkers on the street to see if we could keep them from running into us. We later learned that when we would talk directly to these people they still couldn't see us.

This is what is happening now on Earth on a large dimensional scale. There are entities here standing right in front of us that we don't see yet. Some of them are doing things to try to get our attention. We have to get out of the yellow brain and into the blue brain in order to start seeing things from their point of view.

We can use a lighted candle to demonstrate the change from the yellow brain into the blue brain. We first see ourselves as a mini-me standing where the stem of the candle is. Imagine the light of the candle surrounding the mini me self. So, we are standing within the complete light spectra all the way up to the gamma ray. Within the light spectra of the candle there is the black area at the bottom. This is the hertzian

frequency. Above the red area is the infra red, and then the visible light. A little above that is visible light and then x ray light. Above that is the gamma wave.

When we walk into the candle light at the invisible light area and turn around into the x-ray area, we walk back out of the candle into a blue light spectrum. This means we have made contact with the other side. If we can train our consciousness to hold on to that blue light spectrum long enough, we can begin manifesting the new reality that we aren't seeing yet.

Increasing the frequency in our bands changes the atmosphere around us.

The upper cerebellum – mortal mind, or third dimensional yellow brain contains the memory of this lifetime. It is our personality. When NEW information about a NEW REALITY beyond this lifetime, can be taught to the yellow brain – the mortal, personal, the you, the ego you, in order to reprogram resistance points in the yellow brain – the mortal mind personality of just this life time, then and only then, can the mid brain allow the mind of God to flow through us with instant manifestation.

The instant manifestation is the reality field that flows directly from crystal liquid light energy of Source into the eighth chakra at the medulla obligation into the God Seed Atom within the Thymus and then up into the mid brain and the pineal gland. It is the direct angle of the eighth chakra through the sixth chakra and out the 9th chakra in the forehead that becomes activated. However, the eighth chakra is activating in atunement with the fourth, the sixth is in atonement with the fifth and the seventh is in atunement with the tenth. It takes these spiritual atonement to remove the old seals that were placed within our original divine templates that will activate this cellular magnificence of our immortal self hood and eternal life structure.

If we can get to the point of understanding this so well that we can write it – show it in diagrams --- explain it to anyone --- explain zero point energy

and how the fabric of space came into being, we can begin the reprogramming of the mortal mind gate keeper system. Get out a pencil and paper and draw what I just explained above.

Find a picture of a brain on line or in an encyclopedia. Find where the m.o. connects to the thymus and the thymus connects through the neck and into the pineal gland.

Later in our training we will show you that methods of using frequencies and coding and tuning that do not reveal where the problem came from that stopped this 5D flow of manifestation from the mind of God can't possibly work. Most of the teachings within the new age/light worker/star seed literature are based on the vesica pisces, the fibonacci, the golden mean. These are actually the tools used by the invader races to block the flow of Source Consciousness and create the Mortal Mind and the Mortal Man that lives and dies and lives and dies. It is the vesica pisces, which is a distorted wave file that places an eternal loop within the very location in the fourth chakra where the eighth and the fourth are supposed to connect at the God Seed Atom. That connection was disconnected by the golden mean spiral.

This is how the Earth had a tilt placed on her staff and how we got locked out of Higher Earth. We have been given the formulas by the Guardian Races to free ourselves from those old reverse spin metatronic technologies that have been keeping us locked away from our flow of Source.

When we understand how particles came into being from gamma clear down to hertzian then we have an understanding of unknown, secret knowledge.

The more you explain it – the more it is getting into the yellow brain – the more we address the resistance – the easier the flow.

All true knowledge comes first from mid brain. It is frequency specific. The

mid brain can access the 5D blue body. The blue body can become a reality for a time taken from frequencies into mid brain and then created into a picture by the electromagnetic fingers of the [mortal mind](#) brain. However, the mortal mind brain has its electromagnetic fingers in so many other sets of processing, that the image of the blue body is erased almost immediately. Once you have captured the vision of the blue flame when you walk into the candle, you will see how quickly it disappears. The more you train your mind to stay focused inside the mid brain the longer the blue image will stay. It is the mortal brain that fights to make the new blue reality disappear as soon as possible. It doesn't like a new body intruding on its reality. Eventually the mid brain melts away the mortal brain and the war between the two brains ends.

This is why we must spend hundreds of hours working with the candle and going into the mirror to activate this feeling within our cells. We can see the activation within us by seeing the white light in the candle turn blue. When we can hold on to that blue for a very long time, we can take the next step in our reality check.

Walking into the candle is walking into the full spectrum of light. We are becoming one with the full light spectrum of the Universal, Cosmic and Source fields of light. In scientific terms, we are moving beyond the hertzian and infra red and visible light spectrum that are most common to us now. We are moving into invisible light, x-ray light, white light, gamma rays. We are actually walking into the sun -the gamma field of light when we walk into the candle in our mini me bodies.

So we walk all the way into the light. We are completely within the spectrum of the 12D Universal light realm. When we are within this Krystic light realm, we are walking into our spiritual body which turns blue when we make contact. We become the blue body.

Now, we have actually accomplished the mission of walking to the other side, turning around and walking into at one ment with the spiritual self. We used the mind of God to make the 360 degree vision of all of the self.

Now, we have the blue light vision and the ability to walk to the other side, see from the other side and look back at our self. If this has actually taken place in consciousness, we can replicate it in our hertzian reality.

We can now pick up a card – a playing card with numbers and symbols such as aces, hearts, diamonds, etc. We get in the blue zone, walk to the other side of the card and look at it from the other side. We can read what is on the back of the card. When we can do that we know we have graduated to the 5D world, and we will be able to walk through the star gates in 2017.

We have bands of light around us that have been called the spheres – the five spheres- the music of the spheres. These are bands within bands within bands or spheres within spheres. Each band or sphere holds a different wave length and frequency. The higher frequencies are the outer bands and the lower frequencies are the inner bands.

However, these bands only spin when we activate them with our consciousness and our breath. We can only feel their presence when we activate them. When we activate them through consciousness, by breathing and spinning our merkabas correctly and focusing the energy correctly into the proper realms, the spheres of energy begin breathing and singing songs of frequencies within and around our bodies.

We can't just do this randomly. There is an exact formula to use. If the formula isn't followed, we would just be breathing "hot air." That is what most of the breathing and coding and tuning that I have been hearing as I have been examining the listening samples and you tubes that I found online. I rarely hear anything that sounds like the Breath of Source or the 12 coded divine blue print. I just hear people singing and breathing. They usually breathe heavily with a lot of energy and passion.

It really doesn't take a lot of breath to connect to those bands through the clockwise spin of the upper pyramids of the merkaba and the

counterclockwise spin of the lower pyramids of the merkaba. It does, however, take a lot of Consciousness; and, consciousness is very quiet and etheric sounding. There should be energy and power placed within the consciousness as it connects the breath with the spinning of the merkaba. A person can breathe very strongly and loudly without having any focus of consciousness involved. When the focus of consciousness is involved and it is connected to the Source field, the feeling within the breath can be felt strongly. This is the example that I am trying to put forth to my audience through the listening samples I place on the Listening Page of Crystal Magic Orchestra.com.

We have these bands within cells, within our bodies, around our bodies, around our atmosphere and clear around us in each individual's cosmic sphere, which exists about one hundred feet in diameter around the body. The spheres are always created by a merkaba spinning correctly (see my essays on merkaba). Outside of the cosmic sphere is the Source field of pre sound and light energy.

These five sets of spheres are replicated from the inside to the outside. There are five fields of energy replicated over and over again – the energy field of the planetary body would be the hertzian and infra red and visible light, because that is what we experience.

The solar realm would include the infra red and visible light that allows the blue body to be seen. The galactic realm is made of gamma rays and then we go clear out into the white light and pink white light of the Universal sphere. Finally we go out into the pre sound and pre light of pure invisibility.

All of these bands of frequencies exist within our cells, within our bodies and then within the merkabas that activate the at one ment with the liquid light energy of Source Consciousness bringing the attunement of all of these spheres into a reality activation.

When we focus our energy of consciousness within these bands in order

to activate the outer band of Source Consciousness activating the pre sound and light or the gamma activating the white light that will transmute the inner bands of x ray and visible light into a higher level of frequencies which becomes visible as blue light. When we do this we change the atmosphere around us. When we activate crystal liquid light energy we are changing the water content of the atmosphere to bring in more and more hydrolaise around us and into our bodies. The water body is the magical form that our guardian races take on in order to visit us.

In order to convince our bodies to start reaching these levels of activation and understanding we must melt away the old ideas in the upper cerebellum-the mortal mind-we will call the yellow brain because yellow here will represent third dimensional understanding. We have a part of our brain that utilizes blue brain understanding or fifth dimensional frequencies. That takes place in the mid brain area.

We are in a new reality. We are in a new time and space. We are in a place that will allow us to absorb the cosmic star dust that is filling our skies with the help of the Coronal Mass Ejections and the meteor showers.

We are also being held within a Consciousness field of protection with 48 plasma bodies or Crystal Ships holding us in alignment with this Aurora field that prepares a stairway to heaven as this blue cosmic stardust begins to fill our atmosphere.

HISTORY OF OUR NEW MOVIE

As of December 2012, we were placed in a new time and space reality that allows us to align with the divine matrix. Before our Earth was in an angular rotation that placed us in alignment with the Phantom Matrix. It was the Guardian Alliance who moved us into a new space and time reality where our race line would not be completely obliterated.

The fallen angelics tried very hard to pull us in to the Metatronic 55 reverse spin which would had pulled Earth into a reality that would had been horrific and would had ended in the destruction of the human race line.

Our Guardian Race did everything they possibly could do to make sure we were removed from that future reality. They made sure we were realigned in to a new space and time reality. The original path of Earth was in the outer domains that made Earth very vulnerable to invader race lines that wanted to take our star gate portals for their own usage. The new path of Earth is in the INNER DOMAINS. The inner path is a safe path. It is a path of alignment within where all 12 star gates merge their frequencies back to gether into a new atunement that allows us to begin our multidimensional journey.

The experience that we are having now is not what it seems to be. Our old cellular memory is telling us that we are being bombarded by meteorites. Our new reality is telling us we are moving into a blue stardust that holds the frequency signatures of all of our multidimensional reality. Even at the scientific level, science says that the Comet's tail will bring pieces of stars from thousands of other planets. Once those frequencies enter our atmosphere, our mind shifts more and more into the Consciousness of Multi-dimensional realities.

The Guardian Alliance and the Aquafarians knew that this time would come in our history that we would need help in our transformation into the second sphere of reality. They knew that we had fallen out of the Andromeda M31 and that only the Aquarius Matrix held the divine blue print that was needed to bring us back into alignment. They created an imprint of their sphere of reality around the Earth. So, we have been held within the womb of a star all of this time waiting for the time of our rebirth.

We are in a new reality. We are in a new time and space. We are in a place that will allow us to absorb the cosmic star dust that is filling our

skies with the help of the CME's and the meteor showers.

We are also being held within a Consciousness field of protection with 48 plasma bodies or Crystal Ships holding us in alignment with this Aurora field that prepares a stairway to heaven as this blue cosmic stardust begins to fill our atmosphere.

The more we align with the frequencies-the cosmic frequencies, the source frequencies, the stardust frequencies, the more we get to enjoy each wave as it passes through our bodies and Earth's body. The more we get in tune, the more we get to see this entire fabulous event that is taking place right now in our Universe. It has been quite an adventure for me. I am so grateful that I have learned how to feel and experience this glorious event of our shift into alignment with all 12 star gates.

I also know that as this adventure moves forward, I am seeing and feeling new things faster and faster each day, my dreams become more and more lucid, I start dreaming before I fall asleep, I am walking in my sleep half the time, I feel like I'm walking in and out of dreams just like changing stations on a TV. It is the beginning of multidimensionality.

We asked our Aquafarian family when we can move to Aquafaria continuously. They answered this way. When we are consciously in Aquafaria more than we are in our third dimensional reality. We will be in the 6th.

They added this important fact. They said we will not move to Aquafaria, we will move Aquafaria to Earth. The Healing Temples of Aquafaria will move to Earth between 2014 and 2017. They said the blue star dust that will come to Earth will be the aurora fields like a stairway for the blue body to awaken and arise into the fifth dimension.

This is exactly what we are doing every minute of every day. We are spending more and more time in our Aquafaria home absorbing the frequencies of this sixth dimensional realm and learning everything there

is to know about it. This is the realm where there are millions of elementals showing us how to redesign our bodies into the omni particles of our original creation from the breath of god. These breaths of Source frequencies are breathed in to our etheric chromosomes to realign our DNA at the omni level into a New Form of consciousness.

Now, all of that information and energy that is flowing through you can be translated from any dimensional frequency into the frequency of the observer-- the subconsciousness within you. That is where dreaming comes in. Those movies of multi dimensional reality flow through you into dreams. You must learn to become **AWAKE IN YOUR DREAMS NOW**. You must learn to know that you are actually in the dream and that you control the dream to do what you want it to do. You become the director of the movies in your dreams.

When you can do that, you can also become the director of the movies in your life. And you can turn your dreams into your life if you want to.

The sensual areas in which the brain defines all that is placed in the body includes what food is, how to digest it, what qualities it has. This same thinking brain that is defining our life and telling our body what will make it well or what will kill it, how our days are numbered, that yellow brain. The areas of absolute polarity who you are in a personality. If you place a picture of Blue Body in your frontal lobe. That picture will be eaten up by the thinking brain only tolerating it for so long thinking brain must be transmuted and dissolved into higher frequency waves. The human is divine, but is only being allowed to work upon the old karma of emotion that was never brought to wisdom.

That is why the Soul returned to Earth because the old karma was never given the wisdom that would allow it to connect to the Blue Body, Aquafaria and never given the knowledge to connect to the multi dimension mind of god.

The soul must be able to process this wisdom while in this body. to remove the death sentence that is given to it by the thinking brain of carnal knowledge, the knowledge given to it by the world.

CHAPTER FIVE

SUPER MOVIE RESTORED

Let me begin by saying that I will be using analogies and symbolism of substance that exist within the present background knowledge of the 3D mind in order to try to convey the meaning of the new magical realms that are creating their own new bio energetic fields of reality around us through etheric level substances that we have no words for in our dictionaries. The term Negative Ion is something that exists in our scientific analogy as a symbol for something much more etheric and magical in the Cosmic level of creation. It would truly be what is termed crystal light, crystal liquid light, crystal dust and crystal gel by the Angelic Kingdom. These are etheric substances which science would term endoplasmic and ectoplasm, but they are actually even more etheric in composition than those terms would imply.

The spiritual substance of Consciousness is always made of the particles of pre light and pre sound which are created at the original Breath of Source Consciousness and then broken down into particles of pre substance that becomes densified as it is transformed from the invisible light spectrum of crystal and plasma and crystal light energies down into the visible light spectrum of blue light, infra red light and the spectrum we presently believe is the only reality-- hertzian frequencies.

It is now time to open our minds to all of the realities that exist outside of

the tiny little world of hertzian frequencies. Even our digital cameras are able to visualize the world of infra red frequencies. We must expand our consciousness out into the invisible worlds of the invisible celestiline energies, the liquid light of krystic creation, the hydrolaise that the angels and water fairies dance and sing within. It is time to enter the world of the spiritualization of the term negative ion, which is the term used to represent the splashing of a waterfall, the morning dew, the mist from a hot spring, the fog rising from an ocean that has tides beating on the rocks, and even the feeling of a hot morning shower. We aren't really talking about the splashing water. These are just a metaphoric representation of the true, etheric substance of a higher reality that we can't see until we have developed our 5th dimensional perception (which many of us have).

These water images are the analogical translations of the higher realities that we must begin to tune into in order to achieve the atunement with the frequencies of the ascension window of 2012 to 2022. The new scientific translation of the misty water as it is understood in the new bio energetic fields of the New Earth is the hydrolaise which could be translated as three parts helium added to the old H₂O to create the NEW WATER of our new reality. So, our new translation of the analogy presented in negative ions is H₃H₂O. These will be the new bio energetic sent up through the Earth's grids from her etheric core, where the Consciousness Energy Sphere holding our 12 DNA templates has been firmly transplanted and activated on December 21, 2012.

We must become willing to open the windows of our minds into the possibility that the reality of spiritual creation is a template containing 12 DNA, and that reality exists now as it did at the moment of our creation. That DNA is not within the realm of understanding of scientists because they have not figured out how to calculate realities outside of the hertzian field of reality. The double helix that present day scientists believe is the structure of our DNA, is the structure created by the false matrix that was

imposed upon this Earth by Fallen Angelic races who have been controlling our reality fields through implanting illusions in our DNA. The true DNA is the 12DNA template which contains 12 sub harmonic frequency bands on each of the double helix. One set of 12 sub harmonics are over tones and the other set of sub harmonics are base tones. So, there are actually 24 sub harmonic frequency bands within and between the visible double helix.

That reality has been programmed out of our consciousness through the very DNA that was implanted in our bodies. The fallen angelics removed, twisted, rearranged our DNA in order to stream their own consciousness into it. Our DNA is supposed to be the electromagnetic receiving station for the consciousness of our Soul Families- our Soul Matrix in all dimensions – including Cosmic and beyond. Our consciousness was cut off from that reality and plugged into a distorted, sometimes horrific structure of twisted mind channels. Our 12 DNA template was plugged into race lines that only had 10 DNA templates or less. Our DNA was plugged into the Controllers. The control was created through the sub harmonic frequencies at the etheric level of reality. And the problem must be healed through the etheric level of reality – not through the visible two DNA reality.

The remedy for the problem is in the Cosmic Consciousness spectrum of crystal light, crystal liquid light, crystal dust, crystal gel. When we create the manifestation of this frequency level of reality and hold it within three spheres of Cosmic Consciousness, inhale those frequencies, breathe those frequencies, and then breathe those frequencies into every chakra in the body, we begin to make a connection to our real divine template, we begin to activate the divine blue print which holds the 12 DNA template of the divine manifestation held within the original breath of Source interacting with the crystalline realities of Cosmic Consciousness.

We (The Cosmic Mystery School of the Omniverse) have worked with

these crystalline forms of consciousness to connect more and more to the Krystic and Cosmic Fields of Consciousness in the dimensions 12 -14 and out into the parallel universe beyond the 15 the dimension of the Earth's matrix. We engage the breaths of this new reality from the Elohim-Elohei Angels in Gaia who hold the complete template of our Human Angelic and Taran Raceline divine blueprint. When we connect our consciousness into theirs, they breathe these frequencies into our breath. This allows us to engage the original Source of eternal light from the Mind of God. Once we activate this reality of the eternal crystal liquid light stream flowing through our breath into our quarks in our atoms, we can translate our DNA back into their original divine template.

The spark of Source exists at a point within our body that we will call our crystal heart. It is deep within the thymus connecting to the medulla oblongata. The MO is the point where the breath of Source can inhale and exhale directly into the crystal heart, the eternal life breath of instant manifestation. That instant manifestation creates a brand new body in every nano second. It creates a brand new reality every nano second. However, the reality that is created is completely up to you. It is the individual's divine right and divine responsibility to co-create with the Mind of God, the reality that is chosen to manifest within the body and within the parameters of the reality field of that body.

It has always been our DNA which creates the realities or illusions we see around us. What we have been seeing in these past lifetimes are illusions that were intentionally implanted within us by fallen angelic races – the dark ones- to control us and gain access to our energy fields. That is the reason we have been living in the prisons of other entities mind fields rather than creating our own.

We can make up stories about how wonderful everything around us is, and how beautiful the flowers and birds and trees are. But, that is just helping to keep the old illusions alive within the DNA. We must take

responsibility to create pictures of our own flowers and birds and trees, implant them in our mid brain and in our crystal heart and breathe the frequencies of Source into that reality that is yours and only yours. The flowers and trees of your creation will manifest as the new pictures have been developed upon your DNA. You can create the reality fields of being extremely wealthy, healthy, young, ingenious, or anything you wish to program in to your DNA.

The formula for manifestation must always include that reality having always been a part of your reality since the moment of your creation, the reality exists now, and the reality will always exist. This is necessary because we always live in three time zones simultaneously -past, present and future. If you only change the present, the past realities that are already planted in your cellular memory will continue to manifest in the present. If you don't change the future your present manifestation will change into the future manifestation which is also already programmed into your cellular memory. The only one who can change your reality is you.

Unfortunately, most people on Earth are intentionally choosing to plug their consciousness into those very Dark Ones who manipulated their DNA to create the illusionary reality field that they now live in. Since those who distorted the DNA to plug into the ultrasonic brainwaves of those whom they wish to manipulate and control, are the same fallen angelics that are channeling information to those receiving messages that seem to be very correct and feel so lofty and angelic, most New Agers, Light workers and Religionists are continuing to be the very puppets that manifest the reality of the Dark Ones. Of course they are good at fooling you. Of course they can create feelings of exalting, spiritual ecstacism. They are the ones that created the program that is running your DNA and cellular memory.

How do we tell the difference between frequencies and information

coming from the controllers and that coming from our own Divine Soul Matrix – our Family and Guardian Races? The true frequencies feel like the negative ions – the water mist that the water fairies dance within. It sometimes feels deep and powerful and yet etheric and lifting. It most often sends tinkling harp strings up the backbone and within the mid brain. It feels like it is transposing the DNA into the divine blue print from the inside out. The information coming from our true Guardians and Families is usually very direct and full of heuristic information rather than the fluffy, oh, my beloved dear ones, everything is so wonderful today. They don't do that. The correct information doesn't sound like the same repeated fluff over and over again in each weekly message. Finally, they always give pieces of information and allow the individual to put the pieces of the puzzle together because they know that we have the minds of the masters who can do this. We can master our own reality. Most importantly, they don't channel information. They stream information through the crystal heart from the etheric light streams of sound particles into the DNA. Unfortunately, most people haven't learn to discern the difference between those two realities.

The good news is that we are getting a lot of help with this new reality transformation issue within the next five years.

From the teachings of THE COSMIC MYSTERY SCHOOL OF THE OMNIVERSE – the place where the sound and light of Source manifest into ultra violet blue and flow into the music of the spheres from the harp strings of our minds to create the highest frequencies through music. Creating the template of our New Reality with the Music Fairies and Water Fairies to sing and swim and dance through the liquid light water falls into the new H₃H₂O where we will live and breath and sing together as we weave and braid the magical sound tones of the mandala of our new kingdom of heaven on Earth.

COSMIC ANTENNA

Cosmic Frequency Wave Files activate the PYRAMID ANTENNAS around the DNA strands. These pyramid tower antennas are the receivers and transmitters of Cosmic Consciousness. Cosmic Consciousness consists of the angelic breaths of Source Consciousness. So, the pyramid towers are the direct link to Divine Mind. This Divine Mind connects through our Starry Brothers who live in the Star Factory ignited from Ursa Major. Zaurak has created the Star Gate between Mother Earth and the Aquarius Galaxy through the Frequency Chambers of Sirius Star System for us to glide through. All Universal Consciousness is filtered through this Star Factory or Soul Factory. When we connect our pyramid tower antennas into the Cosmic Wave Files, we are connecting through the Divine Intelligence of our Galactic Family in the Star Factory. We are also connecting into the Christic Consciousness of the twelfth dimensional Universal Consciousness and into the Co-Creative Cosmic Consciousness. All of these frequencies are recorded into the 12 DNA template through the antenna.

Listen to the entire Ascension Kit to activate the 12 DNA template.

We need 12 DNA to be aligned into our Christic Immortal Template of Divine Instant Manifestation and Instant Healing and Eternal Life. However, in order to be connected to the 12 DNA movie channel, the pyramid tower antenna must also be connected through channels 24, 36, 48 and 96. The antenna is connected through these channels through the Music of the Spheres contained in the Super Frequency Kit. The Music of the Spheres contains frequencies from each of the Five Spheres and the Cosmic Kit contains angelic consciousness resonating in harmony to create the Magical Cosmic Movie Projector.

Listen to the Cosmic Kit and the Super Frequencies Kit to activate Pyramid Antennas.

Each student needs to have his/her 12 DNA aligned to their own Christic Immortal Template which gives them Divine Instant Manifestation, Instant Healing, and Eternal Life. They can align their 12 DNA through their pyramid tower antenna connected through all of the right places through Listening, resonating, breathing and feeling the Music of the Spheres that resonates with Angelic Consciousness that is on our Cosmic Wave File recordings, So, to do this, they need to listen to our Cosmic Wave File recordings, which helps to align the activation of all of the above for them.

So, Listening, resonating, breathing and feeling the Music of the Spheres that are on our recordings will set and develop their:

- Christic Immortal Template
- Divine Instant Manifestation, Instant Healing, and Eternal Life
- Connect and Activate their 12 DNA
- Resonation with their Angelic Consciousness
- Cosmic Intelligence of Ascension
- When our pyramid tower antennas are receiving this Highest Frequency, our body does become the Home or Temple of God.

The Cosmic Intelligence of Ascension is received through these pyramids or antennas that receive frequency signals. Our DNA is coded to receive these Galactic Christic and Cosmic signals. However, the codes cannot be activated without the Intelligence or Consciousness streaming into the pyramid antennas.

Our starry brothers have left many symbols on Earth to help us remember other symbols that would connect us back to the Divine Intelligence of Cosmic Consciousness.

Listen to the FAMILY KIT to activate Cosmic Signals.

The two most obvious symbols throughout the ages have been the pine cone which represents the pineal gland, and the pyramid which represents the pyramid tower around every crystal cell and DNA strand in the body template. This is why the body was referred to as the tower or temple of God.

In Angelic Consciousness, the word God actually represents a Frequency of Consciousness. This is the HIGHEST FREQUENCY. When our pyramid tower antennas are receiving this Highest Frequency, our body does become the Home or Temple of God. When this Frequency is obtained by tuning the pyramid tower antennas to the channels 12,24,36, 48 and 96, the body has been woven into the braids and streams of light and sound of the entire Music of the Spheres.

The Cosmic Frequencies received and recorded as Cosmic Wave Files are the encyclopedia of intelligence from our Cosmic Family. They have been sending the Intelligence of Divine Mind or the Music of the Spheres through their light and sound frequencies.

These frequencies can only be heard and understood on the radio station that they are being transmitted through. The frequencies of their transmission can be received through the antennas of the pyramids that surround the DNA strands, the crystal cells, the pineal gland, the amygdala gland, the medulla oblongata gland, and the pituitary glands.

The Cosmic Wave Files have already received the Cosmic Intelligence from the antennas and re-transmitted this information onto our Cosmic Wave File CD's for others to use in the activation and alignment of their

antennas into their DNA.

These are the steps we take in turning on our Magical Cosmic Movie Camera. The camera won't work unless the frequencies of consciousness are on the same channel as the Cosmic Frequencies.

The pyramid antennas are programmed to receive and transmit the Cosmic Channel of Consciousness which is the Breath of Source creating the original idea of Immortal Man. The spark of Source is the Heart of Mother God. This spark of Source is also present in our Crystal Heart. Our Crystal Heart is located behind the thymus gland. The thymus gland has a huge pyramid tower antenna around it.

- Divine Instant Manifestation, Instant Healing, and Eternal Life)

When we ask Crystal Light Energy from the Suns of all of the Galaxies to stream through this antenna into our Crystal Heart we are connecting our Crystal Heart into the Channel of the God Frequency. When we place our Heart's Desire onto this Crystal Heart and then exhale that Frequency through our Breath – we are breathing the God Movie or the magical Cosmic Movie onto the Movie Screen of our Light Bodies and our Merkaba Movie Screen. –

(MEDITATION – very specific meditation that goes through what needs to be done for the above Paragraph)

The Crystal Heart must be connected into Oneness with the Crystal Heart of Mother Earth, which connects into the Heart of the Milky Way where our Star Factory is. Once these three Crystal Hearts are connected through the Divine Frequency of Light and Sound, we can then create our Hearts Desire. The Hearts Desire must be visualized on the movie screen of the

third eye or pineal gland. This is also done through the connection of the pyramid tower antennas into Universal Consciousness. When the Heart's Desire is Visualized and projected out through the pituitary glands into the Merkaba Consciousness Field, the Heart's Desire is also Exhaled from the Breath of Consciousness from the Spark of Source.

The Merkaba must first be filled with the Golden Stardust Frequencies of Prana. This is the Consciousness of our Starry Brothers, Angelic Families and Source Consciousness. This etheric Golden Stardust Movie Screen must be lined with the Breath of Consciousness of the Star Factory. This Star Factory contains all knowledge of all of our previous episodes in God's Movie. This is the Consciousness Factory where our Souls have merged and perfected just like a diamond. All of our Galactic Families have merged into Oneness of new Harmonic Orchestration.

- Divine Instant Manifestation, Instant Healing, and Eternal Life

This is the time when Sixth Level Man will reappear as we rise into harmonic universe 2- dimensions 4,5,6. And then Seventh Level Man will reappear on Gaia- dimensions 7,8,9. We are already in harmonic universe 2. We must now raise our frequencies in consciousness and attune into the reality that already exists within the heart of Earth and the reality of the past, present and future 12 DNA divine blue print which has not been damaged by frozen light.

The Guardians have explained the Seventh Level Man who used to live in Gaia to be this man who MBE spoke of. We are going through the resurrection when we will be robed in the white light purity of the pure atunement as we rebirth into the 5th dimension through the 12 the dimensional consciousness. This will happen in 2017, and we will prepare

for this reality between 2013 and 2017. We have entered the resurrection leading to that reality. Eddy always spoke of how important it was to Understand this Divine Science, which I believe is the precursor to the Keylontic Science that was brought to earth early in the twenty first century. That truth that MBE tuned into during her Near Death Experience is the same truth that many are tuning into at this present time in history through the Maharaja Consciousness Templates that come to us through our Frequency Specific Mid Brain when we tune into the Future Self, as is done in a Near Death Experience. I am Mary Magdalene. I placed my spirit around MBE when she was dead and brought her back to life. The consciousness within Mary was then lined with the knowingness of Mary Magdalene, which was what was called Christ Consciousness. Much of what MBE wrote, especially her poems, were actually coming from my consciousness. This is why MBE knew that death was unreal and that we were actually in the time of the seventh level man.

We are now entering the Mass Ascension of Man.

We now know through the Language of the Stars that error is Frozen Light. We now know what the mathematical formula of Christ Consciousness is. We now know how we were blocked from our Divine Blue Print through reverse spin technologies. We now know that we are made from the radiation technologies of light and sound that can project us in millions of different density levels. MB Eddy also spoke of a time when man would no longer be given in marriage and child birth would no longer exist.

During the History that is written, when Seventh Level man who lived and will live on Gaia, there was only the man made in the image and likeness of God with the coded divine blue print. Man only knew how to create through the Mind of God. The Neo Cortex Loop was placed in the body to lock us inside of a Veil that was placed between Spiritual and Physical reality.

During the Reality of the Seventh Level man, a child could be manifested from the light of the Consciousness or the manifestation template that each immortal man actually has in reality. The true immortal man has always been able to instantly manifest anything, including children. That act can be performed by an individual, a couple or a group consciousness to create an entity who carries many unique traits in the reality of the NORMAL kingdom that we will soon return to.

The act of creation is always performed instantly in Divine Mind through the perfect 12 DNA template of the immortal man who has eternal life, never dies, never gets sick, has infinite intelligence, etc.

ETERNAL LIFE

We always have been and always will be made of this divine technology of Eternal Life. When we were created by the Christ Code Pre Sound and Light Technology, we contained the ability to Live Forever, to Create our own Galaxies, to Manifest Instantly our Hearts desires. That is the reality. That is the reality we must tune into as the only reality that exists in the past, present and future.

If we continue to tune in to the lower frequencies that were distorted realities caused by the frozen light (miasm or error), we will continue to manifest that reality that locked us into the continuous 3D illusion of reality where we could only see, feel, touch, hear, taste a series of events that were planted into our DNA by Entities who only wanted to freeze us out of our Reality.

That (frozen light Error or Miasm) was how they created the Phantom Matrix and how they planned to lock us into it. That probability no longer exists. We must align our consciousness to the new reality which is the old reality of the ETERNAL LIFE Blue Print. That divine blue print is the

only creation that God knows how to make. That reality is made through the pre light and sound fields of Divine Technology containing the coded divine blue print. We always were made, always are made and always will be made by that divine blue print which is perfect and eternal. We must realign our DNA templates to the sub harmonics of the divine template and begin to know that is the only reality that we have ever been and ever will be made a part of.

It is the knowing and the feeling of the frequencies of the harmonics that has been blocked from our world view. We were made to believe that only 5 senses contain reality. When actually those 5 senses were only for us to enjoy the reality that we create through our Higher Sensory Perception of our spiritual dimensional self who knows and feels and creates through the imagination. That is the reality that we have been forced out of by world propaganda beginning with parents telling their children that their imagination isn't real. That propaganda is a part of the Frozen Light imprinted into cellular memory.

We have been set free from this prison. That reality was planted in the Heart of the Earth and it will flow through the grids of the Earth. It is still up to us to Tune into the Frequencies and spin rate of that reality, especially by creating in Consciousness everyday the reality that we have always been, always are.

ORIGINAL CONSCIOUSNESS

Our Original Consciousness will be recorded back into the Crystalline Grids of Earth's Consciousness when the Original Ones who landed on Earth in 2017 complete their mission here of negotiating with our governments to sign the treaty that allows Earth to enter the Galactic and Universal Family of Consciousness. They will then fly their star ships through my Central Ascension Portal and this will turn on the Time

Capsules that open the Star Gates and the Christ Grids of Earth's Crust will also activate the Consciousness into Earth.

This is the sign of our REBIRTH back into Christ Consciousness. Christ Consciousness means the Universal Consciousness has been returned to Earth, and this is what will allow all who are on Earth to Turn into Light and Blipp into the Fourth Dimension of Terra Ha, which is the next dimensional level of Earth within her Over Soul Matrix of Gaia.

The light of the pillars beaming up from the Earth's Crystalline Grids can be seen now due to the activations of the heliosphere within the Sun allowing heliotalic silver pastel light waves of Cosmic Consciousness to penetrate the Earth's atmosphere.

This creates a reaction like a digital camera. It activates the phonons within our cellular structure as the gamma waves reconnect into the fifth dimensional waves of our psychic brain. This acts together with the infra red waves which are what creates the negative of a picture in our brain. Our mind is acting like a digital camera now because these new frequencies are activating.

You are now experiencing the shifting in and out of a new body. Those pillars of light coming up out of the crystalline grids are presenting a choice continuously to choose the light or the emotion, the light or the emotion. The Grids are still full of our emotions and our thinking brain is still full of our emotions. We must learn to not THINK. Every little thought is pulling out all of the emotions from the neo cortex and the Emotions from the Grids. So, this process is more intense than ever.

The points where the crystalline grids overlap with Earth creates a build up of energy called a node. A node feels like a warm blanket of loving energy. Three types of nodes are vortex, portal and vortal.

They are the points of energy that allow our Consciousness to clean itself up and to recalibrate in to a new consciousness.

A portal amplifies Gaia. A vortex is where energies collide and move. A vortal is a mixture of a portal and a vortex.

Nodes absorb energy that is no longer needed.

Nodes represent pure creative energy. The nodes are absorbing the old energy so that the Crystalline Grids can be recalibrated with new energy of new consciousness.

The nodes are actually drilling a hole into the Grids so that there is a new place for the Guardian Races to Plant our new consciousness.

Nulls are pure creative energy. But the magnetic fields of this energy are so overwhelming that it is difficult to live in these places. Most of these nulls are in the ocean. The Bermuda Triangle is one example of a null.

The Crystalline Grids are designed by human consciousness and they are being redesigned by human consciousness as it is changing. When there is enough change in consciousness, a hole can be bore into the grids to allow new energy of consciousness to flow in.

Our bodies work in an identical manner. We can bring in enough high frequencies of consciousness into our Cells to actually bore a hole through them down into the Zero Point. The old DNA then disappears and the new template of DNA appears where the old one once was. The template of DNA is create by pure pre light and sound of the pure Consciousness of Divine Love.

The old DNA was designed by the Thinking Brain sending messages of judgement and condition that caused aging and disease.

We must take the first steps of activating the new DNA by assisting our neuronets and cellular memory in the moving out of the old THINKING BRAIN and into the Mid Brain which is the Frequency Specific receptor of only the Divine Mind creation patterns of Unconditional Love.

The more we do this within our bodies the more we plug in to those holes that are being bore in the Crystalline Grids that allows new consciousness to flow through.

We are the creators of the Crystalline Grids. They have been filled with eons of emotional consciousness. Now we are being given assistance in clearing out the Crystalline Grids.

It is the Sun who is sending in this new energy. The heliosphere of the sun passes through the magnetic field of the Earth which allows it to pass into consciousness.

The Magnetic Grids of the Earth are related and intertwined with the Physics of human consciousness. As goes the grid so goes human consciousness.

Now the Grids are moving a lot. The Grids are moving to be able to receive information that they could not receive before.

The grids are repostured for something coming to it. An evolutionary energy that is physical. The Earth went into a place in space that it had never been in before.

The solar system is coming out of a protective bubble into a new radiation energy that we have never seen before. The solar system is loosing a protective sheath.

The solar system is always in a new period of time and space. But, this is the first time the solar system has moved into a new energy physically. The new energy is affecting the Sun because it is designed to that.

This energy was always waiting here waiting for us to pass the marker. This is an evolutionary energy. It affects the heliosphere of the sun which passes through the magnetic field of the Earth which allows it to pass into universal consciousness.

The magnetic grid was changed so that it would be ready for this new consciousness.

The Pleadians have known about this Change for many eons. The fast track engines are affecting the Grids of the Planet. Crystalline Magnetic Consciousness Grids are being fed by the Nodes and the Nulls.

When we Feel a sweet energy wrapping around you like a warm, delicious blanket we are feeling a node and null portal of multi dimensional energy.

The confluence of energy are shifting and changing to affect the DNA. The DNA is ready to shift and change. You cannot see it in a microscope. The Junk DNA has multi dimensional consciousness within and it is ready to receive information from the energy coming from the Sun into the Earth's grids.

The Mothers will receive this energy that will shift their DNA and it will be passed to their children. It will be passed to the new borns and the new borns will be born with the change.

When we Feel a sweet energy wrapping around you like a warm, delicious blanket we are feeling a node and null portal of multi dimensional energy.

I created a set of albums called the Ascension Kit that contains these nodal energies in the Ascension Vortal, Ascension Portal and Ascension Vortex albums. The Fourth album is the Magic Vortal which combines aspects of these nodes and nulls. The frequencies in these albums can be used the same way that they are used by the Earth.

When the nodes and the nulls are feeding new information into the Earth, the barrier between innate and consciousness is removed. This innate consciousness is the Unconditional Knowing from the Mid Brain. It is a sign that we have moved from the Judgement of the Yellow Brain into the Unconditional Patience of the Blue Brain and the Super Consciousness of the Violet Brain.

The new beginning will bring children who are born with the new DNA already activated that plugs them into the Blue and Violet Brains in order to run their neuronets through the Super Consciousness of the Over Soul. Children will be born tuned in to the Mid Brain rather in to the Thinking Brain.
